Get well cards to:

Wally Pausch (4-G) after his heart cauterization which cleared one artery. He was to rest until released by doctor before returning to Ohio.

Wilma Beckett (18-H) after surgery in Maine to remove the sting ray imbedded to foot. She was bitten just before leaving and infection set in requiring antibiotic treatments. She'll not forget to do "sting ray shuffle" when visiting the Gulf waters.

Pat Ryan (14-B) after hearing he's recovering well from recent knee procedure and also cataract removal in Canada.

Sympathy card sent last month to Bill and Brenda Douglas was returned. Apparently the news of his Dad's passing away were incorrect. Norman is still living in Ontario but unable to return for the winters.

Please don't forget to send word of residents who are ill or grieving for a loved one. All it takes is a call or send an email. Thanks.

We have many friends in need of prayers for various serious medical conditions. Continue to pray for them all.

Send all news to Jane McHugh (14-H), 581-2664 or TJMAC39@aol.com. Weekly KK News is sent via email. Send note to the email address with KK NEWS in subject line. Your address will be added. Send email, IF you do not receiving this on Wednesdays let me know.

REC Aluminum Can Recycling

Doris Myers

Did you know your aluminum means money for our REC Association??? If you put in the Blue Bins, you are giving money away this contribution to the REC. This association provides money to buy coffee, donuts, rolls, paper products used in kitchen and for some dinner along with providing funds for lunches and dinners along with other activities. We all benefit so please bring your rinsed cans in bags to 3-I. They are taken to the recycling center monthly during the entire year. The tabs are collected to donate to Ronald McDonald House charity. Thank you for the help.

Veterans' Projects

Gil Himes, Ed Palka

Ed Palka (11-N) collects any MANUFACTURERS' COUPONS. These are usually in Sunday's St. Petersburg Times, Largo Leader and various magazines. All coupons are taken to Largo Elks Lodge #2159 for distribution to our troops stationed in Germany. They are honored six months AFTER their expiration date. Any coupons for baby products or something a new mother might need are sent to Ramstein Hospital, Landstuhl. Drop off the sheets, clipped or unclipped. Over the past two years coupons valued at more than two million dollars have been sent. There's a blue plastic bin in car port at 11-N. American and Canadian flags needing proper disposal may also be left. Ed will see proper procedure is followed. Unneeded hearing aids and eye glasses may also be donated. All will find a useful home.

Gil Himes (15-I) collects articles for our veterans at Bay Pines Hospital in St. Petersburg. Lap robes, hard candy, toiletries, gently used books, magazines, playing cards, dominos and other types of games are welcome. New packs of socks and t-shirts are also needed in sizes L, XL, and 2X. Going on vacation? Collect the hotel small bottles of products for use. Drop off items anytime at his coach.

Thank you all for your donations.

Where there's a will, you need a plan

It sounds like the setup for a joke: A rich uncle dies and leaves you a fortune. But what happens next in real life? A financial windfall, large or small, needs to be managed well. Here are some tips on what to do if you come into some money:

- Stash it away. Put the money away for at least six months. Trying to decide what to do with the money too soon after a relative's death may lead to questionable decisions. Put it into a money market or savings account for a little while.
- Assess your debt situation. Before you decide to invest or buy something with the money, determine whether the funds would be better spent wiping out any debt you may have.
- Seek advice. If you receive more than \$20,000, consider hiring a financial advisor who can tell you how to gain the largest or safest return on your investments.

Fly Old Glory with pride on Flag Day

Flag Day became an official national celebration in 1916, when President Woodrow Wilson proclaimed June 14 Flag Day to commemorate the adoption of the Stars and Stripes by the Second Continental Congress on that day in 1777.

The idea of setting aside a special day to celebrate the U.S. flag wasn't new, though. One of the earliest observances of Flag Day occurred in Hartford, Conn., in 1861, at the suggestion of George Morris, to pray for the preservation of the Union at the beginning of the Civil War.

In 1885, a Wisconsin schoolteacher named Bernard J. Cigrand held a formal observance of what he called "Flag Birthday" at his school. Cigrand went on to become a passionate promoter of Flag Day, delivering more than 2,000 speeches on the subject, and he is generally considered to be the "Father of Flag Day."

In 1914, Secretary of the Interior Franklin K. Lane delivered a Flag Day speech in which he said the flag had spoken to him that morning: "I am what you make me; nothing more. I swing before your eyes as a bright gleam of color, a symbol of yourself." In 1949, President Harry Truman signed an Act of Congress formally establishing June 14 as National Flag Day.

Know Your Organs: The Gallbladder

The gallbladder is a small, pear-shaped organ located beneath the liver and next to the pancreas. You may not give it a lot of thought—until it starts malfunctioning. Then it can cause pain and serious health problems.

The gallbladder stores a substance called bile, or gall, that comes from the liver and helps to digest fat. The main problem that can arise is the formation of gallstones, which can be as small as a grain of sand or as large as a golf ball. They affect both men and women, and may occur as a single large stone or a group of small ones. What causes them is unclear, though they're more common in people with excessive body fat around the waist, and in those who have lost weight very quickly. The risk of gallstones increases as you age, particularly among women as they approach menopause and everyone after age 40.

You may have gallstones for years without noticing them, regardless of their size or number. But during a gallstone attack, patients can experience sharp pain in the upper right side of the abdomen, along with nausea and vomiting. Attacks tend to occur at night, often after a large meal with lots of fat, as well as after drinking alcohol.

Gallstones are treated in a number of ways: Some people take an acid orally which dissolves the stones gradually, although they may reappear once the treatment is stopped. Otherwise, they can be broken up with ultrasonic shock waves or removed by surgery in serious cases.

Be on the lookout for these symptoms:

- Sudden severe pain in your upper right abdomen, lasting from 30 minutes to several hours.
- Pain in your right shoulder blade or under your right shoulder.
- Indigestion after eating desserts, fried foods, or foods high in fat or protein.

See a doctor immediately if abdominal pain lasts five hours or more, if you experience nausea, vomiting, fever, or chills, if you have a yellowish color in your skin or in the whites of your eyes, or if you have light-colored stools or dark urine.

Keep Your Heart Healthy With The Right Food Choices

The food you eat can make a big difference to your health, especially in matters of the heart. You can keep your heart ticking to a ripe old age by adding these foods to your diet:

- Tomatoes. A good source of vitamin C, vitamin A, potassium, and fiber, tomatoes also contain lycopene, an antioxidant that may help to lower bad cholesterol, keep blood vessels open, and lower the risk of heart disease. For best results, serve cooked tomatoes in stews, soups, and sauces.
- Blueberries. Blueberries contain antioxidants called anthocyanins, which may reduce blood pressure by relaxing blood vessels. One cup has only 80 calories, and they add fiber and vitamin C to your daily diet.

Here's to you, dad: The start of Father's Day

Father's Day started with a dedicated woman: Sonora Smart Dodd, the daughter of a widowed Civil War veteran who had raised her on his own. Dodd came up with the idea for a special day celebrating fathers when listening to a Mother's Day sermon in 1909. She held her own special tribute for her father on June 19, 1910, in Spokane, Wash., and began a campaign for an official celebration thereafter.

The idea of Father's Day initially met with some skepticism, but in 1919, President Calvin Coolidge expressed support for the holiday, and in 1926 a National Father's Day Committee was formed in New York City. In 1966 President Lyndon B. Johnson signed a proclamation designating the third Sunday in June as Father's Day, but it wasn't until 1972 that President Richard Nixon officially recognized it as a national holiday.

Loyalty to country, always. Loyalty to government, when it deserves it.

—Mark Twain

Quick zingers and fast chuckles

Need to get a laugh in a hurry? Try some of these handy one- or two-liners:

- Explaining puns to kleptomaniacs is hard because they always take things literally.
- I used to think the brain was the most important organ. Then I thought, "Look where that idea comes from."
- A dwarf fortune-teller who kills his customers might be known as a small medium at large.
- Did you hear about the dyslexic devil worshipper who sold his soul to Santa?
- During a prison break I saw a dwarf climb over a wall. As he jumped down he sneered at me, and I thought, "That's a little condescending."
- A blind man walks into a bar. And a table. And a chair.
- You never see a hippopotamus hiding in a tree. They must be really good at it.

Monthly For June

African-American Music Appreciation Month. A celebration of African-American music in all forms. In June of 2011, President Barack Obama proclaimed, “African-American musicians, composers, singers, and songwriters have made enormous contributions to our culture by capturing the hardships and aspirations of a community and reminding us of our shared values.”

Child Vision Awareness Month. Children’s vision challenges can be difficult to detect because they may not know they see the world differently than other children. Infants and children should have regular eye exams to ensure that they can see both near and far away, confirm that their eyes work together to focus on a single object, and treat eye diseases early.

National Zoo and Aquarium Month. A good time to explore your local zoo and aquarium. Many have excellent educational resources—photographs, videos, lesson plans, and other activities. Go to the website of the Association of Zoos and Aquariums for links to its accredited zoos and aquariums.

National Scoliosis Awareness Month. A yearly campaign with the goal of highlighting the growing need for education, early detection, and awareness about scoliosis and its prevalence within the community. The campaign unites scoliosis patients, families, physicians, clinicians, institutions, and related businesses in local activities, events, and grassroots networking throughout the month of June.

Daily For June

National Running Day, June 4. Longtime runners reaffirm their love of running and beginners can kick off a lifetime and life-changing commitment.

World Oceans Day, June 8. A day to celebrate the world’s oceans and support action to protect them.

Flag Day, June 14. A patriotic celebration of the flag of the United States of America, a symbol of freedom and hope around the world.

Magna Carta Day, June 15. Date of the signing of the Magna Carta by King John of England, an important document in the history of political freedom.

Father’s Day, June 21. Tell dad how much you appreciate everything he’s done for you.

Take Your Dog to Work Day, June 26. Take your loyal canine companion to the office with you for a day (but check with your boss first).
