FROM THE EDITOR'S DESK

Terri Walls, #89, gammawtj@gmail.com

March is here already. Ash Wednesday is on the 1st of March, and on the 12th, Daylight Savings Time begins. The 13th is Commonwealth Day in Canada, and St. Patrick's Day is on the 17th which falls on a Friday this year. The traditional Irish Holiday celebrated with a meal of Corned Beef and cabbage, potatoes and carrots and turnips, beer (usually green) and plenty of Irish whiskey, coffees etc. to go around. The first day of spring falls on the 20th. Shakes down to look like a pretty busy month. The Good Neighbors are planning a traditional St. Patrick's Day dinner and party on the 17th. Attend the meetings for details such as times and costs, and what the menu is going to be. Watch the bulletin boards also for information and sign up sheets. This is an annual fun get together. The Strawberry Festival starts March 2nd in Plant City and runs for several days. Great entertainment, great craft booths, and wonderful strawberry shortcake!

What is "special" or "important" to you? Each month I write an article about something that flies through my head, and this month I am going to talk about what is the most important and special thing in my life and that is my family and our family traditions. It is my opinion that the "family" in this country has just about disappeared. Family traditions also. I will be 70 years old this year, and when I think of my young years, my memories are infused with family. We all sat down together for our meals, and actually talked to each other. We all had our "chores" to do, which all fit into a cycle that allowed our family to function at it's best. Today's families have lost that special bond of talking and being together. When my sons were younger and asked a friend over to spend the night, when I called for them to come and set the table.....their friends didn't know what that meant. When the meal was prepared and served we all sat down together and the friend would have the most perplexed look on his face. They always would ask, "Do you do this every day?" Of course we did, it was always looked forward to so as we ate we shared how our day had gone. I remember one guest who said he had never seen his dining room table cleared off to be able to eat at it. That seemed so strange to me. I have always made it my purpose to continue most of the family traditions I enjoyed as I grew up. My children looked forward to the decorating for a holiday, whether it was Halloween, Fall, Christmas, Valentine's, Easter, July 4th, etc. The special foods that we prepared each holiday, the traditions of each holiday was looked forward to with anticipation. I have come to the conclusion that most families no longer or never did these things with the exception of maybe a Turkey Dinner on Thanksgiving or putting up Christmas tree and decorations for Christmas. To my surprise, as I got older, I was shocked that pizza or tacos was the menu for Thanksgiving for many of my friends. My family and our traditions are still a very necessary part of our lives. Even to this day, my sons and grandchildren that live here locally, come for Sunday dinner almost every Sunday. Sometimes, if they can, they are here

...continued on page 6

for Saturday dinner also. But very seldom do they miss a Sunday meal. They love their mom's (and Memaw's) cooking evidently. And that fact makes me very proud that they WANT to come and see us and eat every week.

Another thing is, I always try to live by the golden rule.....you know, the "do unto others, as you would have done to you" or treat people how you want them to treat you. I always try to emphasize to check on your neighbors, do Random Acts of Kindness, and Pay it Forward. That is how I am. That is my heart. That is how I was raised! I will always share what I have with someone who is in need. I don't question why they are in need. I don't need to know that. It is not my business.

This is my last issue as editor: I have enjoyed doing this for several years. I hope I have done right by the park and it's residents with my efforts. It is time for a different viewpoint. I thank you all for the compliments I have received over the years. Please continue to **Pay it Forward**, and **check on your neighbors** and friends to make sure they are okay. A phone call or a visit does not take that much time out of your day. Show someone a **Random Act of Kindness**. Make this world a happier and better place. Make this community one that the residents can depend on their friends and neighbors being there for them. Take care.

Please note: send your articles to Larry at mindfarms@gmail.com, or drop them in the media envelope on the bulletin board. You can also send to me at gammawtj@gmail.com and I will forward to him. Thank you all.

Platitudes

Well for the first time I disagree with merriam-webster dictionary. Their definition of "platitude" is incomplete. They say it means "the quality or state of being dull or insipid or a banal, trite or stale remark."

Wikipedia says, "A platitude is a trite, meaningless, or prosaic statement, generally directed at quelling social, emotional, or cognitive unease. Platitudes are geared towards presenting a shallow, unifying wisdom over a difficult topic. However, they are too overused and general to be anything more than undirected statements with ultimately little meaningful contribution towards a solution.

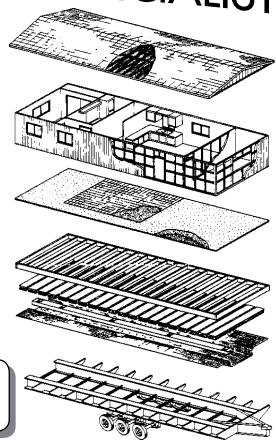

Examples could be statements such as "it is what it is", "meet in the middle", "busy as a bee", "method to my madness", "better late than never", "just be yourself", "burning the midnight oil", "strength is something you choose" and "nobody's perfect". Platitudes are

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

generally a form of thought-terminating cliché.”

So... why do I disagree?

Some “platitudes” are actually a statement that is intended to bring a better understanding of some subject by the reader. For instance “You can’t make your candle glow any brighter by blowing out the other guy’s candle” actually is true, according to the laws of nature.

When I was teaching I sometimes put that platitude on the whiteboard. Usually after I saw a lack of cooperation and judgmental comments between students. Sometimes it helped and sometimes it didn’t. Usually my students were grown adults (most of which had families) that attended class after their work shift. I discovered that is a lot easier to get a young person to understand the intent of my putting that on the whiteboard. It’s hard to get adults (in most cases) to change their point of view or even accept that they might be wrong. To paraphrase a platitude that I am sure you have heard “You can’t teach an old dog new tricks” might be a trite, meaningless statement about what I just described.

There’s another aspect of platitudes that is interesting. They have to come from someone at some point in time that may actually have been a very astute observation and was much more meaningful when it was first uttered. Let’s take a look at few I’m sure you have heard.

“That’s The Pot calling the Kettle black.” The method of cooking before stoves were invented was to cook over an open fire. Open fires create smoke and soot. The soot gets on anything used to cook over the fire thus both the Pot and the Kettle got black soot on them. There’s the facts but... that is not the intent of that particular platitude. The intent is to point out the hypocrisy of someone making an accusation about another person actions that the one making the accusation is doing, or has done the same thing.

“People in glass houses shouldn’t throw rocks” That rocks typically break glass is obvious. The intent is nearly the same as “The pot calling the kettle black”

“Blondes have more fun.” Can that really have a bit of truth to it? Yes, studies have shown that at a dance blondes get asked to dance more often than brunettes or redheads. Most guys will aim for the blonde. If one really wants to dance, or want to arrange a date he should ask someone that is not blonde. Why? Because, at a dance, the redheads or brunettes get asked less often than blondes therefore the chance of getting a “yes” is greater.

“Stuffing oats up a dead horses butt” is one that we don’t hear as often but what it implies is that someone doing something that has little chance of success. I think I’ve heard “You can’t beat a dead horse” a few times also.

“You can’t push a rope”. Ever heard that one? First of all it is actually true, try it and see for yourself. However it doesn’t really have anything to do with ropes, it has more to do with teaching leadership skills and nurturing someone in reference to becoming a good leader or coach.

“What goes up must come down” is one that, although it sounds logical, is not always true. It IS true in reference to the effects of gravity on anything having mass within the gravitational

...continued on page 10

field of the earth. Usually that is said when it is observed that someone successful has fallen on bad times. Of course that view is not always valid as there are many who have reached the top and stay there. The opposite is not a platitude but “what goes down must come up” is something every submarine sailor sincerely hopes is true, I know personally that that’s a fact.

“The woman is always right.” Is NOT true. They are only right 90% of the time.

There are a multitude of platitudes for us to play with. Coming up with a bunch and talking about their origins might be a fun game to play at home.

Don’t forget the 3 L’s

The office initials and give a copy to Ed Mitchell. These are held in strict confidence and no names are given. We have complaint forms that can be filled out. Park Management can issue letter to individual complaint is against. Management is to tour and talk with residents if there is a problem. Discussed the park enforcing their rules. It’s easy to break rules and as individuals, we should be aware of this. There are attorneys we could get involved. Chris Rigierio made a point that

it is difficult to report on neighbors as they have become our friends. This is a 55+ community, and there are family members staying longer than the rules state. We need to get rid of bird feeders pick up fruit lying on the ground and put garbage in covered containers to help get rid of the rodents. Packages of rat poison are available from Ed or Doreen. Snowbirds could have the person looking after their coach make sure rat poison and fruit on ground are looked after. The rodent issue is the owner's responsibility. Albert discovered a spray at Home Depot for around the coach to deter rodents. There are also boxes available to place around the coach and refilled every few months at an approximate cost of \$35. Keep carports clean of boxes, etc. so rodents don't have a place to make nests. Tightening and replacing clothes lines with covered wire ones was mentioned again, as the plastic ones sag from weight and the sun. New Business: Donna brought up removing the write up in the Riviera Monthly Media about visitors bringing pets as rules state they are not to bring in any pets. Dog owners don't always stop them from defecating on residents property and are allowing them off leash. Again rules the park should enforce.

A resident felt a neighbors untidy yard a deterrent to selling their place.

Fran was thanked for being the Treasurer when Ed was away.

Tie Down Program: Alan has info regarding this. He talked with our contact and people previously sent out to evaluate said shrubs and skirting around were ineligible. Individual applications should be made available in the future and will be contacted then. Percentage of park having this done not a qualification anymore and skirting could be removed at no extra cost. Coach must be older than Sept. 1999 and there is no age limit. Once available, questions will be answered.

There were letters sent out and copies available at meeting regarding rules, etc. signed by Management. Motion was made to adjourn and seconded. Meeting was adjourned at 11:00 a.m. Submitted by Marion Kelly, recording secretary.

ACTIVITIES AND REMINDERS

POOL AND PET OWNER REMINDERS

FYI: Riviera Estates MHP would like to remind our residents that **NO one is allowed to touch the temperature settings on the pool heater and/ or the clubhouse air conditioner.** Our manager and the Homeowner's Association Executive Board have insisted on this. Pool hours are 9:00 a.m. until dusk daily. Pool is heated in winter, the months of November through March. Please remember when leaving the pool, to **CLOSE DOWN THE UMBRELLAS**, pick up your trash and close the gates. If you are going by the pool, and see the umbrellas are open, please go in and close them. A wind gust can pick them right up and they become a missile and could damage or injure, along with the umbrella itself getting damaged. Treat our community pool as if it were your own. Thank you.

ATTENTION PET OWNERS: Please be a responsible pet owner and a **RESPECTIBLE** pet owner as well. When walking your pets, please do not allow them to “potty” in other people’s yards. Some are not pet lovers as we are. Your dogs must be leashed at all times, and there are plenty of areas where your dog can go. There is a pet cleanup station in the storage field for your use. Please be sure to clean up after your pet. Also, please try to keep your pet from barking or making loud disturbing noise that can bother a neighbor. Complaints are being received by the office on a constant basis of pet problems in the park. So, at this time, our pet rule policy should be noted. Pets are allowed in park, **UP TO 20 POUNDS** weight restriction. Copies of pet inoculation certificate

must be given to the office as proof the pet has been vaccinated. There is a **LIMIT OF TWO PETS PER COACH**. Fences for the pets are not allowed to be installed. All pets must be leashed at all times when outside the coach. Make certain when you leave your pet, they are not barking the entire time you are gone and bothering your neighbors. If this is the case, please make some type of arrangements that will alter this situation, such as a pet sitter, taking pet with you, or if the problem continues, and complaints continue in the office from residents being bothered by the barking, the park is forced to take steps in resolving the issue, such as requiring you to get rid of the dog, or face eviction procedures. Please be a responsible pet owner and obey the rules concerning them. It is **IMPERATIVE THAT YOU CLEAN UP AFTER YOUR PET EVERYWHERE, INCLUDING THE DOG WALKING AREA**. Please do not ignore these pet owner rules, so that we all can continue to love and enjoy our pets. But at all times we must be respectful of all the residents that live here, that they are not bothered by our pets in any way. Not by hearing them all the time, or stepping in their waste when out walking etc. Thank you for adherence to the policies and rules.

NOTE: QUESTIONS REGARDING VISITORS OF PARK RESIDENTS BRINGING THEIR DOGS WERE BROUGHT UP RECENTLY. THE PROSPECTUS WAS CHECKED TO TRY TO CLARIFY THE VISITING PET ISSUE. THE ONLY ‘RULE’ FOUND STATED THAT THE PET RULES OF THE PARK/RESIDENTS ARE THE SAME TO VISITING PETS. NONE OVER TWENTY POUNDS, WALK THEM IN THE QUALIFIED AREAS, AND CLEAN UP AFTER THEM. PLEASE MAKE SURE YOUR “GUESTS” FOLLOW OUR PET RULES.

Activities and Department Reports

Koffee Klatch: Held every Saturday morning at 9:00 a.m. **SHARP**. Coffee and doughnuts, hot biscuits and peanut butter and jellies, cost \$1.00. All events and activities will be discussed and sign up sheets will be on bulletin board and tickets for events can be purchased, etc. We celebrate anniversaries, birthdays and mail from prior residents etc. . Come down, be informed and enjoy those doughnuts.

Bingo: Reported by Karen M. and Julie C. . Early birds start at 6:30 and regular games at 7:00 p.m. . The new machine and board are up and running and we will be trying some new games this year. We want to thank EVERYONE for their support and donations who made it possible to get the new equipment. Please come and enjoy yourselves.

Riviera Guild: The newly formed Riviera Guild meets in the clubhouse on Tuesday nights from 7-9 p.m. This started out because of a love of quilting by a few people. It has expanded to include knitting, crocheting, and any form of sewing or craft projects. We are a small, but motivated and fun group. Reported by Jeannine Hennigar.

Euchre: Claudette Lusignan is currently in charge of this group that normally plays at the clubhouse on Tuesday Evenings at 7:00 pm. Please, if you enjoy playing Euchre, come up and join in. **Jan 24:** Per Claudette L. We played Euchre tonight and Denis took first place with 48 points. Earl took second place with 46 points and Jean Byers and Owen Price each had two loners.

Golf: Golf is held every Wednesday morning, and is run by Ed Mitchell. Let him know if you are planning on attending by 10:30 on Wednesday morning for an 11:00 tee time. 727-953-6524

Poker: Poker is usually held on Thursdays at the clubhouse at 6:30 p.m. Albert Dominie is in charge of Poker. They will be playing Texas Hold Em and Omaha only. All are welcome.

Tai Chi 9:30 - 10:30 a.m. . Excellent program to help with balance and all your muscles and joints, yet not too strenuous. Every Tuesday, \$3.00 donation each week. Pancake Breakfast Tuesday will schedule Tai Chi later in the day. Please come and attend and give it a try.

Line Dancing: 1:00-2:00 in afternoon. \$2.00 donation. Every Thursday from 1:00-2:00 except on Ladies Luncheon Day, then is 3:00-4:00 on that day. Please come and enjoy line dancing.

“RELIC”-(Riviera Estates Lotto International Club) by Frank Rigiero. The Lotto Club is open to all residents of Riviera Estates (renters or owners). We collect two dollars every Saturday per coach. Only one bet per coach is allowed, no matter how many are residing in each unit. Our money is pooled for quick pick tickets ONLY. On Saturday afternoon (cut off time is 2:00 pm), I go to a LOTTO agent to purchase tickets. ONLY those who pay that current week will be entered into the draw for the **FLORIDA** lottery. If you miss payment, you cannot collect any monies that may be won for that particular week. We are now playing both Saturday and Wednesday drawings. \$2.00 per drawing per coach. Anyone interested may attend the Koffee Klatch on Saturday morning or come to my home to purchase before 2:00 p.m. Last year, we decided to switch to the FLORIDA Lotto instead of Power Ball. The odds are much better, and we aren't competing with gamblers from other states as in Powerball.

Good Neighbors Club: Good Neighbor's Club Meetings are held the 2nd Friday of the month for the membership. Our next meeting will be on March 10th, 2017 at 9:00 a.m. Contact President Steve Walaski at 953-6248 or email the Good Neighbors executive board with questions, suggestions, etc at gnclubre@gmail.com. We also have a new website, where event calendar is posted and pictures etc. It is www.rivieraestates-goodneighbors.com. Please check it out. **Please note: day and time temporarily changed to allow Tina to attend the meetings through this year until meetings cease. Please change your calendars.**

Sausage Biscuit Breakfast: 24 people ventured out early on the 23rd of January to enjoy a sausage gravy and biscuit breakfast. Good old southern comfort food, the menu included the gravy and biscuits, a potato cake, fresh fruit and choice of juice, and coffee and tea. 50/50 tickets were sold and Sue Belligan won the pot. I need to thank everyone who volunteered to help, Sue Conaway, Claudette Lusignon, Steve and Brenda Walaski, Pat Weimer, Vanna Nauss and Keith Davis. Hope I did not leave anyone out. Your help was much appreciated. It was a small little breakfast, but the food was delicious and we made some cash for the Good Neighbors.

Shuffleboard Pancake January Breakfast: Reported by Frank Rigiero
We held our second pancake breakfast with success. We are still seeking hungry residents to partake in this feast. There were about 40 of steady customers who showed up with their plates and cups for coffee. They left very satisfied. What we need to do is get the word out to our new residents what we are about and what we do for entertainment during our winter stay in sunny Florida. They are missing out on a lot of fun and neighborly companionship. With our new board and new ideas I am certain they will be pleased they finally “came to see” what we are all about. The pancakes were large and fluffy. Sausage was done to perfection. Juice was plentiful and the coffee was hot and bold. The conversation about our kids and grand kids were rampant and laughter was heard throughout the hall. Our coffee servers were always on hand to make certain the cup was full and seconds on servings were taken advantage of. All of this for a mere \$4.00. You can't go wrong. Please mark your calendars for the next one which is on the first Tuesday of each month so you won't miss out. Thanks to our helpers, Keith, Dennis, Steve, Sharon, Jen, Jean, Jeanine, and Phil. because without your help it would not have been a success. I hate to name people who assisted because I always seem to leave someone out. If I did, I apologize for my ignorance. Please point it out to me and I promise I will remember next Month. I know there were ladies who set up the tables the night before but not being present, I know not who you were except for Diana. Thank you all. Frank

Shuffleboard Pancake February Breakfast: Frank Rigiero
Pancake breakfast number 3. Last Tuesday we all sat down to the third pancake breakfast this year. We have one more to be held on the first Tuesday of March. Please plan to attend. There is plenty of pancakes and sausage along with juice and hot coffee on hand for our hungry residents and guests.

Once again, I arrived to begin setting up only to find the elves had struck. The tables were set, the grill was in place. Everything was ready for the cooks to begin their job of mixing, pouring and brewing to feed our friends. I thank all who assisted in this endeavor. A job well done.

On another note that's behind the scene is the cart that totes the very heavy grill. From what I understand, Larry Burnette built the cart which made it so much easier to bring to the kitchen. Then for some reason the space going into the kitchen area was reduced which meant lifting the grill over the counter and carrying it to the work area. Now comes Dennis with a brain storm. Narrowing the cart to fit. This task was presented to Jim Arsenault. In no time this was completed at Jim's “shop”. Then came the idea, again by Dennis to enclose the cart to accommodate our cooking tools. Jim took up the challenge and voila it was done. Not many

people see this behind the scene work so it is worth a BIG thank you to Larry and Jim for their dedication to our organization. Until next month stay healthy and see you on first Tuesday in March..Frank

Shuffleboard Pancake Breakfast: The last pancake breakfast will be held on March 7th, 2017 which is a Tuesday, 8:00 a.m. to 9:30 a.m. Pancakes, sausages, juice, coffee or tea, all you can eat for \$4.00. Please bring your own plates, cups and silverware.

Fun Shuffle: Reported by Al Dominie and Donna B.: Al mentioned at Koffee Klatch that the shuffleboard courts are for all residents use. You do not have to be in the club, or tournaments or fun shuffle. If you are a resident, you can use the courts. **Fun Shuffle League Jan. 13th and 20th:** After the first two weeks of team play, Larry and Jim have jumped out to an early lead by winning all four of their games. They are closely followed by six different pairs at 3-1. Eighteen teams participate in this fun group and spectators are welcome; 9:30-12:00 every Friday morning at the courts. See you there! **Fun Shuffle Jan. 27th:** Week 3's results left a log jam at the top with 3 teams, Larry and Jim, Wes and Pat, and Phil and Vic tied for the lead and another three only 1 game behind. No one is undefeated and every team has at least some points. Spares, fans, spectators, are always welcome. Come out and enjoy and have some FUN! Every Friday at 9:30 a.m. at the courts. **Feb. 7:** Four weeks in see Larry and Jim continuing to lead the pack with Wes and Pat one game behind. Four other teams are just one game further back. A very tight race with all other teams tightly bunched together. See you next Friday!

Pot Luck Dinner: Our Pot Luck Dinner will be March . 19th, at 6:00 p.m. sharp. Bring your table service, a dish to feed several, your drinks and enjoy an evening with your neighbors socially. Coffee, tea and hot cocoa are supplied. Claudette Lusignon will be in charge of this event this year. Contact her if any questions.

Ladies Luncheon: Ro Moll is in charge of this event, and there are sign up sheets in the clubhouse on the bulletin boards. It is held at noon on the third Thursday of the month. Jennie Harsh reported that 24 ladies attended the January luncheon held at Rumba's and all had a good meal and lots of socializing. Next month's location is a SURPRISE.

Men's Luncheon: While the ladies are out, the guys go out together at the same time. Their luncheon is also the 3rd Thursday of each month, at noon, and they go to different restaurants also. Sign up sheets are on the clubhouse bulletin board. Wayne Fellows is in charge of this. He reported they attended Molly Goodhead's in January and all except Denis Byers had good food. Sign up for next month is on the board.

American Red Cross Month. For more than a century, the American Red Cross has harnessed the generosity of the American people, mobilizing the nation in the wake of disaster. The American Red Cross and its international partners have served during crises across the United States and around the world. During American Red Cross Month, Americans celebrate the nation’s humanitarian spirit and recommit to providing relief and hope in times of crisis.

Brain Injury Awareness Month. Sponsored by the Brain Injury Association of America, which conducts an awareness campaign each March. The theme for the 2017 campaign is “Not Alone,” providing a platform for educating the public about the incidence of brain injury and the needs of people with brain injuries and those in their families.

Music In Our Schools Month. An annual celebration of music educators, students, and communities nationwide, all promoting the benefits of high-quality music education programs in schools. Music In Our Schools Month began as a single statewide event in New York in 1973 and grew to become a monthlong celebration of school music in 1985.

Women’s History Month. Women’s History Month had its origins as a national celebration in 1981 when Congress requested that the president proclaim the week beginning March 7, 1982, as “Women’s History Week.” Throughout the next five years, Congress continued to pass joint resolutions designating a week in March as “Women’s History Week.” Since 1995, Presidents Clinton, Bush and Obama have issued a series of annual proclamations designating March as “Women’s History Month.”

Weekly

Professional Pet Sitters Week, March 1-7. An annual observance that honors professional pet-care providers, seeking to educate the pet-owning public about the advantages of professional in-home pet care and encourage pet-loving entrepreneurs to explore professional pet sitting as a viable career.

Dental Assistant Recognition Week, March 5-11. Dental assistants are a key part of the dental practice year-round. During Dental Assistants Recognition Week, dentists in the United States and Canada celebrate by honoring their dental assistants for the variety of duties they perform and helping them provide patients with top-quality dental care.

Women in Construction Week, March 6-12. The focus of Women in Construction Week is to highlight women as visible members of the construction industry. The National Association of Women in Construction’s thousands of members across the country raise awareness of the opportunities available for women in construction and emphasize the growing role of women in the industry.
