# A Little Consideration, Please

By Ron Anderson

Recently, I waited to say “Hi” to one of our PI staff persons on Garbage pick-up day as he was coming around. He stopped several houses away and picked up a garbage bag to toss it in his trailer when the bag opened up and scattered garbage over him and the ground. He stopped to brush himself off and pick up the mess. It seems that the bag was untied. As we commiserated he said that this often happens at that house; he usually stops to see if the bags are tied but on that day he didn’t check. I told him that I thought that was terrible and he replied that there are 30 or 40 out of the over 800 homes in the park that regularly violate the simple, common-sense rules concerning putting out garbage and trash. I said that they should just leave the mess for the homeowner to pick up and he said that that doesn’t work as the homeowners file a complaint at the office and they are sent back out to pick up the mess. At best, they leave a note for the offending home owners that set out the rules.

We were all given, and are bound by, the park Rules and Regulations document that has a section on garbage and trash in Chapter XII. The following is a reproduction of the simpler format note that the maintenance guys leave where needed. C’mon neighbors, this really is a “Golden Rule” situation, let’s have A LITTLE CONSIDERATION, PLEASE.

## *DO's & DON'Ts OF GARBAGE AND TRASH*

### *Garbage must be out by 8 A.M.*

#### *DO*

- 1 Do tie your trash bags.
- 2 Do have them by the curb—not up the driveway.
- 3 Do place garbage in a real garbage can with a tight lid if you must leave it out the night before.
- 4 Do break down all cardboard boxes.

#### *DON'T*

- 1 Do not over fill garbage bags as this makes them too heavy and they will tear. This also includes leaves and dirt.
- 2 Do not use boxes as garbage bags.
- 3 Do not use storage bags as garbage bags.
- 4 Do not put newspapers in garbage bags. Take them to the clubhouse recycle bin.
- 5 Do not put garbage or trash outside the compactor compound at any time.
- 6 Do not use grocery store bags for garbage.

#### *SPECIAL NOTES!*

### NO ELECTRONIC DEVICES, PROPANE TANKS, TIRES, PAINT, OR CHEMICALS.

These must be taken to the Pinellas County Hazardous Collection Site. For information on mobile collection of these items call (727)-464-7500 or visit [www.pinellascounty.org/utilities](http://www.pinellascounty.org/utilities).

Brush must be no longer than 4 feet in length, tied in bundles that are not too heavy to be picked up and tossed into the truck.

No carpet/padding, furniture, or any construction debris will be picked up. Either the contractor or resident must dispose of these items.

### OUR MAINTENANCE DEPARTMENT WILL NOT CLEAN UP AFTER CONTRACTORS.

## The HOA Board

By Cole Akins

---

Hope you all had a good summer and are anticipating a great Fall. The snowbirds will be returning soon and all the activities that were suspended over the summer will start again. This place reminds me of a play my wife and I saw in Chicago years ago about a sleepy little town that came alive once every one hundred years and partied for one day; afterwards returning to sleep for another one hundred years. Sound familiar Folks!!

Thanks to all HOA and CO-OP members for their continual support of Thursday night Bingo and The Canteen, with some very good food prepared by Frank Toner. Keep up the good work Frank!!

It would be nice to see more participation from the Park residents "but it is what it is". Do you think some minds and attitude's will change when we meet in Heaven?

Paradise Island Homeowner's Association monthly meetings will commence in September with a surprise for those in attendance

"Election to the Board" forms will be available should you wish to seek a seat on the HOA Board. The completed Form must be returned at the October meeting to be considered a viable candidate for a Board position. The election will be held at the December's meeting and winners will be seated that night due to a conflict with the CO-OP elections.

Paradise Island Bingo could use more floor callers and also Bingo back up callers. The regular caller, Don Koebel will be out for a while due to an anticipated surgery.

Thanks everyone and remember if you choose not to get involved, you have no right to complain about those that do.

## Craft Club

By Wendy Donaldson and Susan "Jaiy" Geno

Calling all crafters, artists, and creative genius! The Craft Club will be starting back up on Wednesday Sept. 14th. We will be meeting every Wednesday at 1pm. The craft items we make will be sold at the Annual Christmas Craft Fair on 11/5/16. All supplies are provided and the proceeds will go to the clubhouse to help fund future events.

Wendy Donaldson and Susan "Jaiy" Geno will be hosting the craft club this year. We're fairly new residents, are sisters (twins actually!), and have always loved doing creative/artistic projects...re-purposed art, painting, pottery, etc. We're really looking forward to meeting & making new friends through art! Please come and join us for some artistic fun...and bring all your creative ideas with you!

Hope to see you there!

# Craft Fair 10 Commandments

By Marcia White

Craft fairs can be your best friend or your worst enemy. Before you spend all the time and money applying for fairs, buying booths, and making product, read through these guidelines from our contributor Vicki O'Dell. She's pulled together the top things you need to know before heading out to sell at your next craft fair.

1. Read through all information sent to you regarding the show making note of set-up times and procedures. Make sure you understand all requirements and obligations regarding the show. File all related paperwork so that you can refer to it again just before the craft show. Getting in touch with the show coordinators right before the show is hard to do as they are working very hard to set up the show and extremely inconvenient for them. If you do have legitimate questions make sure to make a list of them so that you only call once.
2. Always stay open until the very end of the show. Packing your booth early sends the message to customers that the show is over and shopping is done. It also irritates your fellow craft show vendors. Just because you think you may not make a last minute sale doesn't mean they won't. I can't count the number of sales I've had at the 11th hour because someone saw something in my booth earlier in the day and had to have my doodad before they left the show. As tired as you are and as anxious as you may be to be on your way... wait.
3. Keep a positive attitude at all times. Settle any disagreements, whether with the show organizers, a customer or your spouse, away from the booth. Be positive with your fellow vendors (even if you aren't a big fan of them or what they are selling) and customers. A positive attitude sets the tone in your booth and surrounding areas making shopping much more pleasant. You may not be the only one selling purple doodads but you can be the NICEST person selling purple doodads.
4. Create a booth that is inviting and pleasing to the eye. Keep boxes and packaging out of view and keep your space clean and tidy – including during set up. Make sure all table coverings are laundered before the show if needed. Make sure your tent is clean and in good repair. Visit retail stores while designing your booth set-up or a visit with a friend who is an interior designer for inspiration.
5. Do some of your own marketing for the show in advance. If every vendor reached out to their friends, family, social media circles etc. it would benefit every vendor at the show. If you received flyers be sure to hand them out.
6. Stay focused on what you are doing – selling and tending to customers. Visit with family and friends in the food court, leave your children with a babysitter, eat your meals away from the booth and give your shoppers 100% of your attention. Shoppers don't want to interrupt your conversation or your breakfast to purchase an item.
7. Be professional. Dress nicely and keep advertising, political or off color humor to a minimum on your clothing, buttons, etc. Unless it's that kind of show. Dressing nicely lends and air of quality to the items you sell.

8. Talk to people in a general, friendly manner – no “hard sells” please. Comment on their clothing, jewelry, or the weather. Don’t sit in the back corner of your space and expect customers to hunt for you. Be present. Pay attention to the people around you.
9. Be respectful of your neighboring vendors. Keep smells to a minimum, even if you are selling candles you don’t have to light them all. One will do. If you must play music keep it quiet so that only the people in your booth with hear it. Stay within your defined space, be aware of what neighbors are selling and be willing to “spell” them if they need a bathroom break. This helps everyone's sales and crates goodwill among fellow creatives.
10. Network. Use set up time, the time before the show opens or just after the show closes to network with fellow crafters. You might learn of another show you didn’t know about before, find a better hotel rate, or find out where the best bathrooms are. Hand out business cards or flyers to anyone interested. After the show, send out emails, visit blogs and leave comments and promote artists or crafters that you connected with in your social media circles.

Not all craft shows are rainbows and unicorns. Eventually you will have a show that, for one reason or 10 reasons, just doesn’t go well. It will pay to keep these 10 Commandments in mind no matter what happens. You just never know... If you are doing several local shows people will remember you and recognize you from show to show. Play your cards well, create products your customers love and treat them well and it won’t be long before they will be searching for your business name on the vendor list. You just never know... If you travel to shows you are likely part of a group of vendors who see one another from event to event. Being kind, going out of your way to be helpful and having a positive attitude makes life easier for everyone.

You just never know... where a new client, customer or friend might come from.

Mark your calendars and plan to join us and start your Holiday Shopping with us. We offer so many one of kind items, at reasonable prices, that you can't find anywhere else. Your friends and family will be very happy with the items you choose for them at our fair.

For anyone wanting to join us and sell your items please contact me at 727-474-2660 or [sammyses@msn.com](mailto:sammyses@msn.com) for your application. Tables are \$15 for wall space and only \$10 for internal space. What you sell is what you keep once you pay for your tables. Starting in Sept. we will be advertising in all media's for the entire bay area. We also advertise in the Tampa Bay Times the weekend of the show. I will respond to all inquiries within 48 hours. Please indicate your preference for communication.

Hope to see you at the fair.

## 4 Easy Ways to Expand your Handmade Craft Lines

Article by Rebecca George of *Income from Crafts*

---

It is important to always be growing and evolving your handmade business- this involves creating new items. Not only will this draw in more customers, but it can keep your creativity flowing. Here a few easy tips for expanding your product lines.

### 1. Listen to your Customers

I have gotten so many ideas from my customers. They have suggested different colors, sizes, shapes and themes that have helped me to expand my business. If a product is popular then think about what makes it a best seller-is the subject trendy or in style this year, or is it just very well designed? Go with what feels natural when creating new designs and items.

### 2. Think Outside the Box

The key to innovation in your handmade business is identifying a space in the market for a certain product that may or may not already exist.

### 3. Use Different Materials

Experimenting with other materials keeps things interesting for your crafty business. Think about your product line and how it would be different by adding another piece, or a different material, or color to change the item and still fit your overall marketing strategy.

### 4. Expand on a Theme

Take a theme or subject you already love and use it as a springboard for your new products. If a product is popular then think about what makes it a best-seller. Go with what feels natural when creating new designs and items.

# Paradise Island Community Christmas Party

By Delores Wagner

**H**i, hope everyone is having a terrific summer. I want to thank all of the volunteers who have already signed up to help us with Paradise Island's Annual Community Christmas Party. I look forward to meeting with you in September to get our plans in motion.

We still have plenty of room for people who would like to lend us a helping hand. Please give me a call on my cell (908) 377-3521. I would love to hear from you and any ideas you have in order to make this a fantastic event!

On September 7 at 3:00 pm, I will be holding a meeting at the clubhouse to meet with everyone who would like to volunteer.

If you are talented and would like to submit a door prize we would love to get any items you would like to donate. All submissions are due by December 5 -- unless they are cooked items.

Look forward to hearing from you!

*Christmas is not a time nor a season, but a state of mind. To cherish peace and goodwill, to be plenteous in mercy, is to have the real spirit of Christmas. Calvin Coolidge*

## Bunko

By Shirley Morrissey

**B**unko will continue right thru the summer, anyone interested in coming it is on Tuesday's at six o'clock. To play the cost is one dollar and at the end of the evening the money is given to the person who has the most bunko's, the highest wins, and the most losses. Come and meet some of your neighbors and have some fun.

## New England Group

By Paul Clinton

**W**e hope that all those from New England are either enjoying their time up north or dealing with the heat and rain here in Florida. Harry and Paul will be organizing the New England dinners come this fall and we hope that you will be able to join us. Keep your eyes on the bulletin board this fall or watch the monthly media for details on where we will meet in October. We want to thank Shirley Morrissey and her family and friends for their many, many years of planning for us New Englanders. They will continue to be a part of us but not as organizers any more. Their leadership has been appreciated by all of us who have been involved in any way.

See you all in the fall, Harry Novelle and Paul Clinton

## **Monthly Dances for the new season**

*By Nancy Sullivan*

---

**A**s the cooler weather returns, so do our Northern friends and with them our 'winter activities' recommence. The dance schedule for the coming season is very exciting and we look forward to seeing you at each of the dances ahead.

Dances will start at 8pm (doors open at 7:30). Admission for each is \$8 per person (except New Years). Please bring your own drinks and snacks to make it a festive outing.

Dance Schedule Summary For 2016-2017

1. Saturday October 29 Halloween Dance with DJ Jeff Redd
2. Saturday November 19 The Joint Venture Beach Band
3. Saturday December 31 NEW YEARS EVE with Level Three Band
4. Saturday January 21 TBD
5. Saturday February 18 with George and Company
6. Saturday March 18 Beach Party with The Joint Venture Beach Band
7. Saturday April 8 with Tangent

All dances are \$8 and sold at the door except New Years Eve Dance which are \$20 and will be sold in advance. Dances are from 8PM-11PM

We'll kick off the season with our Halloween Dance on Saturday, October 29th. 'DJ Jeff Red' will be spinning tunes and singing for our entertainment. Costumes are encouraged but not obligatory and prizes will be given in a number of categories - most original, funniest, scariest, etc. Start thinking of your outfit now and plan to have a great time catching up with old friends and new.

Saturday November 19 we'll be treat to The Joint Venture Beach Band- a two piece band who will impress you with their fun and lively style.

Our New Years Eve dance on December 31 will be another sensational celebration to round out 2016 and welcome in 2017. We've scheduled 'Level Three' for the evening and they'll keep us bopping til after midnight. Tickets for this celebration will be sold in the clubhouse in advance on Monday evenings from 1 November at a cost of \$20 per person. This ticket price will include party hats and noise makers and a light supper of sandwiches and festive cookies mid-evening.

There will be no dance in January but we'll be ready to hit the floor again on February 18 with the return of favorite 'George & Co' - a wonderful keyboard player plus two amazing musicians who each sing and play multiple instruments, from violin and guitar to saxophone, clarinet and steel drum. Don't miss these guys!

March 18 is our Tropical Beach Party and you'll be dancing to the 'Joint Venture Beach Band' (you'll recall this four piece band delighted audiences for our 10th Anniversary Party). This is your opportunity to dress in your most outrageous Hawaiian shirts and floral frocks and celebrate everything our Florida sunshine offers.

Finally our Farewell Dance on April 8th will be our last of the season and we'll bid adieu to our snowbird friends who will be heading north once again. 'Tangent' (a pair of lively, fun ladies) will lead us with DJ-ing, singing, line dancing and more to wrap up another great season of gathering friends, music and dance.

So put these dates in your calendar to be sure you won't miss any of these Paradise Island dance parties. See you on the dance floor

## Better Business Bureau Warns Of New Scam Using Instagram

JULY 26, 2016, BY KATHRYN LOFTIN

**H**UNTSVILLE, Ala - The Better Business Bureau is reporting that Instagram has now become the newest target of scammers. They are using this social media platform to phish account login information from Instagram users.

Reports indicate that users are receiving notifications that a friend has added them to the so called "Ugly List" with a link to click on the post. Once they click on the link and enter their Instagram login as prompted, this gives scammers access to their account along with any other associated personal information.

The takeaway here is, if you receive a notification that you have been added to the "Ugly List," don't believe it. Think about how your real friend normally communicates with you via Insta-gram, and if a posting seems unusual, be very cautious. Your friend's profile could have al-ready been stolen.

If the post or picture is sensational, be wary. This could simply be a hook to lure you into click-ing on a malicious link or revealing your login information.

Never click on any links associated with unsolicited posts, notifications, emails, or texts; and turn on the safe search feature on your internet browser or virus/malware application.

And last, be sure that your firewall is active on your computer.

# Paradise Island Church In The Park

By Serena Johnson

**G**reetings!

On July 31st we celebrated the 9th anniversary of our Pastor, Bob Brookhart. We are so blessed as a congregation by his ministry as well as his wife's, Ginny! If you haven't met this wonderful couple, come join us on Sunday for a warm welcome and to hear God's Word.

If you are new to the Park, we would like to welcome you and invite you to join us in the Clubhouse on Sunday mornings at 10AM (during the summer) for a wonderful hour of worship and fellowship. We are a non-denominational church that love the Lord and ALL are welcome! If you are unable to attend in person you can tune to Bright House Channel 96 or if you have a box channel 732 and view our service at that time. We hope that you will find the service enjoyable and join us in person when you can.

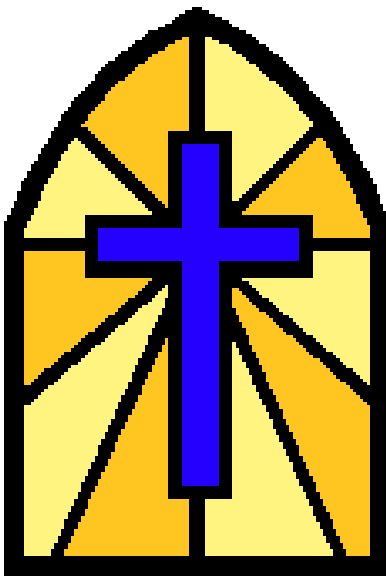

If you or someone you know, have a need, please contact a member of the Church Board (names are on the bulletin board in clubhouse). All requests are confidential. We thank all who contribute to the Outreach Program of the Church which makes this ministry possible.

Bible Study with Pastor Bill Ogburn is on Thursdays at 9:30 AM in the Clubhouse Room # 3 across from the door to the pool. We are studying the Book of Revelation. Come join us, all are welcome, you do not need to be member of Church In The Park to attend.

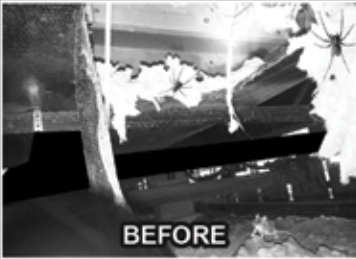

If you have a prayer request; have a question about our church and/or would like a visit, please contact: Pastor Bob Brookhart 480-9793 or Pastor Bill Ogburn 474-2722.

**WE ARE HERE FOR YOU!**

## The cephalopods are coming

---

**D**on't look now, but cephalopods are on the rise. A team of scientists have determined that cephalopods—sea-dwellers including mollusks, squid, cuttlefish, and octopuses—are increasing their numbers below the waves.

As reported on the Sci-News website, scientists at the University of Adelaide created a database of catch rates for 35 species of cephalopods from 1953 to 2013. They found that cephalopod populations have increased across three distinct groups since the 1950s.

The sea creatures are able to adapt to environmental changes quickly due to their short lifespans, rapid growth, and life-history plasticity. Their growing numbers could have both positive and negative effects: increased pressure on the undersea species they hunt for prey, but also benefits for marine predators who in turn hunt them, as well as humans who harvest them from the sea for food.

## Chinese brewed beer in ancient times

---

**C**rafts beers are thriving these days, but beer has been around for a long time, scientists say. Researchers in the United States and China have revealed that the Chinese brewed their own beer some 5,000 years ago, much earlier than previously believed.

As reported on the Voice of America website, archaeologists have uncovered brewing equipment in underground rooms in China's central plain region. Traces of ingredients found on the equipment suggests that the ancient brewmasters used a recipe of broomcorn millet, barley, a grain called Job's tears or Chinese pearl barley, and a form of tuber to brew their beverage. The presence of barley 1,000 years before it was believed to have been grown in China suggests that it might have been brought in from other regions, making beer an ingredient in early trade.

Researchers describe the possible taste of the beer as “a bit sour and a bit sweet.”
