Help From the City of Largo

By Keith Knowles and Cole Akins

Recently, representatives from the Co-Op and HOA met with Matt Anderson, the Housing Manager from the City of Largo. Matt came to present to us a program called “State Housing Initiative Partnership”, a state funded program that helps low income people with rehabilitation projects for their homes. A sum of money, approximately \$70,000, is now available for manufactured housing and the city is hoping to allocate the money to their residents. The funds are to be used strictly for rehab of existing structures and projects might include new A/C units, new windows, a new roof or other items needed to make a home more habitable. There are several restrictions on the funds and they include:

- Only low income residents are eligible. Currently, that standard is incomes less than \$20,650 (all sources including Social Security) for one person household and \$23,600 for a two person household.
- The home must be the applicant’s primary residence and must be occupied by the owner. No rentals or vacation homes are eligible.
- The home must have been manufactured after June of 1994 when new HUD standards became effective.
- Only rehabilitation projects are eligible.

If you meet the income guidelines (the first hurdle in the process), then a project manager is assigned to evaluate your home and the applicable areas needing rehabilitation. Then the projects are qualified and it is determined whether the funds will be provided in the form of a loan or a grant. The work is then completed by city qualified contractors.

Since the first criterion is income eligibility, applicants are asked to contact Jodie White at Largo City Hall (727-586-7489 X 7314). Jodie will determine if the applicant’s income meets the standards. If so, then the process can continue.

Activity Chairpersons Needed

By Marcia White

For the remainder of 2016 and forward the Social Comm. is looking for some volunteers to chair some of our annual events. The following positions have become open and we would love to talk with anyone interested in stepping up to help us continue to host these events.

The Craft Fair held in November needs a Chairperson and we would be happy to speak with you about the event if you are interested.

Thanksgiving dinner needs a host as well. Both Brenda V. and myself are not available in 2016 to be your hosts. This is an annual tradition in our community and we really need someone to be able to host this event. We have many residents who rely on this dinner as their holiday. Please consider volunteering. It would mean so much to so many.

The Community Christmas party needs a Chairperson as well. Mary Ross did a great job

last year but is unable to host the party this year. We hope to be able to continue this fun tradition for our community but we need a volunteer. If we don't have a volunteer sadly we will have to cancel the party.

Please contact Marcia White (727-953-3616) if you can help.. Thank You

HOW SENIORS CAN PREVENT RISING ONLINE SCAMS, IDENTITY THEFT DURING 2016 TAX Season

*Taken from the March issue of the Largo Police Department Crime Bulletin
February 11, 2016 By Phil Ammann*

As April 15 quickly approaches and Americans start to file tax returns, a large number of people will be in for a shock.

And it's not a bigger-than-expected refund.

Many will learn their taxes have already been filed – by someone else using their identity.

Identity theft and tax fraud are on the rise in 2016, with an increasing number of fraudulent tax filings to the Internal Revenue Service through such popular online programs as TurboTax, H&R Block, and eFile. Con artists use information such as Social Security numbers to file taxes and get a job falsely – resulting in the IRS having inaccurate taxpayer income data.

One such case was a 29-year-old Okeechobee woman who filed a report in January with the local sheriff's office after discovering a tax return was previously submitted in her name, giving the thieves a refund of \$1,500.

According to the IRS, there were nearly 736,000 reports of fraudulent contacts since 2013, a majority of those by scammers posing as IRS agents. Telephone rip-offs have cost taxpayers more than \$23 million, the agency says.

With more taxpayers turning to the Internet to file taxes quickly and easily, the problem of identity theft is far from a minor nuisance. The IRS estimates it prevented \$24.2 billion in identity theft in 2013; a report by the U.S. Government Accountability Office shows the IRS still paid \$5.8 billion in fraudulent refunds, up from \$3.6 billion the year before.

Seniors and immigrants are particularly vulnerable to identity theft, IRS officials say. Usually, the scam begins with a call to victims asking for Social Security numbers.

“Callers claim to be employees of the IRS, but are not,” the IRS website advises. “These con artists can sound convincing when they call. They use fake names and bogus IRS identification badge numbers. They may know a lot about their targets, and they usually alter the caller ID to make it look like the IRS is calling.”

In a recent Context Florida op-ed, Apryl Marie Fogel of the 60 Plus Association, a nonpartisan senior advocacy group, warns that the use of technology and a lack of online security will only increase the problem.

“There are literally millions of online accounts that criminals can use to prey on legitimate taxpayers, stealing their identity and pocketing their hard-earned money,” she writes. “Everyone is at risk, especially seniors.”

As an example, Fogel points to the 2015 instance of two former TurboTax employees who acknowledged the existence of accounts that “were 100 percent used only for fraud.” The pair accused TurboTax management of “forbidding” either flagging or turning off the fake accounts while refusing to implement security measures to stop widespread fraud.

In Florida, Attorney Gen. Pam Bondi’s office released a checklist to help safeguard taxpayers from fraud and identity theft:

- File tax returns early;
- Research tax preparers thoroughly before providing personal information;
- When filing electronically, use a secure Internet connection. Do not use unsecured, publicly available Wi-Fi hotspots;
- Mail tax returns directly from the post office, not from home;
- Many taxpayers are eligible for an Identity Protection PIN from the IRS. Should someone enrolled in the IRS IP PIN program and file a return with an incorrect PIN, the IRS will reject or delay the return until submitted with the correct PIN and the taxpayer’s identity is confirmed. To obtain an IRS IP PIN IRS.gov;
- The IRS will never initiate contact by email, phone, text or social media. If the IRS needs information, it will first contact by mail; and
- If a Social Security number has been compromised, contact the IRS ID Theft Protection Specialized Unit at (800) 908-4490.

PARADISE ISLAND’S 10th ANNIVERSARY PARTY

By Marcia White

This article is being written prior the party because of the deadline for the media. I will do a party recap next month for you.

I want to make sure that we all take the time to say THANK YOU to the sponsors of the party. As the chairperson I know that we have a record number of tickets out there and we are expecting 500 attendees throughout the day. That means that our sponsors are expecting us to have a great time and enjoy your party. The next time you run into any of the board members of the following smile and say Thank You.....

The Party was the brain child of the Co op and our biggest sponsor. The HOA helped us as well with their sponsorship. Island in the Sun Realty stepped up and was happy to be a sponsor for us as well, and last but not least the Hosts (the worker bees) of your party The Social Committee also donated to the cause.

We all sincerely hope you all had a great day helping us to celebrate our anniversary....

By Carol DelleChiaie

Hope everyone enjoyed the 10th anniversary party. Thanks to a great committee and the helpers that showed up, the decorations looked beautiful. We are so blessed to have such a great clubhouse where we can have so many spectacular functions.

We will do spring on Friday, April 1st @10:00 am. See you then!

Golden Anniversary Thank You

By Diana and Chuck Prain

Thank You!

We would like to thank Brenda & Jerry Struble, Dawn & Bob Mac Lean and all the lovely ladies that made our Golden Anniversary Celebration so very special. It was a lovely event and a joy to be able to share it with our visiting family and friends from Michigan. What a wonderful blessing to live in such a caring community. Thanks again!

Day Trip To Victory Casino Cruise Ship out of Port Canaveral.

By Nancy McCann

Last year we did a day trip to this ship in June and we have had several requests to go again. I have contacted them and have set a date of Tuesday, May 3, 2016. The cost this year would be \$50.00 Per Person up from last year's cost of \$43.00 because their bus company cannot come over to the west coast anymore and they have contacted a bus company in Tampa to do the transportation. We still have a good deal since it does include the cost of the transportation, tip for the driver, boarding fee on the boat which is now \$13.00, Buffet cost of \$17.50, \$20.00 free play and free drinks while gaming. We did have snacks, water, games and prizes last year and we are planning on doing the same again this year. The bus will hold 50 people so call Nancy McCann at 727-667-0014 or Carolyn Teter 727-793-4968 to reserve your spot or for more information. Hope to see you all again.

Some Valuable Information

By Ruth McLaws

Here's some info many of you may not know. We learned the hard way when my husband had to be taken to the hospital by ambulance. After our insurance company paid, we still owned almost \$300. When I contacted Sunstar to arrange small, monthly payments, they told me about a membership plan they offer. For one annual payment of \$61.35 (individual) or \$95.43 (family) if you have to be transported by ambulance for an emergency, Sunstar will use the insurance payment to pay off your account and you won't owe the balance. For more info, call Sunstar 727.582.2008 or visit www.sunstarems.com.

Paradise Island Annual Flea Market

By Marcia White

The Flea Market was held on 3/12/16 and It was a Huge Success. This was the biggest and most attended market our community has ever hosted. We earned a little over \$3500 that will go towards supporting all the free amenities that our community offers their residents.

A large portion of the proceeds is attributed to the generous donations from our residents. The Park Tables earned \$2400 from donations. We will continue to collect donations throughout the upcoming year and a schedule will be posted in the media in May for the dates we will be able to accept donations. We are NOT accepting any donations for the rest of March. Thank to each and every one of you who donated your unwanted furniture and items. You helped us reach our 2016 Goal.

We had the best team of volunteers who worked very hard to help us earn this money and both Jim and I want to extend our Heartfelt THANKS to all of them. They include the following:

To The Men's Club who unloaded our storage sheds, helped us set up and break down the rooms, transporting our vendors, and also with keeping traffic somewhat in control. You are all such a great asset to this community. Thank you for your help and time.

To the Ladies who not only unpacked all the donations but displayed them neatly and inviting to all the visitors we hosted, but also gave up their time to help us sell it all. You did an amazing job and I received so many compliments on how clean and neat and organized you all were so I say Thank You but that's really not enough to express my gratitude. We could not do this without your help.

To the Ladies who Baked for our Bake Sale and the workers who sold it for us again I say Thank you , thank you , thank you.

To the Kitchen Staff and Frank Toner who did a fantastic job of keeping up with so many people and keeping them happy with their yummy food. We really appreciate all that you did for us. Thank You.

To Don and Jim who volunteered their trucks to help with pick up donations a huge Thanks for your time and help.....

To our very own Craft Ladies who helped us reach our goal by crafting and selling their items. Thank you...And last but not least a special Thanks to Carol Ann for being the hall monitor for our early bird entries. You rock girl.....

See you all again in 2017 Paradise Island,,,,, What a great place to live and play.

Walk Away the Pounds

By Bev MacMillan

Thanks to the Social club we have been able to purchase new items for exercise class, new Linda Sansone tapes, weights, stretch bands. This has enhanced our program for a fun 45 minute workout every Monday, Wednesday and Friday @ 8:45 a.m. In the clubhouse.

We workout to Temptation, Chubby Checker and James Brown, we even get the girls singing along for a fun time. Exercise is so important as we age to keep our joints moving. No matter what your age these workouts are for you. So come and give us a try, we will keep you coming back.

At Your Service

Dart League

By Joan Dunn

The 2015-2016 Dart League will conclude with a cookout in the Pavilion on Monday, April 11th. We will continue to play on Mondays at 6:45 P.M. until April 4th.

More information will be in the May Media regarding the 2016-2017 Dart League as well as the winners of this season. I am hoping we will have enough people interested in playing to make up eight teams or more!

Thanks again for all the help I receive from all the players. Much appreciated !!!!

Sewing group

By Bev MacMillan

Our group is increasing. We now have gals doing knitting, crocheting, sewing window treatments, quilting, making aprons and any other items that need mending. Join us every Tuesday morning from 9:00 a.m. till noon and work on your project. Make sure you bring along all supplies you require to work on your project and if you need help or advice there is always someone to help.

Community Library

By Denise Samson-Nadeau

Hurray! Hurray! We live in a community of avid readers! Many of you visit the library frequently and make good use of books donated by residents.

We appreciate all donations of books and magazines. Just make sure that they are clean, complete, in good condition and fairly recent. No one is interested in dirty, old, smelly books. Your neighbors enjoy magazines that are also clean, complete and recent. So, when you donate books or any other reading materials to the library, please consider these criteria. Unappealing books go straight to the dumpster! Save us effort, time and energy!

At the library, we try to follow basic library procedures:

1. Books are shelved according to categories: mystery, romance, autobiographies, self-help and humor.
2. Books are colour-coded, according to categories.
3. Returned books should be put in the designated box. Do not put books on a shelf. You are not helping us!
4. Please do not drop off your garbage in the library. Also, we do not need pillows, used bingo cards, gum, empty plastic bags, outdated newspapers etc, etc..

With your co-operation, I am convinced that we can have an interesting and tidy library.

An organized, clean, and appealing library requires many helping hands . I wish to thank Peg Grant and Patrick McGinnis for the countless hours they worked during the summer and early fall; I also wish to thank my sister Gisele who took over during my absence. She received help from Bev and Dawn. Thank you, your assistance is very much appreciated.

The library is not a big area. It may look unimportant to many. However, to some people, it is a haven for peace and solitude. Come over and visit...you might like it...books are informative, relaxing and can sometimes be an escape from reality...

Questions...call.

Dance Schedule for 2016: April 9 George Durham & company

And our final dance of the season will be the Sail Away party on April 9 when we'll once again enjoy the talents of George & Company and sadly say farewell to our Northern friends before they leave us for Summers elsewhere.

Meanwhile we continue to seek out new music to entertain you in the 2016/17 season. Mark your calendars with these dates and plan to gather your chums to make a party of it. Tickets will be on sale on the door for all but the New Year's Eve event at \$8 per person. Bring your own drinks and snacks.

Paradise Island Church In The Park

By Serena Johnson

Well, sorry to say, this is our last full month here in sunny Florida. Thank God the Church In The Park is always here for you, to help you in any way we can. It is always a joy to see new faces as well as our wonderful church family and we will miss you all.

If you are new to the Park, we would like to welcome you and invite you to join us in the Clubhouse on Sunday mornings at 9 AM for a wonderful hour of worship and fellowship. If you are unable to attend in person you can tune to Bright House Channel 96 for analog (no box) and now on Channel 732 for digital (with box) and view our service at that time. We hope that you will find the service enjoyable and join us in person when you can.

If you or someone you know, have a need, please contact a member of the Church Board (names are on the bulletin board in clubhouse). All requests are confidential. We thank all who contribute to the Outreach Program of the Church which makes this ministry possible.

Bible Study with Serena is on Thursdays at 9:30 AM in the Clubhouse Room # 3 across from the door to the pool. Studying "The Blessed Life" by Robert Morris.

If you have a prayer request; have a question about our church and/or would like a visit, please contact: Pastor Bob Brookhart 480-9793 or Pastor Bill Ogburn 474-2722 or Serena Johnson, Elder 530-5905. WE ARE HERE FOR YOU!

Paradise Island Outreach Fund

By Bill Ogburn

I have found that there are a number of our residents who do not even know that we have this fund or they have no true idea of what and how it works. I pray that I can explain in enough detail here to educate every resident of Paradise Island about the care we have for our own.

I must first assure everyone that this is the “Paradise Island Outreach Fund!” Not the Paradise Island Church in the Park Outreach, or the church Outreach fund. It is its own entity. The Paradise Island Outreach Fund stands alone. The fund IS administered by the Church in the Park. There are several reasons for this, the chief being that it is covered under the church’s Non-Profit status. Financially they are totally separate. Each has its own banking account, accounting and disclosure requirements. The “Funds” and the “Church’s” moneys cannot and do not inter-mingle. Neither one can be used for the other with the one exception that the “Church” pays one half of its tithe to the “Fund”. I cannot over emphasize that the “funds” money has nothing to do with the church! When you give to the Paradise Island Outreach Fund, 100% of that gift is used for the residents of your community, “Paradise Island.” The “Fund” has no fees, compensation, or bills other than you, as a resident, needs. This is the only benevolence fund that I know of that 100% is returned to those to whom it is intended. Yes we use Godly principles in order to be good stewards of your money. But to my knowledge there has never been any discrimination due to race, color, creed, religion, or anything I can think of. We do investigate each need on an individual basis and our giving is to meet what we believe to be a true need. We DO NOT deal with cash! All gifts have a paper trail, i.e. a check to Duke Energy, etc. However, we can issue food gift cards and are considering gas gift cards as well. These are tracked by name and lot #. All information about the dealings between the administrators and those in need are covered under the ministerial confidentiality principle. I will not even disclose to you who gave me your name or lot # without the express permission of the giver. I hold this confidentiality responsibility very dear and consider it a great privilege to be allowed to hold this position. Therefore, any conversation, donation, receiving of a gift, or any matter you deal with me and the fund is between God, you and me period. All donations will be greatly appreciated by someone in this park. Donations can be given in any form to me or any member of the Church in the Park. Please designate all gifts to the Outreach Fund. Every single aluminum can you put in one of our containers helps someone here in the park. If you would like more information or greater detail about the workings of the “Paradise Island Outreach Fund,” please contact Pastor Bill Ogburn, Home 727-474-2722, cell 727-871-9432, or e-mail billogburn@gmail.com.

Thank you and May God bless you -- Pastor Bill

Handyman and contractual work has become a hot topic

By Jim Lambert

A call came into me from a resident of Paradise Island recently inquiring about the legitimacy of the handymen that live and work in the park. What used to be a kind of neighbor helping neighbor with chores like weeding, cleaning, changing light bulbs, etc., has become a form of small business with a few whom use the title, handyman. For a long time, there were a couple of them. Now, because there are so many elder or ill residents incapable of handling their own chores others have taken on the label. They can be seen riding around the park in their respective vehicles responding to those in need of help.

In place of the usual “gratuity” for doing a chore or small job for a resident, some handymen are invoicing their customers for the tasks they are undertaking. A few cases have reported some unfair labor charges. In the business world, there is an expression, *Caveat Emptor*, a Latin phrase meaning let the buyer beware. Essentially, it alerts us of the fact that the responsibility is ours to know what we are getting into. In other words, be sure you know what and who you are getting involved in whether it’s a product or a service. Two simple questions should be asked. 1) Can I see your contractors’ license or tax receipt number? 2) Do you carry workers’ compensation insurance in the event of an accident? If the answer is “no,” the responsibility remains with you. Typically, your homeowner’s policy holder will not honor a claim.

The inquiry gave me cause to find out more about the contractor/handyman requirements, if any, so I paid a visit to the Pinellas County License Board. A representative spent time with me explaining the various license registrations. While it is clear that contractors are bound by the rules and regulations of the Pinellas County Construction Licensing Board (PCCLB), I was informed anyone doing work as a “handyman” must also comply with the city, county, and state laws by registering as a handyman by completing the necessary form to undertake the title and paying a small fee to obtain a Tax Receipt number to ensure his or her right to do so.

Why is this important? The simple answer is YOU, the customer, will be held responsible. In fact, any project over \$500 necessitates the procuring of a permit. A licensed contractor will abide by the city, county, and state requirements. However, if a project is undertaken by a non-licensed individual or company, there will be little or no recourse if something goes wrong. Section 455.227(1)(j) prohibits any person from aiding, assisting, procuring, employing, or advising any unlicensed person or entity. A fine up to \$5,000 can be levied. Go online at www.pccblb.com for more information. It’s not worth the gamble.

Personally, I urge those willing to offer a service to our community, whether contractor or handyman to follow the rules and regulations set forth by the city, county, and state. If earning money for doing a job, small or large, it should be done legally and in a manner beneficial to both parties. Live by the old adage, “I don’t make the rules, I don’t break the rules.”

Channel 96 / Channel 732

By Harold Noeller

The current channel 96 Power Point presentation is sent out through an Analog converter to Bright House for the residents of Paradise Island to see the News and Events. Because it is analog, those with the new Bright House HDMI cable box are unable to receive this channel unless you change the hook-up, use the TV controller to change the input and select Channel 96.

Well now we have an alternate channel 732 that works on the new digital boxes being installed throughout our community. Just tune your TV to the new channel to get the same presentation as you did on channel 96.

April Anniversaries

Some people ask the secret of our long marriage. We take time to go to a restaurant two times a week. A little candlelight, dinner, soft music and dancing. She goes Tuesdays, I go Fridays. Henny Youngman

April Is...

Financial Literacy Month. With taxes due, this may be a good time to learn more about good financial practices. Are you ready to accept responsibility for changing your financial situation? Do you believe that you can and will change the way you make financial decisions? If so, it's time to start.

Month of the Military Child. More than 2 million children in grades K-12 have parents who are serving in our military. Make a difference in the life of a military child by seeking out opportunities to acknowledge their sacrifice, volunteering for organizations that support them, and recognizing their contribution to the nation.

National Autism Awareness Month. A nationwide effort to promote autism awareness, inclusion, and self-determination for all and to ensure that each person on the autism spectrum is provided the opportunity to achieve the highest possible quality of life.

National Garden Month. Gardening grows fun for the whole family. Whether you're digging in the dirt, enjoying the magic of a small seed transforming into a beautiful flower, or observing the bugs, birds, and butterflies, gardening is a delightful way to celebrate the coming of spring.

Weekly

National Robotics Week, Apr. 2-10. The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology impacts society, and advocate for increased funding for robotics technology research and development.

Animal Control Officer Appreciation Week, Apr. 10-16. This week recognizes the hardworking men and women who risk their lives and devote huge amounts of personal time and resources while serving the public and helping animals when no one else can.

National Environmental Education Week, Apr. 17-23. The nation's largest celebration of environmental education, EE Week reaches hundreds of thousands of students and educators across the United States with non-biased, high-quality, environmental education materials grounded in accurate, timely scientific information and tied to local, state, and national learning standards.

National Pet ID Week, Apr. 17-23. Collars and tags are a reliable way to identify your pets should they become lost. Make sure your dog, cat, or other animal friend always wears a current identification tag. Pet supply catalogs, stores, veterinary offices, and animal shelters often have forms to order ID tags.
