Sharing some Important Information

By Marcia White (President of PI Social Comm.)

As most of you know we have several ponds in our community. What most of you don't know is that our ponds are connected with the storm drains throughout our community. What that means is that when you throw your garbage bottles, cups, leaves, etc. down the storm drains it comes out into our ponds.

I live on pond #5 which has been drained to be able to repair some issues with the pipes. As the big pump trucks came through the community I watched them pump the storm drain next door to me and could see the empty bottles and garbage being pumped right into the pond. I am one of the residents on this pond who tries to keep the pond cleaned out each week so that our beautiful swan is not swimming with everyone's trash. I don't appreciate cleaning up everyone else's trash because they feel they can't carry it home to deposit in their own trash can.

When you are walking in our community and enjoying a drink but happen to finish it before you have finished your walk, please be kind to your fellow residents and take it home with you. We had to have a new pump installed in our fountain twice in the past 2 years because of plastic garbage bags being put in the storm drains or thrown into the pond. This is a very costly expense that doesn't have to happen. When the Co-Op has to continue to put money into items like this it will eventually effect everyone in the community.

I am privileged to be able to live here and respect that the property will be here long after I am gone. If everyone just takes a minute to remember how lucky we are we can stop this practice of disposal in its tracks.

PLEASE THINK BEFORE YOU DEPOSIT ANYTHING INTO OUR STORM DRAINS

Pond Update From the Co-Op

By Rene` Crewell

The Paradise Island Co-op board of directors want to provide an explanation of what has been going on with the ponds. We first had a concern come to the attention of the management office involving a large area of land in front of a home on Martinique. When we looked at this home, we contacted the company that we have used in the past for these type of problems. When they began work they observed a "36 inch" storm pipe that was

cracked from a tree root and was starting to give way. The company Aiden Park replaced the pipe and it is now completed. Shortly after that, we received another concern of standing water in-between homes on pond 6. Aiden Park inspected the area and found it to be another storm drain pipe in need of repair. In order to repair this pipe, we had to partially drain pond. Upon draining the pond, we found that there were more issues with the storm pipes than pond 6. Us-

continued on page 6

ing a diver, Aiden Park went into the pipes with cameras and discovered all the pipes that connect ponds 5, 6, 7 had issues and some homes where near these pipes so it became an emergency matter. All three ponds were drained enough to have Aiden Park go into the drains and inspect to make sure all issues were addressed. Upon completion, there were concerns about how the water would be replaced in the ponds. Based on recommendations

of American Eco. 's President Kevin Youngberg we believe the best thing for the ponds at this time is to let nature take its course. As of today 5-16-2019, all emergency issues are completed.

From the Co-Op

By Rene' Crewell

Residents, please be aware that the office will not be allowing requests for fencing at this time. We are working on getting this situation of fencing resolved as soon as possible. We will let you know when fences will be permitted once again. We had a visit to the office from the City of Largo Code Enforcement. They were very nice and explained that residents have been placing items that are not recyclable. The items that are not allowed would be the envelopes with bubble wrap inside. The bubble wrap cannot be recycled so please do not place them in the recycling. Also, boxes need to be broken down and NO Styrofoam is allowed. If we need to start monitoring this I will have no issue handing out violations. I have also seen residents parking cars and trucks on the sidewalks, this is something that needs to stop. When I am out doing inspections I will be looking for vehicles that are entirely on the sidewalks and will be sending a violation. The Rules and Regulations states that; vehicles cannot park on sidewalks. It is rule number XI. Number 2. I hope that all residents try to abide by the rules and regulations to make everyone happy in our little world of Paradise Island.

Mary is recuperating at home from her neck surgery (not her back as previously stated). It will be a long laborious undertaking but her determination will make a big difference. Let's keep her in our thoughts and prayers for a speedy recovery. While Mary is in recovery, if you have any questions for the HOA, please call Sandra Hall at 727-223-3407 she will try to help you.

THANK YOU to the Men's Club, Social Committee and Nancy Sullivan for the great entertainment/events during last season. It was well attended and appreciated by all.

Thank you also to our Canadian friends and all the snowbirds for their participation. Have a great summer and we look forward to seeing you in the fall.

Some delivery companies have difficulty finding the location of our lot. Maybe a good idea will be to have our deliveries address as follows: 1001 Starkey Rd, ex: Lot #000 Barbados, Largo, FL 33771.

Robo-calls from the office for all emergencies like water breaks, etc.

The hurricane season is upon us. It is imperative that the office has your right phone number to reach you. The number of the person on your deed is not always the best number to reach you. Please make sure you go to the office and check which number they have and ask them to change it if need be. This should answer questions asked at our last meeting regarding this matter.

Friendly reminder: There is NO smoking in the pool area. You can use the pavilion on the left of the pool by the pond. Also please do not use the club house entrance to access the pool. The club house from the pool area should be use only if you have to utilize the restrooms. Let's be careful about water on the floors, it makes them very slippery and can create a dangerous situation. Be safe.

Safety tips for this month:

1. Always lock your car while driving. Do not put your pocketbook on the seat next to you, that's the window thieves will break to steal it. Leave it next to you by the door or on the back seat floor.
2. When you stop, leave enough space to see the back tires of the car in front of you.
3. If someone walks towards you (more likely – not good news, not looking for directions anymore now everyone has either a GPS or cell phone) you have enough room to go around the car and leave.
4. GPS – if someone gets hold of your GPS for HOME enter the police station address so they won't know where you live. Use a different name on your address list for your home.

Please mark your calendar – The Social Committee has published their 2019-20 calendar in the May Media Newsletter.

There will be an HOA meeting on Wednesday June 5th. The next membership meeting will be held on Wednesday, September 4th. Please plan to attend, who knows what will be discussed! Have a safe summer.

Respectfully submitted, Renee D'Arcy

Our bowling season ended on April 4 and we are looking forward to beginning next season on Thursday, October 10, 2019. Most of our bowlers are returning, but we still need more permanent bowlers and substitutes. There is a yellow sign-up sheet on the bulletin board in the clubhouse. SUMMER POKER RUN

By Jim Gibson

Hello all at Paradise Island. Are we ready to have some fun? We are planning our first ever Poker Run Saturday, June 22nd, 2019. Registration starts at 4:00 in the pavilion. The cost is \$10.00 per person. We will need at least 5 stations to supply an adult beverage and appetizer. Each station will have a deck of cards that are in a brown bag and participants will pick 1 card from each station. The card will be put back into the bag and your participation card will be marked by the person who is sponsoring the station. The players will then go from station to station, in no particular order to repeat the process. We will end up at the pavilion, where you will turn in your sheets. You will also have the opportunity to purchase an extra card for \$5.00 Cash payout for the best hand and a bottle for worst hand. If there is a tie, players will pull another card from the deck and the highest card wins. If there are any leftover drinks or appetizers, feel free to bring back with you to the pavilion and we will continue the party with pizza. Please call Jim Gibson 440-840-3739 Lot 821 if you are willing to have a station. There will be a sign-up sheet in the club house for those that would like to attend this event. Deadline is June 14th. Remember we need at least 5 stations and you can walk, run, ride your bike, and use your golf cart or drive. Hope to see you all there.

CRAFT CLUB FUN CONTINUES YEAR ROUND!

By Wikki Pyne

Even though our Northern friends have gone, Craft Club is is full-swing year round! We meet at the Clubhouse every Wednesday from 1:00 - 3:00. With paint brushes and glue guns, glitter and ribbon, we create a variety of projects including home decor, jewelry, and garden and outdoor items. This summer our projects will include amazing painted and decorated clay pots, and we will use hardware, leather, and nail polish to make unique jewelry. Next month will be Christmas in July as we get a head start creating some fantastic items for the annual Craft Show.

continued on page 14

If all this sounds interesting, please come join us at Craft Club on Wednesdays for crafts, fun, and friendly conversation. No experience or artistic talents are necessary! All necessary craft components are provided. Or, if you have a "forgotten" knitting, crochet, painting, cross stitch, or other project at home, dust it off and bring it along to Craft Club. We'd love to see your work and meet new friends.

EVERYONE WELCOME !

Craft Club Donations Wanted

By Wikki Pyne

Craft Club is in need of nice, clean artificial flowers and greenery, and seashells. We can also use clay pots and saucers, any size, so dump out those dead plants and we will put the clay pots to good use! Drop your donations at the Clubhouse any Wednesday between 1:00-3:00, or call Wikki Pyne at 352-247-0133 and I will pick them up, or you can bring them to me at Lot #520 Jamaica any time. Thanks!

Summer is here in Paradise Island

By Marcia White

Looks like summer has arrived and our temperatures are set for the 90's for the next few months. Paradise has quieted down now that all of our northern neighbors have gone back north for the summer.

Now is the time to explore your surroundings and go to that new restaurant you wanted to try but couldn't get in to during the season. Or maybe you want to visit the beach or see the Aquarium. In any case now is the time to enjoy all that our area has to offer without long waiting lines and needing reservations.

Don't forget to plan on joining us on Saturday June 8th for our first pool party and cook out this summer. Bring a dish to share and \$2 donation per person for the burgers and hot dogs that will be cooking on the grill. We have a great time and if you are new in the neighborhood come join us and meet some new residents.

As most of you have noticed 3 of our ponds had to be drained to do some major repairs to the pipe line.. The work is done now and those of us who live on these ponds are praying for rain to fill them back up. We are grateful that the Co-Op was able to make these repairs but we are sad that we still have no water in them. If anyone knows a great rain dance that you want to share with us, we are all ears. The past week or two has helped and they are beginning to look a little like ponds again so keep on praying.

Social Committee meetings will resume in October so enjoy your time off and we will see you in the fall.

There will be pick-up games on Mondays at 6:30 pm during the summer months beginning in May. A sign-up sheet for the 2019-2020 season is posted in the clubhouse. The new season will start in mid-October at 6:30 pm. I encourage anyone who is looking for a fun filled evening to try out darts next year or go to a pick-up game during the summer. Paradise Island Church in The Park

By Serena Johnson

We want to wish the Father's in the Park a very happy and memorable Father's Day! It is always a joy when the month of June comes around, as this I think, of all the months of the year is the love month. So many weddings are always planned for this month. If you are having an anniversary we hope it is a real blessing. This is also the month summer begins and we can look around at God's beautiful flowers and feel the balmy breezes and enjoy being out in the sunshine.

You are all welcome to join us in the Clubhouse on Sunday mornings at 9:30 AM for an hour of worship and fellowship. We are a Non-Denominational Church as many denominations are represented. We would love to have you stop by and be a part of the body of Christ worshipping here. If unable to attend, you can tune in to Spectrum Cable Channel 732 at the above time on Sunday mornings.

Bible Study is on Thursdays in the Clubhouse at 9:30 AM led by Pastor Bill Ogburn. We are studying the Book of Ephesians. All are welcome, come join us!

If you know of someone in the Park that has a need, please let us know. All requests are confidential. We would like to help if we can. Please call one of the numbers below and we will look into what we can do to help.

If you have a prayer request or would like a visit, please contact: Pastor Bob Brookhart 480-9793, Pastor Bill Ogburn 474-2722 or Serena Johnson 530-5905.

WE ARE HERE FOR YOU!

Prayer does not change God, but it changes him who prays. Soren Kierkegaard

From Joann Kip

We had some flags out front and someone took them, that's stealing you had no right to do that and we would just appreciate some respect for the property that we maintain, please keep your dog's off. Thank You The Kips

In Memoriam

By Audrey Gervasi

Please notify Mike and Audrey Gervasi of any deaths that you are aware of in our community. Without us knowing we cannot post an article or lower the flag paying you're respects to the deceased and their families. Any help would be greatly appreciated. You can reach us at 727-507-8947

Thank you, Mike and Audrey Gervasi

I don't fear death so much as I fear its prologues: loneliness, decrepitude, pain, debilitation, depression, senility. After a few years of those, I imagine death presents like a holiday at the beach. Mary Roach

See, when you drive home today, you've got a big windshield on the front of your car. And you've got a little bitty rearview mirror. And the reason the windshield is so large and the rearview mirror is so small is because what's happened in your past is not near as important as what's in your future. Joel Osteen

Walk Away the Pounds

By Bev MacMillan

Walkers are healthier people. Suffering from high blood pressure, cholesterol or diabetes? Well our program can help with that. You will feel healthier, have more energy and sleep better when you exercise. If you walk 1 mile, 2 miles or 3 miles you will feel the difference.

Join a fun group of ladies every Monday, Wednesday and Friday at 8:45a.m. to 9:45 a.m. in the clubhouse.
