## **TV Communication Channels**

*Contact: Robert Donegan, Communications Chairman 612-6887*

**O**ur current communication channels are 96, 98.1, & 732. The channel you use is dependent on the age of your TV. Older TV's will use channel 98, whereas newer TV's will use 98.1 or 732.

### **Posting information on the communication channel:**

We are making a change in our procedure which should simplify things, and make sure information gets posted in a timely manner. There are two ways for you to submit information to get posted:

1. The communication channel will always have the name of the person responsible for updating the system. This will allow you to deliver a hand written notice if desired.
2. We have established an E-Mail address that will be used exclusively for anyone who wishes to have a notice posted. The E-Mail address we will be using is: **phcctvcommunications@gmail.com**. By using this E-Mail address your notice will always get to the person monitoring the system. Do not send E-Mails to the personal E-Mail address of anyone responsible for updating the system. All personal E-Mails will be returned and advised to use the E-Mail as shown above.

## **HOPH Board Information**

**T**here are no Board meetings scheduled during December.

## **President's Report November 18, 2015**

*Peter Dougall, President HOPH*

**M**ost of the projects that were started during the summer have been completed. The Board of Directors is currently involved in finding solutions to drainage problems in several areas of the park. Our recent workshop gave the Board and homeowners an opportunity to discuss a number of issues before they come to an official vote. As President, I

believe that workshops are beneficial.

We are approaching the time when three positions on the Board of Directors will be filled by election. The deadline for a homeowner to submit an application to run is December 4, 2015.

I have had the pleasure of serving on various committees for five years and have now been a Director for the past three years. I have also been reminded that I am retired! With this in mind, I have decided not to run for reelection. I will be ready for a break in January.

It is my hope that homeowners who feel they can bring a POSITIVE influence to our Board consider running. You have often heard me say “what a beautiful park we live in”. In order to keep Palm Hill moving forward we need people who will listen to all sides before they make a decision, and show RESPECT to everyone.

It is often said that in order to be a good leader you need to be surrounded by people that are smarter than you. I have experienced this! I want to thank my fellow Board members, Park Manager Rich Thomas, and all of our employees. Your support has helped me through some difficult times. I especially want to thank my wife. Joan has been the perfect sounding board for me. Finally, I want to thank our homeowners. Your support, encouragement and kindness has kept me going. You are the reason we volunteer for these positions.

## Toys For Tots Program

Contact: Pete Fagnoli 727-581-3457

---

The Toys For Tots Program will begin on November 18, and end on December 9th, 2015. You will find a box for collection of the toys in the North and South Clubhouses. They will be picked up on December 10, 2015, so that they can be delivered to the distribution center in time for Christmas.

All Toys Must Be New and Unwrapped

The ages of the children are from 6 months to 15 years of age.  
Thank you for your participation

## 2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

---

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website.

We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill.

This is a great compliment to “Our Community” in that their children have chosen to reside in the same environment.

If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

## 90's plus Club

Contact: Donna Phipps 727-587-7893 or Lee Curtis 727-444-0108

This event alternates each year between the north & south clubhouse. If you know anyone that qualifies please have them put their name on the signup sheet in the north or south clubhouse, or call Donna Phipps 587-7893, or Lee Curtis 444-0108 so we know how many to plan for. Thank you.

# Palm Hill Neighborhood Watch

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

## **Computer Club**

*Ed Becker For computer answers, call 727-266-4521)*

**T**he computer club is back. Palm Hill has been much too quiet without the loyal hackers clicking away at their keyboards. I have held the fort while you all were away, but I am glad to see familiar faces starting to return to Palm Hill. I do hope you all had a wonderful summer.

To those of you, who have already returned, Welcome Back. To those who are getting ready to return, we are waiting for you. So what are you waiting for? Dust off those keyboards and put a fresh battery in your wireless mouse, it's time for Computer fun 101.

Now that Win 10 is here, we will have so many things to discuss. I know there will be questions, but remember it's new to me too. Together, we will find the answers. That's when we have the most fun. Of course, we will talk about 'all' computer related questions & comments.

See you all at the South Clubhouse Rec. Hall, at 1:30 p.m. on every Tuesday. Remember, as always, the Computer Club is Free and open to all Palm Hill residents and, of course your guests. Beginners, Intermediate and "Experts" are all welcome. If you want to take any notes, bring you notebook or paper and pen. I hope you're looking forward to this as much as I am.

If you have questions or issues and need answers or help before or after the club resumes, call me.
