Co-Op Members Annual Meeting Reminder

By Ron Anderson (secretary@paradiseislandlargo.com)

Please remember to attend the Co-Op Members Annual Meeting on January 20th. We are required by Florida Statutes and our Paradise Island Co-Op, Inc. Bylaws to hold an annual meeting each year where members elect directors and can hear Pres. Knowles deliver the “State of the Co-Op” report. Park Manager Nancy Perry will make a presentation on current projects around the park. Microphones will be provided where members can participate in a question and answer session. The meeting agenda will be posted on the Co-Op Clubhouse bulletin board and emailed to Co-Op members who have opted in to receive agendas and minutes.

Estate Sales vs. Yard Sales and Paradise Island Park

By Ron Anderson, secretary@paradiseislandlargo.com

Many people have inquired about yard sales and estate sales held in Paradise Island. Here's the low down: An estate sale sells the greater part of the contents of a home. Most estate sales are conducted by professional personal property liquidators—an estate sale company. They sort, organize (or stage) the contents within the home, price, advertise, and conduct a sale lasting two, three, or four days. Many also offer clean out services as well for an additional fee. Estate liquidators are experienced with selling household items as well as antiques, art, etc., however, when in doubt they research and may call in an appraiser to assist them with the proper description and pricing. As defined, an estate sale is in the home, not outdoors.

A yard sale involves selling miscellaneous household and garden items, usually takes place in the garage/car port, on the driveway, or on the yard and are held for one or two days. The sale is usually run by the owners and they set up the items, price, and sell them. The items being sold are generally low in value.

One key difference to mention is where they are advertised. Estate Sales are advertised on estate sale listing websites, estate liquidator websites, social media, and print media. Yard sales are usually advertised by hand writing on poster board tacked up on poles, (where permitted), in a local newspaper, and on occasion on websites specifically for yard or garage sales.

Well, aren't you glad we sorted that out? How does all of this relate to the occasional yard sale we see here? The Paradise Island Rules and Regulations you all received, in Chapter XIII, para. 9, states: “*Yard sales* [also called garage, car port, moving, or tag sales] *are not allowed unless approved by Co-Op BOD/Management.*” OK, that is not meant to be an impediment to any resident who wants to run one of these sales, or a classical in-home estate sale, as defined above. Please drop into the office, fill out the permission form, acknowledge some very common-sense ground rules, and await (quick) approval. What are these ground rules? The sale must not conflict with another previously approved competing park function; it has to respect your neighbors, it must be conducted in such a manner that the adjacent street and sidewalk are not partially or completely blocked by vehicles or sale attendees, and yard sale items must be confined to the seller's home, driveway, or yard.

Appreciation for your contributions

By Harold Noeller

As a resident of Paradise Island Community, I would like to extend to ALL of the residents that volunteer their time and energies to make this a great place to live: A HUGE THANK YOU!

From the HOA and Co-Op boards to the Social Committee and its Directors and Chairpersons that put on and coordinate every function and activity to the benefit of everyone in Paradise Island as well as the State Dinners that get the 'Back in Day' juices flowing.

When you stop and reflect the year of 2015, everyone involved in making it happen can be proud of their efforts in making our community what it is: A GREAT PLACE TO LIVE!

"The majority of us lead quiet, unheralded lives as we pass through this world. There will most likely be no ticker-tape parades for us, no monuments created in our honor. But that does not lessen our possible impact, for there are scores of people waiting for someone just like us to come along; people who will appreciate our compassion, our unique talents.

Someone who will live a happier life merely because we took the time to share what we had to give. Too often we underestimate the power of a touch, a smile, a kind word to a listening ear, an honest compliment, or the smallest act of caring, all of which have a potential to turn a life around. It's overwhelming to consider the continuous opportunities there are to make our love felt."

– Leo Buscaglia

Christmas Decorations

By Carol DelleChiaie

Iwould like to give a huge thank you to everyone that helped decorate the hall for Christmas. Especially to the men that stepped right in. We could never had done it without all of you. Set aside Saturday, January 9th at 10:00 am to help take them down. From now until then let's all enjoy and celebrate one of the best holidays of the year. We are so blessed to live in such a beautiful community. Happy Holidays

I hope everyone had a Merry Christmas and a Happy New Year and the best coming year possible. Together we can make this happen. Hopefully the new H.O.A. will be incorporated by the next Home Owners meeting. Please mark your calendar for the February meeting as a representative from the F.M.O will be a guest speaker and answer any questions you may have pertaining to the F.M.O. The H.O.A. is starting the new years off with some changes to our Board. Peggy Toner has agreed to chair the Vice President's position and Pastor Bill Ogburn will chair the secretary's position. Please welcome them to the Board. Best wishes to everyone in the coming year and remember we are all here to enjoy our retirement years. So get out and let's enjoy them.

THE 2015 COMMUNITY CHRISTMAS PARTY WAS A SMASHING SUCCESS

By Mary Ross

As a new resident in the park and not knowing anyone I jumped in to volunteer my services to coordinate this party when I read an article in the September media asking if anyone would coordinate the community Christmas party.

I was introduced to Marsha White, President of the Social Committee. Marsha said learn

from me and when it's over you will be a pro. Wow, what a schooling I received! I quickly realized it takes a community to have a community party. I want to sincerely thank all the following people who stepped up to help make this party the success it was. I give all the praise to the following people. I could have never done the job we did without you.

I want to thank Marsha White, Jim White, Brenda Van Houten, and Shirley Morrissey for all their door prizes, help, guidance, teaching and reassurance that this was going to be a great party. The Co Op, HOA, and Real Estate Office for their generosity donating most of the money it took to put this party together and keep the cost of the tickets sales to \$3.00. A Big thanks go to the men's club for the room set up, the stage, the clean up and reset of the room. I appreciate all the men who gave their time and muscle.

I want to thank Mary Catizone a resident of (20+years) whom from the start of this endeavor volunteered to be by my side to do anything I needed of her to ensure the residents of Paradise Island had a memorable party. Mary was a huge help and always had a smile on her face. I wish to thank Carolyn Teter who was responsible for gathering the donations of all the gorgeous handmade craft items we raffled for door prizes. Most of the items she collected were made by our own residents. I want to thank Jim Stevens for his generous donation coupon valued at \$100.00 for Home Services. Thank you to Nancy McCann for her help, and creative decorating. Thank you to Irene Woodin, Karen and Darlene Stubbendick for their willingness to help me in any way they could including donating a basket of cheer and Christmas ornaments

With 186 residents in attendance, the festivities began. Each table captain was responsible to have their tables decorated using imagination, festive decor, and creativity. A contest was held and the winning table was table #9 Verna Ward. The table can only be described as STUNNING. Thank you to everyone who decorated their tables. The room looked gorgeous.

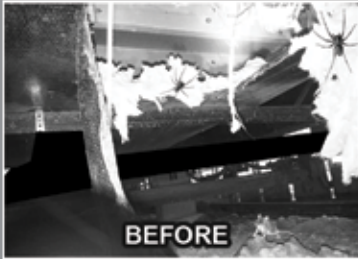

Thanks to Marsha White and Brenda Van Houten, we enjoyed delicious ham with pineapples and cherries. The tables were full of side dishes everyone contributed. The room smelled absolutely amazing.

We asked for donations of food for the community pantry so that we can give it out to our own park residents who need the help. I am humbled by the overwhelming response. Everyone brought food and or money for the pantry. Everyone was given a door prize ticket for each item they brought. I saw people getting strip after strip of tickets. Ruth Charron tells me there was over 300 pounds of food donated and \$36.00. Everyone who contributed should feel a sense of pride to be able to help a fellow neighbor.

We had the share a gift and 45 door prizes were raffled off. Singer Michelle James entertained the guests as well as a photographer doing instant photos.

Lastly, I wish to send a special thank you to our Canadian neighbors. Your kindness and help to clean up the party, put the clubhouse back in order, take out the trash, and break down the stage for me was such a humble experience. Thanksgiving Thank You

By Brenda Van Houten

Now is the time to remember to thank the Co-Op and HOA board for the generous gift they gave us for the Thanksgiving Dinner. Without the CO-OP and HOA board coming together as they did, this free meal would have never happened. Many, many thanks to both CO-OP and HOA. Because of you, you made this Thanksgiving dinner possible. Thanks so much.

As we came together for Thanksgiving Dinner as a community it was nice to see everyone having a great time. Lots of socializing and chatting with old/new friends. A big thank you also goes out to all of our volunteers for making this possible and all the hard work that was put into carving the turkeys. Plating the food, the cooks, the servers and all the pies that were donated and baked by our residents.

Thank you Russ & Verna W, Mike P, Bob & Dawn M, George G, Jim & Marcia W, Richie Y, Denise C, Kathy K, Nancy D, Jan B, Sylvia, Jan M, Cathy E, Jane J, Myron and the Men's club for all of your help.

Thank you Pastor Bob for joining us for dinner and saying Grace for us.

The most rewarding was the day after Thanksgiving when I received numerous telephone calls from the residents telling me what a wonderful job we all did and that they are looking forward to next year. For me this Thanksgiving was very rewarding and it is nice being back in the swing of things. Thank you!

Founded in 1916.

Caring Ever Since.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

My heartfelt appreciation to everyone who involved themselves in seeking and finding my precious Siamese – Mai Lyn. Special thanks to Sylvia and Ruth for printing all the “lost posters” and to all who distributed them. I am so grateful to Betty Belz for all the hours she spent riding around and searching every night and early morning sometimes accompanied by Denise McDowell.

I wish I had the names of all who participated in the search so I could give a hug and personal “Thank You” to Jim Martin and Herb and their “crews” who contacted friends and strangers. To all members of our wonderful community – my eternal gratitude.

God bless everyone and again a great big thank you.

Paradise Island Donations

By Marcia White

I would like to remind our residents that we collect donations for our annual Flea Market year round. This year your donations brought in \$1600 to the social committee to help fund all of the events we offer our residents.

If you wish to donate any unwanted items throughout the year, please call Marcia White at 727-953-3616 and arrangements will be made for the storage of those items until next year. The Social Committee purchased a new storage shed so that we could continue to offer this service to our residents.

We take household goods, furniture, craft supplies, linens, electronics etc. We do not take any old Large TV's. We appreciate each and every donation so keep them coming our way and we will keep putting the profits back into our community.

All donations are suspended for the month of December due to the holidays and we will start pickup again in January. With much gratitude, Marcia White

Bus Bingo

By Shirley Morrissey

Bus Bingo is very simple, we package 4 cards one of each suit. a heart, a spade, a club and a diamond. These packages are sold for fifty cents each. You purchase as many packages as you want to play. The caller calls from another deck of cards. The player places their cards face up on the table. When the matching card is called the player turns That card over. When the player has four cards across turned over they call bingo. We play as many games as we collect money for. Bus Bingo starts at 2:00pm until around 4:00 pm. Come give it a try and meet some new neighbor and have a little fun.

Feeding the wild birds and animals is creating a nuisance

By Jim Lambert

I have had several residents come to me or call me regarding the feeding of the birds and small animals here in Paradise Island. It seems there are some people that are concerned for the well-being of our feathered and furry residents. They feel Mother Nature is not providing enough nourishment for them to exist, so out of the kindness of their hearts they want to create healthier diets for them.

Many residents, yours truly included, are witnessing the squirrels digging up their potted plants and lawns to store (or find) the various seeds and nuts provided to them. Who can blame them? They have to survive, too. Heaven forbid that a nut will be wasted. Unfortunately, they have no regard for the damage resulting from their stockpiling of food. The most obvious culprits are squirrels. They have no conscience.

Those feeding the birds and squirrels are probably unaware of the damage being created by their charity. Perhaps they are not feeling the effects as many of their neighbors are. It is very annoying to those who, after spending money to have nice plants and lawns, have to continually clean up (and pay for) the mess, especially from the shelled peanuts strewn all over the place.

I've given thought to going back to one of my childhood pranks. Yes, I'm talking about a bean shooter. Remember them? Though not a hunter as such, I'm about fed up and ready to take them on. Now, don't take this the wrong way. I'm not out to kill, just provide them with a little cause for concern. Simply put, STAY AWAY!

Then there's the ducks and other feathered friends that are enjoying various goodies being supplied by some residents. What they are leaving behind is a bit more difficult to clean up. You know what I mean: "Check your shoes before entering." A few folks have brought that to my attention as well.

When the Creator saw fit to provide us with birds and animals, He also took care of their nourishment. The assortment of foods, including drink, are too numerous to mention so why

do they need us to supplement their diets. You don't see them on street corners with signs that say, "I'm hungry and homeless." Believe me, not a single bird, squirrel or any other animal has died of starvation.

If you are looking for a resolution for the New Year, please consider not feeding the animals; but if you insist on doing so, invite them into your home. I'm sure they will reward you for it.
Happy New Year Everyone!

We're late for Valentines this year, but we have a great romantic night planned for Saturday February 27 when Level Three will be entertaining us. This band were discovered at The American Legion and will give us a great night's music.

Another themed night, Saturday March 19, we'll be entertained by the Joint Venture Beach Band. This will be our Tropical Beach Party so we'll be encouraging you to decorate your tables and dress in your loudest Florida/Hawaiian shirts and beach party wear. Be as outrageous as you wish! This was a huge success last year so don't miss it.

And our final dance of the season will be the Sail Away party on April 9 when we'll once again enjoy the talents of George & Company and sadly say farewell to our Northern friends before they leave us for Summers elsewhere.

Meanwhile we continue to seek out new music to entertain you in the 2016/17 season. Mark your calendars with these dates and plan to gather your chums to make a party of it. Tickets will be on sale on the door for all but the New Year's Eve event at \$8 per person. Bring your own drinks and snacks.
