## Pool Improvement Club of Ranch Mobile

### Welcome to the 2017-2018 Season at the Ranch.

It sure is sweet to have a sunny place to come back to for the winter, at our homes in Ranch Mobile. For the most part we dodged the worst of Irma. So sorry for all those sustaining damage and total peril to their coaches. You are in our thoughts and prayers, hoping that all can be restored to enjoy once again. It looked like it might be total annihilation when the predictions first came out from the hurricane. Thanks to all the full-timers that were able to come back in and assess all the properties that needed repaired. It was so reassuring for you to be our eyes and ears at our ground zero. I know there was lots of debris to clean up and anxious phone calls to answer. God bless you all.

Ding-a-ling. The Dinner Bell will ring once again for the annual Pork Dinner on November 11, 2017 at 5:00 p.m. Tickets will go on sale October 18th at the Koffee Klatch for \$8.00 per person. Call Misty Marston our VP at 1 (207) 350-6202 or Bob D'Ascoli at 1 (727) 530-4856 for your tickets if you cannot make it to Koffee Klatch. No tickets are sold at the door for dinner.

Please buy your tickets early before they sell out. Remember to bring your own place settings for the table and any extras you may want to partake in like wine or cocktails if that is to your liking. There will be plenty to eat including dessert and hot and cold beverages. Our dinner proceeds help with the aesthetics of the pool.

We also do the collection of the beverage cans that we collect from you in the receptacle across from the pool on the side of the maintenance garage. Please help us by saving them for us to recycle. This provides us funding for the Annual Splash Party at the end of the season for all to enjoy.

We have upwards of 27 new coach owners in our park since January 2017. That is amazing and wonderful. Everyone needs to be welcomed and helped along to learn all the wonderful things available in our Park to get the most enjoyment from their stay. Please help them along and invite them to all our activities and special events. Welcome one and all!

The pool is in beautiful condition thanks to Lou Lowery for his labors and watchful eyes on all the needs over the summer from the wear and tear of use and the beautiful hot beating sun on the property. Lou is amazing and dedicated to oversee all that needs done while the majority of us are away from the Ranch. He has stepped down from the president role, but continues to ensure the safety and well being of the pool for all of us. Please thank him, give him a hand or a warm squeeze of appreciation when you see him.

The Board of the Pool Improvement Club presented him with a plaque of our appreciation last April at our Board Meeting. He is my mentor and our energizer bunny for sure!

Thank you, Lou, for your faithful dedication and all you do for Ranch Mobile!

Sincerely yours,

Sue Berton: President

Misty Marston: Vice President

Al Malenka: Treasurer

Joanne Lavigne: Secretary

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## Thanksgiving Day Jokes

---

Josh: Why did the farmer run a steamroller over his potato field on Thanksgiving Day?

Phil: Why?

Josh: He wanted to raise mashed potatoes.

Biff: Why did the turkey cross the road?

Bob: I don't know.

Biff: It was Thanksgiving Day, and he wanted people to think he was a chicken!

Charles: What is a turkey's favorite dessert?

Mary: I haven't a clue.

Charles: Peach gobbler!

A lady was picking through the frozen turkeys at the grocery store for Thanksgiving Day, but couldn't find one big enough for her family. She asked a stock boy, "Do these turkeys get any bigger?"

"No, ma'am. They're dead."

Danny: Why did the cranberries turn red?

Jake: Beats me.

Danny: Because they saw the turkey dressing!

Billy: Why do pilgrims' pants always fall down?

Joe: Beats me.

Billy: Because hey wear their belt buckles on their hats!

Luke: What did the turkey say to the computer?

Will: What?

Luke: "Google, google, google."

Josh: What do you get when you cross a turkey with a centipede?

David: Tell me.

Josh: Drumsticks for everyone on Thanksgiving Day!

A man buys a parrot, only to have it constantly insult him. He tries everything to make the parrot stop, but nothing works. Frustrated, the man puts the parrot in the freezer. After a few minutes the insults stop. The man think he might have killed the parrot, so he opens the freezer and takes the parrot out. The parrot is shivering. It stammers, "S-s-sorry for being r-r-rude. Please f-f-forgive me." Then, after a moment, the parrot softly asks, "W-w-what exactly d-d-did the turkey do?"

## 25 Little-Known Facts About Monopoly

**M**onopoly has endured as a family favorite game since 1935. That's more than 80 years of passing "GO" and collecting \$200.

In celebration of more than 80 years on toy store shelves, here's 25 facts about "the world's favorite gaming brand."

1. Monopoly was created by Charles Darrow. Darrow was from Philadelphia, and he first developed the Monopoly games in 1933.
2. The first pieces were made from materials from Darrow's home. A piece of oilcloth covered the board, the cards were handwritten, and the houses and hotels were made from wooden scraps.
3. The shiny pieces were inspired by Darrow's nieces. The first Monopoly die-cast tokens were metal charms from the girls' charm bracelets.
4. The original game included 10 metal tokens. There was an iron, purse, lantern, race car, thimble, shoe, top hat, battleship, cannon and a rocking horse.
5. Monopoly was not an immediate success. Darrow attempted to sell Monopoly to Parker Brothers, but it was rejected for "52 fundamental errors" including the game's length, theme and complexity. Following Darrow's success selling Monopoly in local Philadelphia department stores, Parker Brothers reconsidered and negotiated the rights to market the game.
6. The city of London was the setting of the first licensed Monopoly game. The theme is now Atlantic City, New Jersey
7. More than one billion people have played Monopoly worldwide. The Monopoly game is currently published in 47 languages and sold in 114 countries.
8. The game was pretty darn cheap. The original Monopoly sold for around \$2.
9. The current classic Monopoly game includes eight tokens. There's the battleship, top hat, Scottie dog, race car, thimble, boot, cat, and wheelbarrow. Beginning in the fall of 2017, the eight tokens will be a T-Rex, rubber ducky, penguin, Scottie dog, top hat, race car, cat and battleship.
10. More than 20 different tokens have made their way into the game. Some tokens we've seen include an elephant, purse, and a bag of money.
11. There are 40 spaces on the game board and 28 properties. This includes 22 color-coded streets, four railroads and two utility spaces. There are three Chance spaces, three Community Chest spaces, a Luxury Tax space, and an Income Tax space on the classic Monopoly board.
12. The three most-landed-on properties in the classic Monopoly game are Illinois Avenue, "GO" and B&O Railroad.
13. The total amount of money in a classic Monopoly game is \$20,580.
14. There have been many adaptations of the game. More than 300 licensed versions of Monopoly have been developed with themes such as sports teams and movies.
15. Monopoly Junior came in 1990. In 1990, Monopoly Junior arrived on the scene, introducing kids under 8 years old to the favorite fast dealing property trading game.
16. The world's most expensive Monopoly set was created in 1998. It was created by San Francisco jeweler Sidney Mobell and it valued at \$2 million.

*...continued on page 24*

17. The highest-rent properties vary by region. In the U.S., It's named "Boardwalk" after a street in Atlantic City. In Spain, it's named " Paseo del Prado" after a street in Madrid, and in France, "Rue de la Paix" is the name of the most-coveted property space.
18. Games of Monopoly have been played in peculiar places. These include on a ceiling, underground, and on a U.S. nuclear submarine.
19. The longest Monopoly game played on record was a real marathon. It lasted 70 straight days.
20. Monopoly was introduced on the iPhone in 20008. Digital versions are now available on all major platforms.
21. The iron token was replaced. In the 2013 "Save Your Token" campaign, Monopoly fans voted to replace the iron token with a new cat token.
22. "House rules" are now included. In 2014, Monopoly fans globally debated on Facebook which of their favorite "house rules" Hasbro should add to the classic game.
23. You can now create your own personalized Monopoly game. In 2014, the "My Monopoly" game allowed players to personalize their own game at home with their own photos.
24. Fans gather to compete in a world championship. Every few years, national champions from around the globe meet for the Monopoly World Championships tournament.
25. There's an anniversary edition out now. The Monopoly 80th Anniversary Edition game features one iconic token from each of its eight decades including the bathtub, locomotive, money bag, cat, cannon, cavalry, and the Monopoly World Championships trophy.

## **World Hello Day - Greet Ten People for Peace**

---

**N**ovember 21 is World Hello Day. Anyone can participate in World Hello Day simply by greeting ten people. This demonstrates the importance of personal communication for preserving peace.

World Hello Day was begun in response to the conflict between Egypt and Israel in the Fall of 1973. Since then, World Hello Day has been observed by people in 180 countries.

People around the world use the occasion of World Hello Day as an opportunity to express their concern for world peace. Beginning with a simple greeting on World Hello Day, their activities send a message to leaders, encouraging them to use communication rather than force to settle conflicts.

As a global event World Hello Day joins local participation in a global expression of peace.

31 winners of the Nobel Peace Prize are among the people who have realized World Hello Day's value as an instrument for preserving peace and as an occasion that makes it possible for anyone in the world to contribute to the process of creating peace.

### Caramel Apple Lasagna

- 1 pouch (17.5 ounces) oatmeal cookie mix + ingredients required on the pouch
- 1/3 cup butter, melted
- 8 ounces cream cheese, softened
- 1 cup powdered sugar
- 1/2 cup + 2 tablespoons caramel sauce
- 12 ounces Cool Whip, thawed
- 2 cups apple pie filling
- 2 boxes vanilla instant pudding
- 3 cups cold milk

1. Preheat oven to 375 degrees.
2. Bake cookies according to package directions, then cool completely.
3. In a food processor, blitz half the baked cookies until they become coarse crumbs. Transfer to a medium bowl, then continue blitzing the remaining half of cookies to coarse crumbs and add to the bowl.
4. Mix in the melted butter until well-combined.
5. Press the cookie mixture evenly into the bottom of a 9x13 baking dish, then set aside.
6. In a mixing bowl, beat together the cream cheese, powdered sugar and 1/2 cup of the caramel sauce with a hand mixer until smooth. Gently fold in 2 cups of the Cool Whip until well-combined, then spread evenly over the prepared crust. Top evenly with the apple pie filling.
7. In another mixing bowl, beat together the pudding mixes and milk about 2 minutes, or until thick. Scoop over the apple layer, spreading evenly, then spread the remaining Cool Whip over.
8. Cover and chill 4 hours. When ready to serve, slice into squares and drizzle caramel sauce on top.

# The Old Coot Goes the Wrong Way

By: Merlin Lessler

I'm a criminal! I'm socially incorrect! A criminal, because I ride my bike on the wrong side of the road. Socially incorrect, because I don't wear a helmet. Half the pleasure of riding a bike is being outside with nature and moseying along at a pace slow enough to enjoy the scenery with the wind blowing through your hair, or what's left of it. I grew up in a helmetless world - climbing trees, playing football, baseball and yes, riding bikes and soap box racers down hills and through sharp curves without head protections. All kids did. Our mothers said good-bye as we charged out the back door to play and then added, "Watch your head." And, we did! We learned to duck; we learned to take the brunt of a ball on our shoulder, not our head. Besides, protecting one's head is a survival instinct built into the human genetic code. It's one of the reasons our species has survived for eons.

I don't, or quite often don't, ride with traffic, as required by Section 1234 (A) of the NYS Vehicle and Traffic law. I ride facing traffic. It's criminal behavior. But, I stand a chance of surviving, to jump to safety when a distracted driver wanders into the bike lane. I was taught, my whole generation was taught, to face traffic when walking or biking. And for good reason! You can see what's coming at you and save your life. But bikers and in-line skaters are not allowed to do this in New York State. The authors of the vehicle and traffic law claim that bicycling and skating against traffic are the leading cause of crashes. Pure hogwash! Nearly all bicyclers and pedestrians hit by vehicles, get it from behind. These cockamamie laws and opinions come from state bureaucrats and legislators that haven't ridden a bike along a public road in decades, if ever. Most of them grew up in New York City. Us outlaw bikers know better. Facing traffic saves lives. It's the cyclists that follow the rules that get run down by errant drivers.

My crowd, of criminal and socially incorrect bicycle riders are easy to spot. We're the people in street clothes, not spandex ballet outfits, bareheaded, making our way at a leisurely pace on inexpensive bikes, enjoying the fresh air, the scenery and low level exercise on a vehicle that weighs three times as much as true (law abiding) biking enthusiasts. We go through red lights. We ride on sidewalks when the road is too dangerous (carefully) and follow our survival instincts, rather than the vehicle and traffic laws. Join us in our civil disobedience. You'll be a lot safer! And, have more fun! (You don't even have to be an old coot.)
