From the H.O.A. President

Hi Everyone,
On Monday, January 10, 2015 the following people were elected to the H.O.A. Board of Directors: Jane Suglia, Sharon Dykman, Vicki Miller, Lynn Conlen and myself, Bill Hill. As your new President I look forward to working with these hard working dedicated ladies. I am sure that we will have a good year working together on your behalf.

If you have any concerns or suggestions, please don't hesitate to contact any one of us.

A recent concern was just brought to my attention. Two different drivers have been spotted speeding on Windsor Street late at night. A lot of our residents tend to walk at night and this type of driving is inconsiderate and extremely dangerous. If we find out who these drivers are, they will be reported to the police. Hopefully this won't be necessary.

Bill Hill

Please attend the H.O.A. meeting on February 9 at 7:00 PM for more up to date information. See you then!

HOA Membership cards are \$20.00 and are available! Let's go for 100 % Membership in 2015!

The Welcoming Lady

As the new Welcoming Lady for Park Royale, I look forward to meeting new residents and introducing them to the Park programs.

Since I am only in the Park 6 months of the year, I would like to find someone who would share this responsibility. If you are interested, please contact me.

Ruth Sloan

From the Media Editor:

Hi,
As you can see the Media is growing and there is now an opportunity for color photos. Be sure to get permission from the individuals in the photos before submitting them to the Media.

And if you would like to share a story, a poem, a hobby, etc. with the Park, please let me know. I would be glad to work with you. Articles must be submitted to me by the 10th of the month for the following months publication. And any activities must be approved by Carol Heald before being included in the Media!

The activities of winter are in place. Bocce and Shuffle are going strong but they still would welcome new players.

Be sure to check the front bulletin board regularly for additions or correction to activities each month as some changes are unavoidable.

share the same birthday month; it's always good to make new friends...remember that little ditty? "Make new friends, but keep the old, one is silver and the other gold."

Here we are staring into the face of a brand new year. Let's make it a new year full of fun, friendships, and good times. Let us always look out for our neighbors. We may not be able to solve all the world's problems, but we can certainly take care of each other right here in our own small corner of this marvelous creation of planet earth we call Park Royale! Life is too short to make mountains out of mole hills, let's be kinder and gentler with each other, it's a place to start! We are one family here in this park, get to know your neighbors, smile, be friendly, say hello (it really won't kill you and your face won't crack and fall off)!

ORIGINS OF VALENTINE'S DAY: A PAGAN FESTIVAL IN FEBRUARY

The history of Valentine's Day—and the story of its patron saint—is shrouded in mystery. We do know that February has long been celebrated as a month of romance, and that St. Valentine's Day, as we know it today, contains vestiges of both Christian and ancient Roman tradition. While some believe that Valentine's Day is celebrated in the middle of February to commemorate the anniversary of Valentine's death or burial—which probably occurred around A.D. 270—others claim that the Christian church may have decided to place St. Valentine's feast day in the middle of February in an effort to "Christianize" the pagan celebration of Lupercalia. Celebrated at the ides of February, or February 15, Lupercalia was a fertility festival dedicated to Faunus, the Roman god of agriculture, as well as to the Roman founders Romulus and Remus. To begin the festival, members of the Luperci, an order of Roman priests, would gather at a sacred cave where the infants Romulus and Remus, the founders of Rome, were believed to have been cared for by a she-wolf or lupa. The priests would sacrifice a goat, for fertility, and a dog, for purification. They would then strip the goat's hide into strips, dip them into the sacrificial blood and take to the streets, gently slapping both women and crop fields with the goat hide. Far from being fearful, Roman women welcomed the touch of the hides because it was believed to make them more fertile in the coming year. Later in the day, according to legend, all the young women in the city would place their names in a big urn. The city's bachelors would each choose a name and become paired for the year with his chosen woman. These matches often ended in marriage.

I believe it's safe to say that we won't have any animal hides or slapping at our dinner dance, so feel safe to come out and have a good time...of course I can't say that if you come single you may not end up married by the end of the year either!

Meet Your Neighbor: Mr. Harold James Jackson, known as "Jim"

I met Jim at the Park Royale craft show this past fall. He had a unique display of hand-made writing pens of which I purchased several for Christmas gifts. These pens are one of a kind and are very attractive.

When I met Jim again, he was kind enough to share his life story along with his many talents. Jim grew up in Apollo, Pa. and attended a one room school house that served all 8 grades. The school was named the "Jackson" school after the late Colonel Jackson who served as a Civil War General. Another claim to fame for the Colonel was that he was the grandfather of the late actor Jimmy Stewart. The school house later became a 4 room school with two grades together. The older boys there tended to the furnace to keep the other children warm. This school is still standing but now remains vacant. The Jackson name was pretty common in the Apollo area. It was the name of streets, stores and many families.

Jim was raised on a large farm and then after age 16 began his career as a carpenter. Shortly after establishing a career with Allegany Ludlum in Breakerridge, Pa., he married his Jackson School sweetheart, Maxine, in 1941. They were the proud parents of 4 boys.

She was his best friend and co-motorcycle rider for 72 years until she passed away. Jim and Maxine traveled all of the lower 48 states and 8 Canadian provinces. Every year they participated in the Wing-Ding International gathering of motorcycles and were members of Chapter FL1-M. This is the club that rides through our park at Christmas time.

When Jim retired in 1980 he began to pursue many hobbies. He and his wife became snowbirds in Pine Island for 15 years. Using his strong carpenter skills he made clocks and furniture. He also set out to build a 23 foot cabin cruiser with help from his 4 sons. When the boat was ready for launching, Jim heard that the gas prices were soon going to exceed \$1.00 a gallon, so he never put the boat into the water.

Jim moved to Park Royale in 2013. Within a short time he rebuilt the kitchen with his son and started to make pens and went wild. His favorite pen is the Bolt Action Pen which is a lot of tedious work. He has used a variety of woods and even coffee beans for custom pen orders.

Jim was also a ham radio operator for many years and has been a Shriner since 1950. After serving in the military during WWII, he took advantage of the GI Bill and went back to school to get his Pilot's license. He bought a plane and enjoyed taking his family and friends for rides. When Jim and I were finishing up our conversation, he shared his own personal philosophy which he has lived throughout his life which is 95 years by the way. It is as follows:

Never hesitate on anything, don't be afraid to try anything.

Benefit from other people's mistakes, but learn from your own!

Be sure to say hi to Jim when you see him in the park.

Recipes of the month

Peanut Butter Ice Cream Pie Error, Submitted by Lillian Papelian

*There was an omission with this pie recipe last month. The ingredient “ice cream” was omitted. Being an ice cream pie, it should have been the first item on the list of ingredients! My apologies to Lil. And when talking to Lil about this, she suggested that the ice cream be soft and then mixed with the peanut butter prior to mixing the other ingredients together.

Peanut Butter Icecream Pie

- 1 baked pie crust (either graham cracker or Oreo) 9 inches.
- 1 Quart of softened vanilla ice cream
- 4 ounces softened cream cheese
- 1 cup confectionery sugar
- ½ cup crunchy peanut butter
- 8 ounces whipped topping
- ½ cup chopped peanuts
- Optional: Chocolate shavings for topping
- Put in freezer until set and ready to serve!

A Special Poem for Older Folks

Submitted by Linda Fogle

A row of bottles on my shelf
Caused me to analyze myself.
One yellow pill I have to pop
Goes to my heart so it won't stop.
A little white one that I take
Goes to my hands so they won't shake.
The blue ones that I use a lot
Tell me I'm happy when I am not.
The purple pill goes to my brain
And tells me that I have no pain.
The capsules tell me not to wheeze
Or cough or choke or even sneeze . . .
The red ones, smallest of them all
Go to my blood so I won't fall.
The orange ones, very big and bright
Prevent my leg cramps in the night.
Such an array of brilliant pills
Helping to cure all kinds of ills.
But what I'd really like to know
Is what tells each one where to go?

2015 is off to a great start! The Appreciation Dinner was a fun evening, and it turns out our members are fantastic cooks because we got to sample lots of delicious dishes. We were also happy to recognize all the volunteers who helped so much throughout the year. The events every month are a lot of fun, but we are always looking for extra volunteers. If you would like to help, just let us know.

Mah-Jongg – the Social Butterfly of the Game World
 Mah – Jongg is a tile game that is played by close to five million in countries all over the world (including Asia, Europe, South America, South Africa, Canada and the United States). In theory the game was played as early as 2350 BC. Because of its charm and aesthetic appeal, Mah – Jongg has become a basic form of entertainment among the retired community. It challenges your brain and generates your thinking powers. Want to learn how to play this great game?

As of now we have eight players here at Park Royale. I'd like to increase the size of this group. If you're interested, contact me at 546-4727.
