General Community Manager

Hello Everyone,
It is already May, springtime, flowers, Mother Nature, and our northern friends are about to be up in their summer homes.

We wish everyone a very Happy and Healthy Summer.

What is new at Park Royale is that we have a Recycling Service. If you have not already received a flyer for information on how to manage the recycling items, please come by the office and pick one up. We also will be happy to coach everyone on how to select items that will go into the bin. Basically it will be glass, plastic containers, metal cans, paper, paper cardboard, flattened cardboard & paperboard. It will be important to rinse out the containers, and make sure no food is left in them. Also, please keep in mind NO plastic bags, food or polystyrene foam cups and containers. These items are considered to contaminate the recycled trash. Those items need to be disposed into the compactor. Thank you for all of your help with this new project to be successful for our environment.

We have new homes under construction, for sale at discounted prices. Don't forget when you refer someone to Park Royale and they close on the new home, you will receive a check for \$1000. We also sell used homes, if you need help on selling your home, please come to the office and see me. We will put a plan together to get it sold as soon as possible. When a referral for a used home has a purchaser, the person who referred them will receive a check for \$100. Free money!

Have a Happy May and Memorial Weekend.

Our emergency number is 877-786-6048, if necessary. A service is hired by Sun Communities, and when they receive a call, they call me directly first, then Mike Milleman, maintenance second.

I thank you all for being here at Park Royale, and for all of your support. We appreciate you.
Terry Bulava, Community Manager

From the H.O. A. Director – Bill Hill

At the last HOA meeting for the season, the monthly agenda was followed and all reports were approved as read. The achievements of the past 6 months were highlighted and the successes were numerous. It is expected that members of the Park will support the HOA officers throughout their terms.

Because of the tireless efforts of new resident, Cathy Maringer, Park Royale will have recycling the first of May. Many thanks to Cathy and look for more information in the future.

Come to the fall HOA meeting to see what we are all about; you don't have to be a member to attend. We look forward to seeing you there. The cost to join is just \$20.00 per household per year. We, the directors of the HOA and members, support you, why don't you support us!

HOA Membership cards are available at each HOA meeting! Let's go for 100 % Membership in 2017!

Bill Hill

The Welcoming Ladies

If you are new, please contact Linda Holm or Debbie Arntz for a warm welcome to our community. We would like to inform you of our social group, the Royalites, and the many activities that they sponsor each year. Each resident of the Park is a Royalite! Participation in these activities is certainly the way to meet new friends and learn about this Park that we call home. As mentioned before the HOA works on our behalf to keep our Park safe and informed. Come to their meetings, the second Monday of the month, beginning in the fall.

From the Media Editor:

Hi, As I begin my 5th year as Media Editor, I am very grateful to many who have made my job easier. Each of the committees has contributed to the body of the Media by submitting their monthly articles, highlighting an event worth knowing about or just supporting activities in the Park. And I have to admit I can be a bit persistent when it comes to publication deadlines. But think of my unrelenting reminders, such as calls pass the deadline, as the difference between a resident getting involved or staying home alone. We could be making a difference.

Many thanks to Marci of the Royalites for all of her informative, delightful and humorous articles these past few years. We will certainly miss you. Does the east coast know that you are about to hit ground?

Finally, be sure to check the outside bulletin board regularly for additions or corrections to any of the activities as some changes are unavoidable.

Our Library at Park Royale

Oh, the library looks so nice. Thanks to those individuals who continually straighten up the library. Look for more signs and bookcases in the future.

If you find a slightly used 30 inch wide bookcase, let Terry know and we will set it up in the library. The Library Clean Up day is Wednesday, May 18 at 10:30 AM. Look for the sign-up sheet! All volunteers are welcome

REVIVE YOUR SPICES

Who hasn't bought a bottle of turmeric, or some other dried spice for a particular recipe and then not needed it again for 6 months or longer? If the spice is faded in color but still has a slight fragrance, you might be able to get additional use of the spice. To test its freshness, measure the spice into your hand and crush it with your fingers. If it becomes fragrant again, you are good to go. If not, put the spice in a dry skillet over low heat and cook, stirring constantly until it becomes fragrant. Then immediately transfer to a bowl and add to your recipe.

To many, Memorial Day, the federal U.S. holiday that takes place every year on the last Monday of May, is just another excuse for a three-day weekend. It's also known as the day that marks the official start of summer and as a day devoted to getting great deals at the mall. However, the true meaning of Memorial Day goes far beyond barbecues and mattress sales.

The holiday began after the Civil War, and at that time was known as "Decoration Day." While it was originally founded to honor the soldiers who died in the Civil War, today, Memorial Day is a day to honor all of the Americans who have died in military service.

Patriotic Americans should take a moment from their day of celebration and leisure to reflect on the brave sacrifices of those who have given their lives for this great nation. www.quotery.com

I began last month with talk of April showers washing away our friends from the north... our Fly Away picnic almost became a Wash Away picnic as we received quite a drenching that morning! However, we were able to get some early morning Shuffleboard, Golf, and some Bocce played before the rains began. Everyone came back for lunch and we were able to enjoy some good food and fellowship time with our friends. Those of us who stay behind wish you all the best and pray for safe travels as you return to your northern homes. Until October....!

Mark your calendars:

Ten Ways to Stay Young

Submitted by Lillian Papelian

1. Throw out nonessential numbers. This includes age, weight and height. Let the doctor worry about them. This is why you pay him/her.
2. Keep cheerful friends. The grouches pull you down.
3. Keep learning. Learn more about the computer, crafts, gardening, Mah Jogg, whatever. Never let the brain idle. “As an idle mind is the workshop of the devil.” And the devil’s name is Alzheimer’s.
4. Enjoy the simple things.
5. Laugh often, long and loud. Laugh until you are gasping for breath.
6. The tears happen. Endure, grieve and move on. The only person who is with us our entire is ourselves. Be ALIVE while you are alive.
7. Surround yourself with what you love, whether it’s family, pets, keepsakes music, plants, hobbies, whatever. Your home is your refuge.
8. Cherish your health. If it is good, preserve it. If it is unstable, improve it. If it is beyond what you can do to improve it, seek help.
9. Don’t take guilt trips. Take a trip to the mall, to the next country, to a foreign country but not to where the guilt is.
10. Tell the people you love that you love them at every opportunity.

And Always REMEMBER: Life is not measured by the number of breaths we take but by the moments that take our breath away!

SOMETHING TO THINK ABOUT

1. The ratio of an igloo's circumference to its diameter = Eskimo Pie
2. 2000 pounds of Chinese Soup = Won Ton Soup
3. Time between slipping on a peel and smacking the pavement = 1 bananosecond.
4. Weight an evangelist carries with God = 1 billigram.

Decorations

Many thanks to all who have contributed to decorating the club house as this makes our events colorful and enjoyable. Under the direction of Vicki Miller and Lynn Conlen the party decorations really enhanced our lovely new community room and provided the spirit of the season.

Senior Housing Rules

On the first day at the new seniors complex, the manager addressed all the new seniors pointing out some of the rules:

"The female sleeping quarters will be out-of-bounds for all males, and the male dormitory to the females. Anybody caught breaking this rule will be fined \$10 the first time." He continued, "Anybody caught breaking this rule the second time will be fined \$20. Being caught a third time will cost you \$30. Are there any questions?"

At this point, an older gentleman stood up in the crowd and inquired: "How much for a season pass?"

PURPLE PAWS PET CLUB

In conjunction with the Home Owners Association (HOA) we are proud to announce the formation of the Purple Paws Pet Club (PPPC) at Park Royale on 15 April 2016 at a gathering of a number of Park residents, where the Bylaws of the Club were ratified and the following officers were elected:

Jay Johnson	President
Wiley Kulia	Vice President
Sue Brown	Secretary/Treasurer

The objectives of the Club were specified:

1. To encourage all residents of Park Royale to comply with the designation of a "pet friendly" community.
2. To provide a unified voice for pet owners to communicate with the property owners and all other residents at Park Royale.
3. To encourage better neighborhood relations between the property owner and all residents through education, communications and training.

4. To conduct meetings, to participate in, or stage events of general and specific interest to pet owners of Park Royals.
 Dogs, cats and birds are considered pets at PPPC, but why Purple Paws?
 Purple is the color of royalty and pet owning residents of Park Royale consider their pets “royalty”!
 The Focus of the PPPC will be:
RESPECT, RESPONSIBILITY AND BALANCE
 Pet Reminders: Do not feed the stray animals
 and all pets should be on a leash!

Metamorphosis

Written and submitted by Lil Papelian

Where is the boy? Hiding in a man’s body.
 Is he too small to emerge?
 Or can it be he fears what lies outside
 Of this protective covering he shows the world?
 Come out, son – be not afraid
 Of that life you reject and defy all things unknown.
 Come out son – life is waiting for you.
 Life and love and beauty await your hungry eyes.
 Escape the darkness of that man body
 That for you is much too heavy a load to tote.
 Escape the clutches of fear not needed
 By a boy whose needs can be fulfilled
 Come out boy – I need to gaze upon that boy man face.
 Come out boy – into a world and proudly take your place.
 Come out boy – reject the fears that lead you far astray,
 Come out, boy – come out. Don’t run away!
 Alas! Too late! He’s gone -----
 A man emerges with the break of dawn.

Coffee and Donuts

THE PARK ROYALE COMMUNITY DIRECTORY

A complete and very useful directory for Park Royale residents! Corrections, additions and omissions should be submitted to Carlotta Linck at 727-346-3455 as soon as possible. Carlotta dedicates many hours coordinating this valuable resource and she wants to get it right. We thank Carlotta for her tireless efforts each year! You are a gem!

For a smile on your face.....

Computers can never completely replace humans. They may become capable of artificial intelligence, but they will never master real stupidity.

“Doctor, you’ve got to help me; I can’t stop thinking I’m a goat.”
“I see. And how long have you had this problem?”
“Ever since I was a kid.”

Activities in the Park

Euchre

The Euchre season has come to a close for the summer. We had a great time this season. A special thanks to all of you who came early and helped to set up for the evening as well as to those who provided refreshments and coffee.

New members are always welcome whether you have played a little or a lot. Call Holly Johnson at 727-289-1136 if you would like to learn how to play or just need to brush up on your skills. Euchre will begin again in the fall and sign-up sheets will be placed in the clubhouse. Come and hear who Oscar is. Thank you for your participation and have a great summer.

Mah Jongg

Submitted by Lil Papelian

Mah Jongg Lessons

If anyone is interested in learning to play Mah Jongg which meets on Thursdays, please contact me at 546-4727.

This international game is played worldwide and has many benefits, the least of which is

an alert, active brain exercise. If you can play Rummy, you can learn how to play Mah Jongg. Give it a try. My teaching time can be flexible, depending on the availability of those wanting to learn.

Men's Cards

Have you ever wanted to learn about Texas Hold'em? On Tuesday and on Thursday afternoons (5:30 PM until the last man leaves) in the clubhouse, there are a number of Park Royale men who enjoy this game. For more information, contact Rosaire LeBlanc at 727-544-0566.

Women's Cards

Women's card games are a lot of fun. The game 13 is scheduled for Tuesdays 1:00 PM to 3:00 PM and a myriad of other short games are played on Thursday evening at 6:30 PM to 9:00 PM. Contact Linda Fogle at 727-8618 for more information. These games run all year round.

Crafts

There are several opportunities in the clubhouse during the week to learn new crafts, share ideas and/or just work on favorite projects with friends. Some examples of craft activities are card making, knitting, quilting and open craft night. This is available Monday 7:00 to 9:00 and throughout the week.

Card making

Card making is Monday and Wednesday from 11:30 AM to 3:00 PM. Come see the beautiful cards that are made by our residents. The card makers are very dedicated to this art form and the results are stunning. May thanks to Debra Jock for her creativity and leadership.

Exercising

A Balance and Stretching Exercise Program for everyone!
Join us on Wednesday and/or Friday at 9:30 AM for 35 minutes of low impact stretching. If you have any questions, please feel free to come and observe or call me at 216-835-7303.
Debbie Arntz

Pickle Ball

Pickle ball is official over until the fall. For more information, please call Leurene Hildenbrand 727-545-3484 or cell 330-607-4335 or email BIGHFARMS@EARTHLINK.NET or Mark Potter 727-800-9165 to be put on the e-mail or call list for current dates and times as our availability allows.

Caregiving has its rewards

As Americans live longer, families are feeling a heavier burden in the caregiving area. The Bureau of Labor Statistics estimates that some 40.5 million Americans are acting as unpaid caregivers for older family members. Most just help one person, but 22 percent are responsible for two people and 7 percent provide help to three or more. Most caregivers are between the ages of 45 and 64 (23 percent), but 17 percent of people older than 65 act as caregivers as well.

The demands may be high, but many Americans find the work worthwhile. Yes, 32 percent describe caregiving as stressful, but 88 percent say helping out an elderly loved one is a rewarding experience.

Try these year-round common cold remedies

You can catch a cold any time of the year, no matter what the weather is. Although you can't cure it, you can relieve its symptoms with some simple remedies. Try these:

- Honey. Honey mixed with tea or warm lemon water can relieve coughing and sore throat.
- Zinc. Zinc supplements taken within the first few days of having a cold can shorten your illness and could prevent a cold in the first place.
- Hot liquids. Hot tea or water can loosen up congestion in your chest and sinuses.
- Salt water. Evidence suggests that rinsing your mouth with salty water can clear up nasal congestion and unclog your sinuses.
- Vitamin C. Evidence that vitamin C can help you avoid or shorten colds is mixed, although research does hint that it may be effective for those with a vitamin C deficiency.

We must respect the past, and mistrust the present, if we wish to provide for the safety of the future.

Did you know that May is also...

ALS Awareness Month. ALS, also known as Lou Gehrig's disease, is caused by the death of neurons, leading to stiff muscles, twitching, and gradually worsening weakness. No cure is known, but this month is an opportunity to spotlight and support research to fight this deadly disease.

Better Hearing Month. Approximately 36 million Americans suffer from some form of hearing loss—and more than half are under 65. Visit an audiologist today to learn how to protect your hearing and ensure that your ears stay healthy throughout your life.

National Military Appreciation Month. As designated by Congress, National Military Appreciation Month celebrates the history of our armed forces and recognizes the brave people who have served in every branch of military service. It also allows Americans to educate each generation on the historical impact of our military through community participation.

National Bike Month. Sponsored by the League of American Bicyclists and celebrated in communities from coast to coast, National Bike Month is a chance to showcase the many benefits of bicycling and encourage more folks to giving biking a try.

Children's Mental Health Awareness Week, May 1-7. A yearly event aimed at raising awareness of the issues and causes integral to the children's mental health field nationwide. Sponsored by the National Federation of Families for Children's Mental Health, this year's theme is "Healthy Families, Resilient Children: Mental Health is a Family Affair."

National Nurses Week, May 6-12. One of the nation's largest health care events, National Nurses Week ends on the birthday of Florence Nightingale, the mother of modern nursing, and recognizes the contributions nurses make. It also educates the public about the significant work they perform.

American Craft Beer Week, May 16-22. American craft brewers are small, independent, and traditional. The average American lives within 10 miles of a brewery, and the United States now has more beer styles and brands to choose from than any other market in the world. Enjoy a cold one (responsibly) all month long.

May Day, May 1. An ancient northern hemisphere spring festival celebrated in many cultures. Dances, singing, and cake are usually part of the activities.

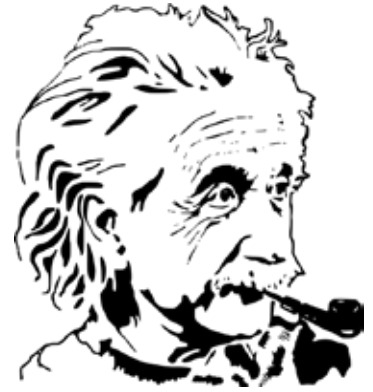

Mother's Day, May 8. Don't forget to tell your mother (and mothers everywhere) how much she means to you.

Memorial Day, May 30. A U.S. federal holiday honoring those who have given their lives while serving in the armed forces.

Einstein: A genius with a human touch

Albert Einstein was a scientific genius, and stories about him are legendary. Three stories illustrate that he was as human as the rest of us:

- When Einstein went to Princeton University in 1953, someone asked what he would need for his office. His reply: “A desk, some pads and a pencil, and a large wastebasket to hold all of my mistakes.”
- A student visited Einstein in his Princeton office one day with a copy of this year’s final exam in his hand. “Professor, all the questions on this year’s test are the same as last year!” “Yes,” Einstein replied, “but this year all the answers are different.”
- After finishing a paper, Einstein and his assistant could find only one paper clip in his office to hold the pages together. Unfortunately, it was bent out of shape and impossible to use. They searched the desk for something to use as a tool to straighten the clip, and found a full box of paper clips in one drawer. Instead of taking one of those clips, Einstein used one as a tool to straighten out the bent clip.

The assistant asked why he didn’t just use one of the fresh clips. Einstein answered, “Once I am set on a goal it becomes difficult to deflect me.”

Too much of a good thing

A farmer went to church one Sunday. To his surprise, he and the minister were the only people there.

“This is a little embarrassing,” the minister said. “Since you’re the only one here, would you really like to hear my sermon?”

The farmer said, “Well, I’m not too smart, but if I went to the barn to feed my cattle and only one showed up, I’d still feed him.”

So the minister began his sermon. He spoke passionately for an hour and a half. When he finished, he asked the farmer what he thought.

The farmer answered, “Well, I’m not very smart, but if I went to feed my cattle and only one showed up, I sure wouldn’t feed him all the hay.”
