Ranchero Village Co-op, Inc.

Kay Voorheis, President

Recently we added covers to the hand rails at the three pools. In the summer those rails can get extremely hot so it is anticipated that these covers will help keep hands from being burned. The covers are removable so they can be cleaned. Speaking of pools please remember to rinse off before getting into the pool with lotion and/or oil on. This can cause the filters in the pool to clog. The air conditioner at the Corral Clubhouse has been replaced. It was found that it was beyond repair and some parts of the old AC dated back to 1988! The unit is doing a great job and is much quieter than the old one. We ask that the temperature be turned up to 80 degrees after functions in the clubhouse are finished. This will keep the building at a comfortable temperature when not in use. This should be done at the Lakes and Hacienda Clubhouses also. Over the summer, new drapes were ordered for the Corral and Hacienda Clubhouses. This project was a collaborative effort between SAC , Chapel and the Co-Op. the new drapes have recently been installed and look terrific. They are a definite improvement over the vertical blinds that had been in place for many years! I want to thank Pat Bryant, SAC and Chapel for their assistance with this major project! A quick reminder- especially for our returning snowbirds. If someone calls you offering to check your air conditioner, water heater etc., and you did not initiate the call - that someone is soliciting. We have had and still have companies coming into the park soliciting our residents. Management has responded several times over the summer to instances of solicitations and told the individuals to leave. Please do not become a victim of a solicitor! Now that it is October and the weather in the north is getting cooler, we look forward to seeing many of you return to Ranchero. Please travel safely.

The Association of Ranchero Village Homeowners INC.

Ron Luciano, President; Bruce Perry, Vice President

We hope you all had a wonderful summer and as our northern friends safely and slowly trickle back to our beautiful community we want to welcome you all back. We will be starting our monthly HOA meetings back up on Thursday, October 23, 2014 at the Hacienda at 7:00 p.m. All residents are invited and encouraged to attend our open meetings. We look forward to seeing you and Welcome Home!

SAC Committee

Pat Bryant, President; Gail Wheeler, Vice President, Leslie Van Horn, Secretary; Eileen Condon, Treasurer

We have had a great September here in Ranchero Village. We are very involved with all our activities. Of course, we have Bingo every Wednesday night, and it is still one of the best Bingo games in the area. All of the different card/table games have

...continued on page 6

started back up. There is the exercise class every Monday at 8:15 a.m. And Tai-Chi the Balance Class, Crafts, The Men's Club and the Women's Club. There is shuffleboard which is open to the entire community, every Tuesday and Wednesday evening (weather permitting) at 6:15 p.m. On Sunday evening at 6:15 there is competitive shuffleboard if you are interested. There are card games available also. Everyone needs to read their Bulletin to check to see what is starting up, where and when. We don't want you to miss out. On Saturday, August 23rd, at the Hacienda Clubhouse we had an old-fashioned three one - act plays, along with singers(?) and dancers (?) to entertain us between acts. There was also popcorn and root beer floats for refreshments. I promised I would review the whole evening in the October bulletin. Well, it was great. The "actors" were funny. The "singers" were good, and so were the "can-can dancers" who had flubs in their routine, but you couldn't tell if it was part of the act, or really a flub. Very cute. As a whole it was a very entertaining evening. Looking forward to see what happens next summer. The Labor Day Picnic put on by the Women's Club was done very nice, a lot of good food --complete with ants. There were "plastic ants" on all the tables, including the serving tables, to make it realistic. Everyone had a great time. See you all at Coffee on Saturday morning at 8:00 a.m. Doors open at 7:50 a.m. Remember coffee and donut are free if you are 85 years of age, or older. Tell the volunteer at the door if you are 85+, and they will set you up for your free coffee and a donut for the rest of your life here at Rancho Village. Otherwise, if you are younger than 85, it is just \$1.00 for a cup of coffee and a donut. Please come because this is a place where you find out what is going on in the park and meet new friends. Looking forward to seeing all of you! And please take an opportunity and use the form that is enclosed in the Bulletin to help us continue to make life good here in Rancho Village. Take your completed form to the office and ask them to place it in the SAC mailbox. Thank you and have a good life!

Men's Club

John VanHorn, President; Dave Neumore, Vice President; Gerry Soules, Secretary; Paul Allard, Treasurer

The Spaghetti Dinner will be held on November 13, 2014 at the Hacienda Clubhouse at 5:00 p.m. Handicapped at 4:45 ... Tickets are \$6.00 on sale October 25, before and after coffee. RANCHERO VILLAGE ACTIVITIES SURVEY

As we all know Rancho Village is a great place to live. However, in an effort to improve and embrace our Rancho Village "Lifestyle," the Social Activities Committee is asking you to assist by providing

comments or suggestions for new events or changes to current events. Your monthly Rancho Village Bulletin lists the activities. Saturday morning coffee also provides details on these activities. You can choose to identify yourself or remain anonymous, but your participation would be greatly appreciated. Please remove this form from the bulletin and return it with your input to the Park office. Thank you!

MESSAGE FROM THE MANAGER

Welcome Home to all returning residents! Quite a few people returned before the summer was even over. The weather is already chilly up in the north and many of our family members and friends are looking for a nice warm place to spend the winter and are quite envious of Rancho residents. For those who may not be returning but are renting out their homes to these poor frozen northerners, please remember that all renters must be approved by and registered with the office. Rental homes are also available through the office but are booking up very rapidly. Call us at 727-536-5573 if you or someone else is interested in a seasonal or annual rental. If you are renting your home, please let us know and we can send potential renters your way. We get more requests than we can meet. You can also list your home for rent on the community bulletin boards...be sure to follow the bulletin board rules.

In case of a Park related after hour's emergency, please call 346-4819.

BACKGROUND CHECKS FOR RENTERS AND RESIDENTS

Both long term and short term occupants of a home, whether a renter, an owner, or an additional occupant are required to have a background check run. Anyone staying in Rancho Village as more than a guest of 15 days up to twice a year is required to have a background check run. This rule applies to everyone. If you have been here before but have had an absence of over two years you will be required to have a current background check run. These rules apply to everyone no matter what your past occupation may have been.

CHECK THE LOST AND FOUND

We get so many keys and various items turned in at the office. If you have lost something check at the office. Check even if you lost it a long time ago. We might surprise you and have it!!

SEASONAL REMINDERS

Fall is here and it's time to check the batteries in your smoke alarms. It is also the time to put the Root Kill down the sewer to keep roots from plugging up your plumbing. Cooper Sulfate, available at local hardware stores, should be used twice a year: once in spring and again in the fall. It is available under various names but one example is on view in the community office.

PRECAUTION

Due to recent thefts in the park the manager is urging all residents to come to the office and register their gofcarts and bicycles. Registration forms from the City of Largo Police Dept. are available for registering bicycles. A sticker is then placed on your bike which will help in returning it to you should you become the victim of a theft. Let's take all steps possible in preventing these thefts. Be sure to keep bikes and golf carts securely locked up or chained. If you see suspicious activity call the Largo Police Dept. at 587-6730 and also alert the park office.

Water and Swimming Safety

From the Red Cross

A recent Red Cross survey found that eight out of ten Americans are planning water activities such as going to the beach, pool, water park or boating or fishing this summer. A third (32 percent) of all Americans plan to swim at a place without a lifeguard. The Red Cross has launched an anti-drowning campaign this summer that promotes swim lessons and safe swimming. If a trip to the beach is part of someone's plans, the Red Cross has ten tips that will help beachgoers stay out of harm's way:

1. If someone plans to swim in the ocean, they should always check weather conditions before going in the water.
2. Swim only at a lifeguard protected beach, within the designated swimming area and listen to all lifeguard instructions.
3. Always swim with a buddy and always swim sober.
4. Young children and inexperienced swimmers should wear a Coast Guard-approved life jacket.
5. Everyone should enter the water feet first if they can't see the bottom or don't know how deep the water is.
6. Be aware of the danger of rip currents. If caught in one, swim parallel to the shore until out of the current. When free, turn and swim toward shore. If unable to swim to the shore, call out for help, float or tread water until free of the rip current and then head toward shore.
7. Limit the amount of direct sunlight received between 10:00 a.m. and 4:00 p.m., and wear a broad-spectrum sunscreen with a protection factor of at least 15. Reapply often.
8. Stay hydrated. Drink plenty of water regularly, even if not thirsty. Avoid drinks with alcohol or caffeine in them.
9. Protect the eyes by wearing sunglasses that will absorb 100 percent of UV sunlight.
10. Wear beach shoes. The sand is hot and can burn someone's feet and glass and other sharp objects can cut them.

More water safety information is available at redcross.org.

POOL RULES

All the rules for the pool apply to all people at all times. The rules posted as well as those which we highlight in this Bulletin are to be followed at all hours and conditions. Just because no one else is at the pool when you are, does not mean the rules can be altered for your convenience. For example: If no one else is at the pool you must still abide by the No Smoking Rule and only smoke in the designated area. Another example is: the children's hours remain the same whether or not others are there. These are just examples, but you get the idea. Let's all keep the rules and keep Rancho a pleasant place to live and enjoy. **HOT TUB USE** is for adults only. No one under 18. Food and drink are not allowed in the pool/hot tub. The hot tub is only meant for short sessions, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone, use the buddy system for safety. Also, for the health and well being of everyone, please do not go in the Hot Tub or Pools if you have wounds or open sores. **GLASS BOTTLES – PLEASE REMEMBER** that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken, you have the potential of people getting cut. If glass is broken in the pool, it can be quite expensive to clean out. No smoking at the pools – please adhere to the No Smoking Rules at the pools and smoke only away from the pool area in the designated areas.

TREE PERMITS

Permits **MUST** be obtained from the City of Largo for the removal of any tree with a trunk larger than 4" in diameter. Certain trees will require a fee before the permit can be obtained. The community office must submit the request to the City. If you have gone through the permit process and have removed a tree please contact the community office and let us know so we can have the permit closed out with the City.

HANDICAP CHAIR LIFT

If you need assistance to go into a pool, we have a Handicap Chair Lift available at the Hacienda swimming pool.

GET PERMISSION FIRST

Driveways, siding, roof-overs, windows, painting, planting, you name it! If you are making any type of change to the outside of your home, please come into the office first to apply for a permit. Submit your written request and wait until you have received approval and a permit before proceeding with any work. If work is started without the proper permits, management will put a stop to the work and in some cases, even demand removal. Don't put yourself or your contractor through the inconvenience of interrupted work just because you failed to follow the rules. Also, very important, be sure to obtain any required City permits.

STREET LIGHT OUT

Unknown to many, our streetlights do not belong to us. They are the property of Duke Energy and maintained by them. If a light is out please: Call Duke Energy @ 1-800-228-8485.

WATER SHUT-OFFS

The water is scheduled to be shut off for maintenance repairs IF NEEDED on Tuesdays, from approximately 10:00 a.m. to 11:30 a.m. (weather permitting). It is handy to keep a gallon of water on hand for these days and remember to turn off your hot water heater.
