New Residents

If you are new to the community please send a quick email to chrisstones48@gmail.com and introduce yourself. We would enjoy welcoming you to the community family. We would also like birthday and anniversary information for our records.

Here is an email we received this month ...

Hi Chris,

Mike and I (Mary) would like to introduce ourselves to the community. We moved into REGENCY Heights back in Jan. We have been busy fixing up our 1971 mini double wide and making slow but steady progress. We have met so many nice folks here.

Both Mike and I still work full time. We have lived in the Tampa Bay area for 30 years.

Stop by and see our progress and enjoy a cold beer with us.

Upcoming Dances & Events

Chris Stones

In upcoming issues we will endeavour to compile a complete and accurate list of all the Inside/Outside/Dance events that will be taking place in the 2018 / 2019 season so that you can make personal plans around those dates.

Would everyone who is involved with **any event in the park** – dances, pool parties, bingo, meals, special events - anything ... please put your thinking caps on and send me a list of events with dates either via email or text so we can compile the list for an upcoming publication. Don't worry that the date may change as we can deal with minor changes on the fly – at least we will have a solid starting point.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

FLORIDA Cell Phone Law Passed June 28th 2018

Chris Stones from the internet

This item came to me via Facebook so I won't vouch for the accuracy. This law should be worldwide!

"They passed a new law in Florida that if the police see you with your phone in hand while driving you will get a \$250 ticket and you will be sent to driving school. This law passed June 28th."

When I went to validate the info I found the following ... **warning** – the site may just not be up to date with the new law

Florida Cell Phone Laws

Traffic Tickets and Cell Phones

Here's the short version:

1. Talking on a cell phone while driving is not illegal in Florida
2. Texting while driving is illegal in Florida

Driving and talking on a cell phone is perfectly legal in Florida. But should you do it - NO? We've all seen drivers with cell phones glued to their ears changing lanes too close to you, rolling through stop signs, or just not driving well at all. One of the biggest causes of accidents in Florida is distracted drivers.

By now everyone should know that texting while driving is extremely dangerous. Texting while driving is illegal in Florida and can result in points on your license. **But what about talking on a cell phone while driving?**

Cell Phone Conversations Are Distracted Driving

Talking on a cell phone is not illegal in Florida but it does distract you from driving and is a cause of thousands of car accidents a year in Florida. In 2017 there were over 3,700 accidents attributed to drivers distracted by cell phone conversations.

Talking on Your Cell Phone Reduces Your Reaction Time by 40%

The National Institute of Health did a study with drivers age 21 to 26 using an advanced driving simulator. The study focused on a distraction that originates in your peripheral vision - a pedestrian entering the crosswalk - while you are having a phone conversation.

Driver's reaction times were 40% longer when they were talking on a cell phone.

Florida Highway Patrol Tips

This is why the Florida Highway Patrol has issued their Cell Phone Tips for drivers. If you want to avoid a traffic ticket and keep your driver's license in good status, you need to read on to avoid bad driving habits. You can easily get a ticket in Florida if you become a distracted driver and break road rules, or worse, cause an accident.

Cell Phone Tips...To Call or Not to Call?

Make safe driving your first priority. If talking on your cell phone is going to distract

...continued on page 10

you, don't use it while driving. If you are behind the wheel and you get a call, just let it ring! If the caller wants to talk to you, he will leave a message. If you suddenly need to make a call, pull over and stop your car as soon as you can.

Keep Your Eyes on the Road

If you are expecting calls or know that you will be placing calls while you are behind the wheel, make preparations. Don't take notes or look up numbers while driving. Again, keep your eyes on the road. Use speed dial or keep all numbers handy.

Limit Conversation.

A cell phone is useful in emergencies and is definitely convenient. However, it can be abused. Drivers who engage in lengthy or involved conversations are just asking for trouble. It is very hard to concentrate on driving while you are trying to make vacation plans or comfort a friend in the hospital. You should not engage in stressful or emotional conversations that may distract you from your primary task - driving your car!

Use Common Sense

Know when it is safe to talk on your cell phone. You should not talk on the cell phone during hazardous driving conditions. If road conditions are not safe, traffic is heavy, or weather is severe, don't use your cell phone -- it is simply not worth risking a crash...or your life!

If you must use your cell phone while driving -- DO keep these things in mind.

- **DO...**Get to know your phone and its features.
- **DO...**Use a hands-free device if possible.
- **DO...**Make sure your phone is in easy reach.
- **DO...**Reserve phone usage for emergencies or important calls.

This information has been provided by the Florida Highway Patrol. Even though talking on a cell phone while driving is legal in Florida, it can result in a traffic ticket if you break a road rule or cause an accident. Keep your driver's license in good status and keep your cell phone use for emergencies only when driving a car!

From the editor ... when I copied the article as it appeared on their website I found 5 grammar and three spelling errors -- just saying ☺

‘Yappy Hour’ Doggy Social

Chris Stones

Even though all the snowbirds and their furry friends have fled to the cooler summer temperatures don’t forget about the weekly “Yappy Hour” at the dog park every Tuesday at 10am. Small dogs will be from 10 to 11 with larger dogs from 11 to 12. This is primarily for your benefit as dogs do not recognize size – they recognize energy level. If your dog is large and high energy please come at 11am. Dogs can be present for the full 2 hours as long as the owner is cool with it.

Rules will be simple ...

1. All dogs must be leashed until they are led into the park.
2. All dogs must be leash free while in the park
3. All dogs must have an owner present
4. All owners must pick up after their own dog and any other dog they observe
5. All owners must have fun – no hovering over your dog – let them be dogs
6. Observe the rule – No Talk, No Touch, No Eye Contact – respect your dog and allow it to be a dog
7. Please ensure all vaccinations are up to date

Keep Those Old Eyeglasses & Hearing Aids Coming

Lion - Dave Barry #471

What a year! Folks in Regency Heights contributed to a record year. There are recipients who are silently thankful. We are helping folks we have never and probably will never meet but you are elevating their standard of life through your generosity. I am proud to be a part of the Regency heights family.

Again, we thank everyone for all of the hearing aids (please remove batteries), eyeglasses and sun glasses, they are greatly appreciated

What is Globalization?

Chris Stones

Globalization? It's in the news every day; but what does it really mean? Well here is a definition of globalization that I can understand and relate to:

Question: What is the truest definition of Globalization ?

Answer: Princess Diana's death.

Question: How come?

An **English** Princess with an
Egyptian boyfriend crashes in a
French tunnel, riding in a
German car with a
Dutch engine, driven by a
Belgian who was drunk on
Scottish whisky, (check the bottle before you change the spelling), followed closely by
Italian Paparazzi, on
Japanese motorcycles, treated by an
American doctor, using
Brazilian medicines.

This is sent to you by a

Canadian, using
American Bill Gates' technology, and you're reading this on a computer or print media,
created using
Taiwanese chips, and a
Korean monitor, assembled by
Bangladeshi workers in a
Singapore plant, transported by
Indian truck drivers for overseas delivery on a
Lebanese ship, manned by
International crews, unloaded by
Sicilian longshoremen, and trucked to you by
Mexican & Indonesian truck drivers

That, my friends, is **Globalization**

Favourite Quotes

Chris Stones

This seemed like a very appropriate article for today's world crisis. We seem to be unable to make logical humanitarian and business choices simply because we are afraid of the unknown consequences.

CHOICES

Many years ago, during a terrible desert war in the Middle East, a spy was captured and sentenced to death by a wise Old Persian warlord. Despite the harsh sentence, the warlord was actually a man of mercy and compassion.

Over the years he had adopted a strange custom. In death penalty cases, he would allow the condemned a choice of a quick death by firing squad or take his chances by passing through a mysterious black door.

As the moment of execution drew near, the warlord ordered the frightened spy be brought before him. "What have you chosen? Will it be the firing squad or the black door?"

It was a terrible decision for the prisoner to make. Each time he moved close to the massive black door, his trembling hand stopped short of the key. Finally he informed the warlord that he much preferred the firing squad to the unknown horrors that might lurk in the shadows behind that mysterious black door.

A few minutes later, a volley of rifle shots signaled that the sentence had been carried out. The old warlord, gazing off to the distant horizon, turned to his aide and said, "You see how it is with people; they will always prefer the known to the unknown. That man went quietly to his death even though I gave him a choice..."

The aide asked, "What lies behind the black door?"

"Freedom," replied the warlord, "and I've known very few men brave enough to take it."

ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$144,000** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
