# THE CELEBRATION

Keith Knowles

The clubhouse was rockin' and rollin' on March 19th as hundreds of residents joined in the celebration of the Co-Op's (and Paradise Island's) 10th anniversary. Marcia White, the consummate event planner (seriously, she used to do it for a living!), gathered her crew of volunteers early in the morning to assemble over 500 sandwiches, coleslaw and chips to be served later in the day. The men's club volunteers set up the tables in both rooms while more of Marcia's incredible crew staged the decorations to add to the beach themed gala. Around 2:00 pm the celebrants started to arrive at the clubhouse for games, music provided by a great DJ, fun, and just plain fellowship. The games included a horse race, bean bag toss, and ring toss. Everyone was having so much fun that few people noticed that the poolside games had to be cancelled because of rain. The hall was alive with laughter and conversation.

Around 5:00 pm food was served. Sodas and water were available then and throughout the day and night. Once again, Marcia's volunteers did a great job serving over four hundred people in less than 30 minutes. Delicious cupcakes finished off the meal with a choice of chocolate or vanilla with delectable frosting. A special cake with a picture of our sign also graced the dessert table.

The day was topped off by a great live band that started at 7:30 with our Canadian friends showing us all how to kick the party into high gear. All in all, this was a party that will set the standard for all parties to come!

Special thanks go out to those who helped make the party possible through contributions that allowed the celebration to be free for all residents. Those contributors include the Co-Op, the HOA, Island in the Sun Realty and the Social Committee. Special thanks to Marcia White for coordinating the entire event and her volunteers who all did such great work. This was truly a celebration to remember, and it was so rewarding to see the whole community turn out for the party.

# SCAMS AND FRAUDS

*From Largo Police Crime Bulletin*

---

## **#1 – Secret Shopper Scam**

Mystery shopping has been among the top scams for a long time, and it keeps working because there are actually legitimate mystery shopping companies out there. The way to tell a scam from the real thing, though, comes down to whether or not you have to pay any money to sign up, receive lists of stores, or set up your own mystery shopping jobs. But there's a new take on it, and it combines the work-from-home scam with a money laundering scam. In the version reported this week, the victim was paid with a personal check and told that the shopping job involved depositing the check into her bank account, keeping \$500 for completing the job, then wiring the remaining \$1600 to another person via Money gram. If the victim had followed through, the original personal check would have bounced and the \$1600 money wire would have been taken out of the victim's bank account. There is no legitimate reason why you should ever receive a check and then turn around and send a portion of those funds to someone else. It is a known front for criminal activity and financial fraud.

## **#2 – Bad Check Scam**

This scam plays upon your fears of criminal action after informing you that you've broken the law. The victim received a letter that appeared to be official, informing him that he had bounced two checks. It went on to say that there were now bad check charges filed against him, and if he did not pay the amount of the checks plus his court fees, he would be arrested. Here's the catch: the letter stated that the only way to pay the fine was with a certified check. The victim couldn't transfer money from his savings account to cover the checks, for example, or go down to the police station and pay in cash. Whenever you're given only one payment option—and it's an untraceable method, like prepaid debit cards or money wires—that should cause you to think twice. A quick phone call to your bank will let you know if you're the target of a scam or not.

## **#3 – Ransom ware Scam**

Ransom ware is a form of cyber attack that can affect anything from a Fortune 500 company's network to the Smartphone in your pocket. There are a variety of different ways that your technology could have become infected, but the end result is still that a scammer is holding your device or computer for "ransom." It happens when you've accidentally installed some malicious software. A box or screen appears that tells you your computer is infected, and nothing you do seems to fix it. If you call the phone number or go to the website to fix it, you're told to pay a fee to "clean" your system. Sometimes these messages seem to come from a legitimate source, like Microsoft informing you that your network is compromised and they can repair it; other versions have been far more sinister, as in a hacker actually stating he was responsible for this and will only remove it if you pay up. The most important thing to do is never give in to the demand. If you cannot unlock your system yourself, take it to a computer repair office and see what can be done. Turning over your credit card number to a scammer in order to remove the issue only gives them your financial information, and may not even remove the problem.

It's worth noting that IRS Imposter Scams are still topping the list of reports to the BBB, and that isn't likely to change until well after tax season. In the meantime, take a look at some of their other recent top scams or fraud attempts.

## From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

*The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.*

## HOA News

By Cole Akins

**W**ow! Can you believe it is May Already? Time flies when you're having fun. Just the other day I was talking with a Lady that is 102 years old, very funny young gal. I ask her secret for a long life. She thought a moment and replied: I start each day with a smile, a prayer and a song. "Simple but effective" we should all try it. Seems all the snowbirds have departed by now and the roads appear less congested or is it just me!

Paradise Island Homeowners Board has a couple of changes to announce. Since Director Art Yeo, who was handling the sign up cards for HOA membership has returned home for the summer, Director Colleen Phillips will assume that activity. Please contact Colleen to renew your membership card. Also Pastor Bill Ogburn will assume the dual role of Secretary/Treasurer momentarily. Frank Toner is doing a jam up job in the kitchen. "Great food/low prices"; come on out and give it a try.

Remember to support not only Bingo and the kitchen but all Park activities. The Men's Club offers a diverse schedule of entertainment, along with good food. Social Club is always busy. Lots of things to do. Have fun! Enjoy life! Hope to see you at the next HOA meeting.

## Community Activity Chairpersons

By Marcia White

**I**t is with great pleasure that I announce that we have volunteers to chair all of the events that needed a new Chairperson .

Thanksgiving will be hosted by George Gratton and his awesome team composed mostly of our Northern neighbors along with the assistance of the Men's Club.

The Craft Fair will be hosted by Sammye Sands and her team.

The Community Christmas party will be hosted by Delores Wagner. Delores is new to our community and doesn't have a team yet but she will be introducing herself to our readers and asking for help. Let's show her what a great community we are and step up to give her a hand.

On behalf of the Social Committee we are all very grateful for these volunteers and will do everything we can to help when needed. I wish to Thank each of these volunteers for being generous in donating their time and effort. It is very much appreciated.

## Time to say Good Bye

By Marcia White

It hardly seems possible that the winter season has come and gone so quickly. Just yesterday the Social Committee was planning all of our activities to finish out 2015 and start 2016. Now we find ourselves ready to take a break for awhile and start planning again. Before we know it we will find ourselves back in September and ready to take on the end of 2016 and begin 2017. I want to take the time to reflect on the great events we hosted this year and look forward to doing the same again next year. Our upcoming events are on the schedule and we have another great season planned for all of you. A sneak Peek includes some of the following:

November 5, 2016 Craft Fair      December 3, 2016 Ladies Xmas Luncheon      December 10, 2016 Comm. Holiday Party (if we get a new chairperson)      March 3, 2017 Fashion Show w/Dress Barn

Breakfast will begin on the first Saturday in January 2017

Add to this all of the wonderful events that the Men's Club host and you have another full season of fun and entertainment.

So for now we say Good Bye to our Northern Friends and Neighbors and take a little rest before we start again. We will miss them all and look forward to their return. We also THANK them all for the help we received in completing of our events this year. Travel Safely. See you in the Fall.....

I'll be heading to the beach now to enjoy some sun and relaxing while I can... What a great year so far.

*Where we love is home - home that our feet may leave, but not our hearts. Oliver Wendell Holmes, Sr.*

## Clubhouse Decorations

By Carol DelleChiaie

Thanks to all my helpers!

Decorations are finished for the summer months. To everyone that worked so hard helping me throughout the winter months I can't give you enough thanks.

It takes many hands to make our hall look so beautiful, and I must say we outdid ourselves this year. Have a great summer and stay healthy.

## Day Trip To Victory Casino Cruise Ship out of Port Canaveral.

By Nancy McCann

Last year we did a day trip to this ship in June and we have had several requests to go again. I have contacted them and have set a date of Tuesday, May 3, 2016. The cost this year would be \$50.00 Per Person up from last year's cost of \$43.00 because their bus company cannot come over to the west coast anymore and they have contacted a bus company in Tampa to do the transportation. We still have a good deal since it does include the cost of the transportation, tip for the driver, boarding fee on the boat which is now \$13.00, Buffet cost of \$17.50, \$20.00 free play and free drinks while gaming. We did have snacks, water, games and prizes last year and we are planning on doing the same again this year. The bus will hold 50 people so call Nancy McCann at 727-667-0014 or Carolyn Teter 727-793-4968 to reserve your spot or for more information. Hope to see you all again.

## Walk Away the Pounds

*By Bev MacMillan*

---

**T**he season is now over for walk away the pounds. We sure had fun and as a bonus kept our bodies tuned and in shape. A big thank you to the Social Club for funding us, the new equipment helps us a lot. The number of ladies that participated this season increased over last year and we are hoping that more of you join us next season. Classes will start up again in November.

I wish all of you safe travels as you head north for the summer months and look forward to a fantastic time here in Paradise Island next season.

## Community Library

*By Denise Samson-Nadeau*

---

**A**s long as there are readers, there is work to be done. It takes many helping hands to reach a goal and our goal at the library is very simple: to offer to Paradise Island residents a library that is neat, tidy and informative. Sincere thanks to the ladies who help achieve that goal.

Together we work at sorting out books into different categories, cataloging them and putting them on the proper shelf in alphabetical order. This process is continuous.

Some of you may not be aware of the library system. To facilitate locating a book, we use color codes and categories. All books that have a yellow dot on the cover are in the "Romance category". These books are basically novels and fictions. We also have hard and soft covers. Because of limited space, we do not carry more than one copy of any given book.

Books that have a green dot on the cover are in the "Mystery, suspense, murder, thriller category". Again, we have hard and soft cover copies.

Happy reading and again, many thanks to Bev, Dawn and Gisèle.

This group is now finished for this season. I hope all the ladies that attended finished their projects and are happy with the results. Due to low attendance of this group this season we are now considering joining with the Craft Club next season. This should make for a much larger group that can assist one another. ## Paradise Island Church In The Park

By Serena Johnson

**H**appy Mother's Day to you Mom. May you have a wonderful day filled with abundant blessings!

If you are new to the Park, we would like to welcome you and invite you to join us in the Clubhouse on Sunday mornings at 9 AM for a wonderful hour of worship and fellowship. We are a non-denominational church that love the Lord and ALL are welcome! If you are unable to attend in person you can tune to Bright House Channel 96 or if you have a box channel 732 and view our service at that time. We hope that you will find the service enjoyable and join us in person when you can.

If you or someone you know, have a need, please contact a member of the Church Board (names are on the bulletin board in clubhouse). All requests are confidential. We thank all who contribute to the Outreach Program of the Church which makes this ministry possible.

Bible Study beginning in May with Pastor Bill is on Thursdays at 9:30 AM in the Clubhouse Room # 3 across from the door to the pool. Continuing the study of "The Blessed Life" by Robert Morris. Serena will be back in the fall.

If you have a prayer request; have a question about our church and/or would like a visit, please contact: Pastor Bob Brookhart 480-9793 or Pastor Bill Ogburn 474-2722.

**WE ARE HERE FOR YOU!**

## Paradise Island Outreach Fund

By Bill Ogburn

**I** have found that there are a number of our residents who do not even know that we have this fund or they have no true idea of what and how it works. I pray that I can explain in enough detail here to educate every resident of Paradise Island about the care we have for our own.

I must first assure everyone that this is the "Paradise Island Outreach Fund!" Not the Paradise Island Church in the Park Outreach, or the church Outreach fund. It is its own entity. The Paradise Island Outreach Fund stands alone. The fund IS administered by the Church in the Park. There are several reasons for this, the chief being that it is covered under the church's Non-Profit status. Financially they are totally separate. Each has its own banking account, accounting and disclosure requirements. The "Funds" and the "Church's" moneys cannot and do not inter-mingle. Neither one can be used for the other with the one exception that the "Church" pays one half of its tithe to the "Fund". I cannot over emphasize that the "funds" money has nothing to do with the church! When you give to the Paradise Island Outreach Fund, 100% of that gift is used for the residents of your community, "Paradise Island." The "Fund" has no fees, compensation, or bills other than you, as a resident, needs. This is the only benevolence fund that I know of that 100% is returned to those to whom it is intended. Yes we use Godly principles in order to be good stewards of your money. But to my knowledge there has never been any discrimination due to race, color, creed, religion, or anything I can think of. We do investigate each need on an individual basis and our giving is to meet what we believe to be a

true need. We DO NOT deal with cash! All gifts have a paper trail, i.e. a check to Duke Energy, etc. However, we can issue food gift cards and are considering gas gift cards as well. These are tracked by name and lot #. All information about the dealings between the administrators and those in need are covered under the ministerial confidentiality principle. I will not even disclose too you who gave me your name or lot # without the express permission of the giver. I hold this confidentiality responsibility very dear and consider it a great privilege to be allowed to hold this position. Therefore, any conversation, donation, receiving of a gift, or any matter you deal with me and the fund is between God, you and me period. All donations will be greatly

appreciated by someone in this park. Donations can be given in any form to me or any member of the Church in the Park. Please designate all gifts to the Outreach Fund. Every single aluminum can you put in one of our containers helps someone here in the park. If you would like more information or greater detail about the workings of the "Paradise Island Outreach Fund," please contact Pastor Bill Ogburn, Home 727-474-2722, cell 727-871-9432, or e-mail [billogburn@gmail.com](mailto:billogburn@gmail.com).

Thank you and May God bless you -- Pastor Bill

## Entertainment Update 2016 Functions

By Cyndi Ponder

Last Dance of the Season was APRIL 9TH. Meanwhile the dances this winter have been much enjoyed and well attended and we thank you for contributing to making them such a success. We have been working to schedule quality bands for the coming year and hope you'll plan to join us once the season re-commences in the Fall. The full schedule will appear in your monthly media, so be on the lookout from October. I'd like to thank Nancy Sullivan for all her wonderful work in viewing and scheduling great acts over the past months, not to mention selling tickets and 50/50 and taking the hostess role for our dances. As my time availability has become less and less other friends have stepped up to assist Nancy and I'd like to thank them all. I'm very happy to introduce Mary Jo (from Buffalo) Cichon who will be joining Nancy as the co-coordinator for future dances. I'm sure you will show her the same support and enthusiasm as you have Nancy and me.

## Swift action averts a serious water problem

By Jim Lambert

Within the last month, the fresh water supply within Paradise Island was shut down due to accidental damage to a couple of main conduits that supply it to our community. Fortunately, neither was serious enough to cause long term disruption, nor was the water contaminated as a result. In the both cases, the quick and efficient response by the maintenance staff and others eliminated major damage and reduced the down time considerably. The workmen are to be commended for their effort on behalf of our community. The inconvenience to the residents was minimized because of their swift response.

The citizens of Flint, Michigan weren't so fortunate. Because the local, state, and federal governing bodies ignored, denied, and covered up their water problem a state of emergency resulted. Essentially, the toxic levels of contamination in their precious water necessary for the survival of its citizens was ignored since April of 2014. In place of "sweeping it under the rug," the so-called leaders allowed the water to "flow under the bridge" resulting in the resignation of at least four.

The crisis is far from over. In the fall of 2015, General Motors cancelled its contract to purchase water from Flint because the high levels of chloride "could corrode engine parts." Imagine what it must be doing to the citizens of Flint. If the Governor had approved the mere \$50,000 annual cost to add phosphorous to the water the problem potentially could have been resolved. Instead, Governor Rick Snyder is planning to have the state of Michigan provide Flint with a \$28 million grant to resolve the issue. What were they thinking?

Now, Paradise Island is no Flint, Michigan, but it doesn't mean it can't have contaminated water if measures aren't taken to recognize the possibility. So far, so good. Perhaps the time is right to begin a dialogue between the officers of the HOA and the CO-OP, including representatives of the city of Largo's water department, to set in motion a plan for, a) getting a better understanding of potential water problems, b) steps that can be taken to anticipate a water crisis, and c) some method of informing the residents if and when a water problem (or other community matter of seriousness) arises. There must be a way to network effectively within the community. Brainstorming will bring about good results.

Again, a sincere 'thank you' for the rapid response of our maintenance crew and others for preventing a serious problem and an extended period of time without potable water. While most of us were sleeping, these workmen responded and got the job done without much fanfare. We should all be grateful and make it a point to express appreciation.
