General Community Manager A message from Joanne Davis

A few FUN Facts about October:

- The birthstones are the tourmaline and the opal
- Birth flower is the Calendula
- Happy Birthday Libra and Scorpio
- National Pizza, dessert and cookie month!!! All of the good food groups! [Symbol]

YARD OF THE MONTH

May was Sue & Jerry Brown 66063 Cambridge & June was Patricia Post 66257 Oxford Rd.
July was Janet Flosi at 66297 Essex Rd & August was Donna & Richard Yeomans III 66275
Cambridge
September was Diane Davis 66217 Milton

October Winner is: Keith “Mike” Cornell and Chris 66100 Windsor
Drive or walk by to see their beautiful work!!

NEW HOMES – Just 2 homes left – 1 at 66095 Windsor was \$ 91,995.00. Oct. home of the month price \$ 88,995.00. 2nd home is coming Oct. 30th at 66289 Cambridge.2/2 with Veranda. Over 1,200 sq.ft. listed for \$90,995.00. They will go fast!! Don't forget the \$1,000 referral fee!

Benefits of letting The Park Manager sell your home! We don't want you to leave but if you decide you must go let Joanne sell your home!!!! I can match any realtor's fee. I list on all the same sites as a realtor except MLS. I get walk-ins and cannot show homes listed by a realtor or by owner. YTD I have sold more homes than any realtor in the park. My main job is to sell homes used and new. Give me a call or stop by. Let me serve you!

All Hazard Guides are available in the clubhouse – This will help you prepare for Hurricanes.

I will say we sure dodged a bullet with Hurricane Irma. Only 3 homes sustained major damage. We were very blessed to not get the hurricane they were predicting!

Please be sure to know your evacuation shelters before a storm comes. Have a plan and supplies ready for the hurricane season so you don't have to fight the crowds.

POOL CLOSING – Since the pool was not closed in July because the previous contractor forgot to order the pavers, the pool will now be closed from Oct. 23 – Nov. 6th.

...continued on page 6

GUESTS – It was nice that we could accommodate family and friends when their power was out due to Hurricane Irma. However please remember to have them follow the Park Rules. No street parking. Have them park up by the clubhouse or on Regent. Normally guests are not allowed to bring pets, however we made an exception during this crisis. If they had pets they should follow the same Park Pet rules. Keep dogs on a leash and pick up after them. Thank you all for opening your homes to those without power!

Please remember if you have a guest (not during hurricane) you have to register them in the guest book at the clubhouse. Thank You.

10 things you should never flush down your toilet

1. Bathroom wipes – even if they say flushable. These wipes are creating clogs and backups in sewer systems.
2. Cotton Balls and Swabs- they gather together in bends in pipes and cause major clogs.
3. Prescription Medication – they destroy bacteria, contaminate groundwater supplies and have terrible effects on wildlife downstream.
4. Paper Towels- they are not designed to break down like toilet paper.
5. Cigarette Butts- they are full of incredibly toxic chemicals that end up in the water supply.
6. Band-Aids – they are made of non-biodegradable plastic. Terrible for the environment
7. Dental Floss- it wraps around other items and causes clogs.
8. Fats, Oil and grease – do not put in garbage disposal either. It cools and congeals and clogs pipes. Scrape it in the trash when it cools
9. Cat Litter – it is made from clay and sand. 2 things that should never be put down a toilet. Plus the cat waste contains toxins and parasites.
10. Disposable Diapers or Adult Diapers. (Our lift station quit working last month. They found an adult diaper that clogged it up.)

The emergency number is still 877-786-6048. A service is hired by Sun Communities, and when they receive a call, they will call the person in charge first, then Mike Milleman, maintenance second.

From the H.O. A. V.P. Director Mike Skrzypkowiak

The September 2017 H.O.A. meeting was canceled due to Hurricane Irma. Park Royale was very fortunate to have minimal damage to the mobile homes and the Park surroundings.

These individuals are volunteers who spend countless hours working on your behalf. Please support them by joining your HOA and if you have any concerns or questions, please feel free to contact them. There is still a need for a Secretary

Many thanks to Lynn Conlen who is acting recording secretary until the secretary position is filled.

I hope that you will become a member of HOA and learn what HOA is all about. With Bill Hill's absence Mike Skrzyzkowiak, Vice President, has stepped in and is determined to do a good job. We hope that you will support him and the newly elected HOA Board. Let's go for 100 % Membership in 2018!

The Welcoming Lady

The Welcoming Lady is Gloria Evans at 66252 Oxford (727-346-5376). She comes with lots of Ideas and enthusiasm. If you have not been contacted by the previous Welcome staff, please contact Gloria. This is the time when you can submit your birthday to be listed in the monthly Media and then forward your address and phone number for the Park Royale directory. We also hope that you will share your ideas in regards to Park activities and learn about volunteer opportunities.

Movie Night

Movie Night was a big hit this summer. We had a nice turn out for movie night. We have posted a form on the bulletin board in the clubhouse to put your request for movies that you would like to see on Movie night! Mark your calendars for the 2nd Friday of the month for this family fun activity.

Attention: Veterans in our Park

We will be updating the Veterans pictures in the glass case in the community club hallway. There will be a notice on the clubhouse bulletin board for you to give your name, branch of service, MOS and birth date. Pictures are being requested as well, 4 x 6 if available. If you don't have a picture, Valerie, our new H.O.A. Director will be happy to take a picture for you. Please contact Valerie at 727-458-9602.

From the Media Editor:

I am so grateful that the Park endured the winds and rains of Hurricane Irma. A lot of valuable lessons were learned by those of us who had not experienced a natural disaster before. Being prepared is the first thing that comes to mind now! Preparedness means checking supplies periodically, replacing items that may have expired, or determining any signs of bulging of canned goods.

And there are many items that I will now add to my emergency box. One thing that I wish I had with me was the latest edition of the Community Directory as it would have eliminated some stressful moments. Let us know what you have found to be helpful!

GUESS WHO!!

Well, I guess that wasn't the enjoyable game that I thought it would be and so many factors made the event even more challenging! We are happy to report that there was one winner with 6 correctly identified pictures. The correct answers to the pictures are

1. Jeanette Paquin
2. Pat Howe
3. Mike Milleman
4. Linda Fogle
5. Miriam Rieke
6. Debbie Arntz
7. Ralph Heusinger
8. Lillian Papelian
9. Al Siebert
10. Shirley Weller
11. Vicki Miller
12. Linda Sanchez

Thanks for your participation!

The winner will receive a package of useful gifts from the various merchants in the area.

Card Bingo

Card Bingo is still being offered on the 4th Friday of the month. Please sign up on the main board and grab your quarters so we will be prepared for a fun evening. Again, thanks to Sue and Al for introducing this game to us.

Always watch the calendar board in the front of the community building for updates all month long.

Common Courtesy

It includes ideas, suggestions, observations etc. that should be shared with others in the Park. Please submit your thoughts on this article as we would love to hear from you.

A Little Bit of Humor

Whenever I hear a speaker say, "I don't know where to begin!" The little voice inside me wants to say "close to the end."

I was a nonathletic child. My parents had to hire a stunt double when they made home movies.

I always hold hands with my wife. If I let go, she shops.

How can a guy who signs a contract for \$30 million be called a free agent?

I've always been quite an athlete myself – big chest, hard stomach. But that's all behind me now.

Win with the Vendors of Park Royale

Whether you need a Plumber, a Vapor barrier or a new roof, the first and best place to look is in the Media! Supporting the vendors in the Media keeps the monthly newsletter available and helpful to each homeowner because sooner or later you are going to need a service that is advertised.

In appreciation of your support, you could be eligible to win \$5.00 to \$100! Once a job has been completed at your home, the Vendor will provide you with a Monthly Media contest entry ticket. All you need to do is fill out the ticket and deposit it in the Media box that is located between the exercising room and the pool exit. There is a limit of one entry per month.

Our Library at Park Royale

Janet Hazen (712-209-1838) our librarian, has completed the coding of books and has grouped all of the books appropriately. If you have taken a book out of the library recently, please return it to its proper alphabetical order.

THE ROYALITES

ROYALITES REPORT

We do ask that you swing by the clubhouse and check the big sign out front for upcoming events and to stop inside to check the bulletin board for more event information. While you're at it, say hi to Joanne and Kris.

Some events/Park functions coming this fall are....

Pot Luck Dinners will start in September! Join us on September 26th. Look for the sign-up sheet in the Community room. After September, the Pot Lucks will return to the second Tuesday of the month. Come along and join in the fun with a delicious meal to share.

Card Bingo - This is a lot of fun. Come check it out on October 27 at 7:00 PM. It is scheduled the fourth Friday each month!

Coffee and Donuts Thursday, October 12th. This is a great time to sit and chat with friends as well as hearing about the latest achievements here in the Parke from Joanne.

This month we have special guests, Artists Arlene Kitchin-Martin and Joe Martin, who are new residents to the Park, sharing their artistic talents with us. Once settled in the Park, they were kind enough to share some their creations which are on display in the Club house. This small sample of beautiful art barely shows the passion that they have for a variety of art forms.

Arlene loves to work on subjects that are meaningful to her life. She has studied under well-known artists both in Connecticut and Maryland. She has been an active member of the Treasure Island Art Guild and the SunTan Gallery where she has been a regular exhibitor.

Joe has been a successful photographer for more than 40 years. He developed and implemented the county wide photo curriculum for Annapolis High School students where he taught and his curriculum is still utilized today. He has received numerous awards in Florida along with

There is much more that can be said about these fine artists but it would more enjoyable to hear and see for yourself. While enjoying that second cup of coffee, have an artistic experience with Arlene and Joe.

The Ladies Lunch returns in October. The first Luncheon will be October 10 at the Olive Garden. Sign up in the Community room so car pools can be established. On the day of the Luncheon meet in the Community room at 11:15 AM for a delightful afternoon!

Movie night will continue to entertain the second Friday of the month. See you Friday, October 13 at 7:00 PM. Come see what Gloria and Brian Evans have selected for us. The movies this summer were entertaining and everyone enjoyed the popcorn.

Check the boards inside and out for times and dates for information on these and other events. Check out our parks web site at www.ParkRoyale.net

Something to ponder!

The annual Winter Art and Craft Sale will be November 18 from 8 to 2.

As in the past we'll have local artists and crafters displaying their crafts for sale. We have unbelievable talent here in Park Royale.

Breakfasts and lunch will be served. Our bake sale is a favorite of the day. It sells out fast. So come early for the goodies!

If you would like a table to display your crafts or to volunteer, please call Carol Molter at 727-545-5430! See you there!

What is the difference between a Tornado Watch and a Tornado Warning??

Watch: the conditions are favorable for the development of a tornado.

Warning: a tornado has been spotted by a trained weather spotter.

PICKLEBALL "Great news from the Pickle Ball players"

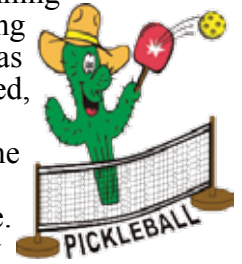

Submitted by Mark Potter

We are in our second year of play with Leurene and Mark and still running 7 mornings a week at 8:30 am! We have had several weekend morning turnouts with over 20 players. The number of players daily has decreased due to the warm weather but they will be back. If you are interested, come to the courts to watch and you will catch the fever!

All are welcome and nets, balls and paddles are provided. Stay tuned, come out and try the fastest growing sport in North America.

Everyone is welcome to join us even if you have never played before. Thursday is our novice and skill development day for everyone, but especially for our new players. Come meet your instructors: Deryk, Dave and Michilene.

Other play possibilities are in the early evening, so be sure to give us your contact information. Give your information to either Leurene Hildenbrand 727-545-3483, email bighfarms@earthlink.net or Mark Potter 727-800-9165 or email MarkdiPotter@Outlook.com. All equipment is supplied. Also, there are indoor facilities at almost all of the Recreation Centers around.

When do you throw out food?

Why throw food in the garbage if it is still perfectly good? That is the reason behind a special store in Copenhagen, Denmark, that sells expired or damaged food items. The store is called WeFood, and people love it because of the low prices. The store also sells non-food expired items, such as make-up and household products. Users of the store are not only people with limited incomes, but also people concerned about the amount of waste generated when items are needlessly tossed in the trash due to short “use-by” dates or a bit of damage due to the packaging

So how do you check for freshness? Sniffing the food is not the answer, but it is a method that many people rely on. The approved way of checking for freshness lies in a voluntary system of labeling. The only items required by federal law to be labeled for expiration are infant formula and some baby foods.

Definition of terms

The actual term “expiration date” refers to the last date a food should be eaten or used. Last means last – proceed with caution. “Sell by” date tells the store how long to display the product for sale. This is a guide for the retailer so they know when to pull the item. “Sell by” is the last day the item is at its highest level of quality, but it will still be edible for some time after. “Best if used by (or before)” date refers strictly to quality, not safety. The date is recommended for best flavor or quality. It is not a purchase or safety date.

If you are returning now after being gone for the summer, this is the time to check the dates of canned goods and spices.

Mah Jongg Lessons

If anyone is interested in learning to play Mah Jongg which meets on Thursdays, November through April, please contact me at 404-849-3243.

Men's Cards

Have you ever wanted to learn about Texas Hold'em? On Tuesday and on Thursday afternoons (6:00 PM new time) in the clubhouse, there are a number of Park Royale men who enjoy this game. For more information, contact Rosaire LeBlanc at 727-544-0566.

Women's Cards

Women's card games are a lot of fun. The game 13 is scheduled for Tuesdays 1:00 PM to 3:00 PM and a myriad of other short games are played on Thursday evening at 6:30 PM to 9:00 PM. Contact Linda Fogle at 727-547-8618 for more information. These games run all year round.

Crafts

There are several opportunities in the clubhouse during the week to learn new crafts, share ideas and/or just work on favorite projects with friends. Some examples of craft activities are card making, knitting, quilting and open craft night. This is available Monday 7:00 to 9:00 and throughout the week.

Card making

Card making is Monday and Wednesday from 11:30 AM to 3:00 PM. Come see the beautiful cards that are made by our residents. The card makers are very dedicated to this art form and the results are stunning. There also some quilters who meet at the club house at this time and their work is fully admired by everyone. Visit the club house to see what I am talking about.

The Balance and Stretching Exercise Program for everyone!

Join Park Royale on Wednesday and Friday at 9:00 AM for 35 minutes of low impact stretching all year long. Many thanks to substitutes Penny and Marcia for their help during my absence. If you have any questions, please feel free to come and observe or call Debbie at 216-835-7303. Keep on exercising as it will strengthen your body and help you to avoid falls.

Aquatics

Penny Calkin has been providing an aquatics class on Friday mornings and it has been a great hit. This program will continue as long as there is interest and the weather cooperates.

...continued on page 32

Pickle Ball

Pickle Ball is the fastest growing sport in the country. Many of the Park Royale residents (60 plus groups to even 80 plus groups) have been competing in and outside the park and doing quite well.

Pickle Ball is scheduled every Saturday at 8:30 AM from November through April. This game is also available every day of the week, weather permitting. Come over by the tennis courts and take a look. We heartily welcome everyone to play or cheer!

For more information, please call Leurene Hildenbrand 727-545-3484 or cell 330-607-4335 or email [BIGHFARMS @EARTHLINK.NET](mailto:BIGHFARMS@EARTHLINK.NET) or Mark Potter 727-800-9165 to be put on the e-mail or call list for current dates and times as our availability allows. Thanks

Billiards

Contact: Dan Hogan

Park Royale has two new pool tables and Dan Hogan coordinates these games on Monday afternoon at 1:00. This is for your enjoyment, no cost and everyone is welcome! Stop by the Club and try it out.

Bocce

Bocce is a fun out door ball game that begins in November. 6 Teams are selected but alternates are always welcomed. To establish teams, it is necessary to sign up to play. Please arrive at the Bocce Court well before 9:30 as the games begin sharply at 9:30 AM each Tuesday. Rosaire LeBlanc and Janet Oke coordinate this activity each year. Look for the sign-up sheets.

Shuffle Club

We welcome new people who are interested in shuffle every year. Our season begins in November and goes through March. You can sign up for one day, two days or three days and play at your own speed. You don't have to play three days a week. If interested, contact Grant Sloan at 727-290-9352.

Three activities to ward off Alzheimer's

Alzheimer's disease may not have a cure, but experts believe some practices can help delay memory loss. Here's what you can do:

- **Cognitive training.** Crossword puzzles and other games can help, but try some different techniques. Do simple arithmetic in your head instead of relying on a calculator. Develop a new method for remembering what's on your shopping list. Train your brain to remember things in new ways and you'll keep it sharper.
- **Control your blood pressure.** Reducing high blood pressure with medication and weight loss not only cuts your risk of heart disease, but it can also ease stress on the delicate blood vessels in your brain— stress that can exacerbate memory loss and dementia.
- **Exercise.** Moderate aerobic exercise has many health benefits, including heading off symptoms associated with Alzheimer's. Try exercising for 30 minutes five days a week, or 50 minutes three times a week. You'll feel better and extend your cognitive health.

Scientists search for life on the toughest planets

We think of life as viable only on planets orbiting stars like our sun, but scientists now speculate that it could evolve on worlds circling very different types of stars.

Stars called M dwarfs are the most common stars in our galaxy. Their harsh flares and gravitational grip on their innermost planets could interfere with the formation of liquid water, which is necessary for life. However, astronomers have spotted approximately 200 planets circling M dwarfs, and dozens are in the so-called habitable zone where liquid water could exist and temperatures aren't too extreme for the development of life.

Scientists are studying these strange new worlds in hopes of detecting conditions that might lead to life—although it will probably be very different from any life found on Earth.

Lost and found: Seeking owner of ancient sword

Scientists are trying to determine the identity of the owner of a 14th-century sword found in a bog in Poland. The four-foot-long sword, which according to the Fox News website is remarkably well preserved, was discovered by a worker using an excavator to drain a peat bog. The worker donated his find to a local museum.

Museum officials speculate that the sword was lost by a medieval knight, or that perhaps the knight perished in the bog. Researchers are examining an engraving on the sword's hilt that may identify the knight or his family. Meanwhile, archeologists are searching the bog for other artifacts.

Find your creative style

Whatever you want to achieve on the job or in your life, you need creativity to do it. That doesn't mean you have to have the scientific genius of Einstein or the artistic vision of Georgia O'Keeffe. You can unleash your creative mind by finding your own creative style. Here's how entrepreneurial expert Esther de Charon de Saint Germain describes styles on The Huffington Post website:

- **Watchmakers.** Some people are highly structured and detail oriented. They like to polish their ideas until they're as close to perfect as possible.
- **Wave makers.** These folks are more intuitive. They don't dive into details, but think in big-picture concepts. They're apt to lose interest, though, once the hard work of hammering down their ideas starts.
- **Acrobats.** These thinkers can go both ways. They think outside of the box, but they're also able to hone their ideas into something practical. Try to be this kind of creator.

Improve your brain with these tips

Do you want to think more clearly, experience more insight, and have more creative breakthroughs? Take a look at a few tasks (from the Inc. website) that you can put into practice today for a more productive and imaginative brain:

- Seek out new environments. Don't stay in your rut. Go to a concert by a band you've never heard of. Visit a museum you've never been to. Travel somewhere completely new. You'll shake up your mind and nudge it in new directions.
- Let your mind wander. Don't focus all the time. Give your mind permission to soar from time to time, just exploring anything that pops in. A relaxed mind is more open to new ideas and different ways of thinking.
- Have more fun. All work and no play makes ... well, you know the rest. Take time for fun. Play a new game, take up a fresh hobby, meet new people who share your interests and can introduce you to new ones. Playfulness can lead to great ideas.
- Stop multi-tasking. When you're working on a problem or an idea, put away all distractions and focus. If you're constantly shifting from one task to another, your brain will get tired, and you won't have the perspective you need to zero in on what you're looking for.

Block Generals

Notice to all residents:

Please note that your Block Captain may have changed as we are trying to make sure that each Block Captain has only one street. The Block Captains duty is to deliver the Monthly Media to each resident on their street and to call each resident when they are notified that the water is to be turned off. It is the Generals duty to call each Block Captain and tell them the time and date the water is turned off when notified by the office. When it is an emergency, the water is turned off and a plumber is called.

Sometimes the Generals or Captains may not be home when the office calls so emergency calls to residents are not made. We suggest that you keep a jug of water under each sink if this happens to you.

It is up to the resident to make sure that their Block Captain has their up to date phone number. Also, please tell your Block Captain if you will be out of town for a long period of time.

Please place your Park mail box out at the end of your drive way to make the delivery easier. Residents can sign up in the hall for a Park mail box or make one of their own. Please be sure to mark it PARK MAIL.

A Reminder that like the H.O.A. Board, we are all volunteers and we do our best to please everyone. So please be kind!

If you have a problem receiving your Media or being notified about a water shut off, call your Block Captain and make sure that they have your correct phone number.

If you would like to be a Block Captain or a substitute, please call us at 727- 547-8618. Thank You!
