From the Editor

Robert Donegan 727-612-6887 Email: rdonegandg@aol.com

It's that time of year when many changes take place at Palm Hill. Last month the new board of directors was introduced. This month a list of the Committee Chairman for the 2016 calendar year is listed under the HOPH Board Information section of the Link.

Additionally, both the North and South Rec Clubs also have new officers as well which are near the end of the Link.

Because of all the new people in new positions I need to clear up a few things to make sure the Link gets published on time and accurately. First I wanted to clarify the correct E-Mail address when anyone wants to contact me or send information to be published. My correct E-Mail is rdonegandg@aol.com. There was a short period of time when I used a different E-Mail address, but this address has been discontinued.

Although the second item is not new I think it bears repeating. When you are submitting items for the Link I have a cutoff date of the 10th of the month. For example, when submitting information for March it needs to reach me by the 10th of February. Each month I seem to have more and more people trying to go past the 10th date. If you want to get in the upcoming issue you need to adhere to the 10th deadline.

Important – Address and Phone No. Corrections

It is most important that if you change your address, phone number or contact number/person that you advise Gail Stott, our webmaster, and the office. If you give your new number to the link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one.

"Thank you for doing a very professional job on my roof. I am not easily pleased with most contractors, ASC is the exception! Your crew was on time, sometimes even early. There are no leaks and it looks great. ASC was not the cheapest, which proves you get what you pay for."

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

Are You Helping?

Fact: Many homeowners in Palm Hill are helping by recycling, but some are not. Whatever recycled materials that are collected Thursday and Friday are compacted then hauled away by the City of Largo free of charge. All trash/garbage that is collected Monday and Tuesday is compacted and we have to pay the City of Largo \$37.50 per ton to have it hauled away plus a fee of \$200 per haul.

Recycling saves Palm Hill money, and it is the right thing to do. YOU can help our park ... All you have to do is have two waste baskets, one for trash/garbage and one for the following RECYCLED ITEMS. Here is what can be recycled ...

- Plastic: Look for the triangle on the bottom. #1, #2, #3, #4, #5, #6 or #7 (Butter Tubs, Fruit Containers, Plastic Cups, Yogurt Containers, etc., Any plastic container with the recycling numbers on the bottom)
- Mixed Paper
- Aluminum Foil and Trays
- Tin or Steel Food Cans

Note: You Cannot Recycle: Plastic Bags, Plastic Wrap, Styrofoam or Take Out Containers, or Table Scraps

Why Recycle?
Because ... It's The Right Thing To Do!

Come see why so many 55+ communities travel with **Glory Tours** and enjoy our fun-filled bus tours. We plan it from start to finish! Just hop on board our comfortable & safe transportation. The tours fill up fast, please sign up early - if you missed the deadline, please call.

May 15 - Grease - Show Palace Dinner Theatre

Come experience Florida's most exciting theatrical and dining experience. Here is Rydell High's senior class of 1959: hot-rodding "Burger Palace Boys" and their hip-shaking "Pink Ladies" in bobby sox and pedal pushers, evoking the look and sound of the 1950s in this rollicking musical. Enjoy the hits like "Summer Nights", "Greased Lightnin'", "It's Raining on Prom Night", "Alone at the Drive-In Movie" recalling the music of Buddy Holly, Little Richard and Elvis Presley that became the soundtrack of a generation. Includes Show, Buffet lunch, coffee/tea, tax and bus transportation. (Gratuities not included) Boarding Time: 11:45 a.m. Return: Approx. 6:15. **Sign up deadline April 22.**

"Exercise: The Key to the Good Life"

Leaders : Connie (586-0313) and Joan

Exercise workouts are offered to all residents, renters and guests each Tuesday and Friday morning from 9am-10am in the North Clubhouse. A special invitation to new residents. Please wear your park I.D. badge and remember to bring your water bottle and be in your chairs and ready to go five minutes before starting time. Necessary equipment is provided (weights, ropes).

What can exercise do for me? Exercise is necessary for the following reasons:

Keeps the brain sharp and alert

Balance training helps prevent falls

Keeps your joints moving by keeping the muscles around the joints strong

Keeps bone and cartilage tissue strong and healthy

Improves your overall health and fitness by giving you more energy, helping you sleep, controlling your weight, making your heart stronger, decreasing depression, and improving self-esteem and sense of well-being.

"Strong Men And Women Stay Young"

Look forward to seeing you there.

2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website.

We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill.

This is a great compliment to "Our Community" in that their children have chosen to reside in the same environment.

If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included.

Thank you.

Carolyn M. Story 585-1579

Helping Hands

Contact: Georgetanne Donegan, Chairman 727-586-2387, Carl Simon, Co-Chairman 727-475-0489

Helping Hands is an organization of volunteers who help our Palm Hill neighbors who need help. Some of the services we provide are trips to the doctor, help with shopping and other day to day needs that may come up.

In addition to Helping Hands, there are other means of transportation help available. "Neighborly Care"

Provides transportation to doctors' offices for senior citizens. You must fill out an application, which is available by calling 727-571-4384. Their hours are 9:00 AM to 2:00 PM, one ride per week; they need 7 day's notice, and there is no charge. Donations are accepted.

Also, Morton Plant Hospital has a Care Van that provides rides to certain doctors. You can check with the volunteer department of Morton Plant Hospital, 462-7000 to see if your doctor is in the program.

Another option, P.S.T.A. has a program called "Dart" that provides transportation to doctor's offices, shopping, etc. Cost is \$4.00 each way. Call 727-540-1800, and ask for the Dart Program.

What is Pickleball?

Contact: Jim Schroder 727-474-3044

A paddle sport created for all ages and skill levels. The rules are simple and the game is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players.

The Basics

1. A fun sport that combines many elements of tennis, badminton, and ping-pong.
2. Played outdoors on a badminton-size court and a slightly modified tennis net.
3. Played with a paddle and a plastic ball.

Join us Saturdays 9:00 AM. Court 1 at Tennis Courts.

Palm Hill Neighborhood Watch

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

YOGA FOR BODY – YOGA FOR MIND – YOGA FOR LIFE

Contact: Peggy Novara 727-581-6739

Yoga can have lasting beneficial effects on health. For centuries, the benefits of yoga and other relaxation techniques have been well known. Now, Western medicine and psychology have rediscovered that particular wisdom translated it into simple nonspiritual methods and scientifically verified its effectiveness.

Yoga, breathing exercises and meditation are some of these techniques.

Reminder: There will be no Beginner Yoga in March.

Intermediate Yoga is a practice that incorporates flow from pose to pose; (asana to asana) while remaining a heart centered gentle Hatha yoga practice. Progressive body relaxation, warm up of the joints and muscles, pranayama, (breathing practice) and classic yoga postures (asanas) for stretching and strengthening are all skills offered in Intermediate yoga. Yogalates will be incorporated for core strength and balance, as well as weights and straps.

We welcome you to yoga... SO...

Yoga so, you can tie your shoes,

Yoga so, you can turn your head when driving a car,

Yoga so, you have better balance,

Yoga so, you feel better all over,

Yoga so, you can continue to have a wonderful quality of life no matter what age you are!

Bring a yoga mat or blanket, a small pillow if you need one and wear loose fitting clothing.

8:00 a.m. - Intermediate yoga – Instructor/Peggy

Please arrive 10 minutes prior to class to prepare.

You can't get out what you don't put in

Motivational speaker Zig Ziglar likes to tell the story of his friend, Walter Hailey. Although he became a star salesman, Hailey's early career as an insurance salesman was rough. He endured frustration, anxiety, slammed doors, low sales figures, and uncertainty about his future.

One day he grew so discouraged that he went to his boss and told him that he was going to quit. His boss's response? "You can't."

Hailey repeated that he was quitting. The manager repeated, "You can't."

Angry now, Hailey shouted, "Yes, I can!"

His manager replied, "Walter, you can't get out of the insurance business because you have never really gotten into the insurance business."

The words hit Hailey like a ton of bricks. For the first time in his life he realized that you can't get something out of an endeavor if you never put anything into it. Or as Ziglar puts it, "There are many people who 'join' a sales organization but never get into the business of selling."

March Is...

American Red Cross Month. The American Red Cross was founded by Clara Barton in 1881. Today its supporters, volunteers, and employees provide compassionate care in five vital areas: People affected by disasters in America; support for members of the military and their families; blood collection, processing, and distribution; health and safety education and training; and international relief and development.

Music In Our Schools Month. An annual celebration sponsored by the National Association for Music Education, Music In Our Schools Month engages music educators, students, and communities from around the country in promoting the benefits of high-quality music education programs in schools.

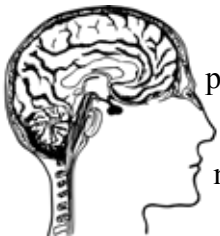

Social Work Month. The goal of Social Work Month is to educate the public about how social workers bring about positive social change and improve the lives of individuals and families. It's sponsored by the National Association of Social Workers, which works to enhance the professional growth and development of its 132,000 members, to create and maintain professional standards, and to advance sound social policies.

Women's History Month. Women's History Month has its origins as a national celebration in 1981 when Congress authorized the president to proclaim the week beginning March 7, 1982, as "Women's History Week." Since 1995, Presidents Clinton, Bush, and Obama have issued a series of annual proclamations designating March as "Women's History Month."

Weekly

National Cheerleading Week, March 1-7. National Cheerleading Week recognizes cheerleading athletes around the world. Its goal is to build a more positive image of cheerleading by engaging in group activities, community service, and fundraising projects.

NO MORE Week, March 6-12. NO MORE is a movement to raise public awareness around ending domestic violence and sexual assault. NO MORE Week is a national effort to engage individuals and organizations to say "No more" to abuse, and to make domestic violence and sexual assault awareness and prevention a priority year-round.

Brain Awareness Week, March 14-20. A global campaign to increase public awareness of the progress and benefits of brain research, Brain Awareness Week unites the efforts of partner organizations worldwide in a celebration of the brain for people of all ages. Activities include open days at neuroscience labs, exhibitions about the brain, and more.
