Alcohol in Pool Area

Please remember that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken in the pool, it can be quite expensive to clean out.

Please remember there is no alcohol in the pool area or in the pool or hot tub.

Home Site Alterations

If you are making any changes or additions to your home site or the exterior of your home, please come to the office and submit a completed request (green sheet). Paint colors must be approved and a request form must be approved. Submit your written request and wait until you have received approval before proceeding with any work. Anyone other than the homeowner working on the home must be licensed and insured and we must have a copy of such on file in the office.

Mowing

If you have any problems with the mowing, please contact the office and not the mowing crew. The office will contact the manager and get the situation resolved as quickly as possible.

Guests

Additional guests staying overnight in the park must be registered and paid for. Cost is \$5 per person per night, \$20 per person per week and \$60 per person per month. Residents must accompany their guests while at the pool or other locations and are responsible for the behavior of their guests. Children under 18 must be accompanied by an adult who shall assume full responsibility for their safety and conduct. No running, jumping or diving into the pool.

Driveways

While backing out of your driveway, please stop and look before entering the street. There have been close calls with residents backing out and not looking.

We strongly urge residents to obey the one way arrows. We have seen many instances where someone has almost gotten hit because of someone going against the arrows.

Golf Carts

Golf carts are only to be driven by persons 18 years old and older with a valid driver's license.

Hot Tubs for Adults Only

No one under 18. Food and drink are not allowed in the pool or hot tub. The hot tub is meant for short sessions only, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone. Use the buddy system for safety.

Also, for the health and wellbeing of everyone, please do not go in the hot tub or pool if you are not feeling well, have wounds or open sores.

Stop Signs and Speed Signs

Please stop at **ALL STOP SIGNS IN THE PARK**. Cars, bicycles and golf carts continue to roll through them and someone could easily get hurt one day. Just please pay attention.

Dog Poo

Lately we have received many complaints about people not cleaning up after their animals, and not walking them in the pet area. Pet areas are marked on the map. If you need a copy of the map, stop in the office for one. Thank you.

Residents

We have been asked to advise you not to hang anything on the fire hydrants. It will hinder the fire department if they have to come into the park.

Robert's Park has Two Organizations

Why are there two organizations in the park? They serve different purposes:
Robert's Recreation Association was formed to provide social and recreational activities for all full and part-time residents of the Park. There are meetings on the first Monday of the month from November to April. Committee Chairs make their reports and the business conducted there lets residents know what is going on in the park. There are no dues and all residents are welcome to attend the meetings.

Robert's Park Homeowners Association, Inc. represents owners of mobile homes in the Park. It is the liaison between those owners and Park management. Membership certificates are issued upon payment of a \$15.00 fee. Contact Bernie McGrath at Lot 173 if you wish to become a member

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

To All Residents

Royal Palm Cemetery is now off limits to all residents with dogs. The cemetery will be putting up “no trespassing” signs for anyone with a dog. There have been many complaints that people are taking their dogs to the cemetery for walks and not cleaning up after them.

Anyone caught on cemetery property will be prosecuted.

Solicitors

If you see a solicitor, please call the office. We will send someone down to tell them to leave the park.

These people are very bold and brazen. Please help us stop them before they take advantage of anyone in our community. The office never gives permission to any solicitor.

We're all moving to the big city

The days of living far out in the country appear to be dwindling, according to a report from the Population Division of the U.N. Department of Economic and Social Affairs. Approximately 4.2 billion people live in urban areas worldwide, and 2.5 billion more are expected to join them in the next 30 years—68 percent of the world's population.

The U.N. predicts that by 2030, the world will have 43 “megacities,” with populations of more than 10 million people. The world's largest city will be New Delhi, outpacing Tokyo with a population of 43.3 million inhabitants by 2035.

In the meantime, the rural population is expected to peak and then decline to 3.1 billion by 2050.

Technology—good or evil?

Do you love all the new technology or hate it? Chances are it's a little bit of both. In a survey by Vrge Strategies, 81 percent of respondents said that smartphones, the internet, and other technologies have made their lives better—but at the same time, 51 percent said they believe these tools have had a negative impact on society.

The respondents were concerned about security. Forty-one percent said the internet and other new technologies should have more regulation than they do now, and 72 percent don't think lawmakers are keeping up, given the rapid pace of change in the tech industry.

Another concern: income inequality. Thirty-eight percent of participants in the survey said they believe technology increases the gap between the rich and the poor—although 22 percent said they think new tech reduces the gap.

Teens and social media use

Instagram is fading in popularity among teenagers, according to a Pew Research Center study, and YouTube appears to be taking its place.

The survey, reported on the Pittsburgh Post-Gazette website, found that 85 percent of teenagers in the United States are users of YouTube, but only 72 percent are using Instagram (owned by social media giant Facebook), and 69 percent use Snapchat.

Use of Facebook's main site is down to 51 percent among teens, dropping from 71 percent in 2014-15.

The Pew study also found that 95 percent of teenagers either own a smartphone or have access to one, a rise from 73 percent in the previous survey, and 45 percent report using the internet “almost constantly,” almost double the percentage from the earlier survey.
