Ranchero Village Co-Op March Newsletter

Bob Flanagan, President

The Co-Op election meeting was held in February and as there was no opposition to the 5 members running for re-election, your same Board of Directors will remain for at least another year. Again, we pledge to continue working together for the betterment of our Ranchero Community. We have already begun some of the much needed projects that were approved by the board, including a new ice machine for all residents to use at the Lakes Clubhouse. We still have ice machines at the Corral and Hacienda, but this addition will ensure residents continued access to them even with functions going on at the other clubhouses. We are in the process of completing new state-of-the-art audio/visual equipment in the Hacienda for the use of all residents and their activities, including large-screen TVs. We will be installing new white vinyl fencing throughout the park, we will continue our road upgrades during the summer months.

March will be another fun filled month for all the residents with parties and dances happening, I'm looking forward to seeing you all around the village.

We welcome all the new homeowners to the park and the board thanks you all for being a great part of the Ranchero family. Always remember, "There are no strangers in Ranchero Village, only friends you haven't yet met."

With Pride, Bob

RANCHERO VILLAGE NEIGHBORHOOD CRIME WATCH PROGRAM

Eileen Young

Another Special Focus Topic Neighborhood Watch Program will be presented on March 5, 6:30 PM, at the Hacienda Clubhouse. Come and be totally informed, educated and updated on what to look for to prevent Fraud and ID theft from happening to you or loved ones. Our guest speaker for that evening will be Anne Marie Millet who is the Pinellas County Consumer Protection Investigator and Outreach Coordinator. She is well prepared to present what will help all of us be CRIME WISE and not be cheated out of our money and/or robbed of our identity. She will use visual power points and have handouts to aid us in remembering what she presents that evening. Also, Officer Tran will provide us with our monthly Police Calls Report and both Anne Marie and he will answer any questions you may have. Our Official Watchers Report will also be given to keep you informed on what is going on, or not going on, in our Village. Mark your calendars NOW to be present on March 5! And, as you arrive that evening you will be given a Door Prize ticket for a chance to be one of several lucky winners of local business donations.

continued on page 6

The date of our next Neighborhood Crime Watch Program is always posted on TV Channel 732, on Nextdoor, in the Monthly Bulletin and on each Clubhouse Bulletin Board/Poster.

HOA

Larry Idoux, President

Ihope everyone who attended HOA's Annual General Meeting last month enjoyed our guest speakers. Since I am writing this on 2-4 and the meeting was 2-19, I can't write anything else about the meeting.

Our March monthly "workshop" meeting will be held on Monday March 18th at the Lakes clubhouse. Meeting will start at 10 a.m. All residents of RV may attend. Please come if you have any suggestions for the HOA or a matter the HOA might be able to assist you with.

See you there.

Social Activities

Dave Neumore, Coordinator; Theresa Ginder, Co- Coordinator; Leslie Van Horn, Recorder; Eileen Condon, Finance

As my idle Charlie Brown would say "Good Grief, it's March already". See how time flies when you have fun. Spring is here, and the park is in full bloom. Shows, dances, dinners and so much more to keep you entertained. Sports activities and banquets are aplenty. Bocce, Shuffleboard, and the ever popular women's and men's golf leagues.

Entertainment coming at you from every direction. We offer fun and excitement from the early morning Men's club breakfast throughout the entire day and closing up with a great dinner dance from some other group.

One last thing, a big thank you to the men and women who have joined our various groups and organizations in the park. You are the people that make this all work. Please talk to your

Pat Bryant,535-2439

Would anyone like to learn how to play shuffleboard? If you don't know how, just come to the courts on Tuesdays and Thursdays at 6:15 p.m. and we start at 6:30 p.m., and we will teach you. It is easy and a lot of fun. If you already know how to play, come over at the same time and join the rest of us. We are looking forward to everyone joining us at the shuffleboard courts.

We still play our silly game of "Horse Collar" on Tuesdays and Thursdays (weather permitting). Be there by 6:15 pm and bring 25 cents. This is the game where nobody home empty-handed. If you are new or an "accomplished" player please join us.

We also play competitive shuffleboard on Sundays at 6:30 p.m. and bring three dimes.

The courts are open daily until 10:00 p.m. for all adults to play. There are disks and cue sticks available in the shed at the courts we could leave unlocked.

Children 16 and under who play must be supervised by an adult.

Unfortunately we have had some vandalism therefore the doors need to be locked.

Call the office if you want to play to get the number, or call Pat or Paul Bryant at 535-2439 for the number.

UNFORTUNATELY DUE TO VANDELISM AT THE COURTS, THE DOORS TO THE ROOM FOR THE RESIDENTS HAS TO HAVE A PADLOCK ON IT. YOU WILL HAVE TO GO TO THE OFFICE TO GET THE LOCK NUMBER TO GET IN.

I regret this has to be done, but please come during the day and enjoy!

Come and join us! It is a lot of fun and a good way to meet your neighbors!

SEE YOU AT THE COURTS!

From the Editor

The Deadline for the April bulletin is March 10th. You can drop your article off at lot 625 or email it to lesliev123@verizon.net

MESSAGE FROM THE MANAGER

March already!!!! The time is flying by and on top of that we have to move our clocks ahead on March 10th for Daylight Savings Time and lose an hour!! (Don't forget to check the batteries in your smoke detectors at the same time you are adjusting the clocks. That's an easy way to remember to keep them in working order.)

Happy St. Patrick's Day to all. EVERYONE is Irish in March!!

In case of a Park related after hour's emergency, please call 346-4819.

ICE MACHINE

There is now an ice machine at the Lakes Clubhouse as well as the Corral. You can still get ice at the Hacienda if the office is open and the other clubhouses are being used.

GOOD MORNING/GOOD EVENING SIGNS

We recommend anyone who lives alone to stop by the office and pick up a Good Morning/ Good Evening sign to place in your window. The idea is to change it to Good Evening when you are settling down for the night and turn the sign around in the morning so neighbors will know you are well. When a sign hasn't been changed, we will send someone to check on you. We are always looking out for the well being of everyone in the Ranchero Village family!

MAINTENANCE YARD

Please do not park in front of the homes by the maintenance yard or in the way of the gate.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

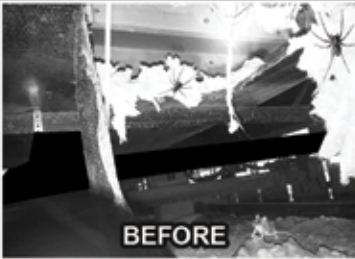

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

DOGS –DOGS-DOGS

There is so much to be said about dogs. We encourage everyone to review your Rules and Regulations manual to update yourself on all the rules. Among many of the rules in section VII. PETS, you will find it states: **“Guests and visitors are to be advised not to bring their**

...continued on page 34

pets into the Community, with the exception of trained working dogs.”

This means you must alert your guests that their pets are NOT allowed to visit in the community.

Also, **“No pets are allowed in the Community recreation or common areas at any time.”** Please come to the community office for a Dog Section Map if you are not sure of the dog section. Dogs can only be walked in the areas indicated and on the side of the street designated “Dog Section”. Keeping these rules makes for happier neighbors...and management, too!

And, of course, all pet owners are to have a litter bag with you at all times to pick up and properly dispose of pet litter.

ALTERATIONS AND SUCH STUFF!

No alterations to the exterior of the Home may be made without the written consent of Management. All contemplated changes must be submitted in writing to Management for approval or disapproval. Management will advise the Resident within fifteen days thereafter of the decision. Management’s consent does not relieve the Resident from the responsibility of applying for proper permits from local governmental authorities and meeting existing building code requirements. Management reserves the right to require that any improvements made without the written consent of Management shall be removed at Resident’s expense.

These alterations include the planting of trees and bushes, adding patio stones or removing existing plants or construction. Exterior antennas, satellite dishes and other external signal receivers must be approved by Management as well.

DIAL DIRECTORY CHANGES

It’s another new year already and time to start preparing the 2019-20 community phone book. Check the old one and if your entry is incorrect or changes have taken place, please leave a note in the drop box outside the front door of the Hacienda Club House (office door) or call the office. We would rather hear from you a second time rather than miss making the changes before the book goes to print. Thanks for your help in this.

MESSAGE FROM THE LARGO POLICE DEPT.:

Reminder to everyone when you are working with ANY company that provides you a service:

Always verify legitimacy through the **Florida Department of Business & Professional Regulation (DBPR)**. These guys handle the majority of licensing. Other licensing such as painting, flooring, and carpentry is handled through the County (PCCLB) Pinellas County Contractor Licensing Board

<http://www.myfloridalicense.com/dbpr/> or call 1-850-487-1395 (don't use the prompt's just wait for an agent or press zero for operator)

<http://www.pcclb.com/>

Get a written contract on company letterhead. If they're not with a company...is the savings worth the risk????

NEVER pay in full before the work has been completed.

Americans prefer to stay at home

Planning a vacation overseas this year? You're not exactly alone, but you're not in the majority. As reported on the NerdWallet website, a survey by Priority Pass found that only 14 percent of Americans plan to leave the United States for a vacation this year. Forty-five percent said they'd prefer to stay in the U.S.

The survey included 10,000 people in nine countries. Overall, 32 percent of respondents said they expect to go abroad for their holidays. Among other travel-related findings from the survey:

- **Americans are least likely to spend a cash gift on travel.** If given \$300, U.S. residents are least likely to use it to help pay for a trip. People in the United Kingdom and Mexico are most likely.
- **Americans spend more on travel.** Although they travel less, Americans have the highest per-person budget for overseas travel.
- **Americans don't share.** Finally, the survey found that Americans are least likely to share their travel memories on social media, or recommend hotels, airlines, and transportation services than residents of other countries.

We're still looking at our phones on the road

We all know the dangers of texting while driving—or do we? A survey of drivers in Philadelphia, as reported on the Fox 8 website, found that 75 percent admit to using mobile devices behind the wheel.

They're not all kids, either. Although 91 percent of millennials reported using a smartphone or other device while driving, so did 79 percent of Gen Xers and 64 percent of Baby Boomers. What are they doing? Reading text messages or emails (48 percent), updating or checking social media (23 percent), and recording videos (18 percent). Only 9 percent of drivers in the survey said they use a "Do not disturb" app on their phones while driving.

Arithmetic is where you have to multiply—and you carry the multiplication table in your head and hope you won't lose it.

These drawing games can spur your brain

Drawing can spur your creativity. You don't have to be a Picasso. Just try some of these games with your friends (from the My Modern Met website):

- **The Exquisite Corpse.** In this game, developed by the 20th-century Surrealist artists, one person begins a drawing at the top of a sheet of paper, then folds it over or covers it up so only a bit of the bottom is showing. The next person continues the drawing, folds it down, and so on. Unfolding it to reveal the completed drawing should produce surprises, laughs, and even some ideas.
- **Paper Telephone.** One person writes a short, descriptive phrase on a piece of paper, then passes it to the next. He or she then draws a picture based on the phrase. The next person looks only at the picture and then writes a phrase or sentence describing it. The following person then draws a picture of that phrase, and so on. By the end, the final picture and the original phrase may have nothing to do with each other.
- **Blind Contour.** In this exercise you (and a partner) draw something around you, but without looking at the paper—just the subject of your drawing. Keep your pen or pencil on the paper at all times. You might be surprised at what you see.
- **Scribbles.** One person scribbles on a piece of paper, eyes closed. The next person has to turn that doodle into a drawing. This forces your mind to make sense of nonsense.

A simple exercise for imagination

Your subconscious mind can help you exercise your imagination. Try this technique (used by Thomas Edison):

Ten minutes before you go to sleep, organize your thoughts. Think about a problem you're trying to solve, or ask your brain a question. Keep thinking about this as you drift off to dreamland. Then, during the first 10 minutes after waking up, write down whatever pops into your head. You'll often find that your brain has answered your question during your sleep. In the morning your mind is looser, and you're more likely to remember dreams and connect them to your daytime reality.

INVENTION, STRICTLY SPEAKING, IS LITTLE MORE THAN A NEW COMBINATION OF THOSE IMAGES WHICH HAVE BEEN PREVIOUSLY GATHERED AND DEPOSITED IN THE MEMORY; NOTHING CAN COME FROM NOTHING.
