ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

Alcohol in Pool Area

Please remember that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken in the pool, it can be quite expensive to clean out.

Please remember there is no alcohol in the pool area or in the pool or hot tub.

Home Site Alterations

If you are making any changes or additions to your home site or the exterior of your home, please come to the office and submit a completed request (green sheet). Paint colors must be approved and a request form must be approved. Submit your written request and wait until you have received approval before proceeding with any work. Anyone other than the homeowner working on the home must be licensed and insured and we must have a copy of such on file in the office.

Guests

Additional guests staying overnight in the park must be registered and paid for. Cost is \$5 per person per night, \$20 per person per week and \$60 per person per month.

Residents must accompany their guests while at the pool or other locations and are responsible for the behavior of their guests. Children under 18 must be accompanied by an adult who shall assume full responsibility for their safety and conduct. No running, jumping or diving into the pool.

Driveways

While backing out of your driveway, please stop and look before entering the street. There have been close calls with residents backing out and not looking.

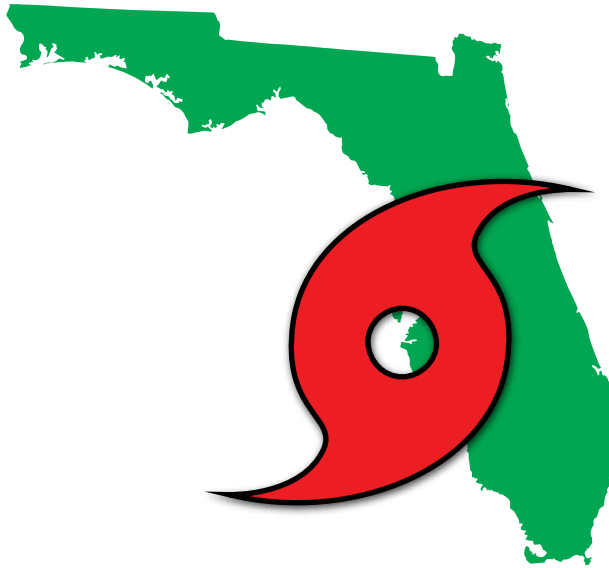

We strongly urge residents to obey the one way arrows. We have seen many instances where someone has almost gotten hit because of someone going against the arrows.

Mowing

If you have any problems with the mowing, please contact the office and not the mowing crew. The office will contact the manager and get the situation resolved as quickly as possible.

Hot Tubs for Adults Only

No one under 18. Food and drink are not allowed in the pool or hot tub. The hot tub is meant for short sessions only, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone. Use the buddy system for safety.

Also, for the health and wellbeing of everyone, please do not go in the hot tub or pool if you are not feeling well, have wounds or open sores.

Stop Signs and Speed Signs

Please stop at **ALL STOP SIGNS IN THE PARK**. Cars, bicycles and golf carts continue to roll through them and someone could easily get hurt one day. Just please pay attention.

Dog Poo

Lately we have received many complaints about people not cleaning up after their animals, and not walking them in the pet area. Pet areas are marked on the map. If you need a copy of the map, stop in the office for one. Thank you.

Residents

We have been asked to advise you not to hang anything on the fire hydrants. It will hinder the fire department if they have to come into the park.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Robert's Park has Two Organizations

Why are there two organizations in the park? They serve different purposes: **Robert's Recreation Association** was formed to provide social and recreational activities for all full and part-time residents of the Park. There are meetings on the first Monday of the month from November to April. Committee Chairs make their reports and the business conducted there lets residents know what is going on in the park. There are no dues and all residents are welcome to attend the meetings.

Robert's Park Homeowners Association, Inc. represents owners of mobile homes in the Park. It is the liaison between those owners and Park management. **Membership certificates are issued upon payment of a \$15.00 fee. Contact Bernie McGrath at Lot 173 if you wish to become a member**

To All Residents

Royal Palm Cemetery is now off limits to all residents with dogs. The cemetery will be putting up "no trespassing" signs for anyone with a dog. There have been many complaints that people are taking their dogs to the cemetery for walks and not cleaning up after them.

Anyone caught on cemetery property will be prosecuted.

Solicitors

If you see a solicitor, please call the office. We will send someone down to tell them to leave the park.

These people are very bold and brazen. Please help us stop them before they take advantage of anyone in our community. The office never gives permission to any solicitor.

Deadlines for Robert's Review Submission

All articles must be received by the 7th of the month. Please email them to Carole Scott at caroles643@gmail.com. My phone number is 757-218-2909

Monthly

American Adventures Month. This is your last chance to get away before summer ends and school starts. Take a road trip, go camping for a weekend, or visit tourist attractions in your home state or a neighboring one. Whatever you do, don't let the season end before you and your family have had an adventure.

Happiness Happens Month. Of all the random things that can happen in your life, choosing happiness can have a powerful influence on your quality of life. Embrace joy, smile more, choose kindness, and let the good vibrations flow.

National Peach Month. Once again peaches are in season. If that's not something to be happy about, then what is? Because some of the best tasting peaches have been grown in western Colorado for over 125 years, consider attending the 50th Palisade Peach Festival this month. To learn more, visit <https://palisadepeachfest.com/>.

National Water Quality Month. How can you reduce pollution and help protect natural sources of water in your community, and the world at large? Use environmentally friendly household cleaners; dispose of waste, pharmaceuticals, and hazardous chemicals properly; and manage the gray water and debris flowing into your storm drains.

Weekly

Simplify Your Life Week, Aug. 1–7. It's not at all complicated. If it doesn't serve a purpose, isn't working, and can't be fixed, get rid of it.

Exercise with Your Child Week, Aug. 5–11. Do your part to prevent obesity, improve bone density, and contribute to the overall health and welfare of younger generations. Help your children develop a habit of regular physical exercise and activity. Walk your talk this week and beyond.

Safe and Sound Week, Aug. 13–19. Workplace and employee safety take center stage this week. Visit <https://www.osha.gov/safeandsoundweek/> for ideas and activities.

Be Kind to Humankind Week, Aug. 25–31. What the world needs now is for people to show more kindness to each other. This week, allow courtesy, respect, and mindfulness to shape your conversations and actions.

The cost of dry cleaning around the world

Have you ever wondered how much dry-cleaning a suit costs around the world? Maybe not, but the online dry cleaning service Zipjet did, and it looked at 100 cities around the world to find the answer.

The most expensive city for dry cleaning a two- or three-piece suit is Oslo, Norway, where the cost is \$52.03 in U.S. dollars. The cheapest is Jakarta, Malaysia, at \$2.20. Chicago ranks 53rd, with a cost of \$12.72.

Russia is the biggest user of dry cleaning services, spending \$3,265,888,189 annually. The United States comes in second, at \$3,029,470,494, followed by Brazil in third place, at \$1,065,702,298. Of 10 countries surveyed, Canada spends the least—\$500,834,651.

If you're intrigued, you can check out more information at the study at <https://www.zipjet.co.uk/2018-global-dry-cleaning-index#USD>.

Discarded tech adds up

Chances are you've got a few old cell phones sitting around your house that you haven't used in years. A recent survey by Decluttr.com found that Americans have some \$33 billion worth of discarded technology lying around, with the average U.S. home hanging onto \$264 worth of unused tech. That includes:

- Almost 60 percent of U.S. homes with more than two unused cell phones (Apple and Samsung, mostly).

- Thirty percent of people who say they keep their old phones for backup, and 30 percent who don't want to risk losing control of their personal information.
- Other devices, such as cameras (40 percent), PCs (25 percent), consoles (10 percent), and iPods, tablets and more (10 percent).

Computers are better than we are at arithmetic, not because computers are so good at it, but because we are so bad at it.
