FROM THE EDITOR'S DESK

Larry Dunnett #171 - larryezvideos@gmail.com

April starts with a day that many look forward to and some dread. Yup “April Fool’s Day” on the 1st. Here is a little history on it and some notable hoaxes/Jokes that have been done in the past.

April Fools' Day (sometimes called All Fools' Day) is celebrated every year on April 1 by playing practical jokes and spreading hoaxes. The jokes and their victims are called April fools. People playing April Fools jokes expose their prank by shouting April Fool. Some newspapers, magazines, and other published media report fake stories, which are usually explained the next day or below the news section in small letters. Although popular since the 19th century, the day is not a public holiday in any country.

In the UK, an April Fools joke is revealed by shouting "April fool!" at the recipient, who becomes the "April fool". A study in the 1950s, by folklorists Iona and Peter Opie, found that in the UK, and in countries whose traditions derived from the UK, the joking ceased at midday. A person playing a joke after midday is the "April fool" themselves.

In Scotland, April Fools' Day was traditionally called 'Huntigowk Day', although this name has fallen into disuse.[citation needed] The name is a corruption of 'Hunt the Gowk', "gowk" being Scots for a cuckoo or a foolish person; alternative terms in Gaelic would be Là na Gocaireachd 'gowking day' or Là Ruith na Cuthaige 'the day of running the cuckoo'. The traditional prank is to ask someone to deliver a sealed message that supposedly requests help of some sort. In fact, the message reads "Dinna laugh, dinna smile. Hunt the gowk another mile." The recipient, upon reading it, will explain he can only help if he first contacts another person, and sends the victim to this next person with an identical message, with the same result.

In England a "fool" is known by different names around the country, including a "noodle", "gob", "gobby" or "noddy".

Ireland - In Ireland it was traditional to entrust the victim with an "important letter" to be given to a named person. That person would then ask the victim to take it to someone else, and so on. The letter when finally opened contained the words "send the fool further".

Poland - In Poland, prima aprilis ("1 April" in Latin) is a day in which many jokes are told; various hoaxes are prepared by people, media (which sometimes cooperate to make the "information" more credible) and even public institutions. Serious activities are usually avoided. This conviction is so strong that the anti-Turkish alliance with Leopold I signed on April 1, 1683, was backdated to March 31.

Pranks

As well as people playing pranks on one another on April Fools' Day, elaborate practical jokes have appeared on radio and TV stations, newspapers, web sites, and have been performed by large corporations. In one famous prank from 1957, the BBC broadcast a film in their Panorama current affairs series purporting to show Swiss farmers picking freshly-grown spaghetti, in what they called the Swiss Spaghetti Harvest. The BBC were later flooded with requests to purchase a spaghetti plant, forcing them to declare the film a hoax on the news the next day. (Spaghetti Squash actually looks like Spaghetti when you cut it open. There are some great recipes on the Internet and no, this part is not a joke. Larry D’).

On April Fools' Day 2016, online football news channel Goal.com falsely reported that FC Barcelona winger Lionel Messi agreed to a €500 million deal to sign with Real Madrid for five

years. The reporter's name used in the article was "Lirpa Loof", which "April Fool" is spelled backwards.

With the advent of the Internet and readily available global news services, April Fools' pranks can catch and embarrass a wider audience than ever before.

TV Station Hoaxes

Spaghetti trees: The BBC television program Panorama ran a hoax in 1957, purporting to show the Swiss harvesting spaghetti from trees. They claimed that the despised pest, the spaghetti weevil, had been eradicated. A large number of people contacted the BBC wanting to know how to cultivate their own spaghetti trees. It was, in fact, filmed in St Albans. The editor of Panorama at the time, Michael Peacock, approved the idea, which was pitched by freelance camera operator Charles de Jaeger. Peacock told the BBC in 2014 that he gave de Jaeger a budget of £100. Peacock said the respected Panorama anchorman Richard Dimbleby knew they were using his authoritativeness to make the joke work. He said Dimbleby loved the idea and went at it with relish. Decades later CNN called this broadcast "the biggest hoax that any reputable news establishment ever pulled".

- In 1962, Swedish national television broadcast a 5-minute special on how one could get color TV by placing a nylon stocking in front of the TV. A rather in-depth description on the physics behind the phenomenon was included. Thousands of people tried it.
- Smell-o-vision: In 1965, the BBC purported to conduct a trial of a new technology allowing the transmission of odor over the airwaves to all viewers. Many viewers reportedly contacted the BBC to report the trial's success. In 2007, the BBC website repeated an online version of the hoax, as did Google in 2013, in tribute.
- Great Blue Hill eruption prank: On April 1, 1980, Boston television station WNAC-TV aired a fake news bulletin at the end of the 6 o'clock news which reported that Great Blue Hill in Milton, Massachusetts was erupting. The prank resulted in panic in Milton, where some residents began to flee their homes. The executive producer of the 6 o'clock news, Homer Cilley, was fired by the station for "his failure to exercise good news judgment" and for violating the Federal Communications Commission's rules about showing stock footage without identifying it as such.
- In 2008, the BBC reported on a newly discovered colony of flying penguins. An elaborate video segment was even produced, featuring Terry Jones walking with the penguins in Antarctica, and following their flight to the Amazon rainforest.
- Netflix April Fools' Day jokes include over-detailing categories of films, and adding original programming made up entirely of food cooking.
- In 1969 the public broadcaster NTS in the Netherlands announced that inspectors with remote scanners would drive the streets to detect people who had not paid their radio/TV tax ("kijk en luistergeld" or "omroepbijdrage"). The only way to prevent detection was to wrap the TV/radio in Aluminum foil. The next day all supermarkets were sold out of their Aluminum foil, and a surge of TV/radio taxes were being payed.

Hello everyone! April is here and the tax man cometh! April Fool's Day is the 1st and Palm Sunday is the 9th. First day of Passover is the 11th, followed by Good Friday on the 14th. The 16th is Easter Sunday with the 17th being Canada's Easter Monday. Earth Day is the 22nd, and those taxes need to be filed before midnight on the 17th (I think). It is a busy month, aside from most of our northerners getting ready or leaving for their northern homes. Seems like they just got here! Time flies by so quickly.

This fast paced world we live in now is getting more and more difficult to understand and get with the program. The election and new administration has left this country extremely divided. Every day the news looms with more headlines about this and that, which leaves a person rather unsettled and uneasy. It makes me question what the people of this country are thinking. I have no answers but it is a very tense time for most of us. So how do you deal with it? Well, for me, you grab onto what you believe in and the positives of your life, to be thankful for them and to ease the tension of this uncertainty we face every day. What are the loves of your life? Perhaps a spouse or significant other, a grandchild or special niece or nephew, a close friend, a pet that shows you unconditional love.....we all have positives in our lives. It could be a love for beautiful flower beds, or growing your own herbs. A desire to get crafty and make something useful out of something you usually throw away. A sport you enjoy playing or a card game. Your devotion to God and all He represents in your life. If we spend our time being positive, the negatives will not control you every day.

Each and every day we need to think of at least one positive thing we are fortunate to have in our life and embellish it. If you are thankful your feet hit the floor this morning which gives you another day on this earth, then get excited about it and do something that makes you feel extremely satisfied. Call a friend or neighbor and share a conversation. Go to the dollar store, buy \$20 worth of products a homeless person needs and give it to one of them. That tube of toothpaste, hairbrush, deodorant, etc. would be mightily appreciated. Bake some cookies or cupcakes and surprise a neighbor with a half dozen wrapped prettily with a card saying "Have a sweet day". Sweep a neighbor's sidewalk, or take their trash cans back after it is collected. Show appreciation to someone who could be struggling with issues that are weighing them down.

The other day it was pouring rain and I had to run an errand. So, there I am, umbrella, purse, and cane in hand, trying to get down a set of 4 steps while juggling all this in my hands and praying the slippery steps do not throw me for a loop. With my mobility issues, even the simplest task can become a major mountain for me to conquer. So, I am trying not to slip and fall, trying to stay dry, and trying to get to my car, when suddenly this man appears by my side, getting poured on, and says "Here, take my arm and let me help you to your car." At which point he took the umbrella, wrapped his arm around my arm and helped me. All the while he

was getting soaking wet, and smiling and saying he did not want to watch me fall and hurt myself. What an Angel he was at that moment. Did not know this man at all, but he was there when I needed him. I could not thank him enough. If I can leave that kind of feeling to just one person each day, then I am a fortunate and happy person.

I firmly believe that God did not put us on this earth to judge each other, or to get into each other's business. I do also firmly believe that God put us on this earth to take care of each other, to extend a helping hand or just smile and say "Hello". Think about what kind of person you are or want to be. Are you judgmental and nibbling into things that do not concern you? How do you want to be thought of? It might not be important to you, but it is very important that people care about each other. In this crazy world of today, it is even more so. Give it a try.

Lastly, it has been a very successful "season" of social parties and shuffling, line dancing and luncheons, Koffee Klatches and golfing, pancake breakfasts and all else that transpired over these last months. I want to take the time to say a big Thank You to all who have worked so hard getting these things planned and accomplished. The Shuffleboard Banquet was held on March 23rd, and Jeannine and her crew, as usual, did a beautiful job. The clubs, the people holding their offices, everything that goes into having a successful "season" is due to their extremely selfless hard work and I say THANK YOU.

Have a great month and remember to "Pay it forward" and take care.

Riviera Estates - From the Manager's Desk

Susan Worden, Community Manager

Susan is here on Tuesdays and Fridays. 9: 00-3:30. Remember to contact her via email (best) if you need to talk with her when she is not here. Her email address is riviera@arcinvestments.com.

Our assistant manager, Ginetta Mathis is here Monday through Friday, 9:00 a.m. to 3:30 p.m.

POOL AND PET OWNER REMINDERS

FYI: Riviera Estates MHP would like to remind our residents that **NO one is allowed to touch the temperature settings on the pool heater and/or the clubhouse air conditioner.** Our manager and the Homeowner's Association Executive Board have insisted on this. Pool hours are 9:00 a.m. until dusk daily. Pool is heated in winter, the months of November through March. Please remember when leaving the pool, to **CLOSE DOWN THE UMBRELLAS**, pick up your trash and close the gates. If you are going by the pool, and see the umbrellas are open, please go in and close them. A wind gust can pick them right up and they become a missile and could damage or injury, along with the umbrella itself getting damaged. Treat our community pool as if it were your own. Thank you.

ATTENTION PET OWNERS: Please be a responsible pet owner and a **RESPECTIBLE** pet owner as well. When walking your pets, please do not allow them to "potty" in other people's yards. Some are not pet lovers as we are.

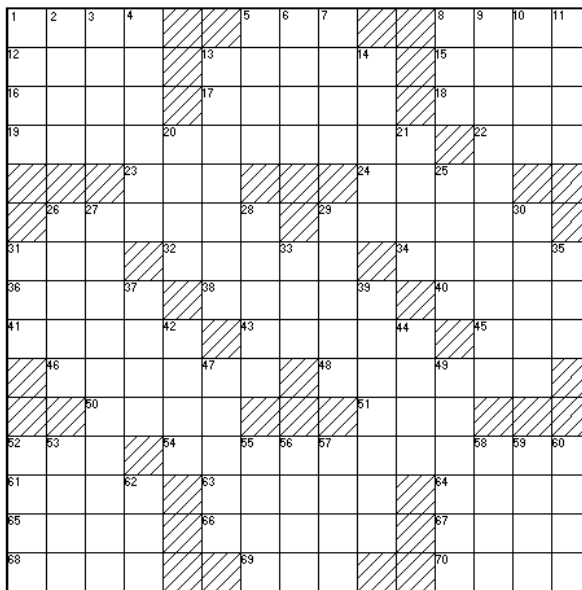

Your dogs must be leashed at all times, and there are plenty of areas where your dog can go. There is a pet clean-up station in the storage field for your use. Please be sure to clean up after your pet. Also, please try to keep your pet from barking or making loud disturbing noise that can bother a neighbor.

Complaints are being received by the office on a constant basis of pet problems in the park. So, at this time, our pet rule policy should be noted. Pets are allowed in park, **UP TO 20 POUNDS** weight restriction. Copies of pet inoculation certificate must be given to the office as proof the pet has been vaccinated. There is a **LIMIT OF TWO PETS PER COACH**. Fences for the pets are not allowed to be installed. All pets must be leashed at all times when outside the coach. Make certain when you leave your pet, they are not barking the entire time you are gone and bothering your neighbors. If this is the case, please make some type of arrangements that will alter this situation, such as a pet sitter, taking pet with you, or if the problem continues, and complaints continue in the office from residents being bothered by the barking, the park is forced to take steps in resolving the issue, such as requiring you to get rid of the dog, or face eviction procedures. Please be a responsible pet owner and obey the rules concerning them. It is **IMPERATIVE THAT YOU CLEAN UP AFTER YOUR PET EVERYWHERE, INCLUDING THE DOG WALKING AREA**. Please do not ignore these pet owner rules, so that we all can continue to love and enjoy our pets. But at all times we must be respectful of all the residents that live here, that they are not bothered by our pets in any way. Not by hearing them all the time, or stepping in their waste when out walking etc. Thank you for adherence to the policies and rules.

Exploring the mysteries of an ancient codex

British and Dutch scientists have used high-tech imaging to uncover the secrets of an ancient Mexican manuscript, the eScience News website reports. The manuscript, known as the Codex Seiden, is a strip of deer hide five meters long that's been covered with gesso (a white plaster composed of gypsum and chalk) and folded according to style to make a document 20 pages long.

It dates back to approximately 1560, and was found in what's now known as the Oaxaca region of Mexico. Like other codices from that area and others, the Codex Seiden uses brightly-colored symbols to record history: wars, genealogy, and cultural information.

One intriguing discovery: The high-tech imaging found the image of an individual represented by a glyph of a twisted cord and a flint knife. The man or woman resembles a character found in other codices, and may be an important ancestor of two families connected to other archeological sites in Mexico.

Collision course

A huge space cloud is on a collision course with our galaxy, but don't panic—it's not expected to reach us for another 30 million years. According to NASA's Science Mission Directorate website, Smith's cloud, as it's known, is composed of enough gas to create two million stars the size of our size, and is orbiting the Milky Way at 700,000 mph.

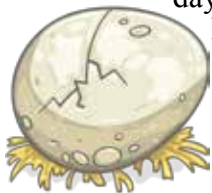

The collision won't have much impact for anyone still around, as the cloud is much smaller than our galaxy, but scientists are watching it closely anyway, seeking explanations for its origin as well as other secrets of the universe.

Big dinosaurs, big eggs, and hatching times

How long did dinosaur eggs take to hatch? Paleontologists know very little about dinosaur embryology, but with CT scanners and high-resolution microscopy, they're finding out more.

The SciNews website reports on a recent find: Non-avian dinosaurs likely took longer to hatch than their feathered counterparts, much as modern reptiles hatch at a later age than today's birds. Scientists looked at the fossilized remains of two dinosaur embryos, looking at the formation of their teeth. Analyzing growth lines, they were able to determine that one dinosaur had died at three months, and the other at six months.

The difference in hatching times may have had an impact on the large dinosaurs' eventual demise. Because they require more food and other resources to live to adult size, larger reptiles were likely more vulnerable than smaller animals (amphibians, birds, and other mammals) to an extinction event.

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

ACTIVITIES AND REMINDERS

Activities and Department Reports

GoodNeighbors Club President is Steve Walaski

Koffee Klatch: Held every Saturday morning at 9:00 AM **SHARP**. Coffee and doughnuts, hot biscuits and peanut butter and jellies, cost \$1.00. All events and activities will be discussed and sign-up sheets will be on bulletin board and tickets for events can be purchased, etc. We celebrate anniversaries, birthdays and mail from prior residents etc. Come down, be informed and enjoy those doughnuts.

Bingo: Reported by Karen M. and Julie C. . Early birds start at 6:30 and regular games at 7:00 p.m. . The new machine and board are up and running and we will be trying some new games this year. We want to thank EVERYONE for their support and donations who made it possible to get the new equipment. Please come and enjoy yourselves.

Riviera Guild: The newly formed Riviera Guild meets in the clubhouse on Tuesday nights from 7-9 p.m. This started out because of a love of quilting by a few people. It has expanded to include knitting, crocheting, and any form of sewing or craft projects. We are a small, but motivated and fun group. Reported by Jeannine Hennigar.

Euchre: Cancelled for the Summer. Jan 24: Per Claudette L. We played Euchre tonight and Denis took first place with 48 points. Earl took second place with 46 points and Jean Byers and Owen Price each had two loners.

Golf: Golf is held every Wednesday morning, and is run by Ed Mitchell. Let him know if you are planning on attending by 10:30 on Wednesday morning for an 11:00 tee time. 727-953-6524

Poker: Poker is usually held on Thursdays at the clubhouse at 6:30 p.m. Albert Dominie is in charge of Poker. They will be playing Texas Hold Em and Omaha only. All are welcome.

Tai Chi: 9:30 - 10:30 a.m. Excellent program to help with balance and all your muscles and joints, yet not too strenuous. Every Tuesday, \$3.00 donation each week. If there is a Pancake Breakfast Tuesday we will schedule Tai Chi later in the day. Please come and attend and give it a try. April 25th will be the last class for the Summer.

Line Dancing: 1:00-2:00 in afternoon. \$2.00 donation. Every Thursday from 1:00-2:00 except on Ladies and Mens Luncheon Day, then is 3:00-4:00 on that day. Please come and enjoy line dancing. April 27th will be the last class for the Summer.

"RELIC"-(Riviera Estates Lotto International Club) by Frank Rigiero.

The Lotto Club is open to all residents of Riviera Estates (renters or owners). We collect two dollars every Saturday per coach. Only one bet per coach is allowed, no matter how many are residing in each unit. Our money is pooled for quick pick tickets ONLY. On Saturday afternoon (cut off time is 2:00 pm), I go to a LOTTO agent to purchase tickets. ONLY those who pay that current week will be entered into the draw for the FLORIDA lottery. If you miss payment, you cannot collect any monies that may be won for that particular week. We are now playing both Saturday and Wednesday drawings. \$2.00 per drawing per coach. Anyone interested may attend the Koffee Klatch on Saturday morning or come to my home to purchase before 2:00 p.m. Last year, we decided to switch to the FLORIDA Lotto instead of Power Ball. The odds are much better, and we aren't competing with gamblers from other states as in Powerball.

Good Neighbors Club:

Good Neighbor's Club Meetings are held the 2nd Friday of the month for the membership. Our next meeting will be on April 14th, 2017 at 9:00 AM. Contact President Steve Walaski at 953-6248 or email the Good Neighbors executive board with questions, suggestions, etc at gclubre@gmail.com. We also have a new website, where event calendar is posted and pictures etc. It is www.rivieraestates-goodneighbors.com. Please check it out. Larry Dunnett is the webmaster.

Pancake Breakfast Update by Frank Rigiero Sr

Tuesday March 7 was the last Pancake breakfast of the season. The word must have gone out because we saw an increase of residents enjoying their meal and a lot of chatter. Hopefully next season will see many more people coming to a hardy meal of pancakes, sausage, juice and endless cups of coffee.

This is the ONLY fund raiser that the Shuffle board gets involved in, so on behalf of those who supported the Pancake breakfast we thank you.

With that statement in mind (only fund raiser) I have to advise you all. Next year Jen, who has been an invaluable part of the breakfasts will be retiring as coordinator and I will also be stepping down and so will Phil who has also been there every time, early in the AM getting the batter ready. Now what this means is we will need at least 3 volunteers for next year. Some of the past workers were not involved with shuffle but still contributed their time to help. It is your club. If these positions are not filled next season you will not have the funds that keep the

shuffle club working and expenses will have to be borne by each playing member. I guess what I'm trying to say is we need people to step up. In conclusion, I'd like to thank all who helped out this year and thank all who allowed us to serve you and for the positive comments we received.

Shuffleboard Club:

The Shuffleboard Club Meeting is the 20th of April at 9:30 a.m. before the luncheons take place. Please plan to attend.

Shuffleboard News: Verne Hill - February

February 6th - The Riviera Dolphins entertained Doral on home courts. The first match was a 4/4 tie. The second we had a 5/3 win. The match resulted in a 6/2 win and another 6/2 win for a total of 21/11. Double winners were Donna Ammonite, Brenda Arsenault, Claudette Lusignan, Jean Byers, Marion Kelly, and Owen Price. GoodNeighbors Activity Report by Steve Walaski:

Western Night was a huge success with 111 tickets sold. The Buffet was excellent and I hope nobody went hungry. Many thanks to all that served and helped with clean-up. The Chuck Wagon serving center decorations was great so a big Thanks to Doreen, Julie, and Tina for the imagination and work they put into it. And a many thanks to Larry BURNETT and crew for providing a fun evening of music. I think some people danced every dance. Some even continued line dancing while the band was on break as taped music provided by Larry played. The GoodNeighbors team and myself thanks everyone for coming.

St. Patrick's Day: Party will be on the 17th. Meal (corned beef and cabbage of course) and Music to be provided by Bob Swenson. I'm sure all will have a good time so I want to thank all that attended ahead of time... Thanks.

End off Season Party: Planned for April 1st 2017. Hopefully everyone will enjoy some good food and games (pickle ball, korn hole, and bocce ball) and music via our new sound system.

Canada's 150th Birthday Party: We had an extremely successful luncheon to celebrate Canada's 150th Birthday. Thirty-one ladies enjoyed a meal prepared and served by eight super ladies. The lunch was exclusively Canadian - Split Pea Soup, Corn Bread, Tourtiere, Baked Beans, Cole Slaw, Butter Tarts and Nanaimo Bars. Red & White wine accompanied the meal. Jars of Canadian Maple Syrup went by draw to three lucky winners.

Home Owner's Association Meeting: Ed Mitchell – March

The meeting was called to order at 9:30 AM. The minutes from February 2nd were read. Tie Down Program – 58 people signed up and the list was sent off. Properties will be checked for approval.

Donna and Eileen completed audit for 2016 – everything balanced. Thanks to Fran for doing the books 2016.

Old business – The Park should have all the vehicle registrations on file by now as February 1st was the date given by the Office. There was no time frame given to enforce the rule on vehicle registration. Dog issues: reference barking and off leash. Complaint Forms and presented to ED and/or the Office (request a copy signed by management for your records). The rules seem to be broken more frequently when the Snow Birds head north. Some dogs are over the 20 lb. limit and are not registered at the Office. Guests are not allowed to bring in any pets. Animal owners should respect the rules. Connie said one of her dogs was bitten by a Pit Bull and nothing was done about it until the Pit Bull bit a Postman (Postwoman) 6 years later.

It was noticed that some carports are only being rearranged after receiving a letter to clean up. Management is touring the Park regularly to make sure the properties are kept neat and tidy. Ed will request status back from management on complaints monthly. Chris Rigerio mentioned again that the Park knows the rules and should be enforcing them. Brenda brought up that when talking to other parks ours is still pretty good.

New business – A rumor about Serendipity being sold is untrue. We have to be given the chance to purchase our Park if an offer purchase has been made. Businesses along US 19 N were given a letter stating that there will be no road work done until 2023. Steve thanked everyone for Western Night, Larry Burnett's Band, and Doreen, Julie, and Tina for the "Chuck Wagon".

Meeting adjourned at 10:30. – Marion Kelly, Recording Secretary.
