Message to Pointe West Residents

In trying to protect the health and safety of our Residents, we are again requesting the following:

Please Call or Email the Office if...

- You are a snowbird and have left the Park or plan on leaving. (Disregard if you already called or emailed the Office)
- You have guests or visitors in your unit. (Names, Ages, City & State, how long they will be staying)
- You have returning renters in your Unit that the Office may not be aware of
- You have a new email, phone number or address that the Office is not aware of.

Note: There are returning renters that come every year that do not check in and register with the Office. The Office needs to know when renters arrive and when they are vacating the Unit. I understand quite a few residents have renters that have been previously approved and they have been staying in our Park for many years. The Office still needs to be advised when these renters arrive as they still need to check in with the Office. We need to pull their previously approved application, update any new contact or vehicle information and be sure the background check is still up to date. If we do not have a prior application on file, they will have to fill out a new application. I know this may be time consuming but it is essential for the health, safety and welfare of our residents.

We would like to thank the many residents that have been checking in their renters, guests/visitors, as well as the residents letting us know when they arrive and leave the Park. We appreciate it.

(Reminder: Guests/Visitors can stay a maximum of 15 consecutive days- they must be registered with the Office. This can be done by phone call/voicemail/email)

Any questions please feel free to contact me. From Christine Roberts, LCAM – Pointe West Manager

Reminder for Snowbirds

Reminder for snowbirds leaving for the season. Please call or email the office (pointewestoffice@gmail.com) to let me know you are leaving or that you have already headed back. I have to update our files in case of emergency or mail-outs.

Please be sure that you put away or tie down any loose objects in your yard and/or carport. Hurricane Season starts in June!

Also, make sure you have hired someone to look after your weeds and home surroundings while you are away. This is a reminder that the Park will charge you if ... we have to go around and tie down or remove objects from your yard and/or carport or remedy violations.

Thank you in advance for your cooperation.

- Make sure to stay at home if you are not feeling well.
- Try not to touch your face or anyone else.

We do know that most people affected by the coronavirus have a very mild form which resembles a cold or the flu. Be smart and stay healthy! Enjoy the rest of your time at Pointe West. From Joanne Kiefer, REC President

A Corona Virus Easter

The Pointe West Easter celebration was a bit different in this time of social distancing. People came outside to sing Amazing Grace while keeping their distance. MaryJane played for us on her keyboard. Candy and cookies were shared with friends. It was good to see so many healthy and smiling faces!

So far there are no reported cases of Covid 19 in Pointe West. That's great news! We encourage you to continue practicing social distancing, wearing a mask when you have to go to the store and washing your hands thoroughly throughout the day.

Koffee Klatch News

As the winter activities start to decline in the month of May we start to say goodbye to our snowbirds from the northern states and Canada. It's a long, hot summer for those of us who remain here year round, but someone has to hold down the fort!

We have decided to have the 50/50 drawings on the first and third Wednesday of each month. The tickets will be \$5.00 for 10 chances. We are approaching the break-even mark with the 50/50 on the 1st and 3rd "KK" meeting of each month. We also are very happy and thankful for the 50/50s sold at our dances which have been so generously donated to "KK". Good luck!

Let's not forget to put your spare change in the donut donation jar on the counter by the donuts every Wednesday. We have not had to take money out of the REC financial fund since last fall as these donations cover the cost of coffee, tea and donuts. Our goal is to be independent monetarily for the entire year.

Throughout the summer we will continue with "KK" Wednesday morning as usual. We will continue to put up volunteer sheets in Activity Room 1 so anyone can volunteer to help in the kitchen. Again, a heartfelt thank you to all of you! Without your generosity we could not have met this goal. On another topic, please remember to bring your coffee mug with you for KK. We are earnestly trying to save money and the environment and move away from styrofoam cups. (KK is cancelled until further notice)

From the REC

Yes, We Are Living In Strange Times!

I've been wracking my brain to come up with a clever and witty subject for this article. I failed miserably. There's not much fun going on around here these days. Unless you count the funny memes we share on Facebook! I must admit they do make me chuckle. These quiet moments have given me plenty of time to think about what I'm missing. Quality time with my family obviously tops my list. Not far behind would be interaction with friends and acquaintances. Things that make Pointe West such a special place - a true family. I really, really, really miss everyone and everything. I miss dances, the beach, laughing at the pool, celebrations, aquacize, yoga, darts, bingo, euchre, ping pong, music for fun, arts and crafts and, yes, even KK. We sure keep ourselves busy around here (in better times).

Enough feeling sorry for myself! We are so very lucky to have each other and this amazing place! Sometime soon we will hit the ground running and start all over again. A new season. Old and new friends. More fun. Smiles all around. Let's hang onto that picture. Be thankful we are all healthy and staying safe. Lucky.

"We're not primarily on this earth to see through one another, but to see one another through." (Peter De Vries)

"I've learned that people will forget what you did, but people will never forget how you made them feel." (Maya Angelou)

A Bouquet for Mother

If I had a garden of flowers rare
In size so far beyond compare
I'd wander through it on this day
And pick for you a big bouquet

I'd pick a rose of deepest red
For the time you've tucked me into bed
Another of a brilliant hue
For the many times I've made you blue

I'd put a snap in its right place

For the times you've washed this dirty face
An aster I would place in hand
For the times I've spoiled the things you've planned

A pansy I would try to find
For each time I've been to you unkind
And I'd try to find a violet blue
For each time I've been untrue to you

Some daisies I would like to pluck
For the times in past my part you took
For the time my secret you have kept
So that my Dad would spare the whip

I'd break a marigold from its stem
While thinking of the time when
I fell, while out at play
And you came, picked me up, kissed the tears away

You'd try to kiss the place that hurt
'Tho often it was hid by dirt
Sometimes you'd kiss my face, my hand
The place I sat or "where did I land?"

This garden of mine would sure look sick
All perfect blossoms would be picked
To move this bundle I'd hire a van
"Twould be too big to carry in hand

Mother of mine, you're growing old
There's silver threads among the gold
There's wrinkles deep upon your face
Time, worry and work have left their trace

When the sun goes down at the end of your day
And the Good Lord takes your soul away
I dread to think of the space there'll be
That will be empty, hollow for me

So, here's a bouquet of words for you
While the sun still shines and skies are blue
To let you know that I do love you
And wish you might stay 'till my life is through

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

May Days

Hug Your Cat Day, May 1. You should be doing this every day, but in case you're not, today is the day to show your kitty some affection.

Learn to Ride a Bike Day, May 2. Slap on the training wheels if it makes you feel better. The point is, just get on a bike and go for a spin.

No Diet Day, May 6. You don't have to follow the latest trends to change your relationship with food. Start today with a commitment to live a healthier life by decreasing your consumption of junk foods.

Letter Carrier's "Stamp Out Hunger" Food Drive, May 9. Check with your local postal carrier and station to find out what items they are accepting during the largest national food drive in the U.S.

Stay Up All Night Night, May 9. Reconnect with your inner child and have some fun as you stay up (and out) well past the time when the streetlights come on.

Mother's Day, May 10. She carried you in her womb for nine months, and that did a number on her back. Now give her some flowers and take her out to brunch. It's the least you can do.

How to set reasonable goals

Setting a goal is important, but setting a good goal is what really counts. What is a good goal? A good goal usually has a few definable characteristics. Good goals are:

- Specifically focused.
- Neither too hard, nor too easy.
- Shared and agreed upon with others who will be working on them.
- Written down and visualized.
