Hi All:

We haven't had any updates lately on the travel advisory issued for non-essential travel from Canada to the U.S. being extended past September. As of now, Canadians can fly to a U.S. destination but cannot drive across the border. But, to further complicate things, it is unlikely that insurance companies will provide coverage while there is a travel advisory in effect. In addition even if, insurance companies provide coverage, will they cover COVID complications? Lots of unknowns at this point???

That being said, I've heard from a few Riviera-Canadians who are ready to flock south as soon as they can! Funny enough the temperature has dropped into the 60's and we start pulling out our winter coats. Shuffling would be cancelled at these temperatures.

My son and his wife recently moved to Hollywood Beach, Florida. She is interning to become a doctor at Memorial Hospital West. Since they recently received their Green Cards, they packed up all their belongings and sent everything off with a moving company to a zip code because they hadn't nailed down their exact

*...continued on page 6*

address yet. They searched on line and finalized the place they wanted to live and made all the arrangements . They flew down and met the moving company at their door step. All went relatively smoothly, as my daughter-in-law was scheduled to start work two days later.

FYI on her first day she was assigned to the ER department!!

They are settling in nicely and enjoying Florida living. Just so they know they are really in Florida, they have their first gecko making random appearances throughout the apartment.

Enjoy Trick or Treating at Riviera!!

Happy Columbus and Indigenous Peoples Day!!

Hope everyone is doing well.

Take care of each other and stay safe.

Best regards,

Debbie

## Humor

---

I was in a shoe store that sells only shoes, nothing else. A young girl with a tattoo and green hair walked over to me and asked, "What brings you in today? I looked at her and said, "I'm interested in buying a refrigerator." She didn't quite know how to respond, had that deer in the headlights look.

I was thinking about old age and decided that old age is when you still have something on the ball, but you are just too tired to bounce it.

When people see a cat's litter box they always say, "Oh, have you got a cat?" I just say, "No, it's for company!"

Employment application blanks always ask who is to be called in case of an emergency. I think you should write, "An ambulance."

The older you get the tougher it is to lose weight because by then your body and your fat have gotten to be really good friends.

The easiest way to find something lost around the house is to buy a replacement.

Have you ever noticed: The Roman Numerals for forty (40) are XL.

The sole purpose of a child's middle name is so he knows when he's really in trouble.

Did you ever notice that when you put the 2 words "The" and "IRS" together it spells "Theirs?"

Aging: Eventually you will reach a point when you stop lying about your age and start bragging about it. Some people try to turn back their "odometers." Not me. I want people to know why I look this way. I've traveled a long way and a lot of the roads were not paved.

You know you are getting old when everything either dries up, sags or leaks.

Ah! Being young is beautiful but being old is comfortable.

May you always have: Love to share, Cash to spare, Tires with air, And friends who care.

Dear Community,

Welcome to Clearwater. I grew up here and I like it here. Outside is safer and fine with me. The breeze off the water at the beach is the best. You might know we are under 4 miles to the causeway that leads out to Honey Moon Island. Things have changed. But some of the best things are still the same.

## White Water Canoeing Anyone?

By John Girard

What better way to get away from all of this self-isolation/physical distancing stuff, than to go on a remote canoe trip. To my wife Debbie and me, that sentence makes perfect sense. So, that's what we did...a six day paddle down the Noire river in the Province of Quebec, Canada. The Noire is a beautiful river with approximately 17 miles of runnable white-water, and a guarantee that you won't see another soul until trip end. Well almost guaranteed.

**" Can't a guy get a little privacy"**

**"Deb and me in a few of the rapids we managed to stay upright in"**

It's been eleven years since Deb and I have canoed in rapids, and just to prove how rusty our skills were, we dumped our canoe in a rapid on the very first day of the trip. There's nothing technical about canoeing jargon: DUMP simply means that our canoe tipped over in the rapids, and Deb, me and all our camping gear, got swept downstream in the raging torrent. Great Fun!!!

No canoe trip is complete without a backbreaking portage around a stretch of unrunnable white-water and waterfall, and the Noire did not disappoint, having a portage quaintly nicknamed, "the portage from Hell". For those of you out there that dream of lugging heavy packs and canoes a long distance over rough terrain which literally terminates at a

40' escarpment where everything has to be lowered down to the river level by ropes; put the Noire on your bucket list, it checks off all of the boxes. Great Fun!!!

Now that Deb and I have scraped the rust and dust off our white-water canoeing skills, we're ready for next year's adventure; paddling the Nahanni river in Canada's North West Territories. The Nahanni is not just a spectacular river...it checks off all of the boxes.

***"Deb and me in a few of the rapids we managed to stay upright in"***

Now, back to self-isolation...

***"Long and dirty portage that ended up with a 40' escarpment drop that we had to lower fully loaded canoes down with ropes and team work"***

***"A guy and his canoe practising social distancing, What Fun!!!"***

## SUNSHINE CLUB

Roe Moll

Lot's of thoughts and prayers to the Moll family as they go through these tough times.

## 100 CLUB

Diana McNiven

Thanks Diana for running this fun draw.  
See you in the fall...

*The 100 Club draw runs from November 1 to March 31. To have a number in the draw, it is \$5.00. There are eight numbers still available for the year ending March 31.*

*In mid March, \$5.00 is collected for the next year from those who want to keep their number. Numbers are 'sold' in March before most residents go North for the Summer because some do not return until after the first draw in November. When a number is drawn, you are a winner whether you are at Koffee Klatch or not. You are allowed more than one number.*

## Diana's Humour (or Humor) Corner:

I was in a shoe store that sells only shoes, nothing else. A young girl with a tattoo and green hair walked over to me and asked, "What brings you in today? I looked at her and said, "I'm interested in buying a refrigerator." She didn't quite know how to respond, had that deer in the headlights look.

I was thinking about old age and decided that old age is when you still have something on the ball, but you are just too tired to bounce it.

When people see a cat's litter box they always say, "Oh, have you got a cat?" I just say, "No, it's for company!"

Employment application blanks always ask who is to be called in case of an emergency. I think you should write, "An ambulance."

*continued on page 28*

The older you get the tougher it is to lose weight because by then your body and your fat have gotten to be really good friends.

The easiest way to find something lost around the house is to buy a replacement.

Have you ever noticed: The Roman Numerals for forty (40) are XL.

The sole purpose of a child's middle name is so he knows when he's really in trouble.

Did you ever notice that when you put the 2 words "The" and "IRS" together it spells "Theirs?"

Aging: Eventually you will reach a point when you stop lying about your age and start bragging about it. Some people try to turn back their "odometers." Not me. I want people to know why I look this way. I've traveled a long way and a lot of the roads were not paved.

You know you are getting old when everything either dries up, sags or leaks.

Ah! Being young is beautiful but being old is comfortable.

May you always have: Love to share, Cash to spare, Tires with air, And friends who care.

### **Covid Reminder:**

**WEAR AT MASK

## **KOFFEE KLATCH:**

**C**ancelled until further notice

Come on out and meet your neighbors over coffee and a snack. Cover charge of \$1. Meet at the Clubhouse on Saturday morning at 9am.

# WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

## Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
