Ranchero Village Co-op, Inc.

Gerry Soules, President

The days of summer are here and with it comes the task of completing approved projects in the Village. Your Board recognizes the inconvenience that comes with any construction but we are confident you will appreciate the improvements as they are completed.

It is good to know the summer events are being planned and supported by our residents. Good job all of you for your volunteering and participation. We want to remind everyone that the operation of a business within the park is excluded as per our Prospectus other than a “private home operated” business that does not draw patrons to the clubhouses or private homes. Extra traffic and unknown persons visiting a business is not something that adds to our retired lifestyle.

We wish everyone a safe and happy summer. Please remember to be patient while our management company works to serve your needs and complete the tasks set out for them. We thank you all for your understanding.

SAC Committee

Pat Bryant, President; Judy Lutes, Vice President; Leslie Van Horn, Secretary; Eileen Condon, Treasurer

Things have slowed down somewhat with so many of our friends and neighbors gone back to their summer homes. So, everyone needs to read their Bulletin and come to Coffee on Saturday morning to check and see what is happening at this point, where and when.

We are going to have the summer fun events again this year in the months of June, July and August.

Also there will be a FOURTH OF JULY PARADE, and a 4TH OF JULY PICNIC. So, be sure and keep abreast of what is going on.

The doors open for Coffee for EVERYONE at 7:30 a.m. so you can drink your coffee and enjoy your pastry while visiting with your friends.

Our “Coffee Meeting” begins at 8:00 a.m. for a short informative and funny time of about 30 to 45 minutes.

On the second Saturday, there is free bread and pastries available after coffee is over.

Please come and join us. We sure don't want you to miss out on anything. Also remember coffee and donut are free if you are 85 years of age, or older. Tell the volunteer at the door.

If you are 85+, and they will set you up for your free coffee and a donut for the rest of your life here at Ranchero Village. Otherwise, if you are younger than 85, it is just \$1.00 for a cup of coffee and a donut.

Please come because this is a place where you find out what is going on in the park and meet new friends and see old ones. Looking forward to seeing all of you! Thank you! Be healthy and have a good life!

Women's Club

Nancy Carns, President 437-7154

Our last event of the season was the luncheon at the Seabreeze Island Grille on Reddington Beach. Fifty - two women attended. We ordered from the menu and everyone enjoyed their meal.

Our next board meeting will be August 2nd to finalize everything for our September 5th (Monday) Labor Day Picnic and games which is open to all residents of rancho Village. More details to follow about this in the August Bulletin. Everyone have a great summer and we will see you at the Labor Day picnic!

Outreach

Outreach had their last gathering and luncheon on March 4th. They will resume in the fall. A special thanks to Linda Lush and Dave Neumore for their organization and dedication for keeping this great project going.

Thanks for the many volunteers also

Crafts

Terry Werton will continue leading the craft group until after the November bazaar. There last meeting was in April and they will resume again in September. Meanwhile we are looking for a new craft leader because Terry is retiring after many years of a lot of work. She says she still will be very active in the park though.

Thanks Terry, for all your dedication to the craft project.

June is the beginning of a summer of Ranchero Fun Activities. It all begins on Saturday, June 25, at the Hacienda. Nancy Carns is chairing this event which promises to introduce you to delectable delights in the form of "YOUR HERITAGE" covered dish dinner followed by an evening of Ethnic and State songs. Sing alongs and special music will round out a FUN evening. Call Nancy if you or your group would like to sing or share a special song. Everyone is asked to bring a covered dish (serving 8 to 10 people which reflects where your ancestors came from. Example: Sauerkraut and Kielbasa (guess which country this comes from.)

Or if you come from a state which is known for something special, you may want to bring that. Example:

Georgia Peach Melba. TICKETS will go on sale June 4 for \$3.00 (we're providing ham) after coffee. Doors will open at 5:30 and dinner will be at 6. As usual all events will feature 50/50, BYOB. And you are invited to purchase tickets and bring children and visitors to the June event.

COMPUTERS...AVOID THE RIP - OFFS

You can almost be sure that sooner or later your computer will be hit with a virus. It should not cost you money to remove the virus except for the cost of an anti-virus program.

Unfortunately, we have found that there is not one anti-virus program out there that can protect you from all viruses. But, we have many ways to remove those viruses without further expense.

Most people in the park know that Bruce Perry 831-5441 and Joe Coviello 535-6119 have been helping their neighbors with their computers FREE OF CHARGE for years now. So, give us a call and see if we can save you some money. Want more help? Join our NextDoor group Computer Help for tips and scam alerts.

Coffee may keep you healthy

Is drinking coffee good for you? A recent article on The New York Times website linked to a number of different studies touting the positive effects of caffeine on several different health problems. They include:

- Liver damage. A review of data collected by studies of more than 430,000 people found that coffee may lower the risk of cirrhosis of the liver, a disease associated with overindulgence in alcohol (among other causes).
- Tinnitus. Researchers kept track of more than 65,000 women and found that those who drank more than one 8-ounce cup of coffee a day were less likely to suffer from tinnitus, that persistent ringing or buzzing in your ears.
- Auto crashes. A study of truck drivers who routinely work on long hauls found that coffee drinkers (or consumers of other caffeinated drinks) seem 63 percent less likely to be involved in crashes while driving.
- Melanoma. An analysis of health and dietary data involving more than 400,000 people ages 50-71 found that those who drank four or more cups of coffee a day were 20 percent less likely to develop skin cancer. (The researchers cautioned that avoiding exposure to the sun's ultraviolet rays is still the most important way to avoid melanoma.)

State of health: What's the best place for you to live?

Where you live may affect your health, at least according to the Gallup/Healthways Well-Being Index. Their most recent report (using data from 2014) ranked all 50 states in order of health. The top 10 healthiest states?

- Alaska
- Hawaii
- South Dakota
- Wyoming
- Montana
- Colorado
- Nebraska
- Utah
- New Mexico
- Texas

The least healthy state, according to the Index, was West Virginia. The Index looks at a variety of factors, including purpose, social relationships, financial stability, community, and physical health.

MESSAGE FROM THE MANAGER

Happy Father's Day to all the Dads. Have a great day!!

Life at Ranchero Village is beginning to settle down again as so many head for summer quarters. For those who remain behind, don't forget to check out with the office if you decide to get away for a while yourself. It's important to leave an emergency contact with the office.

PROJECTS:

We have several projects scheduled for this month.

PAVING:

Resurfacing the Ulmerton Entrance and 6th Street has been projected to start May 31, 2016. Expect road closures during this time. Please look for notices around the Park with updates.

POOL CLOSURES:

The Hacienda Pool is scheduled to be closed June 6th through June 11th.

The Lakes Pool is scheduled to be closed June 13th through June 17th.

The pools decks are being resurfaced during this time weather permitting. Please look for notices around the Park with updates.

FENCING:

The fence along 6th Street and 8th Street is being replaced. Please remove any items along the fence line at this time. We do not have an exact start date but will be posting notices and have announcements made at Saturday Coffee.

HURRICANE SEASON:

June 1st marks the beginning of hurricane season. Please contact the office and let us know if you will require assistance in the event of an evacuation.

Hurricane season ends December 1st.

PARKING IN SOMEONE ELSE'S CARPORT

If you are leaving and are allowing someone else to park in your driveway or carport in your absence, please notify the office so that we can make a note in your file.

Also, please be considerate of your neighbors if you need to park in the street. Don't block their driveways and be sure to leave enough room so they can back out. And try to park in front of your own home.

DOG WALKING

All dog walkers be sure to walk your pet **only in the dog section and only on the side of the street designated as dog section**. Many streets are designated "dog section" on one side of the street, but the other side is not in the dog section. Keep your neighbors happy and obey the pet rules. And, of course, don't forget the 'Litter' bag.

DOOR TO DOOR SALES

Call the Largo Police Department (587-6730) immediately and please notify the community office if you have a solicitor come to your door. Even if you think you can just send them away with no harm, please remember they will be preying on your neighbors. Be a good neighbor and help to get rid of these predators. If a solicitor tells you they have received permission

from the office to be in the park, do not believe it. Management NEVER gives permission for solicitation.

STOP SCAMMERS COLD

A tip from Pinellas County advises us that when we are thinking of hiring a company to do work on our homes to do a little research first. To help protect yourself, contact Pinellas County's Department of Justice and Consumer Services where you can search for a company's complaint history and learn valuable tips to make your repair experience a good one. **Info:** www.pinellascounty.org/consumer or call (727) 464-6200.

TRASH:

Please make sure all trash is bagged and tied before putting it out for pick up. Do not put loose trash in a garbage can. It will not be picked up. Trash and recycling need to be out by 8:00am but not overnight. Thank you for your cooperation in the matter.

If you are bringing your trash to the maintenance yard, please do not use the 2 big roll offs by the gate for household trash. There are 4 dumpsters for that. Look for the signs designating which containers to use.

BACKGROUND CHECKS FOR RENTERS AND RESIDENTS

Both long term and short term occupants of a home, whether a renter, an owner, or an additional occupant are required to have a background check run. Anyone staying in Rancho Village as more than a guest of 15 days up to twice a year is required to have a background check run. This rule applies to everyone. If you have been here before but have had an absence of over two years you will be required to have a current background check run. These rules apply to everyone no matter what your past occupation may have been.

GUESTS

Guests staying more than 1 WEEK MUST be registered in the Community Office.

Guests **MUST** display Rancho Village ID tags when at the pools. Residents should be accompanying their guests while at the pool or other location and are responsible for the behavior of their guests. Please review your Rules and Regs and acquaint your guests with the rules also. Children under 16 must be accompanied by an adult who shall assume full responsibility for their safety and conduct. No running, jumping or diving into the pool.

HOT TUB USE is for adults only.

No one under 18. **Food and drink are not allowed in the pool/hot tub.** The hot tub is only meant for short sessions, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone, use the buddy system for safety.

Also, for the health and well being of everyone, please do not go in the Hot Tub or Pools if you have wounds or open sores.

STOP – at all the stop signs. Whether you are in a vehicle, bicycle, golf cart, or anything else,

please stop at the stop signs and make sure it is clear and safe to proceed.

DRIVEWAYS – When backing out of your driveway, please stop and look before entering the street. There have been several ‘close calls’ with residents backing out and not looking.

Landscaping and Mowing

If you have any problems with the landscaping or mowing, please contact the Rancho office and not the mowing crew. The office will contact their managers and get the situation resolved as quickly as possible.

GLASS BOTTLES – PLEASE REMEMBER that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken, you have the potential of people getting cut. If glass is broken in the pool, it can be quite expensive to clean out.

No smoking at the pools – please adhere to the No Smoking Rules at the pools and smoke only away from the pool area in the designated areas. This includes vapor and e-cigarettes.

TREE PERMITS

Permits **MUST** be obtained from the City of Largo for the removal of any tree with a trunk larger than 4” in diameter. Certain trees will require a fee before the permit can be obtained. The community office must submit the request to the City.

If you have gone through the permit process and have removed a tree please contact the community office and let us know so we can have the permit closed out with the City.

ALTERATION REQUESTS

Driveways, siding, roof-overs, windows, painting, planting, you name it! If you are making any type of change to the outside of your home, please come into the office first to apply for a permit. Submit your written request and wait until you have received approval and a permit before proceeding with any work. If work is started without the proper permits, management will put a stop to the work. Don’t put yourself or your contractor through the inconvenience of interrupted work just because you failed to follow the rules. Also, very important, be sure to obtain any required City permits.

PUT IT IN WRITING!

All requests and complaints should be put in writing and signed. Anonymous reports will not be addressed. Forms are available in the office for your convenience

STREET LIGHT OUT

Unknown to many, our streetlights do not belong to us. They are the property of Duke Energy and maintained by them. If a light is out please: Call Duke Energy @ 1-800-228-8485.

WATER SHUT-OFFS

The water is scheduled to be shut off for maintenance repairs **IF NEEDED** on **Tuesdays**, from approximately 9:00 a.m. to 12:30 a.m. (weather permitting). It is handy to keep a gallon of water on hand for these days and remember to **turn off your hot water heater**.
