Message from Park Manager

Message from Management:

Violations:

I wanted to remind Pointe West Residents to make sure they are keeping up on the Trimming, Weeding and Edging around your Unit, as well as Power-Washing, Painting & Carports. We once again have numerous Violations. This is unacceptable, especially when your neighbors keep their Unit and surrounds in beautiful shape. If you receive a Violation letter and you do not comply within 30 days the Park will correct the conditions of Non Compliance and charge you up to \$200. Joe Frandeka and I are in the process of doing full inspections. There are some Units that need serious attention. Our next step may be considering implementing a Fining Committee. Residents would pay a fine for Non Compliance as well as the \$200 we can charge to correct the conditions. If you are interested in volunteering to help your neighbors with weeds or trimming, please contact the Office.

Hurricane Season:

We are in Hurricane Season, please make sure you have any lawn items put away or tied down. Many Residents have a lot going on as far as lawn items and this could be a serious liability. Objects picked up by high winds can be tossed and cause serious injury or damage. We will be sending out letters to the Residents who left the Park early to be sure they have hired someone to remove or tie down any and all loose items.

Park Communication:

The Board has passed VOLO Village, a messaging service that will allow the Office to send Residents Emergency or any Important Information via phone call, text or email. The Resident will be able to choose how they would like to be alerted. We have not yet signed an agreement as the Board will have a meeting on November 3rd to allow Shareholders to give their input on using this messaging service. Once the contract is signed, I will get out all the information our Residents need to sign up. This service will alleviate a lot of issues with communication in the Park when it comes to water shut off, trash, weather, etc. I would like to thank Ghislaine for the great job she has been doing in getting information to the Residents via email. It has been very helpful to the Residents that have email access.

Clubhouse:

The Clubhouse will remain locked. We were trying to work with the Residents in these trying times and at least allow a small private party for a special occasion, with a signed waiver. After speaking with our Attorney & Insurance Provider we will no longer allow Private Parties with a Waiver. They advised us that even a waiver may or may not hold up in Court. If we were to be sued due to COVID-19, the defense alone in a lawsuit could bankrupt the Park. It is a chance we are not willing to take. The Clubhouse will only be opened for Board Meetings. The Shareholders attending would be required to sign up with the Office, wear a mask and if you

continued on page 12

are not living in the same household you would have to be spaced 6 feet apart. We understand the frustration but again, it's not worth the risk. I spoke with the Four Seasons Manager and they will not be opening their Clubhouse for the same reasons.

Reminder - Cameras:

We are in the process of installing more cameras throughout the Park. We have our License Plate cameras up and running. If you are caught speeding you will be notified and if it continues you can be banned from driving in the Park. We have Largo Police on standby for help with speeders that do not live in the Park. The cameras are monitored at all times.

Rent:

There will not be a Lot Rent increase next year. Due to COVID-19 & the restrictions that have been implemented by the Government, the Board Voted not to raise the rent for 2021.

Thank you for your cooperation in keeping our Park looking beautiful!

From Christine Roberts, LCAM – Pointe West Manager

The Hands of a Warrior

Purple veins strain against the skin.
Pale, translucent, paper thin.
Skinny fingers clawed in monstrous shapes,
Brown spots from years that she can't erase.

Now wrinkled and fragile, weak and sore,
So many things she can't do anymore.
Some days she feels she's been betrayed
By the cruelty of her advancing age.

She rubs her hands to ease the ache
And recalls the life they helped to make.
She looks at them and feels the loss,
Living a life bears a very high cost.

These hands that held her children near,
That gently dried their salty tears.
Hands that held her husband's tight,
That never let go against the fight.

Miraculous hands that protected and soothed.
Hands, they conveyed her every mood.
Hands so strong they could carry the weight,
That would never give up and never forsake.

Those hands that took little but always gave,
Hands that applauded each achievement made.
Those soft, sweet hands that gently cared,
For those sick or lost in dark despair.

Hands that fussed and fumbled that day
Her husband gave their daughter away.
Those hands holding tight as he slowly died,
Caressing his brow as she stood by his side.

Hands that rocked her grandson to sleep,
That gladly took over when others grew weak.
Hands that once held everyone that she loved,
And prayed for strength to our God above.

Hands that were always so willing to give,
Hands that reveal a life fully lived.
Small, feeble hands, now empty and cold,
These hands that each day will keep growing old.

These hands she now tends to hide away,
These hands that at times make her feel ashamed.
Grotesque and useless in her eyes,
They rest in her lap as she quietly cries.

But I see the hands of a hero so true,
A woman who survived what this life put her through.
A woman whose heart still shimmers like gold,
With the hands of a warrior who made her mark on this world.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Reality Bites!

I'm thinking it may be time to have a conversation about what to expect this season at Pointe West. No, I don't have a crystal ball and I'm definitely not psychic. However, I am kind of "reading the tea leaves". We will not have a typical year. What it will actually look like is yet to be determined. We will do the best we can, but the health and safety of our residents must be our priority. Decisions will be made by the Health Department, the management company, the ROC and lastly the REC.

Already we're hearing from many (most?) Canadian friends that they will not be joining us this season. Who can blame them or Canada? The numbers say 6.1 million COVID 19 cases in the US vs 134,000 in Canada. 190,000+ deaths vs 9,163. It's staggering. Things may change, hopefully soon, but we must deal with the reality of the situation. Please do not make this political—it's about what is happening in the world right now! Personally we have no idea when we will come down. Sad!

This won't be easy for anyone. We've never been here before. Please, please, please be patient and supportive of those who are trying to make the best decisions to keep everyone safe! Here's praying that we all get through this knothole in one piece, able to enjoy our lives here at Pointe West again! Fingers crossed!

From Joanne Kiefer - REC President

Recipe Roundup – Cucumber Salad Boat

Scoop out the seeds and fill fresh cucumbers with your favorite salad for a crunchy and refreshing light lunch or dinner. Fill with homemade or deli-bought chicken salad, tuna salad, chopped bacon, lettuce and tomato tossed in a little mayo for a BLT salad, crab or shrimp salad. Top off with your favorite bottled dressing for a super easy meal. Also a good way to use up that little bit of leftovers!

October Fun Facts

- The name of the month of October comes from the Latin “octō”, meaning “eight”, because in the Roman calendar October was the eight month of the year.
- With the adding of January and February at the beginning of the calendar after the Julian calendar reform, October became the tenth month of the year, as we know it today.
- The Anglo-Saxons called October “Wintirfylith”, meaning “fullness of winter” because it had the first full moon of the winter season.
- Another fun fact about October is that, according to folklore, if the deer have a gray coat in this month you should expect a hard winter.
- The holiday of Halloween, celebrated in October, comes from “All Hallows’ Eve” or the night before “All Hallows” day (“All Saints” day) as in old English “hallow” means “to sanctify”.
- The zodiac signs for October are Libra (September 23 – October 22) and Scorpio (October 23 – November 21).
- Famous people born in October include Angela Lansbury, Hillary Clinton, Bill Gates, Julia Roberts, Matt Damon, Kate Winslet, Julie Andrews, Hugh Jackman, Katy Perry, Alfred Nobel, Anne Rice, Arthur Miller, Auguste Lumière, Friedrich Nietzsche, Christopher Columbus, Johannes Vermeer, John Keets.
- The birthstones for October are the tourmaline and the opal. Tourmalines display a wide spectrum of colors, such as yellow, pink, blue, red, green, black or brown and they are believed to help you stay calm under pressure, bring peace and tranquility and defeat emotions like anger and jealousy. Opals exhibit different colors (green, white, yellow, blue, pink etc.) depending on the conditions under which they were created. Opal gemstones are believed to cure eye infections, strengthen memory, calm nerves and enhance creativity.
- The traditional flower of the month of October is the calendula, symbolizing comfort, healing, protection and grace.
- Special holidays in October include Halloween (October 31st), Columbus day (the second Monday of October), Yom Kippur, Diwali, International Peace Day (October 2nd).

Trick or Treat?

It's many kids' favorite part of Halloween. There's no feeling quite like waiting for a stranger to open their door so you can scream the words "Trick or treat!" But, why do we say it? What does it actually mean?

While some identify precursors to trick-or-treating in ancient Celtic customs, modern trick-or-treating is thought to be a custom borrowed from guising or mumming in England, Scotland, and Ireland. These involve dressing in costume and singing a rhyme, doing a card trick, or telling a story in exchange for a sweet.

Some have traced the earliest print reference of the term trick or treat to 1927 in Canada. It appears that the practice didn't really take hold in the US until the 1930s, where it wasn't always well received. The demanding of a treat angered or puzzled some adults.

Supposedly, in a Halloween parade in 1948 in New York, the Madison Square Boys Club carried a banner sporting the message "American Boys Don't Beg." But by 1950s, the practice was widely accepted enough to be mentioned in popular media, like in the comic strip *Peanuts*.

A Blessing

May you always have love to share, health to spare and friends that care !

May your troubles be less, your blessings be more and nothing but happiness come through your door.

And last, but not least.

The best and most beautiful things in the world cannot be seen, nor touched... but are felt in the heart.

~Helen Keller~

To all my friends and neighbors, hope you're all staying safe and are all well!

Joke of the Month

The local news station was interviewing an 80-year-old lady because she had just gotten married for the fourth time.

The interviewer asked her questions about her life, about what it felt like to be marrying again at 80, and then about her new husband's occupation.. "He's a funeral director," she answered. "Interesting," the newsman thought... He then asked her if she wouldn't mind telling him a little about her first three husbands and what they did for a living.

She paused for a few moments, needing time to reflect on all those years. After a short time, a smile came to her face and she answered proudly, explaining that she had first married a banker when she was in her 20's, then a circus ringmaster when in her 40's, and a preacher when in her 60's, and now - in her 80's - a funeral director.

The interviewer looked at her, quite astonished, and asked why she had married four men with such diverse careers.

She smiled and explained, "I married one for the money, two for the show, three to get ready, and four to go."
