*Hello Everyone,*

September through October will be busy months for the renovations in and around the clubhouse. There will be periods of time when the pool and clubhouse will be closed. As soon as I am informed, I will send out notes to everyone to keep you posted.

Finally, the road work has been completed. It looks great! I want to thank everyone for being so great and patient while it was being done.

Sales for the new and used homes are picking up for the season. I recently sent another

## From the Media Editor:

**From the Editor**

**H**i, I don't know if you saw the promotion of Paint Night on ABC in August, but it might have been our Park Royale session earlier this summer. There was a quick view of a club house room and the set up for all wanna be artists. You know that we have so many Renoirs, Monets and Picassos in our Park! I have heard some buzzing about doing a "repair" night to the lovely "Lily Pads" which was the feature of the last Paint Night. So don't throw your canvas away, help

is on its way!

Since there will be limited clubhouse activity these next few months, maybe we should plan

*continued on pg 6*

an outside event! Have you ever been on a Scavenger Hunt? There will be an opportunity to participate in one on September 26 from 1:00 PM to 3:00 PM. You just can't imagine the fun that you are going to have. Information will be posted and flyers will be distributed on a timely base. Look for a sign-up sheet at the clubhouse after September 1, 2015! And just a reminder that signing up for an event is extremely important. This past year several Park Royale residents were turned away as they hadn't signed up or purchased a ticket and we certainly don't want that to happen again.

If you would like to submit an article to the Media, please use the form on the Information board in the club house. Articles must be submitted by the 10th of the month for the following month's publication. Be sure to check the front bulletin board regularly for additions or corrections to any of the activities as some changes are unavoidable.

Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

## Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

## Did you know that.....

.....your cheese grater is just really an old school food processor because

- if you freeze a stick of butter, you can quickly create small pieces of butter by using your grater on the hard stick.
- the grater's smallest holes will mince garlic or zest your lemon.
- it also makes small wisps of radishes, zucchini, jicama or carrots – which you can use for summer salads or rolls.
- lastly – when your done using it, throw it in the dishwasher and your job is done.

# ROYALITES PUBLIC RELATION'S REPORT

Submitted by Marci Stone, Public Relations

After a few glitches, thanks to all the rain, the street work has finally been completed. Have you checked out the new street signs (Tampa Bay Rays colors). Now we just need to be patient and wait for the work around and in the clubhouse to be completed. It will be worth the inconvenience and be a place we can be proud to call home.

## Mark Your Calendars

Royalties Meeting - Cancelled due to club work  
Women's Lunch Out – Taking a summer break  
Game Night – On Hold due to club work  
Movie Night cancelled due to club work

We had some fun game nights, attended by a small group. But we had fun learning to play Bocce by the rules. Join us on Wednesday evenings from 7 until ????. We may shoot some pool sometime. We are easy going and will take some suggestions. Check the Media for new dates once the clubhouse work has been completed.

Watch the Media for another PaintNite evening coming soon to our very own clubhouse. Steve Miller is issuing a challenge to all you guys out there. He wants to see you at the next PaintNite so limber up those fingers and wrists.

School is back in session, so please when driving watch out for children, school buses and all the extra traffic.

We are not quite in the clear yet as the Atlantic hurricane season lasts from June to November with the peak season from mid-August to late October.

Please remember to have a plan of action in place and be ready to go should it be necessary to evacuate our homes. Merilyn had a great plan and information for pet owners. I suggest having all of your important papers in a small safe that you can quickly take with you.

Here is a web address for a printable PDF to help you make the proper plans:

**For those without a green thumb!! There is interest in starting a gardening group. If you are struggling with plants, as some of us are, let me know and we will put an article together. If you have a tip that might help others, let's share it!**

If you suspect that your pet has consumed your medication – or anything toxic – call the 24 hour ASPCA Animal Poison Control Center at 888-426-4435. Also be sure to immediately check with your vet, and if it is during evening or weekend hours when your regular veterinary clinic may be closed, check for a local 24 hour emergency clinic and take your pet there for an examination.

Our Pot Luck event last month turned out great. We had so many different dishes to try and it was a lot of fun. This month for our event we'll be celebrating "Dog Days of Summer." We'll have a picnic at the dog park and your pets are welcome! It will be Saturday, September 12, 2015 at 6:00 PM. Get your tickets in advance from Marie Gagliardo or Mike Cornell for \$7.00. We will also have 50/50 available. Our member meeting this month is Friday, September 18 at 7:00 PM.

If you would like to purchase a pet stone either in honor or memory of your pet, please contact Mike Cornell. They will be placed in the Dog Park and the cost is only \$5.00.

Even though it's a couple months away, mark your calendars for Saturday, November 21. We will be having our craft sale/bake sale in the clubhouse from 8:00 AM to 2:00 PM. Be sure to check out the beautiful handmade items for sale and also pick up some delicious desserts to take home with you!

If you haven't already sent a picture of your pet to the Royale Pet Owners Club Facebook page, be sure to upload one ([facebook.com/pages/Royale-Pet-Owners-Club](https://facebook.com/pages/Royale-Pet-Owners-Club)). Every month a different pet is chosen for "pet of the month". If you need uploading, just let us know. Thanks for all of your support.

If you'd like to see some of our adorable pets having fun with their 4-legged friends at the pet park, check out the Royale Pet Owners Club Facebook page. ([facebook.com/pages/Royale-Pet-owners-Club](https://facebook.com/pages/Royale-Pet-owners-Club)). This month's Pet Club member's meeting is Friday, September 13 at 7:00 pm. We want to thank you all for your support of the Pet Club!

## **From your RPOC Director,**

---

Just wanted to say hi and welcome new neighbors to the Park – especially those four legged friends. The Royal Pet Owners Club (RPOC) is here for everyone even if you don't own a pet. Watch for our events and parties this summer. It is known that the Park's census is lower during the summer months. This means that this is a great time to participate in the activities and get to know at least a few new people.

Just a few lines to let you know what is happening with the club. We have had a lot of entertainment this year and a new menu to taste. Our goal is to make this a fun place to live both for us and our pets.

If anyone needs information, has concerns or comments, please feel free to call me at 727-623-0862. I am here all year. Thanks and have a great summer.

## Some highlights of Park Royale Activities:

### Ladies Lunch Out

*Submitted by Lillian Papelian*

It is nice to go out to lunch once in a while! The Tuesday Lunch Out program (first Tuesday of the month) is a great opportunity to have lunch with your neighbors from Park Royale. More information and a sign up sheet is posted a week prior to the date, telling where we will be dining and what time to meet for carpooling. I sincerely hope that you will consider being a regular diner at our Tuesday Women's Lunch Out!

Lunch Out is back beginning on October 6! Watch the bulletin Board for more information and be sure to sign up!

### Recycling

*Submitted by Bob Purdy*

The Pinellas County Solid Waste center has prepared a sheet on recycling requirements and safety precautions which is posted in the club house and available on-line. A drop off center located at 2855 109 Avenue N. will accept aluminum cans, glass bottles, plastic #1 – 7 and steel cans 24 hours and 7 days per week. Please review the informational sheet before going to the facility.

### Important Reminder!!!

Please do not leave large household items at the Dumpster! You have heard this before, but it applies to all, all year long!

## To the Card Making Ladies

---

On behalf of the Park Royale Home Owners Association and its members, I extend a heartfelt “Thank You” for the beautiful cards that you donated to our “Sunshine” operation. Your beautiful “Get Well” and “Sympathy” cards will be gratefully appreciated by those receiving them. A little card sent to someone recovering from an illness or experiencing a personal loss of a loved one means a lot.

Again, thank you for your kindness.

Sincerely,  
Lillian Papelion

## Activities each month

### NEW – Scavenger Hunt on September 26, 2015

A Scavenger Hunt is a party game in which the organizers prepare a list defining specific items or locations which the participants (individuals or teams) attempt to gather. There are 20 clues and some are more challenging than others. The startup time is 1:00 PM by the Bocce Courts. Each person or team will be given an envelope to collect the answers to each clue. The cost is \$3.00 per person which covers prizes and entertainment. An example of the clues could be as simple as “What is the name of the famous bridge in England” and the second part of the clue is “What lot number adds up to eight” and the answer would be 170 London Rd. At that point the second clue would be handed out and so the event goes. The person or team with the first right 20 answer is the winner. It is lots of laughs and chuckles. The sign-up sheet will be posted September 1, 2015. Volunteers are needed to make this event successful.

### A Great Exercise suitable for all ages

Place a cinder block on the floor, walk around it twice. Now sit down and relax. You have just walked around the block twice! Good job!

## City life? Not for all young adults

---

The TV sitcom Friends depicted a group of young New Yorkers enjoying life in the big city—but in the end, at least two of them chose to move to a house in the suburbs. Young adults in real life appear to be making the same choice (without the laugh track). A survey of more than 1,500 people born since 1977, released by the National Association of Home Builders, found that few of them want to remain in the city for their entire lives.

Sixty-six percent indicated they'd like to live in the suburbs, and 24 percent have their hearts set on a rural residence. Only 10 percent want to live in the center of an urban area. They're mostly looking for space: Eighty-one percent said they want three or more bedrooms wherever they end up living.

## September Is...

---

**B**aby Safety Month. Drowning, falls, chemicals, and other hazards can endanger the life and health of any small child. During September, take a good look around your house and eliminate any threats to babies' safety that might be hiding in plain sight.

**Library Card Sign-Up Month.** A time to remind parents and children that a library card is the most important school supply of all. If you don't already have a library card, get one in September; if you do, visit your local library and use it.

**National Bourbon Heritage Month.** A celebration of bourbon as America's "Native Spirit." The U.S. Senate declared September National Bourbon Heritage Month in 2007, calling on those who enjoy bourbon to do so responsibly and in moderation.

**National Campus Safety Awareness Month.** College campuses are not immune to destructive behaviors and violence due to high-risk drinking, drug abuse, sexual assault, fire safety, and more. As your kids head to college this month, talk to them about safety and investigate the resources their school offers.

## Week to Week

---

**N**ational Suicide Prevention Week, Sept. 8-14. An annual campaign to inform and engage health professionals and the general public about suicide prevention and warning signs of suicide. Awareness events are held throughout the week around World Suicide Prevention Day, Sept. 10.

National Truck Driver Appreciation Week, Sept. 13-19. Sponsored by the American Trucking Associations, a federation of state associations, affiliated conferences, and individual members committed to developing and advocating policies that promote highway safety, security, environmental sustainability, and profitability.

Pollution Prevention Week, Sept. 21-27. The best way to protect the earth and its people is to stop creating pollution in the first place. Less waste and pollution means fewer hazards to public health and the environment. Pollution Prevention Week highlights the efforts of the EPA, its state partners, industry, and the public in preventing pollution right from the start.

**Banned Books Week, Sept. 27-Oct. 3.** Sponsored by the American Library Association to promote the importance of ensuring the availability of books to all who wish to read them.

## Two-minute walks may improve your health

Exercise keeps you healthy. Fortunately for busy people, exercise doesn't have to mean working out at the gym or running a marathon. A study reported on the Science Daily website found that adding just two minutes of walking per hour to your routine can extend your life expectancy.

Scientists at the University of Utah School of Medicine discovered that taking a two-minute walk once an hour was associated with a 33 percent lower risk of dying. Even brief walks add up to a substantial benefit when taken often during the day. The scientists emphasize that these walks should be an addition to a moderate exercise habit, not a replacement for one. It's a step in the right direction.

## Protect your hearing

Excessive noise in the workplace (or anywhere else, for that matter) can damage your hearing. The Medicine Net website warns that you risk hearing loss under these noisy conditions:

- You need to shout so that people an arm's distance away can hear you.
- Your ears begin to hurt from the volume.
- Your ears are ringing.
- You suffer temporary hearing loss after being subjected to constant loud noise.

All you need is love. But a little chocolate now  
and then doesn't hurt.

## Keeping up with current events

---

**H**ow much do you know about current events? The Pew Research Center News IQ survey examined the knowledge of more than 3,000 U.S. residents in an interactive quiz that asked them to identify a series of photographs, charts, and maps. Here's how the participants measured up when asked to ...

- Identify the country led by Kim Jong-il from a photo (North Korea): 82 percent
- Identify the location of Guantanamo on a map (Cuba): 78 percent
- Name the country the U.S. recently re-established relations with (Cuba): 76 percent
- Identify the proposed route of the Keystone Pipeline on a map: 73 percent
- Identify Malala from a photo (2014 Nobel Prize winner): 93 percent
- Identify Pope Francis's home country on a map (Argentina): 52 percent
- Give the correct number of female Supreme Court justices (three): 33 percent

## Have you taken your fish oil today?

---

**N**atural dietary supplements are big business in the U.S. As part of the National Health Interview Survey, researchers looked at the use of natural supplements other than vitamins and minerals. Comparing figures from 2002, 2007, and 2012, the trends they found include:

- Fish oil. This was the top product used by adults in 2012, as well as among children (though in 2007, Echinacea was the most popular supplement among children).
- Melatonin. This sleep aid came in second for children in 2012, increasing significantly from 2007.
- Glucosamine/chondroitin. Use of this decreased between 2007 and 2012, along with a drop in the use of Echinacea and garlic.
- Ginseng. This showed another large decline from 2002 to 2007, along with the use of Gingko.
- Green tea and milk thistle. Use of these held steady (though low) between 2007 and 2012.
