## Unwanted Soliciting

By Pam Stover

---

**F**ood King made a sweep through at least part of our community on the afternoon of 11/9/18. This company has accumulated a large number of complaints with the Better Business Bureau. Those complaints include reported aggressive behavior by salesmen, ignoring signs stating No Soliciting, poor quality meat, poor follow-up on refunds and phone calls, shorting the poundage that was paid for, and numerous others. They try to take advantage of seniors by being pushy and aggressive, or telling you they sell to your neighbors. If they come to your door, do not let them inside. Call the Paradise Island office immediately.

## The Paradise Island Homeowners Association, Inc.

By Mary Ross, President

---

**A**s you get ready for all the festivities of the season let's never forget the reason for the season and give our thanks to our Lord and Savior Jesus Christ for without his birth our path to heaven is not possible. I see all the bright lights glowing around the community. How beautiful they all are. Have you seen all the beautiful ponds all lit up? The Paradise Island residents know to light up the dark night sky.

As we approach the end of the year I want to take this time to say Thank you to our many volunteers who loyally work every week to make the HOA Thursday night Bingo and The Kitchen the best in Largo. Our community is very fortunate to be able to boast that we have some of the best volunteers out of all the manufactured home communities in Pinellas county.

The December HOA announcements are as follows...Our December membership meeting will be on Dec 5th at 6pm in the club house. From 6-7 this month we will have our business meeting and be accepting nominations for a Directors seat on our board. We will be explaining the voting process that will take place in January. At 7pm we will have guest speakers Ron Anderson, Secretary and Pat Humphries, V.P. From the CO-OP Board of Directors and Marcia White, President of the Social Committee do a presentation about the proposed changes in our community rules and regulations. We will invite into the meeting at 7pm any resident share holder or renter in our community . We respectfully request you wait in the lobby until our regular business meeting is complete. These rules are for everyone to follow.

No Bingo or kitchen the week of Christmas.

From the HOA Board of Directors we wish everyone a joyous holiday season filled with happiness and good times.

From my Husband Rich and I, we wish you Gods blessings upon you and your families and may Gods everlasting love fill all your hearts with peace and joy.

Merry Christmas!

## NEW YEARS EVE DANCE 2019

By Nancy Sullivan

---

**N**ew Year's Eve (Monday December 31st) will be a special opportunity not only to come out to the great music of George & Co. In this casual Florida sun shine it's rare we get an opportunity to dress up and what better occasion than the start of the New Year.

Formal wear is not required, but if you want to sparkle and shine, this is your moment.

Tickets for New Year's Eve will be sold in advance every Monday night for \$20 per person starting Monday November 26 from 6 pm to 7 pm at the club house. Due to Christmas we'll be selling tickets on December 26 Wednesday night from 6 pm to 7 pm. The night will include an evening snack 50/50 noise makers and hats. You need to bring your drinks and any snacks for your table.

Any questions call Nancy Sullivan 508-314-1412

## Motorcycle Parade

By Harold Noeller

---

**O**n December 3rd the Chapter of the Gold Wing Road Riders Association will be back at Paradise Island with their lighted motorcycle ride. The lighted motorcycles have been greeted with cheers and lots of folks waiting to see them in front of their homes in past years. The group is made up of two wheelers, trikes and even bikes with sidecars. During the month of December they ride almost every evening at a different venue to help bring some Christmas cheer. Along with the mobile home parks they also participate in the Christmas parade in Pinellas Park.

After a ride throughout the community, they will be making their way to the clubhouse where you will have the opportunity to see their bikes up close and meet and chat with the members. You will also be able to make any donation you are comfortable making to help support the charities mentioned below. The riders enjoy presenting their decorated motorcycles with the charities listed below in mind so whatever you can do to help is appreciated! The social committee will be organizing coffee and cookies for the riders and residents again and we thank them for their support in helping to promote the ride.

The clubs fundraising efforts over past Christmas seasons have helped to raise several thousand dollars towards the charitable efforts. Thank you to all those who have donated and will donate! Last Christmas the club donated \$3000 to Toys for Pinellas, \$2000 to Clothes for Kids and \$1500 to the Turkey Lady. Toys for Pinellas is run by the Pinellas Fire Department and provides toys to needy children in Pinellas County. Clothes for Kids provide appropriate school clothing for children that would otherwise go to school and stand out as being under privileged. The Turkey Lady provides a complete turkey dinner to families. For every dollar that is donated she provides two dollars toward her effort. Last year she fed 8550 families a Thanksgiving dinner. So once again a sincere thank you to all those who helped the cause.

We look forward to seeing all your smiling faces once again and hope you all enjoy the wonderful show.

## **Golf Cart Parade**

*By Harold Noeller*

---

**W**hat a great turnout of lighted golf carts for the parade in 2017. The time and energy that went into the decorations was amazing! The 38 carts toured the entire community in about an hour and fifteen minutes with residents having driveway parties enjoying the show!

As we drove through the community I noticed many golf carts parked in driveways. Hopefully meeting Sunday evening, December 9, 2018 at 6:30P at the clubhouse, you will also join us to make yet another great turnout!

This year there will be judging to select a First, Second and Third prize for your artistic imagination in decorating your Golf Cart. The judging will take place at 6:30 PM but the winners will be awarded in the clubhouse after the ride.

The social committee will have coffee and cookies for us to enjoy along with conversation and awarding the prizes! We would like all resident to come for the awards and social time.

The craft fair was held on Nov.4, 2017 and was another successful event for the Social Comm.

Thank you to all of the residents who took the time to come and shop with us as well as those who came to join us for lunch.

I also want to Thank all of the Volunteers who helped make this event successful. From the Men’s Club to the Kitchen, the Craft Club and to the floor volunteers I say THANK YOU..... We can’t do these events without your help.

We were able to donate \$1000 back to the budget to keep our events up and running in our community.

## Paradise Island Church In The Park

By Serena Johnson

---

Greetings!

What a busy and hectic time of year, as we witness all the beautiful decorations and excitement going on around us. This is a time we can reach out to those who are going through a tough time due to the loss of a loved one or just plain loneliness.

Jesus is the reason for the season. Let us wrap our minds around what His birth, death and resurrection means for our life. That He has made the way for us to accept His free gift by accepting Him into your life so that you may experience His love, peace and joy! He will fill that vacant spot if you let Him! MERRY CHRISTMAS TO ALL!

Everyone is welcome to join us in the Clubhouse on Sunday mornings at 9:30 AM for an hour of worship and fellowship. We are a Non-Denominational Church as many denominations are represented. We would love to have you stop by and be a part of the body of Christ worshipping here. If unable to attend, you can tune in to Spectrum Cable Channel 96 (or if you have a box Channel 732) at the above time on Sunday mornings.

Bible Study is on Thursdays in the Clubhouse at 9:30 AM led by Pastor Bill Ogburn. We are studying the Book of Ephesians. All are welcome, come join us!

If you know of someone in the Park that has a need, please let us know. All requests are confidential. We would like to help if we can. Please call one of the numbers below and we will look into what we can do to help.

If you have a prayer request or would like a visit, please contact: Pastor Bob Brookhart 480-9793, Pastor Bill Ogburn 474-2722 or Serena Johnson 530-5905.

**Michael Crofts**  
 FL Licensed Independent  
 Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

## Thursday Co-Ed Bowling

By Shirley Pultorak

---

**W**e are still in need of substitute bowlers who can be available on an occasional Thursday at 12:15 to bowl with our league at Liberty Lanes. You do not need to be an experienced bowler with a high average, just a person who likes to have fun. Please contact Shirley Pultorak at 315 796-2110 or Joan Dunn at 727 523-0867 for more information. There will be no bowling on December 27 due to the Christmas holiday.

To be a bowler of the week, one lady and one man who bowls the most pins over his/her average wins the award. I would like to announce our first honorees for bowlers of the week during October 25. For the ladies, Nancy Jonas was honored and for the men, Randy Reitz was honored. Congratulations!

## Paradise Island Flea Market held 11/3/2018

By Marcia White

---

**T**he Flea Market was held on Sat. Nov. 3rd and we would like to Thank all of our residents who visited us. We had a great day and all the proceeds will go back to the community to support all of our free activities.

I would like to take this opportunity to Thank Delores Wagner for doing such a good job. We appreciate all of her hard work and effort. We hope to see her again next year.

Thanks to the men's club for set up and tear down and let's not forget our bakers who supplied us with such great goodies. Thanks go to Mary and Rose for all their help in the kitchen as well. Last but not least Thank you Denise for selling the 50/50 tickets and Jim for selling tickets to our money jar holiday raffle. All in all the event is considered another great success for Paradise Island.

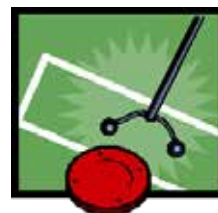

Warmly, Marcia White

## Paradise Island Flea Market going Forward

By Marcia White

---

**A**s I wrote in my article last month Jim and I will be retiring in March after the Flea Market. I am extremely happy to share with you that we have had a new husband and wife team step up to be our replacement. Ken and Maryann Hopkins will be the chairpersons for our annual market moving forward.

As of Dec. 1, 2018 you will need to call the following phone # for your pickups. 727-303-3417 Jim and I will still be helping Maryann and Ken but they will now be your main contact . I will still be selling the table space for the market and I will have all the details in the Jan. media for you.

We no longer have space for any furniture. One shed is maxed out and we can only fit boxes and soft bags in the second one. If you wish to donate furniture you would have to keep it until March 8, 2019 at which time the men will be renting a truck to do all the last minute pick-ups. Last year we had 14 residents who held furniture for us and we picked it up on set up day. You will need to call the phone # above to get your name on the list for that day if you are willing to keep it for us until then.

Thank you to all of our residents who make this flea market possible. Without your donations we would not be able to do this for you.

Warm Regards, Marcia & Jim White

## Euchre

**W**e're welcoming back a lot of our friends this time of the year. We have Euchre on Tuesdays at 6:30 pm. The fee is only \$1.00 we usually play until a little after 8:30. We sure have a lot of fun for \$1.00, that's cheaper than a cup of coffee or tea. Come out and try it. Everyone welcome.

## Water Aerobics Class

By Anita Reed

---

Summer classes ended as of October 31st. with a combined Luncheon for Nancy and myself. I commend Nancy for stepping up to take over when she didn't have to, and we are very fortunate that she did.

We have such a great group who enjoy exercising as well as having fun doing it. Many thanks to all for helping me celebrate 25 years with the class. A BIG THANK YOU to Lorraine and all those who helped set up the luncheon with all the special effects!! It was just an awesome day for me. I appreciate all your cards and gifts, it was over whelming.

Nancy will continue classes throughout the winter months, (weather permitting). The summer classes will resume around April 1st. Thanks again for everything!!!

## A Sad Goodbye

By Delores Wagner

---

I want to thank the Social Committee for the last two years of being Chairperson for the Paradise Island Christmas Dinner. It was fun being a part of the community. As of last week I resigned at Chairperson for this years dinner. I am not able to do what I need to do for the dinner. I have too much to do and not enough time to do it. Marcia White will be taking over the party again this year.

Have fun and Merry Christmas!

# Help make the Paradise Island Community Christmas Party a Success!

By Delores Wagner

Saturday - December 15  
Social Hour 5:00 to 6:00 pm  
Dinner 6:00 to 7:30 pm  
Entertainment 7:30 to 10:00 pm

Christmas is a time of giving and receiving the love of family, friends and neighbors. This year we are going to be doing the Christmas Dinner a little different. We are going to have Ham for dinner. Bring your favorite side to share with your table.

Also, sign up for table decorating! This year we are bringing back "Decorate Your Table." All the tables looked so great last year. You can win a prize for the best decoration, most unique or most funny!

Entertainment this year is DJ Gary Eremita of Good Times Entertainment. A wonderful husband and wife team from Clearwater. They did a fabulous job last year and we are happy to have them back this year.

Tickets will be on sale November 5 to December 10 at 6:00 at the Clubhouse. Price is \$5.00 per person.

Give me a call at 727-754-5569.

# Exotic Plants = Starving Birds!

By Pam Stover

## 12 things you can do to help

**E**xotic (non-native) plants do not support the caterpillars that native birds need for food, causing birds to starve to death. If birds can't find enough caterpillars, they can't reproduce and they and their young starve to death.

**Birds Need Caterpillars:** Did you know that a chickadee that is the weight of 4 pennies must feed its young between 6,240 and 9,120 caterpillars in just 16 days to get them to the fledgling stage? If you think you work hard, chickadees bring caterpillars to their chicks every 3 minutes from 6 AM to 8 PM. Did you know that 80 to 90% of a hummingbird's diet is insects and spiders, and that this is true for 96% of land-dwelling birds? Why Caterpillars? There are several reasons caterpillars are essential to birds. They are soft so they will not hurt the young chick's throat, they are large, and they are very high in protein and fats needed for growth. Caterpillars contain double the amount of carotenoids (nutrient) as other insects. Carotenoids stimulate the immune system, improve color vision and sperm viability, improve sexual attractiveness, are required by developing chicks, and are antioxidants. Life for birds, lizards, frogs, bears, fox and many other wildlife depends upon an abundance of insects as a food source. Native plants support the insects needed for bird and animal survival. A world without insects is a world without biodiversity (variety of life) and a world in which humans cannot survive. That is what makes this so important.

**Use Native Plants:** Native plants, animals and insects have evolved together for millions of years. Plants produce compounds that make them taste bad or cause sickness or death so they won't be eaten. As insects evolved with plants, they found ways to overcome these compounds. Ninety percent of insects that eat plants can only eat the plants with which they co-evolved. The monarch butterfly is able to feed on milkweed (which is poisonous) because it evolved to keep the plant from stopping its heart. Insects are usually able to overcome compounds in one type of plant, so they can only feed on that plant type. Exotic plants have not evolved with the native insects and therefore native insects cannot use them as a food source.

**Provide Diversity:** Exotic plants may have one type of caterpillar which feeds on it compared to a native oak that can provide for 395 types of native caterpillars. Diversity is important: If one type of caterpillar is having a bad year that would mean no food at all. With a variety of caterpillars produced there will always be a food source for birds and animals. For a list of plants and the number of caterpillars they support visit <https://www.nwf.org/NativePlantFinder/>

**Stop Using Pesticides:** We have been conditioned to think we have to spray and kill insects in our gardens. New research, along with the increasing extinction of native flora and fauna, is teaching us otherwise. Insects are a critical part of the environment and our food webs. Birds and other animals will starve without insects and caterpillars to eat.

You can help!

Use native plants.

Remove all invasive species.

Stop spraying insecticides in your yard.

Replace bird feeders with plants that support caterpillars.

Add a birdbath or pond.

Keep cats indoors.
