There may be happy news ahead for the Canadian residents of Palm Hill who would like to stay here longer than their typical six months each year.

There's a proposed change in U.S. law that would be a first step, although a modification of Canadian law would be necessary also for the U.S. change to have maximum effect.

Here's the reality:

Currently, Canadians generally limit their U.S. stays because of laws of both the United States and Canada.

The U.S. law is this: If they are physically present here for more than six months, they become subject to U.S. income tax, based on all income, not just anything earned in the U.S.

The Canadian law is this: If they are out of Canada for more than a specified period of time, they could lose their health coverage.

The amount of time that Canadians may remain outside their country without an effect on their health coverage varies among the country's 13 provinces and territories.

Typically it's six months. But in Ontario, the home of the largest number of Palm Hill's Canadian citizens, the time of absence is seven months, and in one province -- Newfoundland -- it's eight months.

Now Florida's two senators -- Marco Rubio and Rick Scott -- are trying to make longer stays here more feasible for Canadians by changing the U.S.-related portion of the overall factors that Canadians take into consideration.

The senators have introduced legislation in Congress that would expand to eight months, from the current six months, the period of time that Canadians could remain in the United States without becoming subject to U.S. income tax.

The proposed provision would apply to Canadians 50 years of age or older who either own a residence in the U.S. or have a residential lease.

Given the glacial pace at which Congress deals with proposed legislation, it may be a while before any action is taken on the matter.

And, even if U.S. law is modified, Canadians might still be limited in the duration of their stays unless there are modifications in the health care laws of the province in which they live.

Nevertheless, if and when change comes to pass, it likely would have a significant effect on Palm Hill, with more of the community's 1,096 homes being occupied for a longer period of time.

That would be positive, both for Canadians and for Americans.

On another subject, how's this for the month's "Thought Worth Thinking:"

"A smile is an inexpensive way to improve your looks."

## ON THE COVER

**T**he group in the cover photo are carrying on a tradition that was established in Palm Hill several years ago by Shirley Montbleau and which continues today under the leadership and encouragement of Kitty Callahan.

They make stuffed bears that they describe as Comfort Bears, give them individual names, and distribute them to hospitals and other places where people who are ill need some cheering up.

They call themselves the Cuddles Club because the stuffed bears they make are cuddly.

Thank-you notes to the Cuddles Club from recipients arrive frequently. Here are comments from a couple of recent ones:

"Thank you for the beautiful bear I received, named Anthony. He has comforted me through all my radiation treatments. We cancer patients go through a real struggle, but your club brought a ray of sunshine into my life. Thank you, and God bless you all."

And another:

"I chose one of your bears at Wellspring. You'll never know how much your thoughtfulness means to someone going through a scary health problem. I recently

*...continued on page 6*

completed my radiation therapy, and I have a good mental outlook, thanks in large part to my Comfort Bear, Lillian."

In the cover photo are, left to right, Cecile Pageot, Lois Vollmer, Kity Callahan, Julie Delahanty, Betty Allen and Carolyn Hooper.

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crotts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crotts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

## HELPING HANDS

*Ted Silva 508-965-6072*

---

If you need help, Helping Hands is available to provide it. Want to go to bingo...pot luck...meetings...social events...shuffleboard...whatever? If it's a Palm Hill event, we'll pick you up, take you to the site, and return you to your home.

We'll need as much advance notice as you can give, but no less than two days.

This inside-Palm Hill service is in addition to our traditional role of providing transportation to locations outside Palm Hill for doctor visits, eye exams, bank trips, grocery shopping, beauty parlor appointments, etc.

In addition, we try to arrange for "comfort visits" to residents who live alone, or maybe can't get out and might just like to have someone come by to visit. If you want someone to stop by occasionally, or know someone who would like to have a visit, please call.

Helping Hands does not charge for any service, and volunteers do not accept any "tips" of any kind.

If there's no answer when you call Ted Silva's number (508-965-6072), leave a message. If you don't get a response in a reasonable time, please call Carl Simon at 727-475-0489.

We're always looking for volunteers. If you want to help, please call Ted Silva.

## RCS

*Charlotte Ernest 727-585-5845*

Keep in mind that donations should go into the barrels before the last Thursday of the month. That is the scheduled RCS pickup at both Clubhouses.

And, please be certain that donated items don't have expired expiration dates.

**National Epilepsy Awareness Month.** One in 26 people will be diagnosed with epilepsy. National Epilepsy Awareness Month in November is an annual event that teaches people about epilepsy's causes and symptoms. During this month, many organizations join together to provide information about prevention, treatment, research, and resources to fight epilepsy.

**National Family Stories Month.** With Thanksgiving just around the corner, many of us will be reconnecting with family members and listen as grandma and grandpa talk about "the good old days." All the stories that get passed around this time of year give us a great opportunity to learn about our heritage.

**National Novel Writing Month.** National Novel Writing Month (NaNoWriMo) is a fun, seat-of-your-pants approach to creative writing. On Nov. 1, participants begin working toward the goal of completing a 50,000-word novel by 11:59 p.m. on Nov. 30. Emphasizing enthusiasm, determination, and a deadline, NaNoWriMo is for anyone who has ever thought about writing a novel.
