## The Paradise Island HOA

*By Mary Ross, President*

---

Well neighbors we had a great winter season here in the park. Our winter residents have headed back to their summer homes and the full time residents will be braving the heat of the summer. Now is the time to get your air conditioners serviced to maintain proper working order. It is recommended that the units be tuned up once in the spring and once in the fall. Make sure you use a licensed, insured A/C contractor. Trying to save a few dollars now by not using an approved contractor can cost you thousands later on.

Last month, the HOA welcomed back park resident/bingo caller, Don Koebel. Don and I will be sharing time calling bingo. We still need a backup caller. In April, the HOA gave away several free bingo coupons as door prizes. We gave our players gifts of Easter daubers and Easter candy. The HOA posted volunteer positions available for our Thursday night bingo. If you are interested in any of the positions, please call me.

We have some changes going on in our kitchen on Thursdays. Frank Toner has hung up his chef hat and spatula. Frank has been cooking for the HOA for several years. Personally, I can tell you his shoes will be very hard to fill. Besides being an excellent chef, Frank always had a bright smile to greet you and truly cared about cooking his meals from scratch. There are no words I can say that will properly say thank you to him. Frank has been training his replacement, park resident Olga Cruz who comes to the HOA with many years of experience as a chef. In Frank's own words "Olga can run me around this kitchen". We welcome Olga and look forward to her food.

Our menu on Thursdays has changed. Please stop by say hello to Olga and read the menu board to see what items stayed and which ones were eliminated. We are experimenting with the menu. Please feel free to let us know what you think.

I was informed by park manager, Nancy Perry that the office is cracking down on speeders and drivers who blow thru the stop signs. The posted speed limit throughout the park is 15 miles per hour. The stop signs are there for a reason. If you are walking or riding a bicycle at night it

*...continued on page 6*

is in your best interest to wear light colored clothing, such as white so that drivers can see you.

The HOA Outreach fund has had some changes as well. Pastor Bill Ogburn will no longer be the one who makes the decision about who gets help. He started this mission 6 years ago and it has been one of his most important missions near and dear to his heart. The fund is set up to help park residents who are struggling to make ends meet. It has always been and will continue to be a confidential ministry for park residents only. The Church in the Park, Pastor Bob has made the decision to assign it to a three person committee. If you or someone you know has a need, you can contact the outreach committee directly. The members names and numbers are posted on the board in the clubhouse. With the changes to the fund also comes changes to the can and bottle collection ministry. Pastor Bill needs someone to step up to take it over or it will go away. Please contact him if you are able and willing to take it over. Saying thank you to Pastor Bill for the work he has put into the fund and for the many lives who have been blessed receiving help from the fund is not an easy task. Pastor Bill knows his rewards are waiting for him in heaven.

As a reminder, Ruth Charron is in charge of the food pantry. She continues to need items for the pantry and her ministry continues to be confidential and for park residents only.

As a reminder, anyone who has an issue that needs the attention of the Co-op or park manager must put it in writing. Your complaint will not be addressed if you do not fill out a form and turn it in to the office. I will be happy to help resolve a dispute, but only after you have taken the required steps to resolve it yourself.

# Our Library in the Clubhouse

By Denise Samson-Nadeau

Hi everyone,  
Spring is here...snowbirds are leaving to go north...Paradise Island residents will rest after a lively and busy season.

Thank you to the ladies who worked in the library throughout the fall and winter. Thanks to Gisèle and Bev. Enjoy a well deserved rest! Have a great summer and see you in the fall.

Let's welcome the summer crew...these three ladies will be helping in the library till my return in the fall. They are Paula Knowles, Anne Aikens and Dolores Wagner. The crew leader is Paula. If you have questions or suggestions you may call her at 727-533-8880.

Thank you ladies for answering my call for help. When you see them in the library or on the street please take a minute to thank them for volunteering their time.

Thanks go out to Lorraine Richards. She is the "Puzzle Lady". This lady puts in countless hours to make sure that puzzles are in good condition so that we may enjoy completing them. Thanks a bunch Lorraine!

In the puzzle room you will find DVDs. You may borrow them at your leisure but please return them so that other residents may enjoy them also. Secondly we have a few VHS. If you still have a tape recorder you may enjoy viewing a tape. Please put all returned material in the designated box at the entrance of the library.

Lately, we have received many new and interesting books. Come...browse around and make sure you put books back where they belong or in the box. We will catalogue them.

Good reads...see you in the fall!

What a way to end our winter season with Tom Davis. A excellent performance by a great singer and entertainer. I'm sure everyone who attendant enjoyed the performance by Tom Davis. "THANK YOU" "THANK YOU" I also want to thank all the workers who build the stage, set up the tables, and the crew who stay after the show to put all the tables back for bingo, and don't forget Charlie Buhay, Eddie Walas, and Bob Betty collecting tickets, and selling tickets. "THANK YOU" Good job Bob (coach) Pultorak for bringing Tom Davis to Paradise Island.

## Thank you

By Denise Samson-Nadeau

---

Have you ever wondered how social events happen in Paradise Island? Turn to the person on your right or turn to the person on your left and you are most probably looking at a volunteer. There are many, many selfless persons in this park who give up their free time so that others may enjoy different activities...be it bingo, bunko, cards, dances, church services, darts, golf, shuffle board, bocce, sewing classes, exercise classes, computer classes, craft classes , special events like parades, fashion show, flea market, fall fair, entertainers, anniversary parties and holiday dinners. Volunteers rarely blow their own horn. Depending on the event, some volunteers work countless hours planning, decorating, shopping, setting up the hall. Many work in the background, quietly, but get things done so that events run smoothly and everyone attending has a good time.

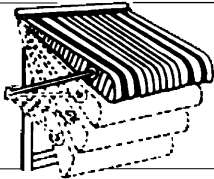

Because of age, health or disability issues some people are unable to volunteer and everyone understands that. However, I have a problem with negative criticism. We are all entitled to opinions but please try to be positive and polite when expressing them.

Also, when you witness a person trying to better our park please thank them. A smile, a pat on the back or a compliment go a long way.

In conclusion, many, many thanks to our numerous selfless volunteers...

Thanks to everyone who helped set up and put all the tables and chairs in order at the end of Darts each week. Special thanks to the captains for collecting dues and their help throughout the year. Our subs were wonderful this year and big thanks to Denise Samson-Nadeau for being our contact with the Social Committee and for their generous contribution for our prize money.

There will be pick-up games on Mondays at 6:30 pm during the summer beginning in May. A sign-up sheet for the 2017-2018 will be posted in the clubhouse. The new season will start in mid-October at 6:30 pm. I encourage anyone who is looking for a fun filled evening to try out darts next year or go to a pick-up game during the summer. No experience needed!

Any questions call Anne Elkins @ 210-7364 or Paul Clinton @ 531-1373

### **Beware of the “Can You Hear Me?” Scam February 15, 2017**

• Pinellas County Consumer Protection is alerting residents of new robo call scam • If you receive a phone call asking “Can You Hear Me?” – hang up; do not say yes • Residents advised to not answer calls from unfamiliar numbers.

The latest scam may sound like a commercial, but it’s not. Pinellas County Consumer Protection is advising residents who receive a phone call asking “Can you hear me?” to hang up and not say yes. The objective is to get the victim to respond to the question by saying “yes”. That affirmative response is recorded and then used to authorize unwanted charges on a phone bill, utility bill or with a stolen credit card.

To add legitimacy to the transaction, the scammer may have already collected some personal information about the victim. When the victim disputes the charge, the scammer will validate the charge with the recording of the victim saying “yes,” therefore approving the charge. Remember: the question doesn’t have to be “Can you hear me?” It can be any question that prompts a “yes” response. The best way to prevent becoming a victim of a telephone scam is to not answer calls from unfamiliar numbers. Residents are advised to hang up if they answer the call.

If you suspect you are a victim of this scam, here are some steps to take:

- Check your credit card, phone or cable statements for unauthorized charges.
- Dispute the unauthorized charges with your billing company.
- If you have been told that you have been reported as approving the charge(s), request proof.

For more information, or to file a complaint, contact Pinellas County Consumer Protection at (727) 464-6200 or visit [www.pinellascounty.org/consumer](http://www.pinellascounty.org/consumer).

## Paradise Island Annual Flea Market

By Marcia & Jim White

The Flea Market was held on March 25th at our clubhouse and we had a great turnout and record sales this year. After all expenses we were able to donate \$3633.00 to the social committee for future programs for our residents.

Jim and I want to send sincere and heartfelt THANKS to every person who helped us make this event so successful. We especially want to tell the Men's Club how grateful we are for all their help in getting us set up and unloading the sheds. We understand what a huge job that is since Jim and I actually loaded all those great donations in the sheds for a whole year. THANK YOU !

A Great Big Thank You to all the residents who donated their unwanted items as well. We actually had to put some of the furniture into the big room because you were all so generous this year.

We can't name all the volunteers since the list is so long but we can list the group by their assignments. THANK YOU to the kitchen for the great food, the ladies who set up all the items on the table and then came back the next to sell them for us, the bake sale volunteers and the bakers, the traffic assist, the men's club, the craft club and I personally have to say I am most grateful for the help that Jim White gives me all year long in collecting the donations. I could not do this job without him.

We are both looking for help with the collections. If you would be interested in helping us throughout the year please give us a call. We are especially in need of a truck that we can use to pick up furniture in every other week. We can be reached at 727-953-3616

The Social Committee has done a fabulous job this year with our events and we hope to add even more for you next year. We know it's time for all of our Northern Neighbors to head back home, so travel safely, stay well and we will see you again in the fall.

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.
