## FROM THE EDITOR

As our summer winds down we will now look forward to our worldly travelers and snow birds as they begin to return. And with the return of the rest of our Palm Hill family comes that return of many events that have been on hiatus for the summer. Begin watching the Link for information regarding several clubs, classes, meetings, and the like which will resume in the next couple of months.

Also, if you have a picture you would like published in the Link, please send that to my email. I can have it published within the pages of the Link or have it put on file with our publisher to possibly be used as a cover for upcoming newsletters.

If you are the chairperson or leader of a group, class or anything that will resume in the next couple of months, please be sure to send me details by the 10th of the month to get out in the Link the following month. You can email me, call me or drop it off in my mailbox.

And lastly, we always need volunteers! Be sure to contact your entertainment director who's info can be found in the back of each addition of the Link. The morning coffee held in the north and south club houses are also a great place to find out how to get involved! You can find the date & times of the coffees on the calendar inside the Link as well.

Stay cool!

Leslie

## PALM HILL NEIGHBORHOOD WATCH

**Please: Always call Largo Police to report suspicious activity (727) 587-6730.**

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to **leave outdoor lights on at night, keep doors and cars locked at all times** and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call...don't wait.

## TV COMMUNICATION CHANNELS

---

**O**ur current communication channels are 96, 98.1, & 732. The channel you use is dependent on the age of your TV. Older TV's will use channel 98, whereas newer TV's will use 98.1 or 732.

## POSTING INFORMATION ON THE COMMUNICATION CHANNEL

There are two ways for you to submit information to get posted:

1. The communication channel will always have the name of the person responsible for updating the system. This will allow you to deliver a hand written notice if desired.
2. We have established an E-Mail address that will be used exclusively for anyone who wishes to have a notice posted. The E-Mail address we will be using is: **phcctvcommunications@gmail.com**. If you wish to have your notice included in the next months Link, add the email address of the Link Editor, Leslie Baker at [ljonedog@comcast.net](mailto:ljonedog@comcast.net). By using this E-Mail address your notice will always get to the person monitoring the system as well as the Link Editor. Do not send E-Mails to the personal E-Mail address of anyone responsible for updating the TV system.

### **PROJECTS:**

- 1) Sidewalk Repairs – Ongoing
- 2) South Clubhouse hallways ceiling tile replacement
- 3) North Shuffleboard Lighting – Scheduled for 9-4-2017

**PLANTERS/ROCK BEDS:** The heavy rains have resulted in many homes having weeds and grass in their front planters or rock beds. It is the residents' responsibility to clean out weeds/grass in their planters. We will be calling and sending letters to those who do not have someone assigned to look after their planters/rock beds. If not corrected, the maintenance staff will correct the issue and the resident will be billed for the time necessary to correct the violation.

**SOLICITING:** Soliciting in the community is not permitted, if you are approached by anyone soliciting during office hours, call the office and I will escort them out of the community.

**CENSUS:** Housing and Urban Development has been in the community conducting a Census. The individual taking the Census will have a photo I.D. to identify him as a Census taker. He will also be carrying a small laptop.

## **MESCO**

---

### **Our MESCO volunteers for September 2017 are:**

Ben Brubaker 727 585-1089  
Mary Buote 207 522-9307  
Emile Laflamme 727 587-7097  
Arlene Ferrerio 727 581-6278

Please call any of the listed volunteers for assistance. We are blessed with many excellent "Hillers" that make MESCO just one more reason to live in Palm Hill. A little cool breeze in September would be appreciated by all.

## GEORGEANNE'S August Link 2017

CONTACT TED SILVA 508-965-6072 (Coordinator)

<HELPING HANDS>

**SO YOU'RE NOT COMFORTABLE DRIVING  
BUT STILL WANT TO ASSIST ?**

**WELL, NOW YOU CAN!!**

**GEORGEANNE'S HELPING HANDS STILL NEEDS HELP!**

**We need VISITORS!**

**OK- what does THAT mean???**

We need people to help with "SHUT-INS." While all of us **SNOWBIRDS** are **back up north**, that means there are fewer neighbors to meet with and talk to. Gerogeanne Donegan had this vision also,..... that **HELPING HANDS WOULD BE ABLE TO PROVIDE VISITS AND COMPANIONSHIP** to residents who are alone, or stuck in the house most of the day. And YES, there is a need for this type of assistance in Palm Hill! So, if you would like to volunteer and be on our "call list" to maybe stop in or check on someone who needs a visitor,..... **PLEASE LET ME KNOW.**

It is totally non-committal. I coordinate between our "clients" and our volunteers. If someone calls because they would like to have some company on a particular afternoon I'll start calling our list of volunteers. If it's convenient for you to drop by and see them that would be great. If you can't, that's fine too!

There are no explanations and OF COURSE, no commitments required!!!

We need both year round and snowbirds, BUT **YEAR ROUND VOLUNTEERS** are needed..... **RIGHT NOW!**

So.... Please call me (508-965-6072) and I'll explain what's involved, OR email - [tedsilva@comcast.net](mailto:tedsilva@comcast.net)

Thanks ted

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

**B**e sure to the article on the Fall Fling benefiting RCS! Hope to see you all there, Sept. 4th at 1:00pm.

The Park is beginning to settle in for the summer when it will be hot, quiet and I, for one will be anxious for fall. Let's remember when we go to coffee to always bring our cup and one staple item, not outdated, for the RCS barrel. With so many people gone the food is not as plentiful.

*Carolyn Story 727-585-1579*

---

**P**lease check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse as well as on the Palm Hill website. We now have 81 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill. This is a great compliment to "Our Community" in that their children have chosen to reside in the same environment. If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

## Did you know that September is also...

**Blood Cancer Awareness Month.** Lymphoma is a type of blood cancer that occurs when lymphocytes—white blood cells that help protect the body from infection and disease—begin behaving abnormally. Lymphoma may develop in many parts of the body, including the lymph nodes, spleen, bone marrow, blood or other organs. This year's theme for Blood Cancer Awareness Month is "Light it Red for Lymphoma."

**National Child Awareness Month.** During National Child Awareness Month, a wide array of organizations set aside their individual agendas to focus on the bigger picture of children in America today and what can be done to address their growing challenges and needs tomorrow.

**National Cholesterol Education Month.** National Cholesterol Education Month is a good time to get your blood cholesterol checked and take steps to lower it if it's high. It's also a good time to learn about lipid profiles and food and lifestyle choices that will help you reach your personal cholesterol goals.

**National Piano Month.** A good month to sign up for piano lessons. Although invented around the year 1700, the piano took several decades to become a favorite of composers and performers alike. In the 19th century the instrument grew larger and more powerful. At the same time, the instrument became the primary source of home entertainment, and learning to play the piano became an important part of childhood education.

**Substitute Teacher Appreciation Week, Sept. 3-9.** Five days dedicated to the hundreds of thousands of education professionals who fill in at the schools every day across the United States. This nationwide event is recognized by the U.S. House of Representatives, schools, and school districts around the country.

**National Suicide Prevention Week, Sept. 10-16.** High schools, colleges, and universities can create their own activities for National Suicide Prevention Week. These locations are ideal to promote public awareness of the goals of suicide prevention, educate the public about the prevalence of suicide, and involve young adults in prevention activities.

**Child Passenger Safety Week, Sept. 17-23.** Car crashes are a leading cause of death for children up to 13 years old. Many deaths and injuries can be prevented by proper use of car seats, boosters, and seat belts. Getting safety information and car seat instructions to parents and caregivers is crucial to saving young lives.

## Chocolate may be good for your heart

In case you're looking for an excuse to eat some chocolate, consider this: It may reduce your risk of irregular heartbeat.

An analysis of some 55,000 adults from Denmark found that eating 2-6 ounces of chocolate a week was associated with a 20 percent decreased risk of atrial fibrillation, or A-fib, otherwise known as an irregular heartbeat. A-fib can compromise blood flow in the upper chambers of the heart—the atria. People with A-fib are five times more likely to suffer a stroke, according to the American Heart Association, and have twice the risk of a heart-related death.

Moderate consumption of chocolate, especially dark chocolate, appears to reduce that risk, although binging on larger amounts can obviously lead to weight gain and associated problems.

## Carbon monoxide safety tips for your home

Carbon monoxide (CO) is a colorless and nearly odorless gas that's created by the incomplete burning of solid, liquid, and gaseous fuels. Appliances that burn LP gas (liquefied petroleum), oil, coal, kerosene, coal or wood may produce carbon monoxide. Carbon monoxide is also poisonous to animals and people. Symptoms of its effects include:

- Headache
- Fatigue
- Shortness of breath
- Nausea
- Dizziness

To prevent CO poisoning, take these precautions:

- Buy and install a CO alarm. Make sure it is listed with Underwriters Laboratories or that there is information on the package that indicates that it meets the requirements of IAS 6-96 standards. Follow the directions for placement and installation.
- Install appliances properly. Most of them should be installed by a professional.
- Practice good maintenance. Have your heating system (furnaces, flues, and chimneys) inspected and serviced by a professional every year.
- Burn charcoal outdoors only. Never burn it in a tent, home, garage, vehicle, etc. Don't use portable fuel-burning camping equipment indoors or inside tents, etc.
- Make sure you turn off fuel-burning engine equipment when you are inside a garage or basement. Just having the doors open does not ensure your safety.
