FROM THE EDITOR'S DESK

Terri Walls, #89

gammawtj@tampabay.rr.com

July 2015 is here with all of its glory. It is HOT HOT HOT here in sunny Florida, which mixes up the atmosphere and we have been having serious thunderstorms in the late afternoon and evenings. We are not alone however, as the entire country has been struggling with all sorts of weather related disasters. Flooding, tornadoes, mudslides, just all sorts of things we must be watchful about. I hope you are all safe and sound up north, and here too.

What is going on this month? Well, the 1st of July is Canada Day, and of course, here in the US, the 4th of July is our Independence Day. Ramadan ends on the 17th of July. Not a very busy month. But, our Independence Day is celebrated with fireworks and pride every year for our freedom and the fact that our veterans have provided us with this freedom for centuries. Be sure to fly your American flag in honor of our country's veterans and our freedoms they have all fought so hard for all these years. If you see a military person in uniform, thank them just shaking their hand or even a nod and a "thank you for your service". They put their lives and futures on the line for us so that we can continue to live in the manner we are so accustomed too. When I reflect back to my youth, I don't know that I would have been so brave as to even consider doing what these soldiers do every day.

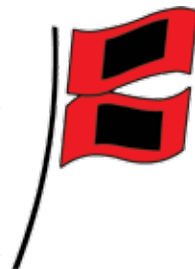

In celebration of this Independence Day, there will be a Bar BQ here at the club-house. Check the bulletin boards for the information on times, what you need to bring and of course to sign up for attendance. Come out and enjoy the afternoon with a nice meal and socializing with the neighbors.

Life is pretty lazy here at the Riviera Estates this summer. The heat is up there, and the storms roll in with all of their force in the late afternoons and evenings. As ever, the lightning is something we need to know how to deal with down here, as I am told, we are the "Lightning Capital" of the world. It can be blue skies, sunshine and a beautiful day out, but if you hear thunder.....get inside.

Thunder is the first clue you will have that a storm is somewhere near you, and if you hear thunder, there is lightning close by. Don't take unnecessary chances, get inside where you are not susceptible to being struck.

On that same note, June first was the beginning of our "Hurricane Season". Are you prepared? You need to take a moment and make certain you are ready to "evacuate" quickly. Us mobile home park residents are among the first who need to evacuate our properties. The clubhouse is NOT a hurricane shelter for us to use. The news channels/Pinnellas County provides you with a listing of shelters and you should figure out exactly where you will have to go if we are required to evacuate. If you have pets, the shelter you choose must be "pet approved". Your pets must be in a carrier or cage, and you must have their shot certifications on you to get into the shelter with them. You need to have a supply of things to get you through the possibility of 3 to 4 days without utilities to survive. This includes food items such as peanut butter, jelly, snacks/crackers, protein snacks like jerky, dried and canned meats, sticks, canned tuna, chicken breast, etc. (don't forget a hand crank can opener) !! Fresh fruit and nuts, canned vienna sausages, etc. Instant coffee, and other drinks. Of course you must have a supply of water, a gallon a day per person for 3-4 days.

Flashlights, portable radios etc are also required along with a supply of batteries for them. You should have a "hurricane evacuation" box ready with these items to grab and go. Food for the pets too. Clothing for all types of weather, rain, wind, etc. Being prepared is the quickest way of being able to evacuate at a moments notice. The meteorologists are getting better each year on warning us where a storm path may be headed, but these hurricanes can turn on a moments notice and head another direction. I even have a camping cookstove in my survival box with propane cans that I can do my favorite thing, and that is "cook". A cooler with ice is a must so you can grab those food items out of the fridge and keep them cold and safe for use. Be sure that you keep your gas tanks full if you plan to drive out of the path of the storm, and make certain you have enough of your medications for a minimum of 3 to 4 days. You also will need cash, if we do have a direct hit, it is unlikely those ATM machines will be standing and operational. Just an idea of what you need to do to be prepared.

Many people take the attitude that they will gather up the things they need IF a storm is headed our way. Well, be aware that the stores will be bombarded, their supplies will be wiped out and the crowds will be difficult to deal with, as many people will be in the same boat as you are; scrambling for supplies. I find my girl (or boy) scout motto of "being prepared" much better suits my agenda. I hate crowds and that "undercurrent" of panic that sets in, and the whole craziness of last minute, so I always prepare for the worst at the beginning of the season.

Those boxes are packed and ready to throw in the car and go. Important papers, like titles to your vehicles, homes, etc. along with wills, passports, insurance policies and the like should also be gathered together for a quick grab and go. You don't want to be fumbling around looking for these items at the last minute. There are plenty of places for you to get the information

you will need in case I have omitted anything. Lastly, make sure your neighbors and friends are prepared and offer them a ride etc. to make certain they are not left behind. I have lived here seven years, and this is my 7th hurricane season. I have never had to face a storm yet, but I always prepare. I come from the midwest, where tornadoes are the enemy there, and have lived through three or four direct hits. You do not have near the warning before the storm as you do with a hurricane. Guess that is why I am preaching the "be prepared" agenda this month. However, I did have Charley chase me back to Indiana a few days earlier than I had planned in 2004. We were here on vacation, and had to evacuate. We sat on the Howard Franklin Bridge for close to 4 hours not moving an inch. The car's temperature got so hot, we had to turn off the a/c and open the windows. It took us hours to get out of Florida and finally made it to Valdosta, Georgia for the night. The storm "turned" that night and devastated Port Charlotte. That experience alone taught me that I don't want to wait until the last moment. So I will get off my preaching box and hope that everyone I know and care about so much, gets through another hurricane season without incident. And if we do have the inevitable this year, I hope many of you, after reading this, will prepare your "evacuation" box and be prepared.

In other news, you may have noticed that the rent bills have been put on your doorknobs last month. The post office is cracking down on anything other than mail being placed in the mailbox. This also will apply to our Media Magazine. So, my husband will be delivering the Media magazine starting with this issue. We are looking into the cost of buying doorknob bags also, but until we finalize that, he will be placing the magazine on your step, or perhaps on a windshield of your car under the wiper, or inside a storm door, etc. We will try to place it in an obvious spot, out of the weather if possible so be on the lookout for it. So remember to look for it.

Homes appear to be selling pretty well here in the park. The new home is in and ready to sell. We welcome the new residents of Riviera and hope you enjoy all that is offered here in the park. The pool has been wonderful, very warm and pleasant to relax and float around in. Just remember, if you hear thunder, get out of the pool and leave the area to be safe. Most of you are aware that I have hip issues which have been very bad here lately, but the pool has helped me quite a bit. I am thankful for it. I believe the front half of the park will be getting their roads paved also sometime this summer.

I guess I better close for this month. As ever, I ask that you keep a look out for your neighbor in these very hot humid months. Make certain they are okay, and their air conditioning is working and they are comfortable. Make an offer to run an errand for them, or help them with a chore they cannot do such as weeding or sweeping off their carport etc. Let them know you care and are thinking of them.

Pay it forward and feel better about life and yourself. Until next month....be safe.

From the Manager's Desk

Susan Worden, Community Manager

Susan is here on Tuesdays and Fridays, 9:00-3:30. Remember to contact her via email (best) if you need to talk with her when she is not here. Her email address is riviera@arcinvestments.com. Our assistant manager is Amy Danson who is here Monday through Friday, 9:00 a.m. to 3:30 p.m.

Riviera Estates Homeowner's Association

Wayne Fellows, President

The next meeting of the Homeowner's Association will be November 5, at 9:30 a.m. We will be preparing for election of officers which will take place at our December meeting.

POOL AND PET OWNER REMINDERS

FYI: Riviera Estates MHP would like to remind our residents that **NO** one is allowed to touch the temperature settings on the pool heater and/or the clubhouse air conditioner. Our manager and the Homeowner's Association Executive Board have insisted on this. Pool hours are 9:00 a.m. until dusk daily. Pool is heated in winter, the months of November through March. .

ATTENTION PET OWNERS: Please be a responsible pet owner and a **RESPECTIBLE** pet owner as well. When walking your pets, please do not allow them to "potty" in other people's yards. Some are not pet lovers as we are. Your dogs must be leashed at all times, and there are plenty of areas where your dog can go. There is a pet cleanup station in the storage field for your use. Please be sure to clean up after your pet. Also, please try to keep your pet from barking or making loud disturbing noise that can bother a neighbor. Complaints are being received by the office on a constant basis of pet problems in the park. So, at this time, our pet rule policy should be noted. Pets are allowed in park, **UP TO 20 POUNDS** weight restriction. Copies of pet inoculation certificate must be given to the office as proof the pet has been vaccinated. There is a **LIMIT OF TWO PETS PER COACH**. Fences for the pets are not allowed to be installed. All pets must be leashed at all times when outside the coach. Make certain when you leave your pet, they are not barking the entire time you are gone and bothering your neighbors. If this is the case, please make some type of arrangements that will alter this situation, such as a pet sitter, taking pet with you, or if the problem continues, and complaints continue in the office from residents being bothered by the barking, the park is forced to take steps in resolving

Eliminate the obstacles to a good night's rest

A good night's sleep is essential to everyone's health, and yet many people have trouble getting the shut-eye they need. If you're not waking up feeling refreshed and ready to start your day with energy, check out these problems that may be preventing you from sleeping soundly:

- Procrastination. You know you should go to bed, but you let yourself get distracted by household tasks or the TV. Set a firm time limit on your evening and stick to it.
- Caffeine. Avoid coffee and other caffeinated drinks after 3 p.m. The effects can linger for up to seven hours, making sleep difficult by the time you need to go to bed.
- Heat. You may not be sweating, but feeling just a little too warm can keep you from dropping off. Try sticking one foot out from under the covers to balance the temperature.
- Stress. The news, your job, or personal worries can make relaxation and sleep difficult. Practice meditation and other techniques to un-tense your body and your mind.
- Work. If your job starts too early in the morning, you'll have trouble waking up and performing well. Try to negotiate a later arrival time. Emphasize how your productivity will increase if you get the right amount of rest.

July Is...

Eye Injury Prevention Month. Eye injuries occur at a rate of more than 2,000 per day, with an estimated 1,000 eye injuries occurring in American workplaces alone. In addition to wearing proper safety eyewear, early detection and treatment of eye conditions and diseases are essential to maintaining good vision throughout your life.

Independent Retailer Month. Celebrate independent retailers across the country. Support and shop independent merchants all through the year, and use July as a time to unite for the independent retailers in local communities that help build our economy.

National Hot Dog Month. What better month to enjoy a delicious hot dog? The National Hot Dog and Sausage Council estimates that Americans eat over 7 billion hot dogs between Memorial Day and Labor Day, with 150 million consumed on the Fourth of July alone. Do your part.

Parks and Recreation Month. This year marks 30 years of Parks and Recreation Month, highlighting the enduring importance of parks and recreation for the world. From the start, parks were created to give us a place to appreciate nature, exercise, socialize, and have fun—a mission that lives on into the future.

July Daily News...

World UFO Day, July 2. Have you had a close encounter? Spread the word on this day that explores the unexplained.

Independence Day, July 4. The United States declared its independence from Great Britain on this day in 1776.

Global Forgiveness Day, July 7. “To forgive is to offer opportunity for a new beginning to the offender, and provides a process of healing for the victim.”

Shark Awareness Day, July 14. As much as we enjoy being frightened by this predator of the sea, remember that the shark has a key role to play in keeping marine ecosystems in balance.

World Ranger Day, July 31. Sponsored by the International Ranger Federation to commemorate rangers killed or injured in the line of duty and to celebrate the work rangers do to protect wildlife around the world.

Pinellas County Sheriff’s Department (727) 582-6200

**REPORT ANY SUSPICIOUS PEOPLE OR ACTIVITY IN THE
COMMUNITY TO (727) 582-6200.
DO YOUR PART TO DETER CRIME.**

The following information is for peace of mind for our residents. Our Neighborhood Watch Manager, Andy Cardinalli, and Ron Reger of Security Camera Pro Com would like to remind everyone to:

1. Lock ALL doors and windows.
2. If possible, leave outside lights on at night.
3. There is a safety in numbers; please do not walk alone at night.
4. Put locks on bicycles if left on carports.
5. Lock storage sheds.
6. Do NOT leave keys in golf carts.
7. Know your neighbors; keep a watchful eye on their home if you know they are away.
8. If you rent your mobile home, change all locks when tenants leave.
9. If you move into a new home, change and replace all locks with new ones.

The very striving and hard work that we so constantly try to avoid is the major building block in the person we are today.
