# A Message from Joanne Davis

## Happy Spring & St. Patty's Day

1. Birthstone of March is Aquamarine. Aquamarine evokes the purity of crystalline waters, and the exhilaration and relaxation of the sea. It is calming, soothing, and cleansing, and inspires truth, trust and letting go. In ancient lore, Aquamarine was believed to be the treasure of mermaids, and was used by sailors as a talisman of good luck, fearlessness and protection. It was also considered a stone of eternal youth and happiness. Today it protects all who travel by, over, or near water, and opens the channels of clear and heartfelt communication
2. The zodiac signs for March are Aries (March 21 - April 19) and Pisces (February 19 - March 20).
3. The March flower is a daffodil - Daffodils have the flower meaning of rebirth, respect, regard and unrequited love. The daffodil is one of the first flowers of spring, therefore it is a symbol of rebirth. The March birth flower, daffodil, is the common English name for all narcissus plants.

### What does Spring Mean?

The spring season often brings warmer temperatures and new growth, and is celebrated by people around the world with festivals and fairs. Spring is the period of time between the vernal equinox, which falls around March 21 each year, and the summer solstice, which takes place every year on June 21. As the spring season progresses, days and nights become milder, flowers and plants bloom, and days become longer

St Patrick's Day is a global celebration of Irish culture on or around March 17. It particularly remembers St Patrick, one of Ireland's patron saints, who ministered Christianity in Ireland during the fifth century.

### What Do People Do?

St Patrick's Day is celebrated in many parts of the world, especially by Irish communities and organizations. Many people wear an item of green clothing on the day. Parties featuring Irish food and drinks that are dyed in green food color are part of this celebration. It is a time when children can indulge in sweets and adults can enjoy a "pint" of beer at a local pub. Many restaurants and pubs offer Irish food or drink, which include:

Irish brown bread.

Corned beef and cabbage.

Beef and Guinness pie.

Irish cream chocolate mousse cake.

Irish coffee.

Irish potato champ, also known as poundies, cally or pandy.

Irish stew.

Irish potato soup.

**TRASH COMPACTOR** – PLEASE Do Not leave anything by the compactor for someone to take. Throw it away or give it to the Salvation Army or Goodwill. ☺

**Street Parking** – For the most part everyone is doing pretty good with not parking longer than 2-4 hours. However, I have noticed on weekends people tend to park in the streets more.

**Friendly Pet Reminder** – Please remember when walking to only let your dog in a yard who has paw stickers.

## **Amazing Facts** (Reader's Digest)

### **True Fact:**

McDonald's once created bubble-gum flavored broccoli. Surprisingly this did not go well with the children.

The U.S. Government saved every public tweet from 2006 to 2007. But starting in 2018, the Library of Congress decided to keep tweets only on certain subjects, such as those about elections, dealing with public policy and overall national interest

### **False Fact:**

The hottest part of the chili pepper is the seeds. Capsaicin, a chemical compound that binds to the pain receptors on our nerves to produce that fiery heat, is most concentrated in the inner white rib of the chili pepper.

Citronella candles are the best way to keep mosquitoes out of your yard. The smoke from citronella candles is as effective as that from regular candles – neither helps much. If you want all-natural mosquito repellent, try planting some catnip.

\*\*You are invited to share ideas, suggestions, or observations with others in the Park. We would love to hear from you! Please submit your articles to [janetburns644@gmail.com](mailto:janetburns644@gmail.com) or drop it off @ 267 Oxford.

service by night, the city skyline shines as a backdrop to a wonderful romantic dining experience.

The Dalí Museum cares for and shares an expertly curated collection of Salvador Dalí works to delight and educate our visitors and provide unique inspiration.

*The following are specials exhibits at the Dalí this month.*

### **Magritte & Dalí**

Magritte & Dalí is a first-of-its-kind special exhibition dedicated to the world's two most celebrated surrealists, René Magritte and Salvador Dalí.

Showcasing carefully curated, exemplary pieces from Magritte's and Dalí's works, the exhibit pushes back the curtain to reveal what lies beyond the simple appearance of painted images. These two preeminent surrealists opened minds to an alternative view of the world, constantly challenging reality. In addition to viewing the 30+ works on display in the special exhibit, visitors are invited to contemplate (and photograph) an interactive "cloud room" and to capture images of themselves intermingled with surrealist icons & symbols.

Magritte & Dalí takes viewers on a journey from the late 1920s to the early 1940s, the period when the two artists' careers overlapped. Although both had very different approaches to their respective paintings, they were equally committed to implementing practices that challenged reality and generated fuller freedom of imagination and experience.

### **Travel Inside and Beyond the Art in our Dreams of Dalí Virtual Reality Experience**

Enjoy the remarkable marriage of art and technology in Dreams of Dalí, a virtual reality experience, as you explore Dalí's painting Archaeological Reminiscence of Millet's "Angelus." Immerse yourself in the world of the Surrealist master like never before in this encounter, venturing into the towers, peering from them to distant lands and discovering surprises around every corner. We imagine Dalí himself, known in his lifetime as what we now call an "earlier adopter" of new technology, would applaud this inspiring homage to his 1935 painting.

This award-winning VR experience has garnered visitor acclaim, online praise and international recognition.

### **Watercolors & Drawings from the Vault**

From August 2018 to March 2019, we are augmenting our display of works from the permanent collection with twenty-five drawing and watercolors to complement the current retrospective of oils. These works range from 1917 to 1968, highlighting Dalí's superior ability to draw in a variety of techniques to illuminate his complex dream imagery.

### **March 23 - Fly Away Picnic & Games**

Come and join in the fun and say good-bye to those who are heading to their northern homes on Saturday, March 23. There will be a games and lunch sign-up sheet in the clubhouse. Games start at 9:30 and you can sign up for any or all of these activities; shuffle board, bocce, pickle ball, putting challenge, corn hole, and ladder golf. Prizes will be awarded for each activity! Lunch is served at 12:00 with your choice of a hamburger or a hot dog, chips, a drink, and an ice cream treat all for the incredible price of \$3.00! Tickets can be purchased from Cathy Maringer; 66105 Windsor, Sue Seibert; 66144 Tudor, Janet Hazen; 66201 Stratford, or Rosie Tregaskis; 66084 Thames. Last day to buy tickets is Wednesday, March 20.

Card Bingo will be played after lunch.

## Helping Our Environment

---

**“Bring your own tableware”** for all gatherings. This small change will have a large impact on our environment! Not only that, it will also help shorten the clean-up time, so all may enjoy our after dinner/lunch socializing.

For everyone's convenience, our monthly Royalites meeting will be held right after Joann's coffee and donuts meeting which is the second Thursday of the month. The Royalites board member are:

## ODE TO VOLUNTEERS

There's a special group of people that we call volunteers who give their effort without pay while in their later years

A volunteer's a treasure that helps the wheels turn then staff can give their very best to all who are concerned.

Their reward is not in money but a great, enormous pride for they make the mountain low and change the flowing tide.

The memories we leave behind are warmer, sweeter still when we give back a part of us to those who need our skill.

The years can never take their toll if you choose to volunteer for giving makes the heart stay young and keeps the soul in gear.

So, here's a toast to volunteers – *may sunlight fill your years for no one ever stands so tall as those who volunteer.*

# Block General

Author: Linda Fogle

**T**he Block General is responsible for organizing the Media distribution. The Block Captains duty is to deliver the Monthly Media to each resident on their street. Park mail boxes should be placed at the end of your carport by your USPS mailbox. Park Mail cannot be put in the postal service box.

The Office is now notifying residents of any water turn off issues or other updates. Be sure that the Office has your current email address and phone numbers. We also suggest that you keep a jug of water under each sink for emergencies.

Gloria Evans takes care of the park mail boxes. If you are new to the Park, you can ask her for one of your own. Her phone number is 215-378-1627. Carlotta Link oversees the Park Royale directory. Please contact her if you need to make changes in the Directory. Her number is 727-346-3455. The Directory comes out once a year and is free to HOA members and \$10 for non-members.
