## FROM THE EDITOR'S DESK

Terri Walls, #89, [gammawtj@tampabay.rr.com](mailto:gammawtj@tampabay.rr.com)

---

Well, here we are with the month June. What happens in this summer month? Well, June 14th is Flag Day. The 21st is Father's Day and the 24th is St Jean Baptiste Day in Canada. Kind of one of those slow, lazy month's of summer. Not much going on, except heat and humidity.

My birthday is June 14th, and when I was a little girl, my father told me everyone flew the American flag on their properties in honor of my birthday. I thought I was oh so special, until I looked at a calendar a few years later and saw that it is Flag Day!!!! That was a big shock for me! Recently, we have seen videos on social media depicting people stomping on our American Flag. How dispicable is that? That just infuriates me. If you don't like our flag or our country, then leave!!! I am proud of our country, even though it is in a very messy state, I love America, and it's flag and I don't like seeing it abused in any way. So I ask you to please fly our flag proudly and the ones who don't care about this country and our flag to be my guest and go find your own country to live in. I am not Canadian, but I honor and respect their flag and I expect all to do the same with our American Flag. Okay, my rant is over, but please fly your flag on Flag day and every other day to honor our country, our veterans who keep it free, and our beliefs.

Of course, Father's Day is this month. As I said last month, I was a Daddy's Girl. My father passed in 2004 at the age of 90, on Memorial Day. I miss him every day, but he instilled in me and my brothers that you work hard for what you want and you are loyal and true in your work. He was a wonderful man, had a very saucy sense of humor, and loved life and all that came with it. So I wish him a Happy Father's Day in heaven and urge you all to do the same with your fathers. If you are lucky enough to still have your dad, make his day a very special one with him. You will never regret it. If you are not on good terms with your dad, I urge you to take that step to re-establish a relationship with him. He will not live forever, and don't waste anymore time.

It is slow and lazy around here as always in the summer months. The pool is usually busy and most everyone is chilling the best they can for the summer. Be sure to check on your neighbors as the heat descends upon us. Make certain they are okay, they are keeping cool and have air conditioning or at least fans that will help them stay cool. It is important that we pay it forward and keep an eye out for the neighbors and residents. If your neighbors are seasonal and back north for the summer, keep on eye out on their house, etc.

Our park is shaping up very nicely, with the paving of the streets to be completed this summer, and the homes are selling swiftly and well. I am happy to see our park looking so nice, and the residents, both new and old, enjoying each other. We will be having some summer parties for the year round people, a Memorial Day Party was held on the 25th of May, and

## From the Manager's Desk

*Susan Worden, Community Manager*

---

**S**usan is here on Tuesdays and Fridays., 9: 00-3:30. Remember to contact her via email (best) if you need to talk with her when she is not here. Her email address is riviera@arcinvestments.com . Our assistant manager is Amy Danson who is here Monday through Friday, 9:00 a.m. to 3:30 p.m.

## Riviera Estates Homeowner's Association

*Wayne Fellows, President*

**T**he next meeting of the Homeowner's Association will be November 5, at 9:30 a.m. We will be preparing for election of officers which will take place at our December meeting.

## POOL AND PET OWNER REMINDERS

---

**F**YI: Riviera Estates MHP would like to remind our residents that **NO one is allowed to touch the temperature settings on the pool heater and/or the clubhouse air conditioner.** Our manager and the Homeowner's Association Executive Board have insisted on this. Pool hours are 9:00 a.m. until dusk daily. Pool is heated in winter, the months of November through March. .

**ATTENTION PET OWNERS:** Please be a responsible pet owner and a **RESPECT-ABLE** pet owner as well. When walking your pets, please do not allow them to "potty" in other people's yards. Some are not pet lovers as we are. Your dogs must be leashed at all times, and there are plenty of areas where your dog can go. There is a pet cleanup station in the storage field for your use.

Please be sure to **clean up** after your pet. Also, please try to keep your pet from barking or making loud disturbing noise that can bother a neighbor. Complaints are being received by the office on a constant basis of pet problems in the park. So, at this time, our pet rule policy should be noted. Pets are allowed in park, **UP TO 20 POUNDS** weight restriction. Copies

of pet inoculation certificate must be given to the office as proof the pet has been vaccinated. There is a **LIMIT OF TWO PETS PER COACH**. Fences for the pets are not allowed to be installed. All pets must be leashed at all times when outside the coach. Make certain when you leave your pet, they are not barking the entire time you are gone and bothering your neighbors. If this is the case, please make some type of arrangements that will alter this situation, such as a pet sitter, taking pet with you, or if the problem continues, and complaints continue in the office from residents being bothered by the barking, the park is forced to take steps in resolving the issue, such as requiring you to get rid of the dog, or face eviction procedures. Please be a responsible pet owner and obey the rules concerning them. It is **IMPERATIVE THAT YOU CLEAN UP AFTER YOUR PET EVERYWHERE, INCLUDING THE DOG WALKING AREA**. Please do not ignore these pet owner rules, so that we all can continue to love and enjoy our pets. But at all times we must be respectful of all the residents that live here, that they are not bothered by our pets in any way. Not by hearing them all the time, or stepping in their waste when out walking etc. Thank you for adherence to the policies and rules.

## The secret to a winning team

---

A Little League team seeking sponsors asked a prominent businessman for a donation. “We need bats, gloves, and new uniforms,” the team manager explained.

The business leader gave the manager \$100, and promised to come to the team’s next game.

A week later he came out to the local ballpark to find his team practicing with the same worn-out equipment and ripped uniforms. Angry, he walked out onto the field.

“What happened to that \$100 I gave you for new equipment?” he demanded.

“Well, we’re playing the best team in the league,” the manager replied. “So we thought we’d put the money where it would do the most good.”

“And where’s that?”

“Bribing the umpire.”

## Eat Better to Spur Creativity

---

Some great artists and writers are known to have used drugs or alcohol to seek inspiration, but you don't have to risk your health when you need a creative boost. The Medical Daily website suggests trying some of these foods to help stimulate the brain:

- **Fruit.** Fruits have lots of an amino acid called tyrosine, which helps synthesize proteins and may influence your ability to think deeply. In one study, students performed better at completing puzzles when they drank orange juice strong with tyrosine.

- **Chocolate.** The flavanols in chocolate may enhance short-term cognitive skills, according to one British study, because flavanols boost the amount of oxygen in the brain. Try a cup of hot cocoa before you need to be at the top of your mental game.

- **Carbohydrates.** Carbs deliver a quick dose of glucose to your body and brain, providing aid to concentration and memory. Potatoes, oatmeal, and other carbs may have a beneficial effect on brain function.

- **Walnuts.** Rich in omega-3 fatty acids, walnuts can help memory and increase brain function, according to the journal *Plant Foods for Human Nutrition*. The results of one study showed that rats given a diet of raw walnuts for 28 days showed better learning and memory than rodents on another diet.

## Money Matters

---

### Try these smart shopping tips at the grocery store

Everyone wants to stretch his or her food dollars. You don't have to live on ramen noodles and cold cereal three times a day to do it. Here are some tips for savvy shopping at the store:

- Don't fall for fancy displays. Items stacked at the end of the aisles, like sodas, aren't necessarily on sale. The display can make them seem like they're marked down, but often they're still regular price.

- Remember that you pay for convenience. Skinless chicken breasts cost more than those packaged with skin. The same applies to the pre-cleaned and cut carrot sticks. In both cases, they're a little more expensive. Decide whether the convenience is worth the extra money.

- Try the store brands. If you compare the contents and nutritional value of name-brand versus no-brand items, you'll often discover that they're almost identical. In many cases, they're made in the same plant and just packaged with the store label.

- Use coupons. How often have you clipped coupons only to allow them to expire? Develop a system that will ensure you remember and use them.

## Here's to you, dad: The start of Father's Day

**F**ather's Day started with a dedicated woman: Sonora Smart Dodd, the daughter of a widowed Civil War veteran who had raised her on his own. Dodd came up with the idea for a special day celebrating fathers when listening to a Mother's Day sermon in 1909. She held her own special tribute for her father on June 19, 1910, in Spokane, Wash., and began a campaign for an official celebration thereafter.

The idea of Father's Day initially met with some skepticism, but in 1919, President Calvin Coolidge expressed support for the holiday, and in 1926 a National Father's Day Committee was formed in New York City. In 1966 President Lyndon B. Johnson signed a proclamation designating the third Sunday in June as Father's Day, but it wasn't until 1972 that President Richard Nixon officially recognized it as a national holiday.

Loyalty to country, always. Loyalty to government, when it deserves it.

—Mark Twain

## Quick zingers and fast chuckles

**N**eed to get a laugh in a hurry? Try some of these handy one- or two-liners:

- Explaining puns to kleptomaniacs is hard because they always take things literally.
- I used to think the brain was the most important organ. Then I thought, "Look where that idea comes from."
- A dwarf fortune-teller who kills his customers might be known as a small medium at large.
- Did you hear about the dyslexic devil worshipper who sold his soul to Santa?
- During a prison break I saw a dwarf climb over a wall. As he jumped down he sneered at me, and I thought, "That's a little condescending."
- A blind man walks into a bar. And a table. And a chair.
- You never see a hippopotamus hiding in a tree. They must be really good at it.

## Danger at home: Keep your children and grandchildren safe

---

The home can be a dangerous place, especially for young children. Most household accidents are avoidable, though, with some commonsense precautions. Safe Kids Worldwide, a global organization providing safety information aimed at preventing accidents and injuries to children, shares these tips for keeping your family healthy and safe:

- Bathroom. Don't leave children alone in the bath, or anywhere near water.
- Hallways. Install smoke and carbon monoxide detectors, and check their batteries at least every six months to ensure they're working properly.
- Bedrooms. At bedtime and nap time, remove any blankets, pillows, stuffed animals, and toys from your baby's crib to prevent accidental suffocation. Make sure your baby sleeps alone and on his or her back.
- Staircases. Put up safety gates to keep children from tumbling down staircases. Install similar gates for every window a child might reach.
- Medicine chest. Store all medicine in cabinets above the reach of children, and lock cabinets they might get into. Keep track of any medication you might carry in your purse or briefcase.
- Living room. Install brackets and braces to secure bookshelves and other furniture against accidental tipping. Secure television sets to the wall or place them on low platforms.
- Kitchen. Use the back burner of your stove when cooking with children present. Turn pots and pans so that their handles face away from the edge, out of reach from tiny hands. Store household cleaners in high cabinets and shelves, or lock lower cabinets to keep children out.

## Keep kids safe from bugs during summer months

---

As summer comes, so do the bugs. And some of those bugs can bite. Follow these guidelines from the American Academy of Pediatrics to protect your children from getting stung or bitten:

- Avoid using scented soaps, hair sprays, and perfumes on your child. The scents can draw insects and bugs and increase your child's risk of being bitten.
- Stay away from nests or places bugs might congregate. This includes stagnant pools of water, areas where uncovered foods are abundant, and gardens where flowers are blooming.
