## FROM THE EDITOR

This has been a very long two months for myself as well as my family. Last month we experienced our first large hurricane barrel down on us. We faced some very difficult decisions with the life threatening storm which ultimately meant moving inland for safety. However, my brother-in-law was very sick at the time and decided to stay here on his own. Well, fortunately for us we came out very good through our first storm. We had no major damage to any homes and most importantly Jimmie was safe.

Then we were dealt the biggest blow this week. Jimmie lost his battle with pancreatic cancer. Life can throw you many punches but we are strong. We will fight back, just like Jimmie fought his final months. Thank you everyone for your thoughts and prayers the last few months. We are truly blessed with great friends here in Palm Hill.

We will overcome and better things will come.

On another note, welcome back snowbirds and world travelers! We look forward to everything getting back in full action here in the park! Be sure to read the Link this month as many activities are back in action this month.

## IMPORTANT – ADDRESS AND PHONE NO. CORRECTIONS

It is most important that if you change your address, phone number or contact number/person that you advise Gail Stott, our webmaster, and the office. If you give your new number to the Link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one.

## TOYS FOR TOTS PROGRAM

The Toys for Tots Program will begin on November 18th and end on December 9th. You will find a box for collection of the toys in the North and South Clubhouse. They will be picked up on December 10th, so that they can be delivered to the distribution center in time for Christmas.

**All toys must be new and unwrapped.** The ages of the children are from 6 months to 15 year of age.

Thank you for your participation.

## **PALM HILL NEIGHBORHOOD WATCH**

---

**Please: Always call Largo Police to report suspicious activity (727) 587-6730.**

**T**he Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to **leave outdoor lights on at night, keep doors and cars locked at all times** and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call...don't wait.

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## MANAGERS CORNER

By Richard Thomas, LCAM

---

**HURRICANE IRMA:** The last several weeks after Hurricane Irma have been busy; debris (tree limbs, aluminum, etc.) has been cleaned up and disposed of. Vinyl perimeter fence and North Laundry Fence have been repaired. Cutting and Removal of downed trees has started and should be completed by press time. Tennis Court chain link fence sections will need to be replaced and concrete repaired. Missing South Pool Rules sign replaced as well as one street sign. Mesco Shed and North Laundry roof leaks will also need to be addressed once the Insurance Company gives us their recommendations. Insurance adjuster was here Wednesday 10/4/2017 to view damages and take photos, His report should be completed within 7 – 10 days. A big Thank-you to the Maintenance Staff, Office Staff, Carmen Foti, Mel Silcox, Don Liesener and all that prepared meals and assisted in the cleanup of Palm Hill.

**NORTH SHUFFLEBOARD:** The new LED lighting has been installed.

**RETURNING TO PALM HILL:** It is that time when many of our snowbirds return to Palm Hill. Please remember to stop in the office and complete a “We have returned” form and have your FOBS reactivated.

**302 SAGO:** We have filed a lien on this property and share in the amount of \$15,552.46 for unpaid maintenance fees, late fees, attorney fees, and filing fees. Once the Court schedules a foreclosure sale, it is likely that someone will bid higher than the monies owed Palm Hill. Whoever purchases the property will need to meet the requirements for residency in the Park. Once we know the sale date I will send out an email and have it posted on the T.V. Channels. If you are interested, I have keys to it in the office. Information on the home can be found at [www.pcpao.org](http://www.pcpao.org) click on search our database, agree to the terms of use and enter the address 302 Sago Palm.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

### GEORGEANNE'S Sept. Link 2017 CAN WE HELP YOU?

WHAT WE DO..... WE FOLLOW THE VISION OF  
GEORGEANNE DONEGAN AND WAYNE MARSHALL

*This is a good time to REMIND residents that Georgeanne's Helping Hands is here for everyone. We have a very successful system for providing "rides" for doctors' appointments, bank trips, grocery shopping and other places (including beauty parlor!).... that people need to get to. We have the greatest group of volunteers you can imagine ready to help you!*

*We are also getting more involved with residents who would just like some company. If you are shut in and stay at Palm Hill year round, sometimes just having visitors stop by and chat for an hour is beneficial. We have volunteers doing that too.*

***IF YOU NEED HELP WITH SOMETHING PLEASE CALL ME (508-965-6072) AND WE WILL SEE IF ONE OF GEORGEANNE'S H/H VOLUNTEERS CAN ASSIST YOU!***

**W**elcome back to many of our friends! The food collection went pretty well this summer but now we will have full barrels each month, I hope.

Same story, check your pantries for food that you won't be using soon and that is still currently dated. There are always many people who are not as lucky as we are and it makes you smile when you can share with someone.

## **2ND, 3RD & 4TH GENERATION LIST**

*Carolyn Story 727-585-1579*

---

**P**lease check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse as well as on the Palm Hill website. We now have 81 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill. This is a great compliment to “Our Community” in that their children have chosen to reside in the same environment. If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

## **COMPUTER CLUB NEWS**

Ed Becker 727-266-4521

---

**B**y now, all of residents of Palm Hill are back in their southern homes. Those of us that are here year round, are glad you're back. I want to let you know that the Computer Club is also back in full swing. We meet every Tuesday in the South Park Recreation Hall at 1:30pm. In case you don't know about this Club, let me explain. We "hackers" get together every week and talk all about computers. If you have a question concerning a computer issue, bring it to the club. Someone at the club will probably be able to help you. It doesn't matter if you are brand new to computing or have had a lifetime of experience. All are welcome! Just bring a smile, your questions, paper and pencil (in case you want to write something down).

One more thing, which is very important, the meetings are free of cost. There are no dues to pay, no secret handshakes, and no scowling faces. We just get together, meet new people and help each other out with computer problems. I sure hope that you join us. See you all at the next meeting.
