EDITOR'S CORNER

Editor: Richard Daw 727-512-2410 PALMHILLINK@GMAIL.COM

Assistant Editor: Denisse Daw 813-404-3056

The Link's new editors promised to try to keep residents informed about not just Palm Hill events, but also about Board actions, community projects and general news. So here's a brief rundown on current items:

A test is under way to determine whether Palm Hill's water and sewer bill can be reduced and save between an estimated \$5,000 and \$9,000 a month.

Board President Bob Newport has presented information about the test at recent gatherings.

The test involves placing devices on the valves through which water flows into our community and is measured for billing purposes. The flow of water often includes bubbles that get measured, too, according to the company conducting the test, The Watergate Valve, Inc. The company says its devices prevent the water meter from including the bubbles in its measurement, and therefore the billed amount should decrease.

If it's decided to keep the devices in place, the Board will execute a contract with the company that installed them agreeing to divide future savings equally with the company. If it's decided not to keep the devices, Palm Hill will pay nothing.

On another matter:

There will be a Board meeting at 2 p.m. Wednesday November 14 at the South Clubhouse to decide whether to install a gate at the Seminole entrance to Palm Hill and security cameras at the Seminole, Ridge and 8th Avenue entrances.

Information on the proposal and related costs was mailed to all shareholders in September.

On yet another matter:

Information will be mailed soon to all shareholders regarding an election for three positions on Palm Hill's nine-member Board of Directors.

Candidates will be asked to declare themselves by presenting a biographical information sheet to be distributed to all shareholders, and that will be followed by a presentation of candidates and an election.

And, to conclude:

Response to the first article in the series titled "Palm Hill Pioneers" that appeared in last month's Link was positive, so we're continuing. If you think you qualify as a "Pioneer," contact us.

Knock, knock who is there? Not a health agent.

Michael Crofts
FL Licensed Independent
Health Insurance Agent

Medicare has very strict rules prohibiting the enrollment into most products via door-to-door sales. Still many seniors are experiencing unsolicited calls and visitors. Making a decision about your health coverage is important and should be done every year, but not by someone who shows up on your doorstep or is cold calling you. At Best Plan Choice, we encourage you to find out how good a full-service health agency can be for you. We work directly with individuals, groups and communities to bring our services to you, at your request.

During the annual enrollment season for Medicare health coverage (Oct 15-Dec 7) we host seminars with free coffee and dessert (see our enclosed insert or call 855-BOOMER65). Throughout the year, we are available to present every available plan, assist you with customer service issues or become your agent if you need one.

Are you debating if you need Medicare Part B? We can show you how to save money on your Part B premium each month. Do you need financial assistance? We can help you apply for Medicaid or extra help for the high pharmacy costs you may have. Is your spouse still working to provide health insurance for you? We may have options which will start their retirement sooner. We will provide a complete needs analysis during a personalized appointment so you can make the best plan choice for you. As always, our services are without charge or cost to you. Call us at Best Plan Choice, where Clients become Friends, and Friends become Clients!

WATER LEAK FOREST We had a major water leak (irrigation water) in the Forest, leak was located under the street which required digging up a 5' x 5' area locating the leak (which was caused by a large tree root), repairing the leak, and re-asphalting the affected area.

SPEEDING: The speed limit in Palm Hill is **15 MPH**, this is posted throughout the community, yet some residents consistently ignore the posted speed limits and in many cases fail to stop for the stop signs, This is widespread on Frangipani, King, Queen, Sabal, and Royal. This is a very dangerous situation waiting for a serious accident to happen. Please observe the posted speed limits.

OVERFLOW PARKING: Article X (H) PARKING RULES states in part that “residents shall park their vehicles on their own unit”...”In the event all parking spaces are occupied on one’s Unit, then visitors, guests or residents are allowed to park in the guest parking area or clubhouse parking lot (providing there is space available) with an appropriate parking permit obtained from the office”.

RETURNING TO PALM HILL: Upon your return to Palm Hill, please stop by the office and complete the “We have returned to Palm Hill” form, we receive many inquiries on who has returned and who has not.

PALM HILL PIONEERS

Another in a series featuring some of those who have resided in Palm Hill the longest

It was the blizzard of '78 that brought Ruth Kievenaar to Palm Hill from her home in Massachusetts.

"My parents felt like they'd had enough cold weather, so they decided to move to Florida," she recalls. "I came with them."

They had stayed in previous years at an RV park where Home Depot now stands. And they had friends who lived in Palm Hill. So on Dec. 1, 1979, they moved into the house at 368 King Palm Street that has been Ruth's home ever since -- 39 years in December.

She was 31 and her fiancé had been killed in an automobile accident two months before their scheduled wedding. Her parents, Bill and Dot Kievenaar, died in 2007 three days apart, ending a 72-year marriage.

**RUTH
KIEVENAAR**

Now retired from her last job -- as a pre-school teacher -- Ruth says Palm Hill today is very different from the Palm Hill she moved to.

"People don't seem to get involved as much now as they used to," she says. "And there are a lot more golf carts."

She feels that attendance at the two weekly coffees is down, but at the same time notes that the number of planned activities is up.

She particularly likes what she sees as a current tendency to refer with greater frequency to "Palm Hill" rather than "the North" and "the South."

What she likes best about Palm Hill: "That most people are friendly."

What she likes the least: "That some people don't follow the rules."

One of her fondest memories of Palm Hill: "We used to decorate the streets at Christmas time with luminaries."

Among the changes she recalls are that, when she moved in, there was no Largo Mall nor Home Depot, and today's large post office on 8th Avenue didn't exist, but rather was in a small building on West Bay. Some streets in Palm Hill's southern section were still under development and -- as best she remembers -- the Forest didn't yet exist.

As a block captain, Ruth makes it a point to visit all new residents who move into her assigned territory and do all she can to make sure they feel welcome.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

COMPUTER-ORIENTED GOLFER WANTED

Paul and Joan Myles asked The Link to publish the following "Help Wanted" item:

It is time to hand off the task of doing the pairings for Men's (Tuesday) and Women's (Friday) Leagues. It involves picking up the sign-up sheets on Saturday and Wednesday, logging in who wants to play from the member lists, and setting the computer program in motion to set up the foursomes and tee times. At the end of this golf season we will have done this for three consecutive years.

We will load the pairing program onto your computer and train you during this season in parallel to what we do so that you can take over in the fall of 2019. It is easiest if two people work on this together.

If interested, please contact Paul or Joan Myles at 727-581-8269 after November 3, or at the following e-mail: paul.myles@cogeco.ca.

HELPING HANDS

Ted Silva 508-965-6072

If you need transportation to doctor visits, eye exams, bank trips, grocery shopping, beauty parlor appointments, whatever else, call Helping Hands.

Also, we try to arrange for "comfort visits" to residents who live alone, or maybe can't get out and might just like to have someone come by to visit. If you want someone to stop by occasionally, or know someone who would like to have a visit, please call.

Helping Hands does not charge for any service, and volunteers do not accept any "tips" of any kind.

If there's no answer when you call, leave a message. If you don't get a response in a reasonable time, please call Carl Simon at 727-475-0489.

We're always looking for volunteers. If you want to help, please call Ted Silva at 508-965-6072.

MORTON PLANT TRANSPORTATION SERVICE

Morton Plant's free Care Van Services is available to Palm Hill residents.

The service provides transportation to the following Morton Plant-related medical facilities:

Axelrod Pavilion, BayCare Laboratories, Cheek-Powell Heart and Vascular Institute, Morton Plant Hospital Campus, Ptak Orthopaedic and Neuroscience Institute, Turley Family Health Center

The service is available Monday through Friday from 8 a.m. to 3 p.m. Those using it must be able to get in and out of the van without assistance. Reservations can be made by telephoning 727-461-8548.

MESCO

Linda Simon 727-559-0164

The volunteers for November are: Marion Hagen, 727-584-4772, John Landrum, 507-259-6934 and Mike Keating, 727-518-6711.

Anyone in Palm Hill who needs medical equipment should contact one of this month's MESCO volunteers to see whether what's needed is available. If it is, the person who needs it will be able to use it free of charge for as long as the person is a Palm Hill resident.

Some examples of available equipment: walkers, shower seats, toilet seat extenders, wheel chairs, commodes, etc. Whatever the need, inquire!

Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us.

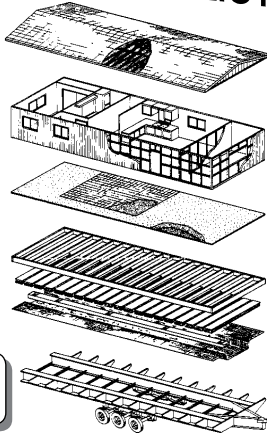

Always call Largo Police at 727-587-6730 to report suspicious activity. Dial 911 for an emergency or a crime in progress. Also: Leave outdoor lights on at night, keep doors and cars locked at all times and always be alert. Palm Hill is a very safe community – and with everyone's continued help it will stay that way.

Palm Hill continues to attract generation after generation of residents. Check the Generations List in both clubhouses -- and on the Palm Hill website -- to see how true that is. There are 81 people currently on the list, including six families of 3rd Generation and one family of 4th Generation. If you are a descendant of someone who lived in Palm Hill previously, or who is a current resident, please contact Carolyn Story at 727-585-1579. This list is updated periodically and it would be good to have you included.
