## FROM THE EDITOR'S DESK

Terri Walls, #89  
gammawtj@gmail.com

September 2015 is here already, and it won't be long before we are talking about all the holiday activities!!!! Where has this year gone? September is officially those lazy hazy days of summer.....more like a sauna around here with all the rain that we have had. This is the most rain I have seen down here since I came here from Indiana. There has been serious flooding very close to us. The sponge docks at Tarpon Springs was flooded, all those neat little gift shops were damaged. High tides and high rain totals equals trouble in many areas. We here in the park have been fortunate. The front ditches were overflowing and the entrance to the park was kind of flooded, but not enough to stop anyone from coming or going. But the rain has really been a major weather issue this year.

The northerners reading this should be aware that we are okay down here, no reason to worry. But unfortunately, some of our neighboring counties and areas have not been so fortunate. And they are predicting more rain next week and weekend, so we aren't out of the woods yet for those poor people who have been rained/flooded out for days.

What is happening this month of September???? Well, Sept 7th is Labor Day and there will be a cookout/party planned. Watch for sign up sheets on the board and please plan to attend this event. Good food, fun socializing and pool if you want to swim. Sounds good to me. Hope it is done raining. September 11th is Patriot Day. The 13th is National Grandparents Day and Rosh Hashana begins at sunset. The 17th is Citizenship Day in Canada. The 18th is National POW/MIA Recognition Day. The 22nd Yom Kippur begins at sunset. The 23rd Fall Equinox Eid al-Adha begins at sunset. September officially is the end of summer and the beginning of fall. Won't be long and we will be welcoming our northern friends back for the winter!!!

Please make a note on my change of email address. My new address is: gammawtj@gmail.com effective immediately. Also note the change in our phone book, the phone number 727-789-8328 is no longer in service. New phone number for me is 727-641-4649 and for Mike is 727-278-9027. We finally decided to get rid of our landline phone.... We both have voice mail on our cells.

Last month, I mentioned I was busy getting my friend's affairs in order since she had a massive stroke on Father's Day. I am very disappointed to report that my friend is not going to be able to recover from the damage the stroke caused. She is now in Long Term Care and boy

have I received an education when it comes to care for the elderly and what is and is not covered by Medicare. What a shock! Anyway, as I sit and reflect, it is just shocking how quickly your situation can totally change on you. One day you have a dog, and a nice home that you maintain and the next day, you cannot walk or take care of yourself in any way. So when I sign off every month asking you to check on your neighbor's safety, bear in mind it only takes a moment to change a life forever. Don't forget that we are still in the middle of hurricane season and that the rain has kind of taken our minds off these tropical troublemakers. Hope you are "prepared" and ready to go if need be. The paving of the park should be done by the time you are reading this.....as it was initially scheduled to begin on the 10th, it has now been rescheduled to the 17th of August. So it should be done and it makes such a nice difference to the park and makes it more attractive also. There are open houses held for the new home that is ready to be occupied. Other homes have sold and new residents are busy unpacking and getting things like they want them. The park is definitely getting spiffed up nicely. There is no longer any parking allowed in the spots in front of the RV/Parking lot. Those spaces are for people attending activities at the clubhouse/pool area. All vehicles must be parked inside the lot, off the street.

The heat and rain have been issues for all of us down here this last month. We are fortunate that we have air conditioning, and believe me when it goes out on you, it is unbearable. We had a bad month with our c/a unit; had to replace the compressor, and then the fan motor and of course freon, so we were without for a couple of days and nights and boy did it do a number on us. We were both so miserable. Today I count my blessings and say a prayer of thanks to a wonderful a/c man who rescued us and got us back up and running. So, before I sign off this month, please remember our neighbors; check on them and make certain they are in good shape and cool and comfy. Pay it forward to help a stranger, neighbor, friend, or anyone who needs a helping hand. You will be so much happier with yourself and your life. Take care until next month.

## **Riviera Estates Homeowner's Association**

*Wayne Fellows, President*

The next meeting of the Homeowner's Association will be November 5, at 9:30 a.m. We will be preparing for election of officers which will take place at our December meeting.

**A Complete Listing of Resident Services  
can be found on the page before your calendar**

# ACTIVITIES AND REMINDERS

---

## POOL AND PET OWNER REMINDERS

**FYI:** Riviera Estates MHP would like to remind our residents that **NO** one is allowed to touch the temperature settings on the pool heater and/or the clubhouse air conditioner. Our manager and the Homeowner's Association Executive Board have insisted on this. Pool hours are 9:00 a.m. until dusk daily. Pool is heated in winter, the months of November through March.

**ATTENTION PET OWNERS:** Please be a responsible pet owner and a **RESPECTABLE** pet owner as well. When walking your pets, please do not allow them to "potty" in other people's yards. Some are not pet lovers as we are. Your dogs must be leashed at all times, and there are plenty of areas where your dog can go. There is a pet cleanup station in the storage field for your use. Please be sure to clean up after your pet. Also, please try to keep your pet from barking or making loud disturbing noise that can bother a neighbor. Complaints are being received by the office on a constant basis of pet problems in the park. So, at this time, our pet rule policy should be noted. Pets are allowed in park, **UP TO 20 POUNDS** weight restriction. Copies of pet inoculation certificate must be given to the office as proof the pet has been vaccinated. There is a **LIMIT OF TWO PETS PER COACH**. Fences for the pets are not allowed to be installed. All pets must be leashed at all times when outside the coach. Make certain when you leave your pet, they are not barking the entire time you are gone and bothering your neighbors. If this is the case, please make some type of arrangements that will alter this situation, such as a pet sitter, taking pet with you, or if the problem continues, and complaints continue in the office from residents being bothered by the barking, the park is forced to take steps in resolving the issue, such as requiring you to get rid of the dog, or face eviction procedures. Please be a responsible pet owner and obey the rules concerning them. It is **IMPERATIVE THAT YOU CLEAN UP AFTER YOUR PET EVERYWHERE, INCLUDING THE DOG WALKING AREA**. Please do not ignore these pet owner rules, so that we all can continue to love and enjoy our pets. But at all times we must be respectful of all the residents that live here, that they are not bothered by our pets in any way. Not by hearing them all the time, or stepping in their waste when out walking etc. Thank you for adherence to the policies and rules.

We also have a new website, where event calendar is posted and pictures etc. It is [www.rivieraestates-goodneighbors.com](http://www.rivieraestates-goodneighbors.com) Please check it out.

**“RELIC”-(Riviera Estates Lotto International Club)** by Frank Rigiero. The Lotto Club is open to all residents of Riviera Estates (renters or owners). We collect two dollars every Saturday per coach. Only one bet per coach is allowed, no matter how many are residing in each unit. Our money is pooled for quick pick tickets ONLY. On Saturday afternoon (cut off time is 2:00 pm), I go to a LOTTO agent to purchase tickets. ONLY those who pay that current week will be entered into the draw for the FLORIDA lottery. If you miss payment, you cannot collect any monies that may be won for that particular week. We are now playing both Saturday and Wednesday drawings. \$2.00 per drawing per coach. Anyone interested may attend the Koffee Klatch on Saturday morning or come to my coach prior to 2 p.m. that day. At the last Good Neighbors meeting it was decided to switch to the FLORIDA Lotto instead of Power Ball. The odds are much better, and we aren't competing with gamblers from other states as in Powerball. Lotto will be suspended until the fall.

## September Is...

---

**B**aby Safety Month. Drowning, falls, chemicals, and other hazards can endanger the life and health of any small child. During September, take a good look around your house and eliminate any threats to babies' safety that might be hiding in plain sight.

**Library Card Sign-Up Month.** A time to remind parents and children that a library card is the most important school supply of all. If you don't already have a library card, get one in September; if you do, visit your local library and use it.

**National Bourbon Heritage Month.** A celebration of bourbon as America's "Native Spirit." The U.S. Senate declared September National Bourbon Heritage Month in 2007, calling on those who enjoy bourbon to do so responsibly and in moderation.

**National Campus Safety Awareness Month.** College campuses are not immune to destructive behaviors and violence due to high-risk drinking, drug abuse, sexual assault, fire safety, and more. As your kids head to college this month, talk to them about safety and investigate the resources their school offers.

## Week to Week

---

**N**ational Suicide Prevention Week, Sept. 8-14. An annual campaign to inform and engage health professionals and the general public about suicide prevention and warning signs of suicide. Awareness events are held throughout the week around World Suicide Prevention Day, Sept. 10.

National Truck Driver Appreciation Week, Sept. 13-19. Sponsored by the American Trucking Associations, a federation of state associations, affiliated conferences, and individual members committed to developing and advocating policies that promote highway safety, security, environmental sustainability, and profitability.

Pollution Prevention Week, Sept. 21-27. The best way to protect the earth and its people is to stop creating pollution in the first place. Less waste and pollution means fewer hazards to public health and the environment. Pollution Prevention Week highlights the efforts of the EPA, its state partners, industry, and the public in preventing pollution right from the start.

**Banned Books Week, Sept. 27-Oct. 3.** Sponsored by the American Library Association to promote the importance of ensuring the availability of books to all who wish to read them.

## Two-minute walks may improve your health

Exercise keeps you healthy. Fortunately for busy people, exercise doesn't have to mean working out at the gym or running a marathon. A study reported on the Science Daily website found that adding just two minutes of walking per hour to your routine can extend your life expectancy.

Scientists at the University of Utah School of Medicine discovered that taking a two-minute walk once an hour was associated with a 33 percent lower risk of dying. Even brief walks add up to a substantial benefit when taken often during the day. The scientists emphasize that these walks should be an addition to a moderate exercise habit, not a replacement for one. It's a step in the right direction.

## Protect your hearing

Excessive noise in the workplace (or anywhere else, for that matter) can damage your hearing. The Medicine Net website warns that you risk hearing loss under these noisy conditions:

- You need to shout so that people an arm's distance away can hear you.
- Your ears begin to hurt from the volume.
- Your ears are ringing.
- You suffer temporary hearing loss after being subjected to constant loud noise.

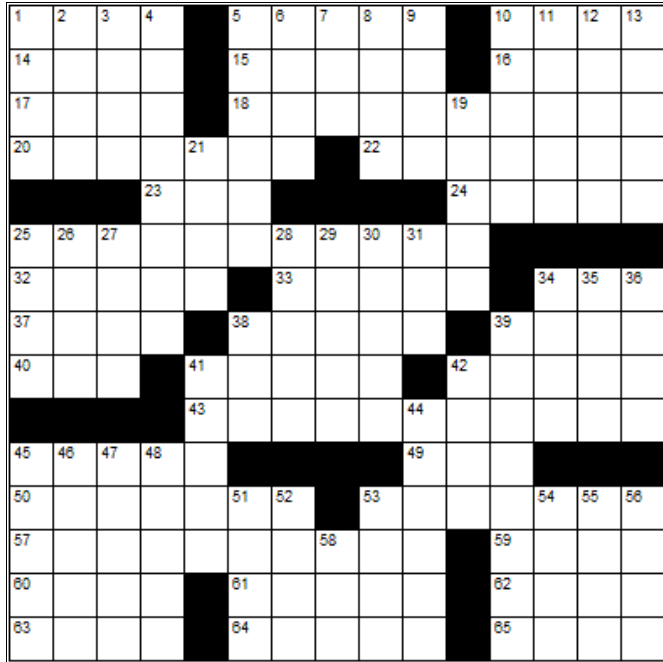

All you need is love. But a little chocolate now  
and then doesn't hurt.

## Probe your personality to achieve lasting results

---

People who succeed at their jobs, in their careers, and at the game of life are generally aware of their strengths and honest about their weaknesses. If you want to achieve greatness, focus on these key elements:

- Identity. Who are you? Don't think about your job, but your values and deepest beliefs about people and life.
- Accomplishments. What have you already done in your career? Examining your past successes can help you move forward to new victories.
- Reputation. How do others see you? Get some honest feedback. If you're not happy with the answer, improve your attitude so people see a more positive you.

## The Best Antidote

---

A young wife lived with her husband's mother. Although she loved her husband, she found her mother-in-law impossible to deal with. In her desperation, she decided to poison the woman and get her out of her life.

She found a doctor willing to help her. As he gave her the poison, the doctor said, "Just so that no one suspects you, treat your mother-in-law as nicely as you can. Give her a little bit of this poison every day, and in a month your problems will be over."

The wife followed his instructions, treating her mother-in-law with special kindness as she slipped the poison into her food every day. Toward the end of the month, she went back to the doctor.

"Something strange happened," she said. "Ever since I've been nice to her, she's been nicer to me. Now she seems more like a friend than a mother-in-law. Can you give me an antidote for the poison before she dies?"

The doctor smiled. "I gave you ordinary vitamins. The only poison was in your own mind."
