"Have you experienced the Sunset Appliance Difference? It's all about our Service!"

General Community Manager

As you probably know by now, Terry is no longer with Sun Communities. A staff person from Sun Communities will be in the Park Royale office until a replacement is hired. We wish Terry well!

A message below from Jenny Shawver

Regional Vice President of Sun Communities

Sun Communities wants to thank Terry Bulava for her 4 ½ years of service to the residents of Park Royale. Terry decided to take some time off. She doesn't have future plans but wanted to take a break and go into a new direction.

Terry got to say goodbye to quite a few people but didn't want a big sendoff. She will be hard to replace, but Sun is looking to fill the position quickly. In the meantime, Kris will be in the office and Mike will be around the community. They will have the support of another manager in the area and will be able to keep Park Royale running like normal. It is nice to see the Northerners coming back and we look forward to introducing a new manager as soon as possible.

The emergency number is still 877-786-6048. A service is hired by Sun Communities, and when they receive a call, they will call the person in charge first, then Mike Milleman, maintenance second.

From the H.O. A. Director – Bill Hill

Bill Hill

We look forward to seeing you at the first HOA meeting on November 14 at 7:00 PM to learn what the Home Owners Association is all about. You don't have to be a member to attend but we hope that you will join. The cost to join is just \$20.00 per household per year.

Membership cards are available at each HOA meeting! Let's go for 100 % Membership in 2016/17!

The Welcoming Lady

Linda Holm and Debbie Rants have shared this responsibility this summer. If you have not been contacted, please let either one of us know. We want you to know of the many activities and events available in the Club. This is also the time when you can submit your birthday to be listed in the monthly Media and then forward your address and phone number for the Park Royale directory.

From the Media Editor:

Hi, The Media is the best way to keep you informed of the events throughout the year! I look forward to the fall when the action begins with all of the activities up and running at Park Royale. The Media is full of events each week. But if we have neglected to offer something that you really enjoy, let us know. This is the time to start new activities.

All Media materials and monthly public relations reports must be submitted by the 10th of the month! And we are looking for pictures!!! Again, I appreciate the many residents who have submitted articles, jokes or stories to the Media each month.

Note: Sign-up sheets will now be posted in the brand new cases in the hallway of the clubhouse. Be sure to sign up for your favorite activities. We don't want you to miss out on any of our fun events!

Be sure to check the outside bulletin board regularly for additions or corrections to any of the activities as some changes are unavoidable.

Editor: Debbie Rants 66080 Thames Rd.
216-835-7303 debpge45@msn.com

The highlights of the December Park Royale activities include:

- An exciting and colorful Motorcycle parade that brightens up our Park in the evening of December 3rd at 6:30 PM.
- The car port sale where you will find great treasures – December 3rd from 8:00 AM till 2:00 PM.
- A truly delicious dinner on December 17 in celebration of the holidays.
- And finally, a New Year's Eve Party with dancing music and food!

Our Library at Park Royale

Oh, the library is being organized again. I would like to thank those individuals who continually straighten up the library. When returning a book, it would be helpful if you could put books back into the bookcase by name of author.

Thanksgiving Dinner At Park Royale

First, an important notice from our Royalties Board

Volunteer and have more fun!

The Royalites Board is desperately seeking one or two couples (or singles) to take on the job of organizing our Thanksgiving Dinner.

This sounds like a big job but it really isn't.

It entails posting the sheets for reservations, buying the turkeys, stuffing, and pies and delivering them to the hosts (see below).

The Royalites Board will be more than willing to guide you through this task.

Now's the time to come to the aid of your community.

How about it!

If interested, contact Vicki (727-483-4528), Lynn (727-492-9027) or Lil (404-849-3243).

This is a very special event that demonstrates the benefits of community living when families cannot be with us over the Holidays. We hope that you can join us in the community room of Park Royale on Thanksgiving Day, Thursday, November 24 at 5:00 PM. The cost is free!

This is how it works:

1. Residents volunteer to host a table. The hostess's names (between 10 and 12) are posted on the bulletin board. Each hostess will have a table that can accommodate 12 individuals. Residents sign up for a table so they can enjoy the meal with neighbors or friends until the table is filled.
2. The hostess is responsible for cooking the turkey which is donated by Sun Communities along with stuffing and pies.
3. The hostess and/or host stuffs and cooks the turkey and tells each of the guests at the table what they should bring to make the meal complete.

We usually end up with 8 to 10 tables of twelve. This is a great way to spend your Thanksgiving Holiday, surrounded by friends, old and new, good food and fellowship.

If you have any questions, please feel free to contact me.

Park Royale Art and Craft and Bake Sale

Save the Date – November 19th!

The annual Art and Craft Sale will be held in November 19th from 8:00 AM till 2:00 PM. Many vendors have reserved the 8 foot tables to display their homemade, beautiful crafts. There will be a bake sale as well. Volunteers are appreciated. If you like to bake, this is an opportunity for you! Cookies, cupcakes and more will be sold throughout the day. Package your treats with prices and help to make this the best sale ever!

The Park Royale Sale has always had some of the most beautiful crafts and homemade items by local artists. Many of the artists are Park Royale residents. Come see how talented they are and shop for the holidays! Breakfast and lunch will be available! If you have questions, contact Carol Molter at 727-545-5430.

Last spring all proceeds of the sale went to Blue Alert for bullet proof vests for dogs. The Blue Alert system helps law enforcement to speed up the apprehension of criminals who kill or injure police officers. Police dog officers are a big part of this effort. Each vest costs over \$1,000.

Lovemaking Tips for Seniors

Submitted by Jeanette Paquin

1. Wear your glasses to make sure your partner is actually in the bed.
2. Set timer for 3 minutes, in case you doze off in the middle.
3. Set the mood with lighting. (Turn them ALL OFF!)
4. Make sure you put 911 on your speed dial before you begin.
5. Write partner's name on your hand in case you can't remember.
6. Use extra polygrip so your teeth don't end up under the bed.
7. Have Tylenol ready in case you actually complete the act..
8. Make all the noise you want....the neighbors are deaf, too.
9. If it works, call everyone you know with the good news!!
10. Don't even think about trying it twice.

Pancake Breakfasts

We look forward to the Shuffle Club Pancake Breakfasts in the fall!

Come and enjoy a good healthy breakfast with friends and neighbors. This favorite fundraiser is sponsored by the Shuffle Club and will be offered at least twice a year. Be sure to bring your dish, cup and silverware.

Coffee and Donuts

Every second Thursday of the month come to the Clubhouse to hear speakers, Park Royale updates or just visit with friends from 9:00 AM to 10:00 AM. Sign up on the information sheet in the clubhouse so we will have enough donuts!

Each month there is an update on the Park's progress or a speaker is lined up for our learning enjoyment. Come along and see what or who is on the agenda. Bring your suggestions, questions and comments. The next meeting will be Thursday, November 10 at 9:00 AM. Don't forget your coffee cup!

I Think I Can

Submitted by Bonnie Pijanowski

If you think you are beaten, you are.
If you think you dare not, you don't.
If you'd like to win, but think you can't
It's almost a cinch you won't.
If you think you'll lose, you're lost.
If you think you're outclassed, you are.
You've got to be sure of yourself before
You can ever win a prize.
Life's battles don't always go
To the stronger or faster man.
But sooner or later the man who wins
Is the one who thinks he can.

Respect, Responsibility and Balance

By Jay Johnson

If respect is a charter characteristic of our Club: responsibility should be a solid reflection of our individual members.

We all know what responsibility means, but for our purposes, we define it as “being answerable or accountable for something within one’s power.” Being a pet owner requires a responsible person. Being a member of a pet club takes responsibility to a whole new level.

As members of the Purple Paw Pet Club, it is our responsibility to set the tone for following safe and acceptable practices with our pets. We all know that our dogs should be on leashes when not inside our home, and we always use a leash when walking them. On the other hand, taking shortcuts by letting them off-leash when going from your house to your car or when enjoying our own property violates that particular leash rule in our Community.

When our dogs leave droppings, while on a walk in the Park, a responsible pet owner and Club Member will pick it up and dispose of it properly. This behavior is the fountainhead rule of simple but necessary courtesy.

Responsible members will make sure their pets have the appropriate inoculations, necessary medicines, and ample veterinarian visits to keep them safe.

Responsibility is important to our club, and we recognize that it is a learned behavior. We are also willing to set the example for our neighbors and hope they will follow. We are willing to behave responsibly because this is best for our pets and our community.

A special thanks to Terry Bulava and Mike Milleman for the improvements to the Paws in the Park dog park.

James Johnson is the President of the Purple Paws Pet Club, and can be reached at gmbf@tampabay.rr.com and 727-289-1136.

Meet Your Neighbor – a feature of the Media!

If you know of someone who has been, done or traveled to unusual places or has had an interesting career, we would like to feature that person in the Media. Call me with the information or we could sit down and chat. Everyone has a story! Debbie Arntz, 216-835-7303.

A Name for What I Have

Finally they have come up with a name for what I surely have!!!
I just wanted to let you know that I have recently been diagnosed with AAADD - Age-Activated Attention Deficit Disorder. This is how it goes...

I decide to do the laundry, start down the hall and notice the newspaper on the table. OK, I'm going to do the laundry...

BUT FIRST I'm going to read the newspaper. After that, I notice the mail on the table. OK, I'll just put the newspaper in the recycle stack...

BUT FIRST I'll look through the pile of mail and see if there are any bills to be paid.

Yes. Now where is the check book? Oops..there's the empty glass from yesterday on the coffee table, I'm going to look for that checkbook...

BUT FIRST I need to put the glass in the sink. I head for the kitchen, look out the window, notice my poor flowers need a drink of water, I put the glass in the sink and there is the remote for the TV on the kitchen counter. What's it doing here? I'll just put it away.

BUT FIRST need to water those plants. I head for the door and...Aaaagh! stepped on the cat. Cat needs to be fed. Okay, I'll put the remote away and water the plants.

BUT FIRST I need to feed the cat.

END OF DAY: Laundry is not done, newspapers are still on the floor, glass is still in the sink, bills are not paid, checkbook is still lost, and the cat ate the remote control....And, when I try to figure out how come nothing got done today, I'm baffled because...I KNOW I WAS BUSY ALL DAY!

I realize this condition is serious...I'd get help... BUT FIRST...I think I'll check my e-mail.

A troubling trend: Americans overdoing antibiotics

Antibiotics are a boon to doctors and their patients, but they pose dangers if they're overused. That makes this news especially concerning: A Texas study reported on the UPI website found that about one in 20 adults have stockpiled supplies of antibiotics in their homes and use them without a physician's advice.

The study of 400 adults in the Houston area found that 14 percent of adults have a stash of antibiotic medications in their home, and 5 percent have used them without a doctor's guidance in the past year. The medications come from a variety of sources: 40 percent came from a store or pharmacy, 24 percent were purchased outside the United States, 20 percent came from family or friends, and 12 percent were left over from past prescriptions.

In 4 percent of cases, the drugs obtained without a prescription were intended for use on animals, not humans.

Millennials worry about debt

Millennials aren't the carefree kids you might think they are. A FICO survey found that they're concerned about debt—with good reason. According to FICO's online survey of approximately 1,000 Americans over 17, 32 percent of millennials owe \$20,000 or more in student loans, and 45 percent owe at least \$7,000 on car loans.

In all, 37 percent of millennials ages 25-34 say they're concerned about their level of debt, and 33 percent would like assistance in managing their debt. For example, 65 percent would like to receive an email alert when their student loan payments are overdue by less than 90 days, and 35 percent want to be notified by app when their mortgage payments are less than 90 days late (but they'd prefer a phone call if their payments are more than 90 days overdue).

These tiny robots may save your life

The newest medical robots look and move like bacteria, and they can deliver medications to specific locations within the human body and perform intricate surgeries like clearing clogged arteries.

According to the Science Daily website, a team of scientists is working to develop a selection of biological robots that are soft, flexible, and move through bodies under the control of an electromagnetic field. Once they reach their destination, they're heated to change shape, mimicking—for example—the bacterium that causes African trypanosomiasis, or sleeping sickness. Although still in development, these microrobots could revolutionize the way patients are treated in the not-so-distant future.
