From the desk of REC President:

Roy Walsh & REC Board

The warm breezes are wafting the palms of Pointe West at the hour of writing this note. Just kidding since the temperature is in the low 40's with chilling wind. Nevertheless the roads are not closed due to snow storm. Our shovels have offically been retired, just like all of us.

Seeing a full clubhouse for Koffee Klatch indicated that most of us winter residents are camped here for the season. Reviewing the Activity Calendar for the next three months will leave no one wondering what to do with our time. If you are new to our community, we invite you to join in any, or as many as you can, of the scheduled activities.

The annual bazaar has just occurred. We thank all the many who have contributed their time, treasure and talent to make it a success. In particular, I wish to commend Mike Turner and Amos master for their tireless efforts in picking up items for sale, organizing and being the face of the most important and involved fund-raiser for the community.

A few years ago we conducted a survey of satisfaction regarding our offered activities. Without a doubt, the most popular was the Bazaar. It was rated highly because it involves all community members and its success gives immediate satisfaction to all. To all the many volunteers; a hearty thank you!!!!

On January 10 our community lost a great friend with the passing of Bob (Master Chief) Horigan. bob was a constant at all our gatherings. He organized cribbage evenings and yearly tournament. His sense of humor evidenced an intelligence befitting his rank as a naval veteran

of World War II and Vietnam. Our condolences to his wife Charlotte and family.

The REC Board meets monthly as a board and following that meeting we gather for an evening town hall meeting to share information and receive feedback from residents. Should you wish to serve as a board member, please contact Ray Drier, the nominations chairman. The high quality of life we enjoy here in Pointe West is directly proportional to the number and quality of the volunteers who serve in so many capacities. All the social activities and gatherings we host for benefit of residents give Pointe West our friendly welcoming place to live. Please feel free and be encouraged to serve you neighbors in whatever manner in which you're comfortable.

We trust you will find February a warm time together.

Veterans' Projects

Ed Palka, Gil Himes

Ed Palka (11-N) collects any MANUFACRUERERS' COUPONS. These are usually in Sunday's St. Petersburg Times, Largo Leader and various magazines. All coupons are taken to Largo Elks Lodge, #2159 for distribution to our troops stationed in Germany. Any coupons for baby products or items useful to new mothers are sent to Ramstein Hospital, Landstuhl, Germany. Drop off the sheets, clipped or unclipped. Please continue to support this cause. Largo Elks Lodge #2159. Ed also takes American and Canadian flags that need proper disposal. Ed will find new home for hearing aids and eye glasses, too. There is a blue plastic bin in carport at 11-N.

Gil Himes (15-I) collects articles for our veterans at Bay Pines Hospital in St. Petersburg. Toiletries, gently used books and magazine, playing cards, puzzles, dominos, hard candy and lap robes are some of possible donations. Packages of new socks and t-shirts are needed in sizes L, XL, and 2X. Even hotel toiletries are welcome. Let's remember our hospitalized servicemen and women. Thanks for your support.

Can Recycling

Doris Myers

Please remember to bring your rinsed and drained aluminum cans to 3-I. Rinse them and remove tabs, if possible. Turn them in separately. Tabs are given to Ronald McDonald House. Do not leave in Blue Bin. That's for recycling.

Drop off at 3-I. All monies are donated to REC Association for funding of various activates.

Thank you to all who help.

Come see why so many 55+ communities travel with **Glory Tours** and enjoy our fun-filled bus tours. We plan it from start to finish! Just hop on board our comfortable & safe transportation. The tours fill up fast, please sign up early - if you missed the deadline, please call.

The history of Black History Month

We owe much of our greater understanding of black history to Carter G. Woodson. Born to former slaves, Woodson worked hard and against the tide of prejudice to obtain his own education. In earning his doctorate from Harvard, Woodson was disturbed to find that during his studies, history books virtually ignored the black American population. So he decided to take on the challenge of writing black Americans into the history books.

He established the Association for the Study of Negro Life and History (now called the Association for the Study of Afro-American Life and History) in 1915, and a year later founded the widely respected Journal of Negro History. Then in 1926, he launched Negro History Week, the precursor to Black History Month, as an initiative to bring national attention to the contributions of black people throughout American history.

February was chosen as Black History Month for the significant events and people who figured prominently in black American history. For example:

- Feb. 23, 1868: Civil rights leader and co-founder of the NAACP, W.E.B. DuBois, was born.
- Feb. 3, 1870: The 15th Amendment was passed, granting blacks the right to vote.
- Feb. 25, 1870: The first black U.S. senator, Hiram R. Revels (1822-1901), took his oath of office.
- Feb. 12, 1909: The National Association for the Advancement of Colored People was founded by a group of concerned black and white citizens in New York City.
- Feb. 1, 1960: A group of black Greensboro, North Carolina, college students began a sit-in at a segregated Woolworth's lunch counter. The event marks a watershed moment in the civil-rights movement.

Valentine's Day doesn't have to break the bank

Looking for something to do with your sweetheart on Valentine's Day that's not too expensive? Try these ideas:

- Read a story together. Buy two copies of your favorite book or story (or borrow them from your library) and spend the evening discussing it. You may both learn things you didn't know about the story (and each other).
- Team up on a new recipe. Instead of going out to a restaurant, delve into your cookbooks and find a meal to collaborate on. Choose something different and challenging, and enjoy the results.
- Visit a museum. Your town probably has a museum (or two) that you've never been to. Or a landmark you haven't seen yet. Select someplace new and check it out together.

Cold weather dangers to watch for.

Winter is far from over, and that means staying safe in cold weather is still important. Remember these tips for getting by until spring:

- **Frostbite.** Frostbite can occur in a short amount of time, especially with children. They can lose body heat quickly, sometimes in as little as 20 minutes. Dress kids warmly, but don't over bundle them, which can cause sweating and speed the loss of body heat. Also, discourage kids from eating snow, since it lowers body temperature, which can decrease resistance to frostbite.
- **Carbon monoxide.** Check your furnace and other heating appliances to make sure they aren't creating a danger to your co-workers or family. Carbon monoxide poisoning is often mistaken for the flu. The symptoms include achiness, headache, and nausea. Carbon monoxide is odorless and colorless, and it can affect children before it affects adults.
- **Vehicles.** We all know to walk carefully on icy roads and sidewalks during winter. But injuries can also stem from sliding and skidding vehicles that may not be able to stop before hitting someone. Be sure to walk in bright or reflective clothing, and be careful when walking near snow piles and drifts that may obscure your view or the view of a driver.

Expect to win

In 1974, Notre Dame's basketball team faced the national championship team from UCLA in a game that everyone expected Notre Dame to lose. According to motivational guru Zig Ziglar in his book, *Success for Dummies* (IDG Books Worldwide), Notre Dame coach Digger Phelps decided that his team was going to win.

The game was scheduled for Saturday afternoon. At the end of Monday's practice, he told his players to cut the nets from each basket. In basketball, cutting down the nets is a celebration of victory. After Tuesday's practice, he again told the players to cut down the nets, and every day after that. By Friday, they were cutting the nets down with confidence and enthusiasm.

And on Saturday, Phelps' team was able to cut down the nets for real, after beating UCLA in the game that Notre Dame was certain to lose. Although cutting down the nets alone didn't ensure the victory, it did get the players into a positive mindset. By the end of the week they expected to win, and so they did.

Be happy with who you are and what you do, and you can do anything you want.

—Steve Maraboli
