## **Park Christmas Party 2015**

*By Marian Chase*

---

**F**or many years our Paradise Island Community held a Christmas Party, open to all residents. It was well received and always crowded with residents getting together to enjoy the holiday. The entertainment and food was paid for by admission.

Last year we lost our chairperson when it was too late to organize the party. It would be wonderful if we could have a chairperson, or a group to organize and put on this event. There is a great deal of latitude in what can be planned, and there are many of us who can advise on available options.

It would be great to have this “feel good” event back on the calendar... Can you help us?

## **NO HOMEOWNERS MEETING IN OCTOBER**

*By Jeff Hanson*

---

**L**ast month was our first meeting after three months off for summer and there was a pretty good turnout. Everyone probably already knows the clubhouse will be closed from September 28 until October 16 so we will be unable to have our homeowners meeting October 7, the next meeting will be November 4 at 7PM. All homeowners are welcome to attend I also want to remind you they are going to be working on the sidewalks and some of the streets. As always slow down and drive safe we want to see you at the next meeting.

Another reminder there will be no bingo and the kitchen closed for three weeks but will be back October 22.

## **CLUBHOUSE CLOSING**

*by Ron Anderson*

---

**W**ork on replacing the tile floor and installation of new kitchen appliances will begin soon. The clubhouse will be closed in its entirety from September 28 to October 16 except for the bathrooms accessible via the pool door. For your own safety, and to not interfere with the ongoing work, please do not attempt to use the clubhouse facilities during this closure period.

## WOOD FENCE REPAIRS

by Ron Anderson

After evaluating the responses we received from our request for a quote to repair or replace portions of the wooden fence partially surrounding the park, we have decided to make those repairs on a lot by lot basis. Your input is desired. Residents are asked to make an evaluation of the wood fence bordering their lot, and in the case of absent neighbors take a look at needed repairs on nearby lots, and inform the office of the candidate lot numbers for fence repairs. Our maintenance team will confirm what repairs are needed and schedule the appropriate work.

## Fall Clubhouse Decorations

By Marcia White

The clubhouse cannot be decorated for fall until the remodel is completed. That leaves very little time before our first event. We will be decorating the clubhouse on Saturday Oct 24th at 10:00 am. We welcome all the help we can get to help us complete the job in a quick time frame. Please come and join us and help us bring in the Fall, and Halloween. We really appreciate the help.

Thanks,

Marcia White (filling in for Rose Oxford until she gets here)

## Bus Bingo

By Shirley Morrissey

**B**us Bingo is very simple, we package 4 cards one of each suit. a heart, a spade, a club and a diamond. These packages are sold for fifty cents each. You purchase as many packages as you want to play. The caller calls from another deck of cards. The player places their cards face up on the table. When the matching card is called the player turns That card over. When the player has four cards across turned over they call bingo. We play as many games as we collect money for. Bus Bingo starts at 2:00pm until around 4:00 pm. Come give it a try and meet some new neighbor and have a little fun.

## Medical Billing Review and Recovery Billing

By Janyce Cruse, Resident of Paradise Island

**O**ne of our longtime residents, Joe Lyons, brought this information to me the other day. After reading it I felt the need to share it with all our residents. We all have to go to the doctors and/or hospital one or many times in our life time. It's important to know that the treatment we receive from these medical experts is billed correctly and that no mistakes have occurred. Most importantly is that we were not charged for services we never received.

Ann-Marie Hoobin, R.N. assists people like us. She detects these overpayments and errors either by the hospital or our health care provider.

I am posting this information in our clubhouse for all to read.

If you feel that she could assist you, please give her a call at 727-385-9326. There is no obligation. It's a free service. She will do an analysis of all your medical bills. You would only pay for her services if she finds errors and saves you money.

Thank you Joe for caring for the people in our community and thank all of you for taking the time to read this article.

Stay healthy.

## Media Delivery

*By Pat & Arlene Rosenheim (#666) - (727) 444-0005*

---

**P**at & Arlene Rosenheim would like to thank Bruce and Linda Carter (#568) for covering for us while we were away up north visiting our family and old friends. They did an awesome job delivering the media bundles to the carriers for August delivery! We'll be going away again in September and they will once again cover for us to deliver the bundles to the carriers for delivery of the October media. We must say, it's nice to see new residents step up to the plate so quickly! So, let's all thank Bruce and Linda for helping to get our medias delivered to us!

Also, many thanks to the new carriers that stepped up these past few months and took over when other carriers suddenly resigned. We still have a need for permanent (and temporary!) carriers that I expect will be utilized in the next few months as some of our older carriers can no longer be expected to continue delivering the media door-to-door.

Sadly, we will no longer run an article in the Spring (or Fall!) asking for residents to notify us when they leave for the Summer because we had anywhere from 200 to 400 (or more) residents leave but only about 20 people called to have media delivery stopped. This resulted in so much waste of time, manpower, and materials that it just makes sense not to even ask for residents to call and let us know when they'll be leaving. Instead, call us when you get back and let us know when to resume delivery and also PLEASE (PLEASE!) tell us when you'll be leaving. Some of our carriers are quite elderly and it isn't easy for them to get around to try to deliver the media to vacant homes, so please be considerate of your neighbors and don't waste their time and effort in making Paradise Island such a nice place to call 'home'.

Thank you in advance for your cooperation!

## **Has Trump struck a nerve in Washington?**

*By Jim Lambert*

**W**hile I am not a politician, political writer or broadcaster, nor political junky, I must admit I am enjoying the squirming of the politicians that Trump Almighty is causing in Washington. He is no longer the circus clown that they dressed him up to be. Like the dentist whose drill goes slightly off target and causes pain, The Donald has done likewise to the insiders in the Nation's capitol. It's called the "ouch" effect

There is something to be said for a self-made billionaire, who has entered the political arena not beholdng to anyone. Let's face it, especially in Washington, money talks. Until now, the contenders running for office have been the beneficiaries of the billions of dollars doled out by the lobbying firms. With Trump entering the race without the need or expectation of lobbyists' money, he can say and do anything he wishes to do without them. He has taken shots at all of his competitors, TV reporters, writers, lobbyists, and even some of general public attendees without exception.

There may be more to Donald Trump than he is given credit for. Sure, there is plenty of hot air in his balloon but is it rising into the sky with enough air to sustain the enormous amount of pressure he will face in the coming months. Will his balloon have enough air to transport him to Washington, or will it come crashing down as so many others have in the past?

*...continued on page 18*

Overall, we must admit it is good theater and has captured the imagination of millions of citizens across the country. The Donald has the uncanny ability to draw crowds at his press conferences and state visits larger than anyone else — even drawing thousands to his summons for jury duty. Now that's popularity.

Is it time for a political outsider long shot to get to the wire first? As voters, we are unaccustomed to having a non-politician leading the race. Our position could be, "What do we have to lose?" We have been witness to the do nothing Congress for the past couple of decades; which, by the way, has been in hiding since Trump announced his candidacy. Oh where and oh where have all the politicians gone?

If there is one thing we can be certain of, it is the guarantee that the voters going to the polls in the next presidential election will be forced to do more self-analysis than anytime in history. It is we that will determine the future of the United States. Sure, money talks but people vote.

There is no doubt about the fact that Trump Almighty is egotistical and obnoxious at times, but does he walk the talk? Well, when it comes to business, including its ups and downs, he has proven over time he's a survivor. Can his success in business carry over to leading our country back to its leadership position in the World? He certainly thinks so. He did go to the Wharton School of Business, didn't he?

Meanwhile, across the aisle on the democratic side, Hillary Clinton and Bernie Sanders seem to be having enough on their respective plates without watching those battling for the presidential nomination for the GOP. I wonder if the mudslinging will stop long enough for the bunch of them to wash up and go to the polls to vote.

Finally, as my Mom always told me, "Time will tell." All we can do between now and November of 2016 is sit back and enjoy ongoing the soap opera, "Search for Tomorrow's President."

Meanwhile, God Bless America!

## Craft Fair 2015

# PARADISE ISLAND ANNUAL CRAFT FAIR

---

**O**ur annual Craft Fair is coming up next month on Nov 7th at 9am and will be open until 1 pm. We will be hosting the fair at our clubhouse. We have a wonderful variety of crafters for you, so save the date and plan to join us.

We will host a bake sale and the ladies in our community make really yummy goodies. The canteen will be open in the morning for coffee and donuts and will serve lunch starting at 10:45.

This is a perfect time to start your Holiday shopping and what better gift than a handmade one. Get your list ready and come on by for a great shopping experience.

We have a few tables left for anyone who wants to participate as a crafter. You will need to call Marcia White at 727-953-3616 ASAP. The remaining tables will be sold on a first come basis.

If you already have your space we will see you on Friday night from 6-9 PM for set up. There is no set up on Saturday morning. If you have a conflict you will need to let Marcia know prior to set up so that we can try to accommodate your needs.

SEE YOU AT THE FAIR!!!!!!!!!!!!!! Marcia White

ATTENTION CRAFTERS: Below is your last crafters article for this year to help you to be successful at the craft fair. I hope I have given you all some ideas to help you reach your goal. Warmly, Marcia White

### 10 CRAFT SHOW CONVERSION STARTERS

There is something about being behind that table at a craft show that can be a little intimidating, especially if you are a little shy, and that is conversing with complete strangers. If you say the wrong thing shoppers may think you are pushy and be turned off. If you say nothing they think you aren't helpful, or not interested, and they may walk away.

What's a creative business owner to do?

Questions. Questions not necessarily related to what you are selling. Try these conversation starters:

1. Hi, how are you?
2. I love your sweater, hair, jewelry etc. Be sincere, people can tell when you are making things up.
3. Is it handmade? (see ? number 2)
4. Talk to the kids, ask them what grade they are in etc. The adults will often answer or tell you other things about the child leaving you opportunities to talk to the adults as well.
5. Candy canes (or other candies that aren't choking hazards) in a basket or bowl on the table. People will ask if they can have one or you can simply offer them one. The trick here is to use a SMALL dish or bowl and only put out a couple of dozen at a time. It

...continued on page 24

keeps people from taking a handful and filling it back up gives you more opportunities for conversation.

6. What is the best thing you've seen at the show so far?
7. Is the sun shining yet? Or other appropriate weather related questions.
8. Where are you from? Did you drive a long way?
9. Do you buy handmade items often?
10. Did you come to the show looking for something in particular?

And finally, be sure to end with "If you need anything, I'm here to help."

BONUS: If appropriate wear some of your creations or display them in an unexpected way. This will lead to shoppers asking you questions.

Asking generic questions makes you appear interested, friendly and not at all pushy.

### **What are Some Good Items to Sell at a Craft Fair?**

Weather can make a significant difference in sales. If it's going to be hot, it's not the best time to sell winter scarves. And, handmade chocolates or other foods are likely to melt or spoil. But if it's going to be cooler, scarves, hats, booties or even artisan hot chocolate mix could be hot ticket items. Since our fair is Fall/Winter below are some sample items.

Fall/Winter

Scarves

Hats

Booties

Indoor/Outdoor fall decor

Candles and scented decor

Year-Round

Jewelry

Aprons

Baby clothes

Toys

Home decor

If a holiday is approaching, bring along a few seasonal items to draw traffic to your booth. Because most holidays have particular colors associated with them (black and orange for Halloween, or red and green for Christmas), the color combinations will stand out as people walk by, grabbing their attention.

A craft fair isn't the place to drag your biggest items. Craft booths are small and cramped. And, customers usually don't want to buy large items to carry around as they shop. Bring smaller, easy-to-transport items. If you sell larger items, bring a sample or create a photo display. Make it clear that you accept custom orders and arrange pickup or delivery. This can be an effective way to spread the word about bigger items, even if you can't bring them with you.

If you're a fabric crafter, sell handmade shopping bags to help buyers carry their purchases. Most craft fair vendors deal in cash. So make sure most of your items are a reasonable price for cash buyers. If you sell more expensive items, consider purchasing a mobile credit card reader

for your phone or tablet. Place a sign on your booth to indicate you accept credit cards.

When pricing items, James Dillehay, author of *How to Price Crafts* recommends adding the cost of your materials and the cost of your time -- if an item takes 2 hours to make and you pay yourself \$12/hour, the cost for time is \$24 -- for total unit cost. Then, compare similar items to determine how much to price your item over the total unit cost to earn a profit.

## Dart League

*By Joan Dunn*

The 2015-2016 Dart League will begin on Monday, October 19th @6:45 P.M. instead of October 12th as originally planned, due to the closing of the clubhouse. We will be picking teams the first night and it would be very helpful if everyone would be at the clubhouse @ 6:30 P.M.

We hope to have a total of at least eight teams. We always need subs if you do not want to commit to a team. There is a signup sheet in the clubhouse. The season runs from October until April.

There are still pickup games on Mondays @ 6:30 P.M. except September 28th, October 5th and 12th until the season starts. ??? Call Joan @ 523-0867

## New England Dinner

*By Shirley Morrissey*

The New England dinner will be held at the Olive Garden in the Largo Mall on Wednesday October 14th at 4:30.

There will be a sign up sheet in the club house, Please sign up as soon as possible if you going to be going because the club house will be closed at the end of September. Therefore we will not be able to sign up in October so sign up in September. Hope to see you all there.

## Computer Club Classes

*By Harold Noeller*

Please note that the class originally scheduled for October 13, 2015 will not take place as the clubhouse will be closed for renovations but will begin on Tuesday, October 27, 2015 in the clubhouse. They will run the Second and Fourth Tuesday of each month through Tuesday, April 27, 2016 at 7:00 p.m. For those of you that attended this past season, I hope you came away with some useful knowledge! **R**esident and Church Member

Hello to All! The Church in the Park is a Non-Denominational Christian Church where we share our love for the Lord with everyone. We would like to invite you to join us on Sunday at 9:00 AM in the Clubhouse for a very inspirational hour of worship and fellowship. If you are unable to attend the service at the Clubhouse, you are invited to tune in to Brighthouse Cable channel 96 and join us that way. We hope that you will find our service uplifting and enjoyable and want to join us in person when you can.

We are a Bible-based fellowship of friendly believers. We are always happy to see new faces attend our service.

The Church in the Park Outreach program is a fund that provides assistance for those in our community that may need help. If you, or someone you know, have a need please contact a member of the Church Board. All requests are confidential. Thank you to all who contribute to make this program possible. Without you it would not be possible.

If you have a prayer request, have a question about our Church and/or would like a visit from one of our pastors, please contact either Pastor Bob Brookhart at 480-9793, or Pastor Bill Ogburn at 474-2722. We are here for you.

### Please read...

**I**'ve been trying for some time to get resident's birthdays and anniversaries corrected in the Media. There have been quite a few residents who've contacted me. Thanks to all of you. If your information is still incorrect all you have to do is let me know either by phone or email.

Melissa, (in the office) has volunteered to lend a hand to help get this problem resolved. It would be helpful if you would put your name/s, lot number, and birthdays and anniversaries on a note and leave it with Melissa or put it in the same envelope with your lot rent in the payment box in front of the office. She'll collect them and give them to me periodically so I can make the corrections and finally get the lists corrected.

A phone call to me or a note left in the Media box at the foot of my driveway would work even better. My phone number is 530-9049. Then there's email. Send your information to snapshot406@tampabay.rr.com. Your help would be greatly appreciated.

## Entertainment Dance and Dinner Schedule

### Entertainment Update 2015 – 2016 Functions

*By Nancy Sullivan and Cyndi Ponder*

While we're missing our friends from the North, and as the high temperatures of the summer are reaching their zenith, your Entertainment Team have been busy planning the schedule of music for the forthcoming monthly dances which will begin again in October.

We'll kick off with a Halloween Costume Party on Halloween, Saturday October 31st. Costumes are not required but they do add to the fun and there will be prizes for Most original, Best Couple, Scariest and Funniest. Start thinking of what you'll wear, and begin your preparations for a fun start to the season.

In November on Saturday 21st we'll see the return of the wonderful George & Company. With three performers they play a mix of instruments from guitars and keyboard to steel drums, violins, saxophone, flute, you-name-it, they can play it. And for those of you who want to join in, George will lead us once again in a line dance or two. Don't miss these guys!

New Year's Eve (Thursday December 31st) will be a special opportunity not only to come out for a "bop" to the great music of the Do Wop Duo, but also to don your glad rags. In this casual Florida sunshine it's rare we get an opportunity to dress up and what better occasion than the start of a New Year. Formal wear won't be compulsory, but if you want to sparkle and shine, this is your moment. Tickets for New Years Eve will be sold in advance and will include a buffet supper as in previous years.

On Saturday January 16 we'll be dancing to much loved guitarist Rick Powers and Sax-Man-Tommy. A favorite with our Canadian friends, they'll give us a wonderful evening with their wonderful musicianship.

We're late for Valentines this year, but we have a great romantic night planned for Saturday February 27 when Level Three will be entertaining us. This band were discovered at The American Legion and will give us a great night's music. Another themed night, Saturday March 19, we'll be entertained by the Joint Venture Beach Band. This will be our Tropical Beach Party so we'll be encouraging you to decorate your tables and dress in your loudest Florida/Hawaiian shirts and beach party wear. Be as outrageous as you wish! This was a huge success last year so don't miss it.

And our final dance of the season will be the Sail Away party on April 9 when we'll once again enjoy the talents of George & Company and sadly say farewell to our Northern friends before they leave us for Summers elsewhere.

Meanwhile we continue to seek out new music to entertain you in the 2016/17 season. Mark your calendars with these dates and plan to gather your chums to make a party of it. Tickets will be on sale on the door for all but the New Year's Eve event at \$8 per person. Bring your own drinks and snacks.
