FROM THE EDITOR'S DESK

Terri Walls, #89, gammawtj@gmail.com

Happy New Year! Welcome 2017.....already. The hustle and bustle of the holidays are behind us once again. The parties and uncontrollable eating will slow down somewhat, but not completely, as we have a full calendar for the coming year Good Neighbor's activities. The decorations are down, the house has been cleaned and put back to normal. Company and family visitors have returned home and life gets back into our regular routines. I hope everyone had a wonderful and blessed Christmas and celebrated the New Year in the best of ways. Now it is time to begin working on other things.

What is going on in this first month of 2017? Martin Luther King Day is the 16th and Chinese New Year is the 28th. Quite a slow down after 2 busy months.

I couldn't help but think back over the last couple months on how people are happy and having fun celebrating Christ's birthday and bringing in the New Year. Everyone seems to smile and be happier than normal; care about things more deeply; reflect about things more; give more, etc. Wouldn't it be wonderful if we could feel that way the remaining 10 months of the year? To smile at a stranger walking past; wish that cashier a wonderful blessed day; drop a dollar in a homeless person's hat. If we could only be so giving and thankful always. We need to work on that. Go to a dollar store and buy 10 tubes of toothpaste and drop it off at a center that helps homeless and struggling citizens. Buy a case of canned goods, anything to donate to the food banks. We have thousands of children in the Tampa Bay area alone that go to bed hungry every night. That, to me, is absurd in this land of ours, where some have so much and so many have not enough. We should work hard to put even the smallest size dent in that equation. I am such a bargain hunter, as I stretch our dollars as far as they can possibly go. This enables me to take advantage of a terrific sale I run across and then I pay it forward by making a donation to a place that helps the less fortunate. There is a home for pregnant teenagers in Dunedin, and girls that need help from a mistake they made, and I find a good sale on something they need, I buy it and drop it off. I clean out my junk and take it to Kimberly Thrift in Dunedin which helps the Kimberly House also. There are so many ways that I can pay it forward to someone or some group that is less fortunate than myself. We struggle on a set income, but we still figure out ways to do this. My wish is that everyone would make this effort. It makes our world a better place. More importantly, it makes you feel good inside. Try it, won't you?

On another subject, it feels a bit strange to only be the editor of the newsletter after being on the Good Neighbor's Club board for over 2 years. I want to take a moment to extend my good wishes to the new board on both the Good Neighbor's and the HOA. These people volunteer to take on this responsibility, and it is a tremendous amount of work, thought and effort. The

...continued on page 6

memberships of both clubs need to rally around these volunteers and assist them in every way possible to accomplish what they need to. Be gentle with your criticisms, be considerate of what they have on their plate. Anyway, PLEASE SUPPORT YOUR OFFICERS!!! THEY NEED TO KNOW THEIR WORK IS BEING APPRECIATED AND NOT IN VAIN.

This is a busy magazine this month, as lots of things going on to report, so I am done preaching to y'all! So please try to pay it forward, support your club and the officers, and love one another. Check on that neighbor, make certain all is as it should be with them. Till next month.....stay healthy and happy!

Oh, before I forget, I am going to host a Sausage Biscuit/Gravy Breakfast again on January 23rd, watch for sign up sheet in the clubhouse with a poster giving you all the yummy details. Hope to see you there.

Terri

Januaries Newsletter

By the time you receive this Newsletter, Christmas and New-year will be past tense. Before the old year leaves us many of us have already had our sanity leave us. Hopefully we can regain it now that the Holidays are over.

I did want to write about what goes on in December (probably should have written this last month) that sometimes drives us batty. Yeah, Yeah, I know some of us are a little batty all year. It might be a good idea to keep THIS Newsletter to read again December of 2017. So... here are my thoughts.

Getting Cards out... and hope you didn't forget anyone. For some selecting presents is a challenge as well because (for me and Sue anyway) choosing the right thing for Grandkids is an area that us old folks are clueless about. Then there's decorations... not all of us take up that challenge now because we really don't belong on ladders trying to put lights around the eaves of our home for obvious reasons.

We all know that the gifts for the kids will probably be forgotten in 3 weeks and be relegated to a place in the closet or toy box... or even under the bed. Some gifts for the grownups also end up with a similar fate of being placed out of sight (unless the person that gave it to you is scheduled to visit) and forgotten.

Some gifts are timeless (I don't mean that can of Mincemeat I got in 1973 and is still good) in that the recipient realizes the love associated with gift. Handmade items that are tied to some memory or milestone that the recipient may appreciate. I remember one year I made my Mother a Photo Calendar with photos that showed the chronological path that she and I took together. She Loved it. It was a challenge back then but nowadays it can be more easily done on a computer and then printed out.

Hand painted items, items made with pictures and “Mod Podge”, all sorts of things can be done with Mason Jars besides putting food in them. Do a search on the Internet for “Handmade Gifts” and you will see there are (literally) thousands of suggestions. Many of them can be done by those of us with limited skills, strength, eyesight, and dexterity.

All those material things seem to be more important than they should be at this time of the year. One of the best presents you can give (at any time of the year) is personal presence, a hug, a kind word of appreciation, a phone call, or a visit to someone you care about. As I’ve mentioned before all too often we “assume” others know how we feel about them but it doesn’t hurt for them to hear it.

I recently saw a LOT of hugs being passed around... at the welcome back party and at Koffee Klatch on Saturday Mornings. I think everyone had a good time. There were over 60 folks there many of them we hadn’t seen for months and handshakes and hugs were everywhere.

We had some musical entertainment as well and a few folks were singing along and/or dancing.

Now don’t forget to write all those New Year’s resolutions that you’re not going to keep anyway and slip them in this Newsletter... so you won’t have to write them down again next year.

So ‘til next time,
Laugh, Love, and Live

Riviera Estates Good Neighbor's

Steve Walaski, President

The next meeting of the Good Neighbor's is January 12th, 2017 at 9:30 a.m. The Board will be going over the Agenda for the coming year among other various items. They will be looking for Chairmen for Committees and please consider helping out. Dues are \$4.00 per person and will be collected at this meeting. Please plan to attend.

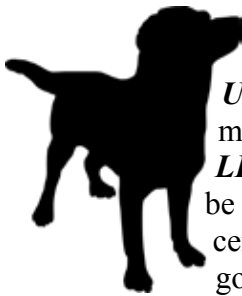

ACTIVITIES AND REMINDERS

POOL AND PET OWNER REMINDERS

FYI: Riviera Estates MHP would like to remind our residents that **NO one is allowed to touch the temperature settings on the pool heater and/or the clubhouse air conditioner.** Our manager and the Homeowner's Association Executive Board have insisted on this. Pool hours are 9:00 a.m. until dusk daily. Pool is heated in winter, the months of November through March. Please remember when leaving the pool, to **CLOSE DOWN THE UMBRELLAS**, pick up your trash and close the gates. If you are going by the pool, and see the umbrellas are open, please go in and close them. A wind gust can pick them right up and they become a missile and could damage or injure, along with the umbrella itself getting damaged. Treat our community pool as if it were your own. Thank you.

ATTENTION PET OWNERS: Please be a responsible pet owner and a **RESPECTIBLE** pet owner as well. When walking your pets, please do not allow them to "potty" in other people's yards. Some are not pet lovers as we are. Your dogs must be leashed at all times, and there are plenty of areas where your dog can go. There is a pet cleanup station in the storage field for your use. Please be sure to clean up after your pet. Also, please try to keep your pet from barking or making loud disturbing noise that can bother a neighbor. Complaints are being received by the office on a constant basis of pet problems in the park. So, at this time, our pet rule policy should be noted. Pets are allowed in park, **UP TO 20 POUNDS** weight restriction. Copies of pet inoculation certificate must be given to the office as proof the pet has been vaccinated. There is a **LIMIT OF TWO PETS PER COACH**. Fences for the pets are not allowed to be installed. All pets must be leashed at all times when outside the coach. Make certain when you leave your pet, they are not barking the entire time you are gone and bothering your neighbors. If this is the case, please make some type of arrangements that will alter this situation, such as a pet sitter, taking pet with you, or if the problem continues, and complaints continue in the office from residents being

bothered by the barking, the park is forced to take steps in resolving the issue, such as requiring you to get rid of the dog, or face eviction procedures. Please be a responsible pet owner and obey the rules concerning them. It is **IMPERATIVE THAT YOU CLEAN UP AFTER YOUR PET EVERYWHERE, INCLUDING THE DOG WALKING AREA**. Please do not ignore these pet owner rules, so that we all can continue to love and enjoy our pets. But at all times we must be respectful of all the residents that live here, that they are not bothered by our pets in any way. Not by hearing them all the time, or stepping in their waste when out walking etc. Thank you for adherence to the policies and rules.

Activities and Department Reports

Koffee Klatch: Held every Saturday morning at 9:00 a.m. SHARP. Coffee and doughnuts, hot biscuits and peanut butter and jellies, cost \$1.00. All events and activities will be discussed and sign up sheets will be on bulletin board and tickets for events can be purchased, etc. We celebrate anniversaries, birthdays and mail from prior residents etc. . Come down, be informed and enjoy those doughnuts.

Bingo: Reported by Karen M. and Julie C. . Early birds start at 6:30 and regular games at 7:00 p.m. . The new machine and board are up and running and we will be trying some new games this year. We want to thank EVERYONE for their support and donations who made it possible to get the new equipment. Please come and enjoy yourselves.

Riviera Guild: The newly formed Riviera Guild meets in the clubhouse on Tuesday nights from 7-9 p.m. This started out because of a love of quilting by a few people. It has expanded to include knitting, crocheting, and any form of sewing or craft projects. Recently we sewed up 35 pillowcases. 15 of these pillowcases will be delivered to a safe haven for women and children. Another 15 will be donated to a children's hospital, where the child can have a very colorful child themed pillowcase instead of a plain white one and he/she can take it home with them. Two of our members also sewed matching cloth bags to deliver the pillowcases in. These bags can then be used to carry toys, cosmetics, etc. Thanks to Keith and Helen for sewing the lovely carry bags. Thanks also to Julie Cardinalli and to Keith Davis for donating all the material used in the making of these items. Please join us if you have a love of quilting, sewing, knitting, crocheting or other creativity project. We are a small, but motivated and fun group. Reported by Jeannine Hennigar.

Euchre: Claudette Lusignan is currently in charge of this group that normally plays at the clubhouse on Wednesday Evenings at 7:00 pm. Please, if you enjoy playing Euchre, come up

...continued on page 14

and join in. Nov. 30th: 8 players; John Girard took first place with 42 points. Denis Byers took second with 40 points and had the most loans which was 1. Congratulations! Dec. 7: 8 players: Janice Holton was 1st place with 51 points, Jean Byers 2nd with 44 and also Jean had most loans with 2.

Golf: Golf is held every Wednesday morning, and is run by Andy Cardinalli. Let Andy know if you are planning on attending by 10:30 on Wednesday morning for an 11:00 tee time. 727-735-8577

Poker: Poker is usually held on Thursdays at the clubhouse at 6:30 p.m. Andy Cardinalli is in charge of Poker. They will be playing Texas Hold Em only. All residents are welcome. Bring your money and enjoy.

Tai Chi: Starting up Jan 3rd, from 9:30 - 10:30. Excellent program to help with balance and all your muscles and joints, yet not too strenuous. Every Tuesday, \$3.00 donation each week. Pancake Breakfast Tuesday will schedule Tai Chi later in the day. Please come and attend and give it a try.

Line Dancing: Starts the 7th of Jan, from 1:00-2:00 in afternoon. \$2.00 donation. Every Thursday from 1:00-2:00 except on Ladies Luncheon Day, then is 3:00-4:00 on that day. Please come and enjoy line dancing.

"RELIC"-(Riviera Estates Lotto International Club) by Frank Rigiero. The Lotto Club is open to all residents of Riviera Estates (renters or owners). We collect two dollars every Saturday per coach. Only one bet per coach is allowed, no matter how many are residing in each unit. Our money is pooled for quick pick tickets ONLY. On Saturday afternoon (cut off time is 2:00 pm), I go to a LOTTO agent to purchase tickets. ONLY those who pay that current week will be entered into the draw for the **FLORIDA** lottery. If you miss payment, you cannot collect any monies that may be won for that particular week. We are now playing both Saturday and Wednesday drawings. \$2.00 per drawing per coach. Anyone interested may attend the Koffee Klatch on Saturday morning or come to my home to purchase before 2:00 p.m. Last year, we decided to switch to the FLORIDA Lotto instead of Power Ball. The odds are much better, and we aren't competing with gamblers from other states as in Powerball.

Good Neighbors Club:: Good Neighbor's Club Meetings are held the 2nd Thursday of the month for the membership. Our next meeting will be on January 12th, 2017 at 9:30 a.m. Contact President Steve Walaski at 953-6248 or email the Good Neighbors executive board with questions, suggestions, etc at gnclubre@gmail.com. We also have a new website, where

event calendar is posted and pictures etc. It is www.rivieraestates-goodneighbors.com, Please check it out.

Sausage Gravy/Biscuit Breakfast: January 23rd, 2017 at 8:00 a.m. Come and bring your appetite and plates to be filled with sausage gravy smothered biscuits, hash brown potato patty, orange juice and coffee or tea, all you can eat, \$4.00 a person. Watch for sign up sheet in clubhouse, buy tickets at the door. Any profit will go to the Good Neighbors treasury.

Shuffleboard Club: The Shuffleboard Club Meeting is the 19th of January at 9:30 a.m. before the luncheons take place. Please plan to attend. Schedule will be in next Media, had a team drop out causing rescheduling and a bit of a delay.

Shuffleboard Report: reported by Verne Hill. **Nov. 28:** This is our first game of the season. Riviera Team 1 and Riviera Team 2 played each other today. Last year was our first try going against each other and it ended up in a tie. The first match the Dolphins lost 2/4 against the Angels. The second match the Dolphins won 4/2. Things changed in the third match the Dolphins won 6/0. The fourth match the Angels had to play catch up and won 4/2 making the final score 14/10 Dolphins. We had five double winners: Diana McNiven, Donna Mae Burnett, Jim Arsenault Sharron Stevens and Owen Price.

Shuffleboard Pancake Breakfast January: The next pancake breakfast will be held on January 3, 2017 which is a Tuesday, 8:00 a.m. to 9:30 a.m. Pancakes, sausages, juice, coffee or tea, all you can eat for \$4.00. Please bring your own plates, cups and silverware.

Shuffleboard December Pancake Breakfast: Frank Rigiero

WHEW! It's over. My first pancake breakfast. As I said, I felt like a Bride on my wedding night. Not knowing what to expect. But with all the help Monday after Bingo and the next morning ,with Phil,Earl,and Steve. And of course Dennis as our steady cleanup man. And don't forget the Ladies who collected tickets and poured coffee and plated the pancakes and sausages. It went like a well oiled machine. My concerns were for naught. I should have known,with the experience and backing it had to go well. We served over 50 people who didn't leave hungry. Our attendance has dwindled over the last year but with a little publicity we may bring the numbers back up. So you, who usually come and enjoy, please tell our neighbor who may not be aware and invite them. The more the merrier. As my wonderful Grandmother would say " come, come ,eat. You too thin". So see you next month. Don't forget, 1st Tuesday of the month right into Spring. Frank

Fun Shuffle: Reported by Al Dominie and Donna B.: The first fun event of the season was held on Friday, Nov. 18th. The "Hoss-Coller" Competition was enjoyed by 24 participants with Gary Russell winning 1st prize and Reba Wade, Donna Mae Burnette and Alan Hennigar placing in the remaining top 4 positions. Regular action every Friday is open to all skill levels.

REMEMBER: THE KEY WORD IS FUN!

Come out and enjoy!

Fun Shuffle week 2, Nov. 25th saw 25 eager participants show up on the courts at 10 a.m. Two games, pick-your-partner, were completed and from the laughter it was evident a good time was had by all. With Christmas vacations looming we will continue with the current format for a few more weeks and start the team "fun league" when everyone returns after the Holidays. Additional fun, recreational shuffle is also organized every Saturday morning immediately following coffee Klatch. Come out and enjoy. Cheers!

Week 3 for Fun Shuffle saw 20 eager participants take to the freshly painted playing field and participate in another couple hours of eagerly awaited "fun" competition. A great way to start another warm and sunny Friday! Play is open and we all look forward to seeing new faces each week. So.....see you there!

Pot Luck Dinner: Our first Pot Luck Dinner of the new year will be January 15th, at 6:00 p.m. sharp. Bring your table service, a dish to feed several, your drinks and enjoy an evening with your neighbors socially. Coffee, tea and hot cocoa are supplied.

Ladies Luncheon: Ro Moll is in charge of this event, and there are sign up sheets in the clubhouse on the bulletin boards. It is held at noon on the third Thursday of the month.

Men's Luncheon: While the ladies are out, the guys go out together at the same time. Their luncheon is also the 3rd Thursday of each month, at noon, and they go to different restaurants also. Sign up sheets are on the clubhouse bulletin board. Steve Walaski has been doing this until Weldon Hunt returns.

Brain drain: Control your appetite after a long day at the office

Ever notice that you can feel starving after a long day at work even though you've spent it mainly at your desk? Scientists, as reported by The New York Times, say it happens because your brain, feeling tired, starts to want more fuel to keep going—even though you haven't exactly been digging ditches for eight or nine hours. The problem is that you're consuming calories your body doesn't actually need because your brain is telling you to.

One way around this dilemma is exercise. In an experiment at the University of Alabama at Birmingham, 38 college students met to discuss what their favorite pizza was. After the discussion, they were allowed to eat as much pizza as they wanted. On another day, they were brought back and given a series of tests from college entrance and graduate-level exams. Afterward, half the students worked out on treadmills while the rest sat quietly. The entire group was again served all the pizza they wanted, but the treadmill group ate less—about 25 fewer calories than at their previous session. On the other hand, the rest of the group actually ate 100 calories more.

The study suggests that a light workout after a mentally strenuous day may curb one's appetite—good to know before you sit down to eat.

Eat lots of these foods to prevent prostate cancer

Prostate cancer is one of the most common forms of cancer in men—more than 180,000 cases are diagnosed each year. Diet can be a factor, doctors say, especially one of foods high in saturated fats found in meat and dairy products. Men may be able to reduce their risk of developing prostate cancer by eating more of these healthy foods:

- Broccoli. Benefits: Low in carbohydrates and rich in antioxidants and phytochemicals that may prevent cell changes contributing to cancer.
- Salmon. Benefits: Lots of omega-3 fatty acids that can inhibit prostate cancer.
- Brazil nuts. Benefits: Selenium; six to eight nuts contain 700 percent of a daily serving.
- Tomatoes. Benefits: Lycopene. Men who eat 10 portions of tomatoes a week may reduce their risk of prostate cancer by 18 percent.
- Walnuts. Benefits: Walnuts and walnut oil have been shown to reduce levels of the hormone IGF-1, which has been linked to prostate cancer.
- Coffee. Benefits: Antioxidants, as well as stimulating the body to metabolize sugars more efficiently. Green tea shares similar qualities.

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. The five-second rule may not be so safe after all

We've all heard of the five-second rule: If a piece of food drops on the floor, it's safe to eat if you grab it in five seconds or less. That may not be true, though, according to an article on the Medical News Today website.

Researchers at Rutgers University decided to test the rule. They used four types of surfaces: stainless steel, ceramic tile, wood, and carpet. They also choose four kinds of food: watermelon, bread, bread with butter, and gummy candy. Finally, they tested four different contact times: less than a second, five seconds, 30 seconds, and 300 seconds.

They cultivated bacteria similar to salmonella and spread it on the different surfaces, allowed it to dry, then dropped each food on each surface for each designated time period. The results: The bacteria was able to contaminate the food almost instantly in every case, although with different degrees of contamination. Watermelon soaked up the most bacteria because of its moisture; the gummy treats were affected the least due to their hard surface. Nonetheless, the scientists are confident that their findings disprove the five-second rule. So you're probably safer throwing out any food on the floor.

Plutonian moon's red spot explained

Jupiter is famous for its great red spot, but it's not the only red patch in the solar system. Charon, a moon of Pluto, also sports a reddish blotch near its north polar region, and scientists now know what causes it, according to the Sci-News website.

The spot, nicknamed Mordor Macula, covers an area the size of New Mexico, and is made of methane that comes from Pluto. Once the methane escapes Pluto's atmosphere, it falls to the surface of Charon's north pole and then freezes (winter temperatures in Charon's polar region can drop as low as negative 430 Fahrenheit). UV light from the sun turns the methane into heavier hydrocarbons that eventually become reddish organic materials known as tholins.

Data came from the New Horizons space probe. One of the project's scientists characterized the discovery as the realization that Pluto is a cosmic graffiti artist, spray-painting its nearest neighbor red.

Marriage in trouble? Watch for these signs

Just because you're not having fights with your spouse doesn't mean everything is fine in your marriage. It could be in trouble without you and your partner realizing it. Watch for these signs that you need to get back on track:

- **Your partner isn't first on your list.** When you've got big news, whom do you tell first? If it's not your spouse, you may be disconnecting from him or her. Communicating about what's important to both of you is vital in an honest, healthy relationship.
- **You're focused on yourself.** Strong marriages rest on mutual goals. If you forget your partner's needs while making your own plans, he or she may begin to do the same. Although you each may want some personal time, carve out time to spend with each other—talking, taking a walk, watching a movie, or something else you both enjoy.
- **You compare your spouse to others.** Try to avoid thoughts like, "I wish Lynda was more like Diane," or "Why doesn't he bring me flowers like Paula's husband?" Comparisons lead to dissatisfaction and resentment. Be open about what you want so your partner has a chance to fulfill your needs.
- **You lead separate lives.** You may not be fighting, but you're also not doing much together. Do you watch separate TV shows, go to bed at different times, eat meals without the other person? Make more of an effort to get in sync so you don't find yourself living alone without actually moving out.

Quick hits

Want to liven up the conversation at your next party? Try some of these one-liners:

- "I've been diagnosed with a certain type of brain disorder where I deny the existence of certain 1980s rock bands. There is no Cure."
- "My wife probably tells me I never listen to her."
- "And the award for best neckwear goes to ... well, look at that. It was a tie."
- "No matter how nice your son or daughter is, German children are kinder."
- "Thank you for my student loans. I don't think I can ever repay you."

Monthly

National Bath Safety Awareness Month. In the United States, an average of 370 people across all age groups suffer bathtub or shower-related injuries every day. Slips, falls, and hot-water burns are the prime causes of accidents in the bath and the second leading cause of accidental death and disability. Remember: Bath safety is an integral part of general home safety.

National Blood Donor Month. Some give blood because they've been asked to. Some know a family member or a friend who might need blood someday. Some simply believe it's the right thing to do. Whatever your reason, the need is constant and your donation is important to maintaining a healthy and reliable blood supply.

National Stalking Awareness Month. The National Center for Victims of Crime launched National Stalking Awareness Month (NSAM) in January 2004 to increase the public's understanding of the crime of stalking. The National Stalking Awareness Month website (www.stalkingawarenessmonth.org), launched in January 2009, provides a wealth of information about this crime and about the nationwide observance.

National Train Your Dog Month. The Association of Professional Dog Trainers began the National Train Your Dog Month campaign in 2010 to raise awareness of the importance of socialization and training, to inform the public that training your dog can be easy and fun, and to help new pet parents start off the year right with their newest family member.

Weekly

Diet Resolution Week, Jan. 1-7. This week is about focusing and altering the types of food you consume rather than just reducing the amount. Try eating at least one piece of produce every day (fruit or vegetable), eating fish at least once a month (once a week would be better), and drinking at least two glasses of water a day.

National Sugar Awareness Week, Jan. 16-20. Can you go five days without sugar? Take the challenge to find out how difficult finding foods that do not contain some form of sugar can be, as well as how this substance can affect your body, mind, emotions, and life.

No Name-Calling Week, Jan 16-20. No Name-Calling Week was inspired by the popular young adult novel *The Misfits*, by James Howe. The No Name-Calling Week Coalition was created by GLSEN and Simon & Schuster Children's publishing and has been adopted by schools around the U.S., growing into one of the largest bullying-prevention initiatives in the country.
