From the Editor

Robert Donegan 727-612-6887 Email: rdonegandg@aol.com

It is hard to believe, but summer is almost over and those of us who go north for the summer began returning to Palm Hill. Georgeanne and I will be returning on September 14, so if you have something to include in future Links, feel free to call or drop by the house.

Just a reminder for those of you returning to Palm Hill, be sure and check in with the office as soon as you return. It is important that the office knows how and where to reach you.

A lot of projects were completed this summer in spite of all the rain that we received during July. The streets have all been resealed, and look the best they have been in years.

I'm sure everyone is looking forward to another busy and fun filled season this fall and winter. For those new residents who are experiencing their first year here I would encourage you to get involved with the many activities that are available. Attending Monday or Wednesday coffee's in the North and South clubhouses is a good way to get to know people. Social events such as dances, dinners, or going on trips with our two travel leaders is also a great way to get in the swing of things.

Looking forward to getting together again with our Palm Hill friends.

Important – Address and Phone No. Corrections

It is most important that if you change your address, phone number or contact number/person that you advise Gail Stott, our webmaster, and the office. If you give your new number to the link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one.

By: Richard Thomas, LCAM

PROJECTS:

1. The Shuffleboard courts in the North and South have been updated with fresh paint and cushions.
2. New water fountain installed at North Shuffleboard courts.
3. Stage in the North Clubhouse scheduled to get a fresh coat of paint, as well as new carpet on the front of the stage.
4. Men's and Ladies rooms in the North clubhouse scheduled for fresh coat of paint.
5. Palm Trees Trimmed
6. North Clubhouse sidewalks and walkway pressure cleaned. (In Progress)

Rain, Rain & More Rain: Late July and August were extremely rainy, causing issues with the North Pool Remodel and Grass cutting. Mosquitoes breed in standing water, please check around your unit for any containers that may be holding water.

Planters: The heavy rains have resulted in many homes having weeds and grass in their front planters. It is the residents' responsibility to clean out weeds/grass in their planters. We will be calling and sending letters to those who do not have someone assigned to look after their planters. If not corrected, the maintenance staff will correct the issue and the resident will be billed for the time necessary to correct the violation.

Soliciting: Soliciting in the community is not permitted, if you are approached by anyone soliciting during office hours, call the office and I will personally escort them out of the community.

Trash: Sidewalks are for Pedestrians; please do not place your trash on the sidewalk for pick-up. Place it on the corner of the driveway off the sidewalk.

To contact me call the office 727-581-8729 or email me at: managerpalmhill@tampabay.rr.com

2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website.

We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill.

This is a great compliment to “Our Community” in that their children have chosen to reside in the same environment.

If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

Palm Hill Neighborhood Watch

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

Computer Club

Ed Becker For computer answers, call 727-266-4521

Here it is September 2015. The computer club is on hiatus until Oct. 6. Palm Hill has been much too quiet without the loyal hackers clicking away at their keyboards. I have held the fort while you all were away, but I am glad to see familiar faces starting to return to Palm Hill. I do hope you all had a wonderful summer.

To those of you, who have already returned, Welcome Back. To those who are getting ready to return, we are waiting for you. So what are you waiting for? Dust off those keyboards and put a fresh battery in your wireless mouse, it's time for Computer fun 101.

Now that Win 10 is here, we will have so many things to discuss. I know there will be questions, but remember it's new to me too. Together, we will find the answers. That's when we have the most fun. Of course, we will talk about 'all' computer related questions & comments.

See you all at the South Clubhouse Rec. Hall, at 1:30 p.m. on October 6th. Remember, as always, the Computer Club is Free and open to all Palm Hill residents and, of course your guests. Beginners, Intermediate and "Experts" are all welcome. If you want to take any notes, bring you notebook or paper and pen. I hope you're looking forward to this as much as I am.

If you have questions or issues and need answers or help before or after the club resumes, call me.

Palm Hill T-Shirts for Sale

These are the same as the t-shirts you see volunteers wearing at many Palm Hill activities. You can place your order by contacting Pat Foor at: phone: 727-631-3372

RCS

Contact - Charlotte Ernest 727-585-5845, Cheryl Booth 727-584-5454

I know it is a little late in the season but I thought you would like to know more about the food donations from Jan. 2015 thru June 2015. We can be very proud of our Palm Hill residents because we have donated a total of 2,478 lbs. of food during that time. This does include the door to door drive we held in April which totaled 1,120 lbs.

We will not be having our annual "Breakfast At Dinner" in Nov. with the proceeds going to RCS because of a conflict in dates. Instead we will be having that dinner Sat. Jan.16th, 2016. Save that date, we promise it will be better than ever.

We are also going to have our door to door food drive in the early spring again. We will need many volunteers for these two events. Of course, as usual, Palm Hill always comes through.

Mesco

Charles Van Horn, Jr., 727-743-5614

If you have any equipment which you borrowed from Mesco that you are no longer using, kindly call one of the named people above who will be glad to come and pick it up and return it for you. Also, if you have equipment that you no longer need which you have not borrowed or not borrowed from Mesco, but would like to donate to Mesco, call Rex Smith at 586-1304 and he will pick it up and sign it in to Mesco. City life? Not for all young adults

The TV sitcom *Friends* depicted a group of young New Yorkers enjoying life in the big city—but in the end, at least two of them chose to move to a house in the suburbs. Young adults in real life appear to be making the same choice (without the laugh track). A survey of more than 1,500 people born since 1977, released by the National Association of Home Builders, found that few of them want to remain in the city for their entire lives.

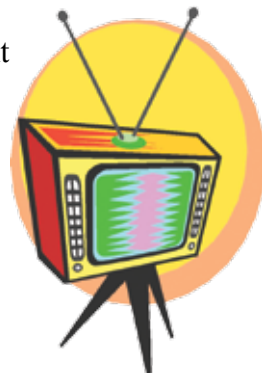

Sixty-six percent indicated they'd like to live in the suburbs, and 24 percent have their hearts set on a rural residence. Only 10 percent want to live in the center of an urban area. They're mostly looking for space: Eighty-one percent said they want three or more bedrooms wherever they end up living.

Online videos bigger than TV these days

Video has taken over the Internet, especially among the younger generation. A survey of 13- to 24-year-olds by Defy Media found this evidence of the influence of YouTube and other video providers on youthful fans:

- Millennials watch an average of 11.3 hours of free online video a week, and 10.8 hours of subscription video—but only 8.3 hours of scheduled broadcast TV.
- Videos are more popular than online TV content. Seventy-six percent of young people in the survey said they find YouTube more entertaining than TV programs (more popular with 55 percent of participants).
- They're tolerant of advertising on the Internet. Fewer than half—41 percent—said online videos have too many advertisements, but 63 percent feel TV does.

Mathematics is the art of giving the same name to different things.

Get the full impact from these healthful foods

Certain foods have definite health benefits, but you have to eat them the right way to get their full impact. Here are some common foods you might be eating “wrong,” according to the CNN website:

- Flaxseed. Full of fiber and omega-3, these little seeds may improve your heart health—as long as you grind them up first. Sprinkling them whole over your cereal or yogurt will keep their nutrients locked inside.
- Broccoli. Eat this raw or steamed, not cooked, to receive the full dose of vitamin C, chlorophyll, and antioxidants this vegetable offers.
- Strawberries. Slicing this delicious fruit exposes its healthful nutrients to light and oxygen, which can dilute their effects. Eat them whole, or hold off cutting them until the last minute.
- Garlic. The enzyme allicin, found in garlic, may help ward off cancer, but its benefits are more pronounced when it’s exposed to air. Let garlic sit for about 10 minutes after chopping to release this enzyme fully.
- Tomatoes. Fresh tomatoes are tasty, but you’re better off cooking them. The antioxidants in them increase in potency when they’re heated to about 190 degrees Fahrenheit.

Stone tools point to early use by primitive humans

Humans have been using tools for longer than we’ve known. As reported by the journal *Nature*, a team of archeologists in Kenya have found stone tools dating back 3.3 million years, some 700,000 years older than the oldest tools previously discovered.

Before this find, the oldest known stone tools came from sites in Ethiopia and were believed to have been used some 2.6 million years ago. Still, evidence of earlier tool use suggested that humans may have been using stone for longer than that—fossils of animal bones, also in Ethiopia, show signs of cutting some 3.4 million years ago.

The Kenyan tools were dated with an analysis of the sedimentary layer where they were uncovered. Scientists speculate they may have been used to open nuts or fruits with hard surfaces. Weighing in at about 6.6 pounds, the tools are 10 times heavier than any stone tools discovered so far.
