## From the H.O. A. Director – Bill Hill

---

**B**ill Hill recognized the outgoing officers, Vicki, Lynn and Sharon for their full commitment to the HOA. The new officers were sworn in and are listed in the front page of the Media. It is expected that members of the Park will support them throughout their terms. Come to the next HOA meeting to see what we are all about; you don't have to be a member to attend. We look forward to seeing you there. The cost to join is just \$20.00 per household per year. We, the directors of the HOA and members, support you, why don't you support us! **HOA Membership cards are available at each HOA meeting! Let's go for 100 % Membership in 2016!**

## From the Media Editor:

---

**H**i,  
As editor of the Media, I often receive materials that might be appropriate for our newsletter. The Media is the communication vehicle of the Park! If you have some suggestions or ideas to share to make the Media more interesting, please let me know. There are sheets (instructions for Media articles) posted in the gym that spell out the information that is needed. All materials and monthly public relations reports should be submitted by the 10th of the month! Any questions????

Note: Sign-up sheets will now be in the front lobby of the clubhouse. You can read up on the activities in the exercising/gym room, but you must sign up in the lobby! We don't want you to miss out on any of our fun activities!

Be sure to check the outside bulletin board regularly for additions or corrections to any of the activities as some changes are unavoidable.

### ROYALITES PUBLIC RELATION'S REPORT

Submitted by Marci Stone, Public Relations  
Home Phone: 727-800-9212 Email: mstone8118@gmail.com

A huge thank you for all those who volunteer their time and talents to keep our events running smoothly, ensure our meals are hot and delicious, and our clubhouse decorated so beautifully! It is simply amazing how much gets done in a small amount of time with many hands helping. February brought us some great times together...our Valentine's Dinner Dance (love was in the air), the Valentine's Luncheon (those guys had the moves), and our first (but surely not the last) very own painting night (I believe we have set some Picasso's and Monet's on their way)! Thank you to our host, Joe Kuhn – you were inspiring! We always have a grand time and I hope you didn't miss out on any of our exciting events, but if you did, then make sure you check out all the happenings coming up in March – you won't want to miss a thing!

March, march, march...we will be marching through the month of March! I just don't know where this year has gone, this season even...Easter is coming quickly and with that our annual Fly Away Picnic. Please say it isn't so! It seems as if our friends from the north just got here. Hopefully, many of you will hang around a bit longer since Easter is so early this year.

### Mark your calendars:

Women's Lunch – Tuesday, March 1st – Sign up in the Clubhouse- Meet @ 11:00 am  
Location to be announced!  
Royalites Meeting – All are welcome and encouraged to attend – Monday, March 7th – 10:30 AM

Bring your ideas!

*Happy Easter!*

Remember to check the boards and watch the outdoor sign for dates and times of all the events happening here in our park. Say “hello” to any new neighbors and please invite them to join in...this is our park, let’s make it great!

Our Women’s Lunch Out events are open to all women in the park and are a great way to meet new people and make new friends so all are encouraged to attend. If you have any questions about this event please contact Lil Papelian (727-546-4727). The ladies always have a grand time!

Don’t sit around and complain about nothing to do...come join us at our monthly Royalite meeting and contribute your ideas to our growing activity list. We are open to any and all suggestions; help us keep our park a fun and entertaining place to live. It was because of someone’s idea that we enjoyed our recent Cork-n-O’Keefe night with our own Joe Kuhn. We have a lot of new faces and that means a lot of new ideas – don’t be shy, get involved – see you there!

I would like to mention the media articles. I have enjoyed writing these little blurbs and keeping everyone up to date on the monthly events here in our park. It is with mixed emotions that I will soon be moving on, on yet another adventure in my life. It is a good thing and I am excited, yet saddened to leave my home here and especially all my friends...I will just be on the east coast of Florida and promise to come back and visit! The Royalites will be in need of someone to take over my position as the Media correspondent. It is an enjoyable job and allows for much creative license! Please come to a Royalite meeting or call Vicki or Lynn and let them know that you are interested in taking over this fun and rewarding activity!

Until next month...  
Make it a good one and make it count!

### Furniture from Flea Markets

Walking into a field of slightly used furnishings can be overwhelming – until you realize that vendors tend to be specialized either by style or by particular items of furniture and/or household items. If you're looking for something in particular, research sellers or consignment shops on the website and advertisements ahead of time to streamline your shopping. Arrive early for the best picks or late for the best bargains. Don't be afraid to haggle as sellers expect to drop prices by at least 10%. Find flea markets near you at [americanfleas.com](http://americanfleas.com).

## ROYALE PET OWNERS CLUB

*By Mike Cornell*

---

I would like to thank the community for all the support that they have shown to the Royale Pet Owners Club for the past 6 years. But due to lack of interest we had to dissolve the Royale Pet Owners Club. As Director and Founder of the Club, I would first like to thank the volunteers for all of their hard work; to all of the Board members for the time that they spent in meetings and events, and giving of their time to make sure that the Club was run properly. I would like to thank American Land Owners and Sun Communities for their support and Debbie Arntz for all of the many articles that she has had to wait for. And least but not last, all the members of the club for their support and encouragement.

Again, as Director I would like to send out a big thank you for all of your support. We will still be here for fun.

Thanks,  
Michael Cornell

## The Park Royale Art and Craft Sale

The annual Art and Craft Sale will be held March 19th from 8:00 AM until 2:00 PM. These shows have been such a success that the tables go quickly. Please give me a call to make your reservation. Tables are only \$15.00. Breakfast and lunch will be available. Carol Molter at 727-545-5430 for table sales, registration and general information.

And if you like to bake, here is an opportunity to make your favorite cookies and share them with the Park Royale residents. Cookies, cupcakes, snacks and more will be sold throughout the day. Package your treats with prices and help make this sale the best ever.

Proceeds from this sale will benefit the non-profit animal groups in this area who cater to the safety of dogs such as in providing appropriate shelters, K-9 safety instruments for dogs who have experienced trauma and food. This has been the focus of the Pet Club since it originated five years ago.

## Shuffle Club Pancake Breakfast

### March 5 8:00 AM to 10:00 AM

Come and enjoy a good healthy breakfast with friends and neighbors. This favorite fundraiser is sponsored by the Shuffle Club. Be sure to bring your dish, cup and silverware.

## Coffee and Donuts

Every second Thursday of the month come to the Clubhouse to hear speakers, Park Royale updates or just visit with friends from 9:00 AM to 10:00 AM. Sign up on the information sheet in the clubhouse so we will have enough donuts!

Each month Terry provides an update on the Park's progress or has a speaker lined up for our learning enjoyment. Come along and see what or who is on the agenda. Bring your suggestions, questions and comments. The next meeting will be Thursday, March 10 at 9:00 AM. Don't forget your coffee cup!

If you didn't attend, this is what you missed:

The February meeting provided an opportunity to hear Keith V. Sabiel who is running for the position of Mayor of Pinellas Park. Mr. Sabiel touched on his hopes to establish term limits for the Mayor and Council positions, encourage redevelopment of some blighted areas and keep lines of communications open. He addressed several questions from the audience on water usage and billing and recycling.

## Meet your neighbor, Doug Traub

By Debbie Arntz

---

**Y**ou have probably seen Doug, a very handsome man, on his bike circling the Park or swimming laps in the pool. You'd be surprised to know that he was born in December, 1926 in Yonkers, New York which means he experienced a lot of American history. With the fall of the stock market in 1929 Doug (along with his parents and four siblings) was fortunate to live on the third floor of a family home owned by his grandparents. Doug's paternal grandfather was instrumental in repairing and redesigning improvements in New York City and his maternal grandparents owned the Lathrop Paper Company. The strong work ethic and commitment to quality which Doug observed were probably the foundation of his success. When Doug was in high school he became more and more interested in sports and was willing to serve his class as President. However, when Doug graduated he still didn't know what he wanted to do. At the age of 17 he enrolled in the Navy. After the completion of basic training in Sampson, N.Y. he became a signal man. From his training he was able to send signals by code with flags. He maintained a large box of flags while on a Destroyer in the Atlantic during World War II.

After the War Doug decided to go to college, but it was difficult to get into school at that time. Finally he enrolled in the Associated College of Upper New York State. His education was partially earned in Utica and then he went on to Syracuse, New York. When he graduated he was a civil engineer and began his career with the Public Works Department in New York State. In 1951 he married his wife, Mary.

In 1955 flooding in New York created a great need for dams and Doug was instrumental in the process of building them when he was with the O & G Company. During that time the U.S. Army had money to fund dams and other related construction projects. The O & G Company was very successful in gaining funds for dams. The Thomaston Dam which is one of the largest in Connecticut was funded by these resources. After 15 years Doug and his brother, who was also an engineer, formed a partnership under their Hemlock Construction Company name. Later Doug and Mary had 5 children of which the oldest one has just retired and the youngest son works for the same company as his father. Unfortunately Mary passed away, but the family continues to grow. Today there are 13 grandchildren and 5 great grandchildren.

Along with being successful in his career, Doug found time to pursue his favorite hobbies, sailing and skiing. Doug started sailing at the age of ten on Highland Lake. He was a sailboat racer for many years. His personal favorite sailboat was a 34 foot boat which was docked in Connecticut. Since boating is a seasonal sport, Doug took up skiing and he has skied all over the world. He started skiing in the U.S., from the east to west coast but after traveling in Europe he found Kitzbuhel, Austria to be his favorite skiing location. Now in retirement and calling Florida home, Doug swims and bikes for exercise.

One additional fact about Doug is that he is an Eagle Scout and has been since age 12. He is very proud of this accomplishment. And we are very proud to have Doug as a friend in Park Royale.

### Mah Jongg

*Submitted by Lil Papelian*

Mah Jongg Lessons

If anyone is interested in learning to play Mah Jongg which meets on Thursdays, please contact me at 546-4727.

This international game is played worldwide and has many benefits, the least of which is an alert, active brain exercise. If you can play Rummy, you can learn how to play Mah Jongg. Give it a try. My teaching time can be flexible, depending on the availability of those wanting to learn.

### Men's Cards

Have you ever wanted to learn about Texas Hold'em? On Tuesday and on Thursday afternoons (5:30 PM until the last man leaves) in the clubhouse, there are a number of Park Royale men who enjoy this game. For more information, contact Rosaire LeBlanc at 727-544-0566.

### Women's Cards

Women's card games are a lot of fun. The game 13 is scheduled for Tuesdays 1:00 PM to 3:00 PM and a myriad of other short games are played on Thursday evening at 6:30 PM to 9:00 PM. Contact Linda Fogle at 727-8618 for more information. These games run all year round.

### Crafts

There are several opportunities in the clubhouse during the week to learn new crafts, share ideas and/or just work on favorite projects with friends. Some examples of craft activities are

card making, knitting, quilting and open craft night. This is available Monday 7:00 to 9:00 and throughout the week.

### **Card making**

Card making is Monday and Wednesday from 11:30 AM to 3:00 PM. Come see the beautiful cards that are made by our residents. The card makers are very dedicated to this art form and the results are stunning.

### **Exercising**

A Balance and Stretching Exercise Program for everyone!

### **Pickle Ball**

We have scheduled every Saturday at 8:30 AM in the morning as our regular play day on our lined courts at the tennis courts. We will also play on other days in the evening as our player availability allows. ## Huge exoplanets not as plentiful as thought

**A**stronomers have discovered more than 100 giant exoplanets orbiting distant stars, but some are now saying that many of those huge worlds aren't planets at all.

According to the website of the American Association for the Advancement of Science (AAAS), scientists analyzed the findings of the Kepler Space Telescope, which identifies exoplanets by scanning stars for long stretches of time in search of changes in their brightness. These changes suggest the presence of planets or other objects temporarily causing their light to dip.

Instead of monitoring brightness, a second group of scientists looked for signs of movement in the stars as planets circled them. The differences in the slight movements between planets and other objects has led the team to conclude that as many as 55 percent of “exoplanets” have been misidentified. More likely, they're stars themselves—possibly brown dwarfs, a type of failed star, sharing an orbit with a larger sun.

**Science is a way of talking about the universe in words that bind it to a common reality. Magic is a method of talking to the universe in words that it cannot ignore. The two are rarely compatible.**

—Neil Gaiman

## You can't get out what you don't put in

**M**otivational speaker Zig Ziglar likes to tell the story of his friend, Walter Hailey. Although he became a star salesman, Hailey's early career as an insurance salesman was rough. He endured frustration, anxiety, slammed doors, low sales figures, and uncertainty about his future.

One day he grew so discouraged that he went to his boss and told him that he was going to quit. His boss's response? “You can't.”

Hailey repeated that he was quitting. The manager repeated, “You can't.”

Angry now, Hailey shouted, “Yes, I can!”

His manager replied, “Walter, you can't get out of the insurance business because you have never really gotten into the insurance business.”

The words hit Hailey like a ton of bricks. For the first time in his life he realized that you can't get something out of an endeavor if you never put anything into it. Or as Ziglar puts it, “There are many people who ‘join’ a sales organization but never get into the business of selling.”

## Going the store? Why leave the house?

---

Shopping online has exploded in recent years. One example: A survey conducted by 72 Point Inc. and commissioned by Door to Door Organics, an online organic grocer, found that shoppers increased their online grocery purchases by an average of 29 percent in the past year, and those shoppers do about 19 percent of their weekly grocery shopping via the Internet.

## Extra sleep may not lead to longer life

---

Most of us look forward to sleeping late on the weekend. After a hard week of work, we deserve a few extra hours, right? But a study from the *Journal of Clinical Endocrinology & Metabolism* suggests that sleeping in may contribute to a higher risk of diabetes and heart disease.

Researchers tracked more than men and women age 30-54, using devices that recorded their movement to determine when they fell asleep and woke up for a one-week period. Close to 85 percent went to bed later and got up later on their days off from work, and those people tended to experience lower levels of HDL cholesterol (the good kind) along with higher triglycerides, greater resistance to insulin, and a higher body mass index, even after controlling for factors like physical activity, calorie consumption, and alcohol use.

The implications are clear: Maintaining a consistent sleep schedule, even on weekends, is better for everyone's long-term health.

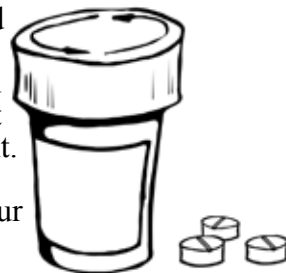

## Aspirin prevents skin cancer?

---

Aspirin is known to cure our aches and pains and improve heart health. It may also be useful in preventing certain kinds of skin cancer, according to an article on the *Discover* magazine website.

Non-steroidal anti-inflammatory drugs (NSAIDs) like aspirin and ibuprofen are already known to help prevent cancers in the colon, lungs, prostate, and breasts. A meta-analysis of studies, some previously unavailable to researchers, turned up evidence that non-aspirin NSAIDs can reduce the risk of developing squamous cell carcinoma by 15 percent, and that when aspirin is added to the mix, the risk drops to 18 percent. NSAIDs are known to inhibit COX-2, an enzyme produced by skin cells in response to ultraviolet light.

Talk to your dermatologist about aspirin, and otherwise limit your exposure to UV light to stay safe from skin cancer all year round.
