**H**ello everyone. Coffee Klatch continues for the summer at 10:00 a.m. I am making homemade from scratch muffins. At this point, I am getting requests to repeat some of the muffin flavors. We have had between 10 and 20 people for coffee Klatch each Saturday. This is a far different number than the 2 or 3 from past years. It is my desire to continue with the muffins until all my wonderful Snow bird friends come back. Still the same \$1 includes coffee.

We had our Labor Day Party. We had about 20 people who attended.

Wait until you meet the new residents in the park. They are really sweet people.

I can't wait until all my friends are back here in the park! I miss you all so much!!

Sylvia LeGendre from lot #86 who passed away from a long battle with cancer, has sold her home to a seemingly pleasant woman. I have access to two other mobiles in the park for sale. Irena is asking \$15 grand and Diana, next door, who has gone to assisted living is selling hers for \$5 grand. Let me know if you know anyone interested. I have permission from both parties to try to sell their homes. Such a deal!! Make an offer!!

We have several applications for the tie downs returned to me. Please, if you haven't gotten yours yet, Please contact me and I will get one to you! It really makes sense to do so at no risk to each of us. No matter how many you already have, they will add four more as well as remove and put back the bricks from the sides of your home.

We are having a Halloween party on Saturday, October 27th. Still working on details including nasty gross foods and all my decorations as usual plus haunting music from my collection plus country and '50's music. Please let me know if you will be back in time to join us so that I make enough nasty food.

I will be starting up our Pot Luck the first Sunday of November the 4th.

Please honor and support our advertisers **as they keep our Media free for us.**

**G**reetings everyone! October 2018 has arrived.....wow! Very soon now our northern friends will be heading our way for warm winter fun and festivities. This summer has been a blur of heat, humidity and rainy days. I am not complaining, this is the greenest I have seen Florida in the fall since I moved here in 2008. But I must admit, not a lot of outside time or work getting done. Cooler days hopefully will be here soon. In additions to our snowbird and festivities.

Most of you remember when Sue Conoway, Claudette Lusignan, and I were officers with the Good Neighbors and did a lot of cooking for the club socials. We became good friends

working closely together and after we resigned our roles we started have a “Girls Day (or Night)Out” to continue our “Three Musketeers” connection. We had to stop our activities due to my health issues and then Sue was busy with Larry’s health issues and next thing you know, we are missing our “girls day out”. So this past summer we sort of resurrected our activities and we have had a very good time exploring new entertainment and dining. We went to the Straz Center and watched “ Menopause - the Musical”, which was hilarious and we laughed ourselves silly, then topped it off with dinner at Ruby Tuesday’s. It was a great day and a celebration of my birthday. For Claudette’s birthday, we went to Lobster Haven for our favorite Lobster Rolls and had a great lunch there. The servers there, knowing we were celebrating her special day, surprised us with a large order of their famous bread pudding with a candle in the middle of it and a song. We had so much fun. To celebrate Sue’s September birthday we attended the Ed Fletcher’s Early Bird Dinner Theater down on 49th St. We saw “Fully Committed” which was a one man show of an out of work actor in New York, working as a reservation coordinator at a very high end restaurant. Alan Mohny Jr. was the “one man” and he was very good. The dinner before the show was very good for a buffet style meal, with a salad bar, and hot buffet including salmon, chicken, roast beef and baked ham, along with sides, and a dessert of choice. We enjoyed this venture very much and are hoping to catch several upcoming plays. This is something the Good Neighbors might want to consider looking into for a social activity. Top of the World had a bus full of their people attending. Just a suggestion..... We have enjoyed regenerating our social activities together.

So what does the month of October bring with it? Well, October 8th is Columbus Day..... which officially celebrates the anniversary of Christopher Columbus’s arrival in the America’s... and of course there is Halloween on the 31st of October. All Hallows Eve is a holiday some don’t care for, but usually brings out the trick or treaters (not so much in a 55+ mobile home park), the spooky decorations and the fun foods at a Halloween Party. Claudette is having a Halloween Party at the clubhouse for the Good Neighbors so watch for flyers and sign up sheets. October is a special month for our family....Mike and I celebrate our 42nd anniversary this year on the 1st. Our granddaughter was born on the 4th and she will become a teenager this year. Grandma is having trouble accepting that she is growing up way too fast.

I have mentioned before, I have had several items donated to me from Alberta to give to the homeless. They are mostly hygiene items. Low and behold, I am finding it difficult to find a place to donate them that WILL NOT charge the homeless people for them. I don’t want them to have to pay for it. So I am thinking of several different ways to do this....I thought of contacting local churches to see if they can give them to them, I also thought about adding some things to them and making bags and giving them out when I see the homeless along the roads. I would like some input.....from all of you, and wondered if maybe the residents would like to join me and help me gather these items and make up the bags and pass them out. The items I have are things like deodorant, lotions, shave cream, cleanser, shampoo etc. I don’t have many tooth brushes or toothpaste. I want to pick up some of these things at Dollar Tree.

I also know they sell a lightweight poncho that I would like to include, along with a first aid and manicure kit they sell. If anyone wants to pick up some of these items to donate it would be much appreciated. I also want to include a razor, and possibly a pair of socks. So put your thinking hat on and consider any of these options to help me out on this project. Anything at all you can do would be much appreciated. Just give me a shout online at [gammawtj@gmail.com](mailto:gammawtj@gmail.com) or call 727-641-4649. I am really bad about not answering a number I don't recognize (I HATE those campaign calls and sales calls) so leave a message and include your call back number so I know who I am calling LOL. Thanks so much.

On another note, this year I got my ducks in a row and decided to make up this craft stuff I have had sitting around here taking up my very valuable space. I had a craft room full of supplies and when Jay moved into that room, well, my craft supplies were stuck anywhere they could go. I am tired of them taking up space so I have started making wreaths: Halloween, Fall, Thanksgiving and Christmas wreaths, a couple 5 ft mesh lighted Christmas Trees, and I have a lot of other things I want to finish up and sell to try to recoup some of the \$\$\$\$ I have involved in this stuff. I need the room mostly. So I am going to be setting up at some of the closer Mobile Home Parks to try to sell them. I am getting quite a few things made up and wanting to finish with the mesh wreaths to do some bottle painting and flower arrangements. So I am a busy crafter right now and enjoying getting creative again. Check the ads in the back of the Media as many of the MHP's advertise their Holiday Bazaars in there. And that brings up the question.....why don't we put on a holiday bazaar/flea market etc? Just asking.....

There have been many homes for sale in the park, and they are selling at a pretty good clip. We have quite a few new faces this year. The park placed a brand new home on Riviera Drive that is now completed and ready to sell. When the snowbirds return, we hope to get to know our new neighbors and get them involved in our socials and parties, shuffling and other activities.

So, in closing, remember to pay it forward. You never know when you may need a bit of help yourself...and trust me, it is easier to accept if you have practiced paying it forward. It is just a bit of effort, but the rewards are never ending. Snowbirds travel safe on your return to our community, we want you to arrive safe and sound. Everyone stay safe and healthy.

One last thing, if you are interested in the plans Pinellas County has for our very busy Highway 19 North, you might want to google something like "Pinellas County Construction

*...continued on page 10*

Projects for Highway 19". Mike found their projected plans starting at 580 going clear up to Tarpon Springs. It is a 10 year project but we should be in the first phase of it. Check it out....  
Terri

## ACTIVITIES AND REMINDERS

---

### REMINDERS:

**Pool:** the rules are posted at the pool, however, a review is needed to keep the pool safe and fun for all. Please do not touch the "heater" settings, this is controlled by management. No glass bottles/drinking glasses, etc. When you leave, please be courteous and roll the umbrellas down so they will not be damaged if a wind/storm comes up. If you see them up, and no one is in the pool, please put them down. They are expensive to continually replace. No pets are allowed in the pool area. Be sure to rinse off before getting into the pool to keep from allowing oil/lotion etc. Into the pool water. Do not allow grand children to swim unattended. Jumping and splashing is not received well by many swimmers. Review the rules and make sure you are abiding by them.

**Clubhouse:** the clubhouse is not a storm shelter of any kind. Also, grandchildren should not be in the clubhouse unattended. There is a free library, please return books when you are finished with them. Unfortunately, the cabinets, refrigerator etc. Are locked as we kept having things mysteriously disappear. If you need to have them unlocked for use of a private party. See an officer of the good neighbors for list of who have keys. Be sure to lock all up when you leave. The clubhouse can be used for private parties. There is a calendar posted on the board and if you need to use the clubhouse for a family/private gathering, list it on the date with your name and time needed. We have many wonderful parties in the clubhouse and the bulletin boards is where you learn what is coming up and sign up if you are interested. Be sure when you leave, if the clubhouse is empty, turn off the lights etc. Make certain stove/oven are turned off.

**Speed:** the speed in the park is to be 15 mph. Even though this is a senior park, there are guests and grandchildren visiting. They like to play outside, ride bikes, etc. A speeding vehicle is an accident waiting to happen. Please also tell your guests/family to respect the speed limit. Don't be surprised if you are yelled at by a resident to slow down if you are going too fast. Signs are posted so please be aware of your speed.

**Pets:** this is a pet friendly park with certain rules. It is required that you be a responsible pet owner. Cats are considered to be "inside" pets and are not to be running free all over the park. If you have a dog, please pick up after them. There is a pet disposal station in the rv lot. Do not allow your dog to use yards to do their business in. Some homeowners are not pet lovers and do not want them in their yards doing their business. Please use your own yard or the rv lot. It is important that we are respectful so we can continue to enjoy our dogs and not cause any anxiety with non-pet RESIDENTS.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

# October 2018

## Did you know that October is also...

**National Apple Month.** Because apples are high in fiber and contain no sodium, cholesterol, or fat, they make a great snack. With more than 2,500 varieties grown in North America, it won't be difficult to find one you can enjoy chopped into your morning oatmeal, baked into a pie, or cored and sliced any time of the day when you want a delicious treat.

**International Augmentative and Alternative Communication (AAC) Awareness Month.** AAC is a set of strategies, tools, and devices used by people to overcome communication challenges. People who rely on AAC might use sign language, text, pictures, symbols, speech-generating devices or a combination of these for their basic communication. This month let's increase our awareness of the possibilities that could develop when everyone has the ability communicate effectively.

**National Work and Family Month.** In 2003 the U.S. government designated October as a time to promote sensible, flexible, and healthy work environments, as well as the benefits of work/life balance. Don't wait for your employer to create an initiative or perk to combat the daily grind. Take a day or more of PTO to decompress from your busy life and reconnect with your family.

**Positive Attitude Month.** Researchers believe people who embrace a positive outlook have less stress, an increased sense of well-being, better coping skills, and longer life spans. Purge the negativity from your life: Meditate, pray, practice positive affirmations, and surround yourself with only happy people. Do whatever you must, but always look on the bright side.

**Fire Prevention Week, Oct. 7-13.** This year's motto is "Look. Listen. Learn. Be aware. Fire can happen anywhere." Look for and eliminate potential fire hazards in your home. Listen for the sound of smoke alarms. Learn two ways of exiting every room in the event of an emergency. Visit the National Fire Protection Association website at <https://www.nfpa.org/Public-Education/Campaigns/Fire-Prevention-Week> to access more information.

**Bone and Joint Action Week, Oct. 12-20.** It's estimated that more than half of the U.S. population over 18 is dealing with some sort of musculoskeletal issue. This can include arthritis, osteoporosis, back pain, injuries or other conditions causing pain, disability, and a diminished quality of life. There is hope. Visit the website for the U.S. Bone and Joint Initiative at <https://www.usbj.org/> to find out about research, prevention, and initiatives targeting bone and joint issues

**National Taco Day, Oct. 4.** Have one for breakfast, lunch, dinner, or any time of the day. We celebrate the taco on this day just to give you one more reason to enjoy them.
