Dance Club News

By Beryl Olson

Welcome to May. Dance season has come to a close. All the Snowbirds and spring breakers have left. Now is the time to go to the beach or pool and work on our tans. By the time the next dance rolls around we all will have a beautiful bronze glow. It makes the snowbirds jealous.

We had a fun filled dance season the past six months. Hope you all have a wonderful time. I know I did.

The St. Patrick's Day Dance was a lot of fun. A very mischievous Irish Leprechaun showed up, Don Cyr and we got to do an Irish Jig. the four winners of the \$25 Door Prizes were Joann Cyr, Theresa Berard, Juliet Burnel and Linda Stone. This one was for the girls.

The six raffle winners were Lou Guerneville (2 times), Julie Burns, Paul Thibault, Janice Jewell and Mureil Paradine. Congratulations to all.

The Hawaiian Dance was beautiful and the food was fantastic. It seemed everyone had their flowers on from their shirts, dresses or in their hair. A fun filled night it was. The \$25 Door Prizes were won by Roberta Patterson, Annette Small, Pat Peever and Sandy Barrow. Another one for the girls.

The Raffle had 5 winners: Ellen Pszeny, Shelly Burkee, Paul Thibault (2 time), Lou Schanzy and Bill Summers. Congratulations to all.

The next dance will be the Welcome Back Dance on November 13th. Hope to see you all there.

Splash Party

Sue Berton

Have you noticed? The wind curtain has been removed! This is a real sign of Spring, warmer weather and lots of pool time to come. It is nice to be able to see our Ranchers and give them a wave in the pool without having to walk up to the fence and take a peep over the curtains.

Thanks to Lou Lowery and Chris Gregory for leading the charge and to all the folks that came out to help remove the curtain panels and reset all the signs to the fence. It was completed in record time. Thank you to Chuck, Bob, Lou, Dick, All and Linda for all your help, it was most appreciated.

Once again we have gathered to enjoy the Splash Party. This is the celebration of our good work by saving our Aluminum Cans all year then, using the recycle fund to break bread together once again. An end of Season fiesta. Our wonderful chef, Chuck David, gave us delicious food to go with those huge flavorful grilled hot dogs. Compliments on the Sloppy Joe's and Baked Beans, different and very enjoyable. Lots of folks made Coney Island Dogs! I'm kind of odd, I like to eat my baked beans mixed into my potato salad. Don't worry, Al doesn't understand it either.

Dessert is always the greatest and there was "no problem" with the Klondike's that were so graciously served to us by Ivan and Vicki. Thank you to them for that and all that they helped us with after our luncheon.

We had oldies and goodies to listen to, provided complimentary of Roger Noel. Thank you Roger, for the music and sound system.

There are many neighbors to whole heartedly thank for making it all work. The dedicated Pool Improvement Club executive board. Misty Marston, JoAnne Lavigne, Lou Lowery, Chuck Davis, All Malenka and Bob D'Ascoli (our very dedicated Man on the Aluminum Cans everyday).

The Chef helpers in the kitchen, Steve Szimita and John Wapple manning the ovens and grill and Lou Lowery to help and serve in many capacities throughout the whole day.

JoAnne's Setup and Servers, Rose, Jeanine, Rachel, Janet, Mona, Arlene, Mark and Joe, all there, some with spur of the moment notice, with a smile and our deep appreciative regards.

The clean up crew headed by Lois and Dennis Waite along with Jane and Parker, Aline, all and Joe Dawson. Thank you for all your elbow grease and fine job you did in the kitchen and the hall. Please forgive me if I left anyone out individually I did not mean to. I am working off of memory and I am getting older!

Someone else to thank is Pat Richardson and Rich Haggith for quickly taking our leftovers to help feed those at Pinellas Hope. It is good.

It takes a "Ranch" to put together any great meal or other function at the Park.

Thank you all for coming and always supporting our activities.

Hope all our dear Ranchers leaving for all parts across the USA and Canada, please drive carefully, arrive safely, stay healthy and see you next season. God be with you all.

Hobby Club News

Kathleen Gregory

Hobby Club is over for another season. Thanks to everyone who participated in crafting, donating to our Chines Auction, and helping with the Cup Cake Run. We would love to have your ideas for next season. Anyone can have good ideas that we haven't thought of yet. Zentangle was a great idea we started this year, and what a success that was.

Hobby club will start up again on Thursday, November 15, 2018 from 9:00 a.m. to 12 Noon at Heron Hall. During your time away from the Ranch, please keep the Hobby Club in mind for a donation of your talents. Our 3rd Chinese Auction will be held on Saturday, December 8, 2018 at the Clubhouse.

We are proud to be able to make donations, as we did this season, in support of our Ranch and other outside projects.

I hope to see some new as well as old faces at Hobby Club in the fall.

Have a wonderful summer and stay safe.

Thank you all for a wonderful season of Euchre and fellowship with all those Ranchers that played the game this season and to our many players that came in to join us from other parks in our area and dear family that played with us while visiting. We are winding down the game as we celebrated with our end of season Wine and Cheese Party. There were great dishes to enjoy and plenty of water from the wine to satisfy our palates.

Hoping that all of us get to our Summer residences safely and stay happy and healthy to come back to play together again in the fall.

God bless us one and all and keep us in His loving care.

Sincerely, Sue Berton

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

The Old Coot Took the Camel Cigarette, 30 Day Test

By: Merlin Lessler

Take this pill! Sue the dirty bums! This is what our society has come down to. If you judge it by the ads on TV, no matter what's wrong with you, there is a pill to fix it. No matter what happens to you, there is someone to blame, and someone to sue. Let's start with the pills. "Don't pay any attention to this list of side effects; the FDA made us reveal them." That's what the pharmaceutical companies would say at the beginning of their spiel if they were truly honest and forthright. Instead, they create an image so appealing as to obscure any negative input. Celebrex, for example, shows an attractive middle-aged woman, now freed of her arthritic pain, leisurely swimming in warm tropical waters. She's accompanied by a collection of happy friends and beautiful golden retriever that gently paddles in and out of the group.

The waves gently lap the shore while the announcer's melodious voice, quietly suggests that taking the medicine may increase your chances of a heart attack or a stroke and lead to death. Or, stomach and other intestinal problems, such as bleeding ulcers, which may appear without warning and also lead to death. What the FDA should do, is make them show images of people experiencing the side effects instead of swimming around in paradise. Maybe then, we'd pay attention to just how risky these miracle cures really are.

But we don't pay attention to the side effects. They hardly register. And, that's OK, because the law firms that feed on our missteps, the one who dominate our TV screens, are there to make sure we get retribution. They're on our side! And, if you can believe the Syracuse lawyer whose face graces my TV more than any other, he will "leave no stone unturned" to get you money. He doesn't mention the side effects of this service. A fee that will probably net him more money than you.

And to think I thought the Camel Cigarette ads I grew up with in the 1950's were unscrupulous, the ones in which they invited smokers to take a "30 day Camel" test. "Smoke Camels for 30 days and discover for yourself what throat specialists discovered; no one single case of throat irritation in a coast-to-coast test of hundreds of people. I accepted their invitation; I bought a pack of Camels. And, even though I was only nine years old, I was smart enough to quit after one day. Besides, if I got caught my mother would have killed me.

There's no pill for that!

Apple Crisp Pizza

Ingredients

- Pastry for a single-crust pie
- 2/3 cup sugar
- 3 tablespoons all-purpose flour
- 1 teaspoon ground cinnamon
- 4 medium baking apples, peeled and cut into 1/2-inch slices

Topping:

- 1/2 cup all-purpose flour
- 1/3 cup packed brown sugar
- 1/3 cup rolled oats
- 1 teaspoon ground cinnamon
- 1/4 cup butter, softened
- 1/4 to 1/2 cup caramel ice cream topping or caramel apple dip
- Vanilla ice cream, optional

Directions:

1. Roll pastry to fit a 12-in. pizza pan; fold under or flute the edges. Combine sugar, flour and cinnamon in a bowl. Add apples and toss. Arrange the apples in a single layer in a circular pattern to completely cover pastry. Combine the first five topping ingredients; sprinkle over apples.
2. Bake at 350° for 35-40 minutes or until apples are tender. Remove from the oven and immediately drizzle with caramel topping or dip. Serve warm with ice cream if desired.
Yield: 12 servings.

Mother's Day

Mother's Day is annually held on the second Sunday of May. This year it is Sunday, May 13, 2018. It celebrates motherhood and it is a time to appreciate mothers and mother figures.

Many people make a special effort to visit their mother and mother figures, including grandmothers, great-grandmothers, stepmothers, and foster mothers. Common Mother's Day gifts are flowers, chocolate, candy, clothing, jewelry and treats, such as a beauty treatment or trip to a spa. Some families organize an outing for all of their members or hold a special meal at home or in a restaurant. In the days and weeks before Mother's Day, many schools help their pupils to prepare a handmade card or small gift for their mothers.

Mother's Day is not a federal holiday. Organizations, businesses, and stores are open or closed, just as they are on any other Sunday in the year. Public transit systems run to their normal Sunday schedules. Restaurants may be busier than usual, as some people take their mothers out for a treat.

The origins of Mother's Day are attributed to different people. Many believe that two women, Julia Ward Howe and Anna Jarvis were important in establishing the tradition of Mother's Day in the United States. Other sources say that Juliet Calhoun Blakely initiated

...continued on page 28

Mother's Day in Albion, Michigan, in the late 1899s. Her sons paid tribute to her each year and urged others to honor their mothers.

Around 1870, Julia Ward Howe called for Mother's Day to be celebrated each year to encourage pacifism and disarmament amongst women. It continued to be held in Boston for about ten years under her sponsorship, but died out after that.

In 1907, Anna Jarvis held a private Mother's Day celebration in memory of her mother, Ann Jarvis, in Grafton, West Virginia. Ann Jarvis had organized "Mother's Day Work Clubs" to improve health and cleanliness in the area where she lived. Anna Jarvis launched a quest of Mother's Day to be more widely recognized. Her campaign was later financially supported by John Wanamaker, a clothing merchant from Philadelphia.

In 1908, she was instrumental in arranging a service in the Andrew's Methodist Episcopal Church in Grafton, West Virginia, which was attended by 407 children and their mothers. The church has now become the International Mother's Day Shrine. It is a tribute to all mothers and has been designated as a National Historic Landmark.

Mother's Day has become a day that focuses on generally recognizing mothers' and mother figures' roles. Mother's Day has also become an increasingly important event for businesses in recent years. This is particularly true of restaurants and businesses manufacturing and selling cards and gift items.

Memorial Day

Memorial Day is celebrated across the United States, the US Virgin Islands and Puerto Rico. Memorial Day is a floating holiday, and always falls on the last Monday of May in the United States. This year is on Monday, May 28, 2018.

It is an important holiday that remembers those that died for the country, and serves to remind people of the costly price of war. There are many formal ceremonies that take place in observance. Most of these are held in local communities, and can be found by contacting a local Veterans of Foreign Wars office or local city government agency. A few traditional events are listed below.

Laying of the wreath at Arlington Cemetery - Often, the President of the United States will lay a wreath at Arlington Cemetery on the annual observance of Memorial Day. These will usually be accompanied by a speech.

Remembrance and Moments of Silence - People nationwide participate in parades and still partake in decorating graves with wreaths of flowers. Many people will pause for moments of silence in memoriam.

Movies to watch on Memorial Day:

- *The Great Escape (1963) - Starring Steve McQueen, Charles Bronson, James Garner
- *Heartbreak Ridge (1986) - Clint Eastwood
- *The Dirty Dozen (1967) - Ernest Borgnine, Charles Bronson
- *Saving Private Ryan (1998) - Tom Hanks, Matt Damon, Paul Giamatti
- *Memphis Belle (1990) - Sean Astin, Harry Connick Jr.
- *Platoon (1986) - Charlie Sheen, Willem DaFoe, Tom Berenger
- *Forest Gump (1994) - Tom Hanks

Health benefits of coffee for (almost) everyone

Is coffee good for you? Bad? The arguments go on and on, but a meta-analysis of 127 studies on the question by the University of Catania in Italy has found that drinking coffee is associated with the following health benefits:

- Decreased risk of breast, colorectal, colon, endometrial and prostate cancers, among others, from 2-20 percent depending on the cancer type.
- Five percent reduction in risk for cardiovascular disease.
- An approximately 30 percent lower risk for both Type 2 diabetes and Parkinson's disease, thanks to coffee's ability to improve enzymes that regulate glucose and insulin metabolisms.
- A lower death rate.

Coffee's natural antioxidants reduce free radicals that can damage cells and cause aging. It's also an anti-inflammatory that calms you down so you don't overreact to stress.

One group that should avoid coffee, however, is pregnant women. Coffee, the study notes, can increase the risk of miscarriage.

Be ready to donate

Are you nervous about donating blood or signing up to be an organ donor? You don't have to be. An infographic from Work The World explores some of the common misconceptions about blood and organ donations. They include:

- Age. There is no age limit on organ donations. In fact, the oldest known donor to date was a Scottish woman of 107 who donated one of her corneas after death. The main factor is the health of the organ and the donor.
- Organs. A single organ donor can improve or save up to eight lives. Donating tissue can save even more.
- Blood type. All blood types are needed, even the most common ones.
- Tattoos. Got a tattoo? That won't prevent you from donating blood as long as you're otherwise healthy.
