## FROM THE EDITOR

---

As I mentioned in last month's Link, I have now been here a little over a year. In all the years coming down here and seeing Ginny working as a crossing guard at the north entrance, I decided I thought I would enjoy doing that once I moved here. Well, I applied last fall and I, too, am now a crossing guard! I am a substitute so I get the privilege to work at various locations throughout Largo. Which brings me to the main point of this writing.

I see the good and the not so good areas of the city. However, the fact remains it is a great city with lots to do and see. Yes, we have crime both here in the park as well as everywhere else in Largo. But we do have one of the top Police Departments in the country. And as an employee of the police department, I can say they are dedicated to making this a better place to live!!

But I also want to talk about the great cultural events right here within a few miles of our own homes! If you have not been to a performance at the Largo Cultural Center, you are missing out. It is a smaller venue with not a bad seat in the house. And the quality of entertainment is great. Doug and I have been to a couple of the music groups and had a great time. Central Park and the Botanical Gardens offer great places to visit as well. The Christmas lights at both are fantastic and should not be missed! I know many of you hear the fireworks each year, but if you enjoy fireworks this is a great show to watch right out your door! And don't let the crowds detour you, again our police department does a great job of moving the traffic.

Visit <http://www.largo.com> regularly. The parks are beautiful with many things to do at each one, great shows at the cultural center, and so much more. Find out what's going on around you and how to take advantage of these things all on the website.

Enjoy!  
Leslie

It is most important that if you change your address, phone number or contact number/person that you advise Gail Stott, our webmaster, and the office. If you give your new number to the Link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one.

# PALM HILL NEIGHBORHOOD WATCH

*Please: Always call Largo Police to report suspicious activity (727) 587-6730.*

---

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

# TV COMMUNICATION CHANNELS

---

Our current communication channels are 96, 98.1, & 732 The channel you use is dependent on the age of your TV. Older TV's will use channel 98, whereas newer TV's will use 98.1 or 732.

# **POSTING INFORMATION ON THE COMMUNICATION CHANNEL**

---

**There are two ways for you to submit information to get posted:**

1. The communication channel will always have the name of the person responsible for updating the system. This will allow you to deliver a hand written notice if desired.
2. We have established an E-Mail address that will be used exclusively for anyone who wishes to have a notice posted. The E-Mail address we will be using is: **phcctvcommunications@gmail.com**. If you wish to have your notice included in the next months Link, add the email address of the Link Editor, Leslie Baker at [ljonedog@comcast.net](mailto:ljonedog@comcast.net) . By using this E-Mail address your notice will always get to the person monitoring the system as well as the Link Editor. Do not send E-Mails to the personal E-Mail address of anyone responsible for updating the TV system.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## SUMMER PROJECTS:

1. North Shuffleboard lighting upgrade
2. Fence on Royal – Completed
3. Murals South Clubhouse – Completed
4. Propane Tank Removal – Completed
5. S. Clubhouse Hallway Ceilings Replacement
6. Chain Link Fencing Around Geo-Thermal Heaters North
7. Sidewalk Repairs – In Progress

**SOUTH CLUBHOUSE STAGE:** The New Murals on the stage in the South Clubhouse Rec. Hall have been completed along with the cleaning of the stone and repainting of the frames and new lighting.

**RAIN, RAIN AND MORE RAIN:** We have seen an increase in thunderstorm activity in June which has led to the area (which was under a water usage restriction) getting significant amounts of rain. With rain comes an increase in weeds and grass growing in planters and decorative rocks in front of the units. Please check your units and clean out any weeds/grass that has grown.

We need people to help with "SHUT-INS." While all of us **SNOWBIRDS are back up north**, that means there are fewer neighbors to meet with and talk to. Gerogeanne Donegan had this vision also,..... that **HELPING HANDS WOULD BE ABLE TO PROVIDE VISITS AND COMPANIONSHIP** to residents who are alone, or stuck in the house most of the day. And YES, there is a need for this type of assistance in Palm Hill! So, if you would like to volunteer and be on our "call list" to maybe stop in or check on someone who needs a visitor .... **PLEASE LET ME KNOW.**

It is totally non-committal. I coordinate between our "clients" and our volunteers. If someone calls because they would like to have some company on a particular afternoon I'll start calling our list of volunteers. If it's convenient for you to drop by and see them that would be great. If you can't, that's fine too!

There are no explanations and OF COURSE, no commitments required!!!

**We need both year round and snowbirds, BUT YEAR ROUND VOLUNTEERS are needed..... RIGHT NOW!**

*So....* Please call me (508-965-6072) and I'll explain what's involved, OR email [tedsilva@comcast.net](mailto:tedsilva@comcast.net)

Thanks ted

**WE WANT YOU!**

## MESCO

**Our MESCO Volunteers for August 2017 are:**

Donna Bieltz	584-8834
Fran Stutzka	584-7021
Carl Simon	559-0164

Please call any of the listed volunteers for assistance with wheelchairs, walkers, crutches, potty extensions, or shower chairs. It is helpful if you are able to anticipate your needs rather than waiting until the last minute to make your request.

Thanks to all that help to make this a valued service for people of Palm Hill.

**T**he RCS barrels are OVERFLOWING because of the generosity of our Palm Hill friends! Our Northern friends are heading out for a few months and they have been cleaning out their pantries, which accounts for a lot of it.

The Park is beginning to settle in for the summer when it will be hot, quiet and I, for one will be anxious for fall. Let's remember when we go to coffee to always bring our cup and one staple item, not outdated, for the RCS barrel. With so many people gone the food is not as plentiful.

## **2ND, 3RD & 4TH GENERATION LIST**

*Carolyn Story 727-585-1579*

---

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse as well as on the Palm Hill website. We now have 81 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill. This is a great compliment to “Our Community” in that their children have chosen to reside in the same environment. If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

Remember, there is no such thing as a stupid question. Ask! We will get you an answer.

To those of you remaining in Palm Hill, keep my number handy. I am usually in Palm Hill and you can always leave a message for me. I'll be seeing you around the Park.

## Coffee more popular than ever

---

For more and more people, a morning cup of coffee is part of starting the day off right. According to a National Coffee Drinking Trends consumer survey, the number of Americans drinking coffee daily has increased to 62 percent, up from 57 percent in 2016.

The biggest increase is in the 13-18 age bracket. Their daily coffee habit climbed to 37 percent in 2017, up from 31 percent in 2016. Adults ages 18-24 increased their coffee habit from 48 percent to 50 percent, and 63 percent of adults 25-39 drank more, up from 60 percent.

Sixty-four percent of Americans 40-59 drink a daily cup of joe, up from 53 percent last year. The 60-plus crowd moved to 68 percent in 2017 from 64 percent the previous year.

## Consumers prefer the human touch

---

Electronic self-service may be the wave of the future for many organizations, but lots of consumers are bucking the trend. The CRM Buyer website reports that researchers surveyed more than 24,000 consumers in 12 countries about customer interactions, and here's what they found:

- Eighty percent prefer customer service from a human instead of an automated system.
- Eighty-three percent say that interacting with a customer service rep is important on the phone or in a store.
  - Sixty-eight percent believe they're more likely to get a better deal when negotiating in person instead of online.
  - Eighteen percent said they would renew products or services because of good personal customer service, even if they were more expensive.

## Columbus' anchor salvaged from the depths

A team of explorers believe they've discovered an anchor from one of Christopher Columbus' ships in the Caribbean. According to a story on the Fox News website, an analysis of the anchor shows that it dates from somewhere between 1492 and 1550. It weighed 1,200-1,500 pounds and probably belonged to a 300-ton vessel, typical of Columbus' time.

The anchor is believed to come from a fleet of smaller ships called caravels, which included the Pinta. Captained by Vicente Pinzon on one of the "minor voyages" of Columbus' third expedition to the New World, the ship sank in a hurricane near the Turks and Caicos islands in 1500.

In addition to the anchor, the team brought up other artifacts at the shipwreck site, including grappling hooks used for salvaging cargo from shipwrecks, as well as pieces of pottery and an olive jar painted with indigo.

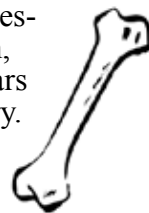

## Scientists create negative mass in the laboratory

Negative mass might sound like something out of science fiction, but physicists have created it in a laboratory. The BBC News website reports that scientists at Washington State University have created a particle composed of negative mass by using lasers to trap atoms of rubidium and then cooling them down to just above absolute zero. This caused the atoms to behave as a superfluid liquid, flowing without losing any energy.

Paradoxically, if you push something with negative mass, it accelerates in your direction, following behavior predicted by quantum mechanics. Scientists expect the technique to help them solve questions about black holes, neutron stars, and dark energy in the cosmos.

## Ancient bone raises modern questions

An artifact unearthed in Crimea may shed new light on our Neanderthal ancestors, according to the Sci-News website. It's a bone fragment from a raven, and it's approximately 38,000 years old. A mere 18 mm long, the bone bears a series of notches that are too evenly spaced to be the result of everyday butchery. Archaeologists believe that two notches on the raven bone could have been made intentionally by Neanderthals to create a pattern meant to be consistent or symbolic. The bone may have worn as a personal ornament, some speculate.
