## General Community Manager

*Hello Everyone,*

There is a lot of work that will be done in Park Royale in the next couple of months. The clubhouse will be under construction for improvements from August 15 through October 31th. Many items will be improved upon to make the Park look updated and impressive. I do not know the construction schedule as of yet as the clubhouse will have to be closed. As soon as I am informed of the scheduling for this work, I will send notices out to all residents so you will be aware. The pool area will be involved in the plan as well. This is all very exciting.

We appreciate your patience during this construction phase.

The landscaping in the common areas at the entry and around the clubhouse will also be improved. Plants, flowers lawn and Pet Park will look delightfully different.

The shuffle board courts will get a face lift with resurfacing and painting.

A security camera system has been installed within the clubhouse and to keep an eye on the compactor.

The road project has been a challenge due to rain, and again, I thank you for all of your patience on shuffling of dates and vehicles.

Residents with irrigations, we ask that you would conserve water in the Park by turning them off during the raining season. It does rain every day, and the irrigation systems are scheduled to be turned on, one or two days a week. However these systems are not needed during this time of year.

It will be fun to watch our Northern friends when they come back to Park Royale. They will question themselves when they arrive, asking "Are we in Park Royale?"

Happy August, and keep cool!

Attend the August coffee and donuts for the most up to date information.

Thank you,

Terry

**A**s the new Welcoming Lady for Park Royale, I look forward to meeting new residents and introducing them to the Park programs.

I am happy to inform you that Penny Calkins will share the Welcoming Lady responsibility. She can be reached at 1-617-365-4585. Penny is relatively new to our Park having moved here from another park. If you are new, please contact her for a warm welcome to our community.

## From the Media Editor:

---

**H**<sup>i</sup>,  
Now that we have an opportunity for color photos, let's share the fun times that we are having Park Royale. But remember to get permission from the individuals in the photos before submitting them to the Media.

**From the Editor**

Again, I would like to thank the monthly contributors who make the Media special and certainly make my job easier. Many thanks to Marilyn for developing such a comprehensive disaster plan for pets. If you would like to submit an article to the Media, please use the form on the information board in the club house. Articles must be submitted by the 10th of the month for the following month's publication.

Be sure to check the front bulletin board regularly for additions or corrections to any of the activities as some changes are unavoidable. With the construction of the Club house this fall, many activities could be cancelled.

## Our Library at Park Royale

---

**H**ave you noticed how nice the library looks lately? Thanks to Christine Biermeir who has donated hours in getting the library back into shape. Many thanks to those who use the library and return books properly.

Did you know that.....

Baking soda can safely tackle kitchen jobs above and beyond the box at the back of the refrigerator. Once you start using baking soda for cleaning, you can get rid of all those other cleaners under the sink.

1. A baking soda paste removes stains from plastic and rubber utensils. Apply with a scouring pad or sponge.
2. Scrub stained plastic storage containers with a paste of lemon juice and baking soda.
3. Deodorize and remove stains from wooden bowls or utensils with a baking soda solution.

FYI.....Those with Green Thumbs!!

Feed your Christmas Cactus 2 Tablespoons of castor oil at Thanksgiving which will make the plant bloom for Christmas!

# Giving Your Best

It's the hand we clasp with an honest grasp  
 That gives a hearty thrill:  
 It's the good we pour into others lives  
 That comes back our own to fill.  
 It's the dregs we drain from another's cup  
 That makes our won seem sweet;  
 And the hours we give to another's need  
 That makes our life complete.  
 It's the burdens we help another bear  
 That makes our life complete.  
 It's the danger seen for another's feet  
 That shows us the path to right.  
 It's the good we do each passing day,  
 With a heart sincere and true,  
 In giving the world your very best,  
 Its best will return to you.

## ROYALITES PUBLIC RELATION'S REPORT

Submitted by Marci Stone, Public Relations

**L**ast month it was the palm trees, new street lighting, and the road improvements! It was a bit hectic and tricky to get around for a couple of weeks, but well worth the inconvenience. It's looking much better around here and that's a good thing!

Mark your calendars:

Royalites Meeting – Meetings are on hold until September!

*continued on pg 10*

Women's Lunch Out– Taking a summer break!  
Game Night at the Park – Wednesday evenings @ 7 PM  
Movie Night – Friday, August 28th @ 7 PM  
Movie to be announced!

July was a month filled with fun! July 4th was really great. It was good to see lots of folks come out and enjoy the fellowship, food, and fun! Thanks to the Pet Club for hosting such a successful event.

We had some game nights attended by a small group but we had fun learning to play Bocce by the rules! Come on out and join us on Wednesday evenings from 7 until???? We may shoot some pool one evening too! We are easy going and will take suggestions on what game to play. If you haven't been, you don't want to miss out.

We are happy to announce that we had another very successful Paint Nite event. We painted "Monet's Lilies" and had a great time painting, laughing, and even did some dancing! This time we had some ladies from outside the park come and join us as well and they definitely want to come back here again - it's because we are such a fun group! Steve Miller is issuing a challenge to all you guys out there-he wants to see you at the next Paint Nite...so limber up those fingers and wrists! Keep your eye out for the next night probably the end of October or November!

We are busy looking for another even better movie for this month's movie night, mark your calendars and come on out!

Believe it or not, school will be back in session at the end of this month so please watch out when driving for children, school buses, and all the extra traffic.

We are also about half way through hurricane season. The Atlantic hurricane season lasts from June to November, with the peak season from mid-August to late October. Please remember to have a plan of action in place and ready to go should it be necessary to evacuate our homes. Marilyn had some great info for pet owners last month. I suggest having all your important papers in a small safe that can be transported with you. Here is a web address for a printable PDF to help you make the proper plans: [http://www.nws.noaa.gov/os/hurricane/resources/hurricane\\_safety.pdf](http://www.nws.noaa.gov/os/hurricane/resources/hurricane_safety.pdf)

---

**M**any thanks to all who contribute to making our events colorful and enjoyable!

**For those without a green thumb!! There is interest in starting a gardening group. If you are struggling with plants, as some of us are, let me know and we will put an article together. If you have a tip that might help others, let's share it!**

## Lemon Fruit Dip

Submitted by Cheryl Spahr

This is delicious with fresh fruit, such as strawberries, apples wedges, and pineapple chunks:

- ¼ cup sugar divided
- 1 large egg
- 2 ½ Tablespoons fresh lemon juice
- ¼ cup water
- 1 ½ teaspoons cornstarch
- ½ vanilla extract
- 1 ½ cups frozen reduced calorie whipped topping, thawed

Combine 2 Tablespoons sugar, egg and juice in a small bowl, stir well with a whisk. Combine remaining 2 Tablespoons sugar, water and cornstarch in a small saucepan, bring to a boil. Cook 30 seconds or until thickened, stirring constantly. Remove from heat. Slowly pour beaten egg mixture into water mixture, stirring constantly. Continue to stir while cooking over medium heat 2 minutes or until thick. Remove from heat and stir in vanilla.

Cool completely and then fold in whipped topping. Place in a bowl, cover and chill until serving.

## Some highlights of Park Royale Activities:

### Ladies Lunch Out

*Submitted by Lillian Papelian*

---

It is nice to go out to lunch once in a while! The Tuesday Lunch Out program (first Tuesday of the month) is a great opportunity to have lunch with your neighbors from Park Royale. More information and a sign up sheet is posted a week prior to the date, telling where we will be dining and what time to meet for carpooling. I sincerely hope that you will consider being a regular diner at our Tuesday Women's Lunch Out!

Lunch Out is cancelled over the summer months. Watch for the Lunch program returning in September and be sure to sign up!

### Recycling

*Submitted by Bob Purdy*

---

The Pinellas County Solid Waste center has prepared a sheet on recycling requirements and safety precautions which is posted in the club house and available on-line. A drop off center located at 2855 109 Avenue N. will accept aluminum cans, glass bottles, plastic #1 – 7 and steel cans 24 hours and 7 days per week. Please review the informational sheet before going to the facility.

# Multiply Your Monthly Mania!

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. We pay out \$400 every month to residents who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

## Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.  
*(To qualify each resident can only suggest a business once)*

### What businesses would you like to see advertising?

We have spots available in the following categories:

## August Is...

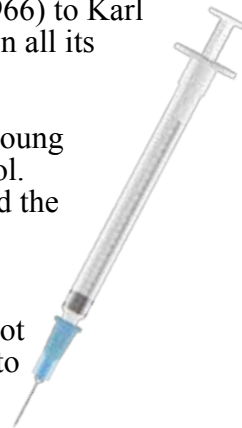

---

**American Artist Appreciation Month.** From Maxine Albro (1903-1966) to Karl Zerbe (1903-1972) and everyone else in between, celebrate American art in all its forms and the people who create it.

**Get Ready for Kindergarten Month.** This is the time of year when young children (and their parents) prepare for that all-important first day of school. Relieve their jitters by talking about what to expect, visiting the school and the teachers, and getting excited about the upcoming school year.

**National Immunization Awareness Month.** National Immunization Awareness Month (NIAM) highlights the importance of immunization—not just for kids, but for everyone. Activities focus on encouraging all people to protect their health by being immunized against infectious diseases.

**National Spinal Muscular Atrophy Awareness Month.** Spinal muscular atrophy (SMA) is a genetic disease affecting the part of the nervous system that controls voluntary muscle movement. An SMA diagnosis doesn't mean an end to your hopes and dreams. Changes and challenges lay ahead, but also opportunity, fulfillment, and hope for a future free of spinal muscular atrophy.

## Celebrate Weekly

---

**Clown Week, Aug. 1-7.** Everyone loves a clown. Celebrations during this week take on a variety of forms, such as putting on shows in malls, child care centers, hospitals and nursing homes or educational events about clowns and fundraisers for numerous charitable causes.

**International Assistance Dog Week, Aug. 2-8.** Created to recognize all the devoted, hardworking assistance dogs helping individuals mitigate their disability related limitations.

**Elvis Week, Aug. 8-16.** Held every year in Graceland, Tennessee, Elvis Week celebrates the life and legacy of Elvis Presley, “the King of Rock and Roll,” with special events, live music, concerts, movies, and more.

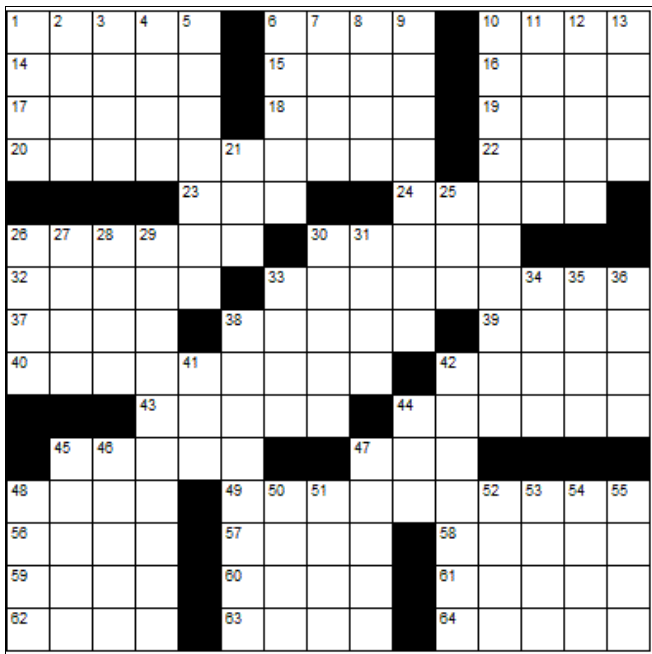

**National Safe At Home Week, Aug. 23-29.** The National Safety Council estimates that 245 people die of unintentional injuries in and near their home every day. The purpose of National Safe At Home Week is to raise awareness of safety practices to prevent injury and death in and around your home.

## Little-known facts about books and language

---

The world of books, reading, and words is full of surprises. Take a look at some of these stories about writers and other creative people (from the BuzzFeed website):

- Green Eggs & Ham. This Dr. Seuss classic was written on a bet. Publisher Bennett Cerf wagered \$50 that Ted Geisel couldn't write a children's book using fewer than 50 different words. Geisel won.
- Thomas Jefferson. The third U.S. president (and writer of the Declaration of Independence) invented more than 100 "American" words to distinguish U.S. writing from British usage—including the word "anglophobia."
- Gone with the Wind. Margaret Mitchell began work on her first (and only) novel after recovering from an auto accident. During her convalescence, she read so many books from the local library that her husband got tired of going back and forth—so she suggested she try writing a book of her own.
- Amazon. The first book sold on the now dominant website was Fluid Concepts and Creative Analogies, by Douglas Hofstadter. Its subject: whether machines could be taught to think like people.

## Stay optimistic to get ahead

---

Successful people are optimistic. They're realistic, and they see the challenges, but they don't lose their confidence. Here are some of the characteristics of "intelligent optimists" that anyone can master:

- Don't deny problems. Don't try to pretend difficulties don't exist. Learn to live with obstacles while looking for ways to overcome them.
- Accept reality. Recognize that you can't solve every problem. Don't get too wrapped up in trying to fix things you can't influence that you ignore what's possible.
- Don't bury negative thoughts. Everyone has them—"This will never work," or "Why am I wasting my time?" Instead of trying to repress them, ask what they're telling you, and work on getting past the problems that create negative thinking.
- Look for different solutions. Many solutions start as attempts to solve a different problem. Searching the background can provide clues to resolving the current difficulty.
