General Community Manager

Hello Everyone,
A few reminders for everyone to take note on, please?
The SPEED LIMIT IS 15 MPH. Please inform your guests and keep it in mind as you drive through the park. Many people are walking on a regular basis along these roads, please be careful as safety is always First.

When you have guests and they wish to enjoy the pool, a resident must be with them at all times. Please be sure to close umbrellas when not in use.

Recycling is working out well at Park Royale. The only big problem is that plastic bags are being found in the Bin. PLEASE DO NOT PUT PLASTIC BAGS in the recycling bin. I suggest when you are at the grocery store, ask for a PAPER bag instead of plastic. Then you can put your recyclable items in the paper bag and just toss it into the bin. Two birds with one stone.

Keep in mind with rainy season upon us that the weeds love to grow around your homes. Please keep an eye on them so they do not hinder the beauty of our park. If you need a referral for someone to clean up the weeds, please call me at the office. I would be happy to set someone up for you.

If you are considering on selling you home, please feel free to give me a call, so we may discuss how much money I may save for you and how fast I can sell your home. Sales in Park Royale have been hot. I have sold homes within weeks or less at the listing price. We have people driving around the park, and walking in the door regularly to find a great home for their needs. Sun Communities markets on over 6 websites, our office is open full time and by appointment on weekends. You will also have the tools, service, professionalism, integrity and loyalty that no other outside sales person can beat. I have been informed by many owners that used an outside sales person this past year, how unhappy they were with their service.. Park Royale sells the home!. The team here at Park Royale works hard to make sure this stays the best park in the area.

Have a Happy and Safe 4th of July!

Terry Bulava-Community Manager

Kris Mohn-Office Coordinator

Mike Milleman-Maintenance Technician

Our emergency number is 877-786-6048, if necessary. A service is hired by Sun Communities, and when they receive a call, they call me directly first, then Mike Milleman, maintenance second.

I thank you all for being here at Park Royale, and for all of your support. We appreciate you.

From the H.O. A. Director – Bill Hill

Bill Hill

Come to the HOA meeting this fall to see what we are all about; you don't have to be a member to attend. We look forward to seeing you there. The cost to join is just \$20.00 per household per year. We, the directors of the HOA and members, support you, why don't you support us! HOA Membership cards are available at each HOA meeting! Let's go for 100 % Membership in 2016/17!

The Welcoming Lady

Linda Holm and Debbie Arntz will be sharing this responsibility this summer. If you have not been contacted, please let either one of us know.

From the Media Editor:

Hi,
If you see me walking in the morning and ask me how I am, the answer will surely be "fine". And that is because I really am fine, thanks to the many people who encourage me every day when I walk by their homes, smile when we see each other at the pool or when we exercise together the community room. All of these physical activities allow me to enjoy Park Royale at present and, hopefully, for many years ahead. I have had a debilitating for almost 10 years and there is no cure. Many studies have proven that exercise or physical activity will delay the disease so I have taken this message seriously. Exercise and physical activity are important to the physical and mental health of older persons. Health experts are certain that some activity every day can help to maintain ones wellness. Physical activity can also benefit other diseases such as arthritis, heart disease and diabetes. So join us this month and get active! Start slow, and enjoy the benefits for both the body and the mind.

Each Wednesday and Friday at 9:30 AM the Park offers a Stretch and Balance program. Come along and watch, try it out or join in, we will be amazed at the results. This summer the Media will focus on health issues in a mobile home park. If you have some suggestions, please submit your comments for future newsletters.

All Media materials and monthly public relations reports must be submitted by the 10th of the month! Any questions???? Again, many thanks to those who submit articles, jokes or stories to the Media. Special thanks to Lil Papelian who has provided the Media with a wealth of information each month.

Note: Sign-up sheets will now be posted in the brand new cases in the hallway of the clubhouse. Be sure to sign up for your favorite activities. We don't want you to miss out on any of our fun events!

Be sure to check the outside bulletin board regularly for additions or corrections to any of the activities as some changes are unavoidable.

Our Library at Park Royale

Oh, the library has been organized again thanks to the addition of a new bookcase from Sun Communities and to Marcia Fellows who helped to put the books in alphabetical order. Many books are tagged by the first letter of the author's name at the bottom of the binding. When finishing a book, please try to put it back on the shelf where it was removed. This will keep books readily available for the next readers and will reduce the time needed to straighten up the library.

And if you haven't been in the library/pool room lately, take a peek as we have a great collection of new and not so new books!

Neighborhood Watch

There will be a planning meeting for our Neighborhood Watch

July 14 at 7:30 PM

Special guest: Officer Dan Sosa-Jones

Location: Club House

In Retrospect

By Lil Papelian

Being an avid reader, I come upon many meaningful quotes and I usually jot them down. The Memorial Day Picnic was, by far, one of the best get together we have had in a long time. Marcel Trafficante gave a heartfelt explanation of what that particular day meant to him and ended his invocation with a tribute to Vicki Miller' veteran father and veterans everywhere.

This brought to mind one of my many quotes.

"The more anger towards the past you carry in your heart, the less capable you are in loving in the present."

We all have something to be angry about but why waste our energy. The only person feeling this anger is ourselves. At this time in our lives we should all wake up and feel the flowers, listen to the birds and sway with the breeze. We are a community of people who have migrated here to Florida to enjoy the life we have ahead of us. Our neighbors are our extended families. We are mothers to those who have none; fathers to others and brothers and sisters to all.

I am here because I ran away from my anger and sorrow. It truly was the best move I made in a long time.

Secretary:
Treasurer: Lynn Conlen, 727-492-9027, lconlen@tampabay.rr.com
Public Relations:

Please contact Vicki Miller, 727-483-4528, or Lynn Conlen, 727-492-9027, with any questions about any of our events or to volunteer.

Hello everyone,

I'm back! Also, I want to say how much we at Park Royale are going to miss our Marci Stone. She is moving to be closer to her new grandbaby. Can you imagine? Just kidding, Marci. We all wish you well and we send a few hugs and kisses to the baby, too.

Here at Park Royale we have started the quiet summer time or as we full timers refer to it as time to watch the sky and see when we can get into the pool. Sometimes this proves to be a little dicey. Don't let anyone tell you rain is as warm as the pool. Nooooo! Rain feels like ice compared to our beautiful pool water. And while on the subject of the pool, let's all give Mike a big hand for the wonderful job he does keeping our pool sparkling clear and clean. Thanks Mike!!!!

Continuing with the pool, remember pool safety and the rules of use. For obvious reasons no underage children should be in the pool unattended. There is no diving even if you think you are Tarzan. Please be respectful of others in the pool and pool area. If you see inappropriate use of our pool, please report it to management.

The Royalites will be having the 4th of July Picnic this Year. Our co-sponsors will be the Purple Paws Club. We will be having hotdogs, hamburgers, sides, and lots of fun. As usual tickets are available with Vicki Miller or Lynn Conlen.

We have recently initiated a new group - The Neighborhood Watch.

This is affiliated with the Pinellas Park Police Department. Our representative is Officer Dan Sosa-Jones. Our next meeting will be July 14th at 7 PM in the clubhouse. Anyone who is interested is welcome to come.

The topic will be home safety. This meeting is open to the community. We want everyone to gain knowledge from Officer Dan's experience. We hope to see you there.

Remember to check the boards and watch the outdoor sign for dates and times of all the events happening here in our park. Say "hello" to any new neighbors and please invite them to join in...this is our park, let's make it great!

Our Women's Lunch Out events (September through June) are open to all women in the park and are a great way to meet new people and make new friends so all are encouraged to attend. If you have any questions about this event please contact Lil Papelian (727-546-4727). The ladies always have a grand time! Look for sign-up sheets in the fall.

Please remember that the Royalites will be in need of someone to take over the position as the Media correspondent. It is an enjoyable job and allows for much creative license! Please call Vicki or Lynn if you are interested in taking over this fun and rewarding activity!

Until next month...make it a good one and make it count!

SIX TINY STORIES "WITH "GREAT MEANINGS"

1. Once all villagers decided to pray for rain, on the day of prayer all the people gathered, but only one boy came with an umbrella.**
That's FAITH!
2. When you throw a baby in the air, she laughs because she knows you will catch her.
That's TRUST!
3. Every night we go to bed, without any assurance of being alive the next morning but still we set the alarms to wake up.
That's HOPE!
4. We plan big things for tomorrow in spite of zero knowledge of the future.
That's CONFIDENCE!
5. We see the world suffering, but still we get married and have children.
That's LOVE!
6. On an old man's shirt was written a sentence 'I am not 90 years old.....I am sweet 16 with 74 years' experience' That's ATTITUDE!

Okay, Why Exercise?????

You have already heard that physical activity is good for you. If you are doing some form of physical activity or exercise, keep it up! Or maybe you are fully retired, and find it easy to sit in that recliner day after day, feeling that you have certainly earned this sedentary existence. But what is it doing for you?

For one every day we hear about dementia, the rapid spread of this disease, ways to curb it's destruction of the brain cells or how it robs us of our independence. It is estimated the every 15 seconds someone is diagnosed with a form of dementia!

So why not try to get from recliner living to life? It starts with a little stretching (even in the chair if necessary). Simply push arms out front of you, repeat 5 times! Then take each hand and touch your shoulders, repeat 5 times on each side. Do these exercises for 5 days, then take a day off and start again. To be continued!

Park Royale Art and Craft Sale

The annual Art and Craft Sale will be held in November. These shows have been such a success that the tables go quickly. Please give Carol Molter a call (727-545-5430) to make your reservation. Tables are only \$15.00. Breakfast and lunch will be available.

And if you like to bake, here is an opportunity to make your favorite cookies and share them with the Park Royale residents. Cookies, cupcakes, snacks and more will be sold throughout the day. Package your treats with prices and help make this sale the best ever.

Pancake Breakfasts will be back!!

We look forward to the Shuffle Club Pancake Breakfasts in the fall!
Come and enjoy a good healthy breakfast with friends and neighbors. This favorite fundraiser is sponsored by the Shuffle Club and will be offered at least twice this year. Be sure to bring your dish (es), cup and silverware.

Clarification: Why do some Park Royale events request that residents bring their own dishes and silverware. First, it is our attempt to be more conservative on waste and water and secondly, it is a means to preserve the workers who spend so much time in the kitchen. We appreciate all that volunteers do to make our many events successful.

Murphy's Lesser Known Laws

*The 50-50-90 rule: Anytime you have a 50-50 chance of getting something right, there's a 90% probability you'll get it wrong.

Small and/or large Dogs

A position paper by Wiley Kulia

There is a growing controversy concerning small and large dogs and whether they should be allowed to mingle. Although comingling is practiced in many homes across the Nation, unequally sized dogs generally do not share a common space in public areas, e.g., “Doggie Parks”.

Supporting the rationale to separate them is that most municipal dog parks have developed separate areas for canines that generally exist side by side; one for smaller dogs and another for larger dogs. Why do so? It’s for the safety of the smaller animal. For example, the likelihood of serious injury to a Chihuahua resulting from a squabble with a German Shepherd is far more likely than a Chihuahua’s fight with Yorkshire.

Some will argue that it’s not the dog’s behavior that should be questioned, but that of the small dog’s owner, i.e., it is the lack of the owner’s ability to predict and detect their dogs errant behavior and take safety measures by pulling it away from danger.

By extension, there are also those who believe that the proper use of a leash may ameliorate the hazardous condition of a shared environment. This may be true, but a dog park is intended to allow a dog to run free and unhampered by restraints. The dog park permits animals to exercise, to expand their lungs, stretch their muscles, and meet other dogs of similar dimension.

Moreover, some see the dog park as a place for social gatherings; not for the dogs’ owners. They walk their pets through the gate, unleash them, and join their human friends on the benches. Meanwhile, the dogs run freely and unattended.

Dogs are territorial! It is believed that dogs are more respectful of humans than tolerant of other dogs. Mix this ingredient with a small dog’s tendency to “yap” (to bark in quick sharp bursts), and it creates a “perfect storm” for a dog attack. Due to the severity to the attack and fragility of the smaller dog, it can often lead to the intervention of a veterinarian, and even the death of the pint-sized pup.

Some breeds of dogs are notoriously vicious, and although the list provided here is not exhaustive, the following are cited as among the ten most dangerous dogs and those that cause relatively more harm to their victims: Pitfalls, Rottweilers, Huskies, German Shepherds and Chows.

Whatever our philosophy regarding the mingling of small and large dogs, essentially our goal should focus on the care and safety of our animals. Putting our dogs in harm’s way is not in the best interest of our animal population, and demonstrates that the owner is shirking the responsibility he assumed when acquiring the pup.

Making room

A farmer lived in a small house with his wife and six children. The lack of space was driving him crazy, and in desperation he sought advice from the local rabbi.

The rabbi listened sympathetically to his problem. "I can help you," he said, "but you must do exactly as I say." The farmer agreed.

"Do you own any animals?"

"Yes," the man said. "I have a cow, two goats, and some chickens."

"Good. When you get home, bring all your animals into the house with you."

The farmer was puzzled, but he did as the rabbi advised. The next day he returned, complaining, "Rabbi, the animals are all over my house! What should I do?"

"Go home and take the chickens outside," the rabbi said.

The man went home and took the chickens away. The following day he went back to the rabbi's house. "The chickens are outside, but we still have two goats and a cow getting in the way."

"Take the goats back outside," the rabbi instructed.

The day after that, the man returned again. "The goats are out in the yard, but the cow is everywhere."

The rabbi nodded. "Now take your cow back to your field."

The farmer came back smiling the next day. "It's amazing! The house is quiet and we have room to spare! Thank you, rabbi!"
