Homeowners Association

Tammy Friedlander, President

Thank you to all of you who have given me positive feedback on my article last month.

As we go to press, we have an HOA Board meeting scheduled on Oct. 12th to meet with our new Sun Communities, Regional VP, Jenny Schawver. We will also be firming up a date in November for a HOA Town Hall meeting with Sun Communities for all members to attend. Please check the bulletin board for updates.

Our Park Manager took exception to last month's article, so sad he took it that way. We are simply trying to resolve long standing issues that remain in the park. Let me insure you residents that we are trying to open the lines of communication with Sun Communities and our Park Manager. However, we assure you that we will continue to pursue resolutions where there have been none.

We are still waiting to hear of completion dates for the promised workout room, outdoor kitchen and dog park.

Thank you all for your comments and support. It is greatly appreciated!

The Snowbirds are coming.....

Well, it's that time of the year when the snowbirds start "flying" South. We are looking into some fun activities for all of us to enjoy. We are so thankful that Tammy Friedlander has hosted the pool parties while we were gone....

THANK YOU TAMMY!!

Pool Parties

Beginning in November the pool parties will be held on the first Sunday of each month at 2pm. The first two will be November 6 and December 4.

Please bring a covered dish for everyone to share and also your favorite beverages. Paper plates, cutlery and napkins will be supplied. Also bring cash for 50/50.

Sure will be great to see everyone and share some of our summer adventures!!!

Dinner Theater

We have reserved 4 tables (8 seats at each table) at Ed Fletcher's Early Bird Dinner Theater, 13355 49th St. N., Clearwater, Florida 33762 for Friday, November 11 at 4pm.

The play is "Nice Family Gathering" and is a story about a man who loved his wife so much, he almost told her. It's Thanksgiving Day and the first family gathering at the Lundeen household since the Patriarch died. At the gathering, Dad comes back as a ghost with a mission; to tell his wife he loved her, something he neglected to tell her while he was alive. After all, they were only married for 41 years. The problem is, she can't hear or see him. The trouble begins when Mom invites a date for dinner.

The cost is \$36.00 per person for dinner and show. You will be able to buy your tickets at Bingo and Wednesday Coffee. So look for us soon.... We need to make sure we have all our

tables filled!!

Calypso Queen Boat Trip

We have reserved the Calypso Queen **for** cruise and **afternoon buffet** on

December 7, before the Spring breakers arrive

Enjoy a daytime cruise aboard the Calypso Queen, departing from the Clearwater Beach Marina, taking in the sights of beautiful Clearwater harbor. This afternoon cruise features a live captain's sightseeing narration including points of interest along the route and the history of our picturesque region.

Dolphins are common sight on our afternoon cruise! The cost is \$30.00 per person and includes gratuity.

We will be selling tickets at Bingo and Wednesday Coffee Hour.

Stay tuned for more exciting adventures.....

ANY SPARE BOWLERS OUT THERE???

Ansley Cummins – League President

The bowling season is fast approaching. We begin our season Thursday, November 10th and bowl through March 23, 2017. Last year we had 11 teams in our league. A number of new people have already approached me about bowling in our league this season, which brings the possibility that we might be expanding 10 12, 13, or even 14 teams this season. I will be posting a sign-up sheet in the Regency Club for anyone interested in bowling as a regular or spare bowler. We are always in need of subs each year.

For many reasons regular bowlers must miss a week or so, or drop out, and be replaced. These replacement subs sometimes go on to be regular weekly bowlers, if they desire to do so. We bowl at Dunedin Lanes on Patricia Avenue in Dunedin on Thursdays at 9:00 A.M. Everyone is welcome, experienced bowlers as well as new bowlers, as this is a FUN league. If you are interested in bowling with us SIGN UP! There is no need to sign up if you are already a registered bowler from last year. In making new teams to include all new bowlers, I will be using the sign-up sheet for the order of placing people on teams. So be prepared to sign up so that you are not left out, if we get to maximum teams that can be accommodated by Dunedin Lanes.

If you are a new bowler, I need you to post an average on the sign-up sheet. I must have some average to include you on a team. So come join us on Thursdays.

It is not only good exercise, but a lot of fun as well!

If you desire any additional info, feel free to contact me. Ansley Cummins, Lot 293, 727-797-6384.

How To Pay the Bill

Ginger Cutright from the Internet

A man suffered a serious heart attack while shopping in a store. The store clerks called an ambulance when they saw him collapse to the floor. The paramedics rushed the man to the nearest hospital where he had emergency open heart bypass surgery.

He awakened from the surgery to find himself in the care of nuns at the Catholic Hospital. A nun was seated next to his bed holding a clipboard loaded with several forms, and a pen. She asked him how he was going to pay for his treatment.

"Do you have health insurance?" she asked. He replied in a raspy voice, "No health insurance." The nun asked, "Do you have money in the bank?" He replied, "No money in the bank." "Do you have a relative who could help you with the payments?" asked the irritated nun.

He said, "I only have a spinster sister, and she is a nun." The nun became agitated and announced loudly, "Nuns are not spinsters! Nuns are married to God."

The patient replied, "Perfect. Send the bill to my brother-in-law."

Heads Up! Golden Agers Program – Feb. 14th, 2017

Club Council

It is time for us to start thinking about the Golden Agers Program. We all look forward to our annual February 14th celebration of married couples who have reached 50 years of wedded bliss and also remembering our past honorees. If there is anyone that is celebrating their 50th Anniversary please contact Angela Grochowski, Lot 473 727-475-8319.

The Golden Agers Program has been around as long as Regency Heights has been a park. If there are no couples to honor in 2017, we will be honoring all past honorees and all who have anniversaries. It is a great opportunity to mingle with your neighbors.

This celebration is open to all park residents', it should be outstanding with a variety of Regency's talented performers.

This is a "no charge" event, all are invited and there will be light refreshments served.

SHUFFLEBOARD

Sally Keith, President

The Sterling Interpark League will begin the 2016-2017 season in late November. The matches will be at 12:00 noon on Monday's. The schedules and locations will be posted on the bulletin board and delivered to all eligible shufflers as soon as that information

Dirty Bingo – Sat. Nov. 26th – 7 pm

Lillian Martinez – Inside Social

On Sat. Nov. 26th, we will have Dirty Bingo from 7:00 to 9:00 pm at the club house. Each person please bring a gift worth \$5.00 and place on the gift table. When you win a Bingo, take a gift from the table and you must unwrap it and show to all. The next person to win a Bingo, can either take your gift or one from the gift table and so on. There will be a cash prize for the speedy and the 50/50. Don't forget your Bingo daubers. If you do not have one they will be for sale. Bring snacks and drinks to enjoy while playing. Non- Bingo players come and have some fun. It's also a great way to meet new neighbors and catch up with old neighbors.

Hope to see you all there!

On The Front Porch.....

From the Internet – Gordie & Colleen Harrison

On the first day, God created the dog and said: "Sit all day by the door of your house and bark at anyone who comes in or walks past. For this I will give you a life span of twenty years." The dog said, "That's a long time to be barking. How about only ten years and I'll give you back the other ten?" And God said that it was good.

On the second day, God created the monkey and said, "Entertain people, do tricks, and make them laugh. For this, I'll give you a twenty-year life span."

The monkey said, "Monkey tricks for twenty years? That's a pretty long time to perform. How about I give you back ten like the dog did?" And God again said that it was good.

On the third day, God created the cow and said, "You must go into the field with the farmer all day long and suffer under the sun, have calves and give milk to support the farmer's family. For this, I will give you a life span of sixty years."

The cow said "That's kind of hard to want me to live for sixty years. How about twenty and I'll give you back the other forty?" And God agreed it was good.

On the fourth day, God created humans and said, "Eat, sleep, play, marry and enjoy your life. For this I'll give you twenty years." But the human said, "Only twenty years? Could you possibly give me my twenty, the forty the cow gave back, the ten the monkey gave back, and the ten the dog gave back; that makes eighty, okay?" "Okay," said God, "You asked for it."

So that is why for our first twenty years, we eat, sleep, play and enjoy ourselves. For the next forty years, we slave in the sun to support our family. For the next ten years, we do monkey tricks to entertain the grandchildren. And for the last ten years, we sit on the front porch and bark at everyone.

Life has now been explained to you. There is no need to thank me for this valuable information. I'm doing it as a public service. If you are looking for me I will be on the front porch.

Blonde Helping a Trucker

From the Internet – Stan Morris

A blonde lady motorist was about two hours from Jacksonville, FL when she was flagged down by a man whose truck had broken down..... The man walked up to the car and asked, "Are you going to Jacksonville, FL?" "Sure," answered the blonde, "do you need a lift?" "Not for me. I'll be spending the next three hours fixing my truck. My problem is I've got two chimpanzees in the back that have to be taken to the Jacksonville Zoo. They're a bit stressed already so I don't want to keep them on the road all day. Could you possibly take them to the zoo for me? I'll give you \$200 for your trouble" "I'd be happy to," said the blonde.

So the two chimpanzees were ushered into the back seat of the blonde's car and carefully strapped into their seat belts, and off they went. Five hours later, the truck driver was driving through the heart of Jacksonville, FL when suddenly he was horrified! There was the blonde walking down the street, holding hands with the two chimps much to the amusement of a big crowd. With a screech of brakes he pulled off the road and ran over to the blonde. "What are you doing here?" he demanded, "I gave you \$200 to take these chimpanzees to the zoo!"

"Yes, I know you did," said the blonde. "But we had money left over so now we're going to Sea World."

National Epilepsy Awareness Month. Learn about the different types of seizures and how to prevent them—or help someone suffering from them. A seizure is a short change in normal brain activity that can cause changes in awareness, behavior, or body movement. Native American Heritage Month. Established at the turn of the 20th century as an effort to gain a day of recognition for the significant contributions the first Americans. In 1990 President George H. W. Bush approved a joint resolution designating that November “National American Indian Heritage Month.” Similar proclamations have been issued each year since 1994.

Military Family Appreciation Month. Throughout November, military families serving around the world are honored and recognized for their commitment and the many contributions they make every day in support of the military and our nation.

National Animal Shelter and Rescue Appreciation Week, Nov. 3-9. Approximately 3,500 animal shelters across the United States serve the estimated 6 million to 8 million homeless animals who need refuge each year. Get acquainted with your local shelters and rescuers, and learn how you can assist their lifesaving work.

National Nurse Practitioner Week, Nov. 13-19. Held annually to celebrate these exceptional health care providers and to remind lawmakers of the importance of removing outdated barriers to practice so that NPs will be able to practice to the full extent of their experience and education.

American Education Week, Nov. 14-18. The 2016 theme, “Great Public Schools: A Basic Right and Our Responsibility,” will present all Americans with an opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a high-quality education.

A troubling trend: Americans overdoing antibiotics

Antibiotics are a boon to doctors and their patients, but they pose dangers if they're overused. That makes this news especially concerning: A Texas study reported on the UPI website found that about one in 20 adults have stockpiled supplies of antibiotics in their homes and use them without a physician's advice.

The study of 400 adults in the Houston area found that 14 percent of adults have a stash of antibiotic medications in their home, and 5 percent have used them without a doctor's guidance in the past year. The medications come from a variety of sources: 40 percent came from a store or pharmacy, 24 percent were purchased outside the United States, 20 percent came from family or friends, and 12 percent were left over from past prescriptions.

In 4 percent of cases, the drugs obtained without a prescription were intended for use on animals, not humans.

Millennials worry about debt

Millennials aren't the carefree kids you might think they are. A FICO survey found that they're concerned about debt—with good reason. According to FICO's online survey of approximately 1,000 Americans over 17, 32 percent of millennials owe \$20,000 or more in student loans, and 45 percent owe at least \$7,000 on car loans.

In all, 37 percent of millennials ages 25-34 say they're concerned about their level of debt, and 33 percent would like assistance in managing their debt. For example, 65 percent would like to receive an email alert when their student loan payments are overdue by less than 90 days, and 35 percent want to be notified by app when their mortgage payments are less than 90 days late (but they'd prefer a phone call if their payments are more than 90 days overdue).

These tiny robots may save your life

The newest medical robots look and move like bacteria, and they can deliver medications to specific locations within the human body and perform intricate surgeries like clearing clogged arteries.

According to the Science Daily website, a team of scientists is working to develop a selection of biological robots that are soft, flexible, and move through bodies under the control of an electromagnetic field. Once they reach their destination, they're heated to change shape, mimicking—for example—the bacterium that causes African trypanosomiasis, or sleeping sickness. Although still in development, these microrobots could revolutionize the way patients are treated in the not-so-distant future.
