From the Editor

Hi All:

Well the Canada/US border closure has been extended once again until the end of September this time.

North of the border, we've recently enjoyed our first corn-on-cob of the season here and it was delicious. I'm starting to harvest the fruits of my labours from the garden. John and I enjoyed our entire pea crop in on sitting. He had 5 peas and I had 4. My tomatoes are starting to ripen so I'm hoping for better results.

This has been an incredible summer weather-wise. It has been sunny and super warm for the last two months. Soon we will be hauling the docks and boats out of the water and getting ready for cooler weather and colourful leaves. Which also means a lot of raking.

John and I recently had some time to kill while we were in town and decided to join the line up at the hospital for a COVID test. We did not have any symptoms but were curious about the procedure. So, we joined the line up which was like the Drive through at Starbucks. We didn't get out of the car and after completing the paperwork a long swab was stuck pretty far up your nose and swirled around. It was not pleasant but was over quickly. FYI when the nurse approached John she told him to hold on to the steering wheel and brace himself for the swab. On my side she must just approached and carried on with it. Surprised?? Two days later we received out negative results. In Ontario a new contact tracing app has been introduced which advises you if someone received a positive result and you had been in close proximity to them.

We have not minded the social distancing too much, but certainly it will start to hit home come November when we have to start hauling logs in for the fireplace instead of packing the car for Florida.

Sending all our positive thoughts down south. Stay Safe.

Thoughts also go out on Patriot Day, officially known as National **Day** of Service and Remembrance, observed every September 11th in honor of the individuals who lost their lives as a result of terrorist attacks on September 11, 2001. **Patriot Day** will be on Friday, September 11th, 2020.

...continued on page 6

Hope everyone is doing well. Take care of each other and stay safe.

Best regards,

Debbie

Two Wolves

One evening an old Cherokee told his grandson about a battle that goes on inside people. He said, "My son, the battle is between two "wolves" inside us all.

One is Evil. It is anger, envy, jealousy, sorrow, regret, greed, arrogance, self-pity, guilt, resentment, inferiority, lies, false pride, superiority, and ego.

The other is Good. It is joy, peace, love, hope, serenity, humility, kindness, benevolence, empathy, generosity, truth, compassion and faith."

The grand son thought about it for a minute and then asked his grandfather: "Which wolf wins?"

The old Cherokee simply replied, "The one you feed..."

Dear Community,

Welcome to Clearwater. I grew up here and I like it here. Outside is safer and fine with me. The breeze off the water at the beach is the best. You might know we are under 4 miles to the causeway that leads out to Honey Moon Island. Things have changed. But some of the best things are still the same.

Newest Home- is coming together at lot 67. This home is 28 X 52 large 3 bedroom. Carport and electric turned on are all coming together in the next week. Who wants to live in this new home? We do take trade ins.

SALES- We are showing homes every week again. We have added safety precautions in showing homes. Currently we have a new home at Lot 57 and 67. Also showing Lots 26, 91, 114, 125, 129, 144 and 151. 2 of these are already under contract.

\$150.00 FOR YOU- Bring us a buyer for one of our new homes and you will get \$150 in cash.

Ways to Pay Lot Rent- The Resident Portal will let you monitor and pay your lot rent for free. Or- Our new ePay Program gives you the ease of securely paying your lot rental amount and other charges automatically and electronically without the need to set it up through the Online Resident Portal. Bring a completed Form to the office with a voided check and I can set this up for you.

Be careful when you do go out.

I am here Monday – Friday, 9am – 4pm. Let me know how I can help.

Sincerely,
Mike Richards

Hello -- I have questions!

Why isn't the number 11 pronounced onety-one?
If 4 out of 5 people SUFFER from diarrhea...does that mean that one out of five enjoys it?

Why do croutons come in airtight packages? Aren't they just stale bread to begin with?

If people from Poland are called Poles, then why aren't people from Holland called Holes?

If a pig loses its voice, is it disgruntled?

Why is a person who plays the piano called a pianist, but a person who drives a race car is not called a racist?

If it's true that we are here to help others, then what exactly are the others here for?

If lawyers are disbarred and clergymen defrocked, then doesn't it follow that electricians can be delighted, musicians denoted, cowboys deranged, models deposed, tree surgeons debarked, and dry cleaners depressed?

Do Lipton Tea employees take 'coffee breaks'?

What hair color do they put on the driver's licenses of bald men?

I thought about how mothers feed their babies with tiny little spoons and forks, so I wondered what do Chinese mothers use, Toothpicks?

Why do they put pictures of criminals up in the Post Office? What are we supposed to do, write to them? Why don't they just put their pictures on the postage stamps so the mailmen can look for them while they deliver the mail?

Is it true that you never really learn to swear until you learn to drive?

If a cow laughed, would milk come out of her nose?

Whatever happened to Preparations A through G?

Why, Why, Why do we press harder on the remote control when we know the batteries are getting weak?

Why do banks charge a fee due to insufficient funds; when they already know you're broke?

Why is it that when someone tells you that there are one billion stars in the universe you believe them, but if they tell you there is wet paint you have to touch it to check?

Why doesn't Tarzan have a beard?

Why does Superman stop bullets with his chest, but ducks when you throw a revolver at him?

Why did Kamikaze pilots wear helmets?

Whose cruel idea was it to put an "s" in the word "lisp"?

If people evolved from apes, why are there still apes?

Why is it that, no matter what color bubble bath you use, the bubbles are always white?

Is there ever a day that mattresses are not on sale?

Why do people constantly return to the refrigerator with hopes that something new to eat will have materialized?

Why do people run over a string a dozen times with their vacuum cleaner, then reach down, pick it up, examine it and then put it down to give the vacuum one more chance?

How do those dead bugs get into the enclosed light fixtures?

Why is it that whenever you attempt to catch something that's falling off the table you always manage to knock something else over?

Why, in winter, do we try to keep the house as warm as it was in summer when we complained about the heat?

And A FAVORITE:

The statistics on sanity say that one out of every four persons is suffering from some sort of mental illness.

Think of your three best friends.

100 CLUB

Diana McNiven

Thanks Diana for running this fun draw.
See you in the fall...

The 100 Club draw runs from November 1 to March 31. To have a number in the draw, it is \$5.00. There are eight numbers still available for the year ending March 31.

In mid March, \$5.00 is collected for the next year from those who want to keep their number. Numbers are 'sold' in March before most residents go North for the Summer because some do not return until after the first draw in November. When a number is drawn, you are a winner whether you are at Koffee Klatch or not. You are allowed more than one number.

Covid Reminder:

You're not stuck at home, you're safe at home. One word can change your attitude and one cough can change your life

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**

Caramel Carrot Cake

12-16 servings prep time: 40 mins + chilling time Bake time: 35 mins

Carrot cake batter

2 cups all purpose flour
1 1/2 tsp baking powder
1 1/2 tsp baking soda
1 tsp salt
2 tsp cinnamon
1/2 tsp nutmeg
4 eggs
1 cup brown sugar
1/2 cup sugar
1 1/4 cups veg/canola oil
12 oz finely grated carrots (about 4-5 med)
1 cup pecans

For Decorating

Directions

1. Prepare the carrot cake layers. Preheat oven to 350F (180c) Grease and line w/parchment paper two 9" round cake pans.
2. In a medium bowl sift together flour, baking powder, baking soda, salt, cinnamon and nutmeg. Set aside.
3. In a large bowl add eggs with both sugars and mix for a few minutes until creamy and lighter in color. Add oil and mix until combined. Gradually mix in flour mixture. Using a spatula incorporate the grated carrots and toasted pecans.
4. Pour the batter evenly into the two pans.
5. Bake for 30-35 minutes or toothpick comes out clean.
6. Let pans cool on cooling rack for 10 minutes.
7. Remove the cakes from the pans and allow to cool completely.

Caramel Sauce

1 cup sugar
1/4 cup water
1/2 cup whipping cream
2 Tbsp unsalted butter @ room temp
1 tsp vanilla extract
1 tsp salt

Cream Cheese Frosting

17 oz cream cheese, room temp
1 1/4 cup whipping cream, 35% fat, chilled
1/2 cup powdered sugar
1/3 cup caramel sauce

...continued on page 33

8. Prepare the caramel Sauce. Place the sugar and water in a medium heavy bottom saucepan over medium-high heat, cook without stirring until sugar dissolves and gets a caramel color.
9. Remove the pan from heat and add the cream. It will bubble a little bit.
10. Cook for about one minute stirring constantly with a wooden spoon until smooth.
11. Remove from heat and add butter and salt. Stir well until smooth. Pour into a small jar and set aside to cool until cake is ready.
12. Prepare the frosting. In a bowl beat the cream cheese until smooth. Add powdered sugar and 1/3 cup of caramel sauce.
13. In another bowl whip the cream until stiff peaks form. Gradually fold into the cream cheese mixture until well blended.
14. Assemble the cake. Place one cake layer on serving plate. Spread evenly with a bit less than half the frosting. Add the second layer of cake. Spread the remaining frosting on top and sides of the cake. Refrigerate for at least 2 hours.
15. Before serving, top the cake with remaining caramel sauce letting some drip down the sides. If caramel hardened too much, heat it a bit to get a pouring consistency. Decorate with chopped and whole pecans.
16. Left over frosting can be covered and refrigerated for up to a week. Serve cake a room temperature.

SHUFFLEBOARD:

A note from the President of the Sterling League:

Hope all is well with you and yours. Mudding through the weather and social distancing. We at Doral are as unsure as to next season. We will be contacting our members in late September. Hopefully by then we'll be able to guess how many can return. As we all may be short players, we must give thought as to how next season can be played. I have a few thoughts and at some point we should express what our choices are. As a reminder, the Sterling league funds of \$833.45 were deposited into the Doral checking account and will be paid to the Sterling league treasurer at our first meeting in Nov. Stay well and healthy, see you soon.

The Last Word:

Remember...a layer of dust protects the wood beneath it.

'A house becomes a home when you can write 'I love you' on the furniture.'
I used to spend at least 8 hours every weekend making sure things were just perfect 'in case someone came over' Finally I realized one day, that no-one came over; they were all out living life and having fun!

NOW, when people visit, I don't have to explain the 'condition' of my home They are more interested in hearing about the things I've been doing while I was away living life and having fun. If you haven't figured this out yet, please heed this advice.

Life is short. Enjoy it!

Dust if you must but wouldn't it be better to paint a picture or write a letter, bake cookies or a cake and lick the spoon or plant a seed, It is time to ponder the difference between want and need !!!

Dust if you must, but there's not all THAT much timewith coffee to drink, rivers to swim and mountains to climb, music to hear and books to read, friends to cherish and life to lead.

Dust if you must, but the world's out there with the sun in your eyes, the wind in your hair...a flutter of snow, a shower of rain. This day will not come around, again....

Dust if you must , but bear in mind, old age _will come _and it won't be kind. . . And when you go - and go you must, you yourself will make more dust.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
