A Message from the BOD

The HOA Board of Directors are trying to find a solution to the excessive water bills.

Through our research we have found that the city of Pinellas Park charges \$7.31 for water per 1000 gallons and \$9.64 for sewer per 1000 gallons, then they add a utility tax of 10% of the water charge and finally they charge \$2 per home for stormwater.

However, because we have only 1 meter and use over 1,000,000 gallons each month, we are being billed a higher rate (\$9.41) for approximately 1/3 of the number of gallons.

WE NEED TO HAVE INDIVIDUAL METERS

If you look at the bill we had for July, we were charged for 1,487,700 gallons of water. 1487700 divided by 309 homes = 4814 gallons per home.

Looking at a variety of charts it's estimated that the average adult uses 80 - 100 gallons of water per day. Therefore, a home with 2 adults might use 4800 gallons of water per month.

BUT, many of our homes have only 1 resident and a good number of homes are vacant so how can they use 4800 gallons of water.

We are all paying for the many different leaks and excessive watering that occurs in this community.

Manager's Message

Hi everyone!

I will be doing a newsletter and sending it out via email each mor can fit a lot more important things in that way. I will also have copies in the office for those of you that like to hold the printed word!

MANAGER

Have a fantastic September everyone!

Debby Braman

The Book Watchers Club

Our book in August was *The Best of Me* by Nicholas Sparks (*The Notebook*). The club will watch the movie at a later date. Anyone interested in joining us for the movie, a glass of wine, and light appetizers (popcorn of course) is welcome. I will share the date on the bulletin board in the clubhouse once it has been confirmed.

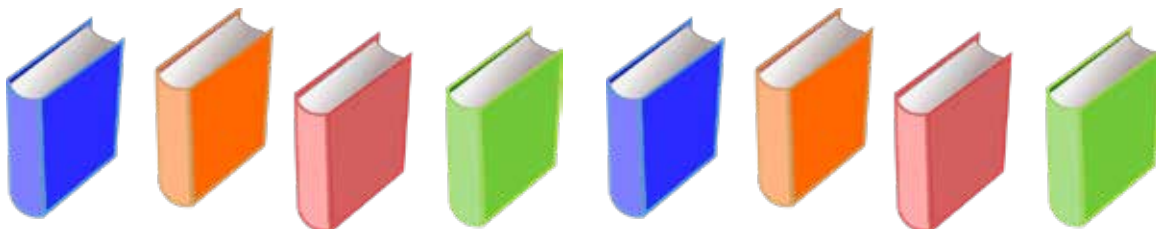

September's book *The Shipping News* by Annie Proulx, won both a Pulitzer Prize and the National Book Award. The story is about a man named Quoye, who when his two-timing wife meets her just deserts, he retreats with his two daughters to his ancestral home on a starkly beautiful Newfoundland coast, where a rich cast of local characters and family members all play a part in Quoye's struggle to reclaim his life. As Quoye confronts his private demons -- and the unpredictable forces of nature and society -- he begins to see the possibility of love without pain or misery. A vigorous darkly comic, and at times magical portrait of the contemporary North American family. *The Shipping News* shows why Annie Proulx is recognized as one of the most gifted and original writers in America today.

The club is offering for \$2.00 each our books for sale, they are Trade Paperback books and in excellent condition. The books are: *Midnight in the Garden of Good and Evil*, *The Secret Life of Bees*, *The Grapes of Wrath*, *The Name of the Rose*, *Inferno*, *Abraham Lincoln: Vampire Hunter*, *The Best of Me* and *The Shipping News*. If interested contact a club member or email Penny at: pennysbank4@gmail.com.

Anyone interested in joining the club for enjoyable and interesting discussions please sign up either on the sheet posted on the bulletin board in the clubhouse or email me at pennysbank4@gmail.com

Wellness News

Park Royale can now post the names of their residents who are in the hospital or at home recuperating. Just sending a card is a nice way to acknowledge that all persons are important in the Park and that they are not forgotten. Names can only be posted with the family's permission. If you would like a card or name to be posted, the names must be submitted to Debbie Arntz by the fifth of each month. Names of residents will be posted for 30 days.

The rule is “if you see something, say something” still stands. The Pinellas Park police force is always ready to respond to our needs. Please, please, please if you have an unknown person knocking on your door in the early morning or anyone walking around that you don't recognize please dial 911. If you have noticed something stolen from your property please contact the police non-emergency phone number 727-369-7864

Pickleball

All Park members are invited to come to the courts to try the game. There are extra paddles for anyone to try out the sport.

Anyone who wants to play pickleball from outside the park must sign an insurance waiver before playing.

Hildenbrand Trophy was presented to me by the members of the "Park Royale Pickleball Group" a couple of weeks prior to the WSJ shooting; for starting Pickleball in Park Royale five years ago. This trophy will be held for a year and passed on to another notable in our Pickleball Group for the next year. So cool! Mark Potter created the trophy!

An article in my local newspaper in Ohio where I live in the Summer. A reporter picked up the story in the WSJ and included other news about me.

Leurene Hildenbrand credits the coronavirus pandemic for her improved pickleball stamina. “If we rally longer, we touch the ball less,” she says. At 88, Ms. Hildenbrand uses pickleball—a cross between tennis and ping pong—to keep fit and stay social.

As a snowbird, she splits her time between Pinellas Park, Fla., and Hartville, Ohio, but has extended her Florida stay due to the pandemic. She typically plays pickup games of pickleball at a nearby indoor tennis court, but when it closed on April 15, she wasn't about to let herself fall out of shape. She started going on daily, two-hour bike rides, and encouraged members of her retirement community to join.

Ms. Hildenbrand shows off medals from state and National Senior Games competitions and a trophy awarded by her neighbors as a token of appreciation.

When an outdoor tennis court reopened in her retirement community in early May she recruited her neighbors and formed a pickleball league that plays socially distanced games every day. Many players were new to the game. A sign-up sheet allows the 16 participants to schedule game times.

Players must bring hand sanitizer and disinfectant wipes, and balls are dunked in a bucket of bleach solution between matches. The group plays singles or doubles matches on the ends of the tennis courts to ensure people stay socially distanced. Joseph Kuhn, 70, says he was nervous at first about playing, but he wears a golf glove on his non-hitting hand, so he never touches the ball. “Some people have to be reminded to keep a safe distance, but I am not afraid to tell them,” he says.

Friends call Ms. Hildenbrand “Wonder Woman” because she’s always on the move. “I try to go out to exercise three times a day,” she says. “My neighbors comment how I’m never home, and I say, ‘maybe you should try getting outdoors to do things, too.’” When she retired from her job as a research scientist at age 55, Ms. Hildenbrand embraced athletics, including cycling, rollerblading, running, table tennis and pickleball. Since 2013, she’s competed annually in State and National Senior Games competitions. The National Senior Games have been rescheduled for November 2021, and Ms. Hildenbrand says she’s already in training mode for 15 sports including pickleball, bocce, horseshoes, and several track-and-field events.

Thank you,
Leurene Hildenbrand

September Monthly

Baby Safety Month. Parents and caregivers have many responsibilities, but keeping their baby safe and healthy is a No. 1 priority. Whether you are expecting your first baby, adding to your growing family, or are a grandparent, this is an ideal time to put into action some simple steps to keep baby safe.

National Cholesterol Awareness Month. September is a good month to get your blood cholesterol checked and take steps to lower it if it's high. It's also a good time to learn about lipid profiles and about food and lifestyle choices that help you reach personal cholesterol goals.

Prostate Cancer Awareness Month. Prostate cancer is the second-most common cancer in U.S. men. Learn about prostate cancer to start stepping up against it. The “Step Up for Blue” campaign empowers men to take control of their health and encourages their loved ones to support them.

National Self-Improvement Month. Is there something in your life that you want to improve? September is National Self-Improvement Month. Usually there is a list of things people want to change about their lives. Many items on that list are often things over which we have no control. Stop dwelling on them and focus on what you can change—you.

Weekly

Suicide Prevention Week, Sept. 6–12. National Suicide Prevention Week is the week surrounding World Suicide Prevention Day, Sept. 10. It's a time to share resources and stories, as well as promote suicide prevention awareness. The week focuses on informing and engaging health professionals and the general public about suicide prevention and warning signs of suicide.

National Waffle Week, Sept. 6–12. The word “waffle” comes from the Dutch “wafel,” which comes from Middle Dutch “wafele” and stretches as far back as the 13th century. Before that, the French called it “walfre” from the Frankish “wafra,” which meant “honeycomb” or “cake.” No matter what you call it, no one can deny its deliciousness.

Deaf Dog Awareness Week, Sept. 20–26. Deaf dogs, like other special needs pets, make wonderful furry family members. Their deafness in no way reduces their potential to bring joy to your life and become a loving companion for your family.

Banned Books Week, Sept. 27–Oct.3. An annual event celebrating the freedom to read, Banned Books Week spotlights current and historical attempts to censor books in libraries and schools.

Craft a story for innovation

You have to create a narrative for innovation, according to Michael Margolis on the Your Story website. Margolis, CEO and founder of strategic messaging firm Storied, which specializes in stories of innovation and disruption, has advised clients across 34 industries and 15 countries, including Google, Hulu, and NASA. His advice:

- **Set the context.** Describe the vision you’re working toward. Identify the changes you want to see, and seek out fresh perspectives. Focus on users’ needs. Slow down and avoid complexity. Make your vision compelling.
- **Inject emotion.** Make the customer the hero of your story by describing their desires and dilemmas. Add conflict and suspense. Show the inner and outer characteristics of your heroes and villains to make them real people.
- **Show evidence.** Present the research behind your story—pilot projects, demos, metrics, testimonials and personal stories, and historical precedent. Show how they validate your story and the impact your solution can have.

Happy marriages spur creativity

A happy marriage leads to greater innovation on the job, according to a study by the Hong Kong Baptist University, reported on Fox Business.

The study analyzed how workers’ personal relationships affect their innovation and creativity. Researchers found a “positive spillover of psychological resources into their work”—and the effect is magnified when employees’ spouses are happy as well. Employees in unhappy relationship experience depleted psychological resources.

One caveat: The researchers found that with people who are already naturally creative, the impact of a happy relationship had less of an effect.

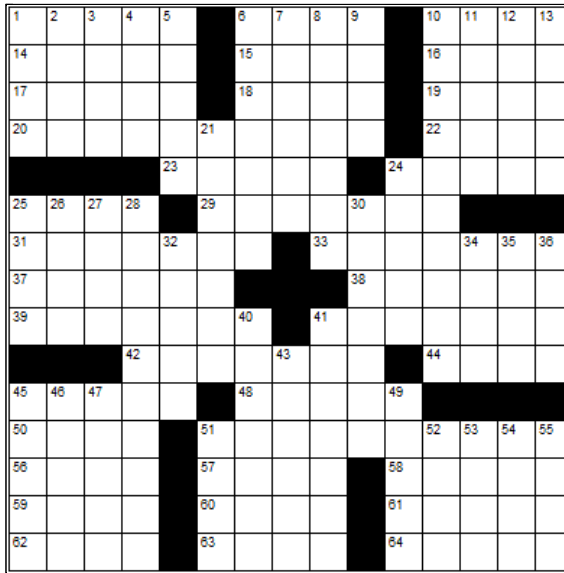

The researchers suggest that employers offer family-friendly policies, such as anniversary leave, relationship counseling services, and work/life balance initiatives.

The desire to create is one of the deepest yearnings of the human soul.

— Dieter F. Uchtdorf

Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
