# Manager's Corner for February, 2016

Jeff Hahn, LCAM, Property Manager

**MANAGER**

- Just a quick reminder that if you want inclusion in the Dial Directory or changes made for the 2016 – 2017 edition, please get that information to the Park Office no later than February 10, 2016.
- Please keep in mind that the new rental amount, effective February 1, 2016 is \$460.00. If you are looking to sell your home to a new resident and you are not a shareholder, the rental fee for those applicants is now \$480.00.
- For those of you who are seasonal residents, keep in mind that even though you may not be here during the summer months, you are still responsible for making certain your home is washed, flowerbeds maintained, etc. If you have any questions or would like your home looked at before you leave for the season, please contact the Office.
- Another reminder to homeowners... don't forget to get the 2016 stickers for your home. You can be fined by the county if this isn't done. For anyone not familiar with the area, you can get these at the DMV which is about ½ mile north of Serendipity on US 19N behind the Olive Garden Restaurant. You can also pay for these stickers by mail, email or telephone.
- Keep in mind that there is no overnight street parking allowed in Serendipity. All residents are to park their vehicles in their driveways. Guests are permitted to park in either one of the clubhouse parking spaces. In addition to this, if you are parking in the street for any period of time during the day, make certain that your vehicle is facing in the proper direction, as there could be liability issues of someone hits your vehicle when parked incorrectly.
- Serendipity's new Rules and Regulations take effect on February 1st. If you do not have a copy of these, please stop by the Office and you will be provided with a copy. Also, as part of the Florida Statute, they are posted on the bulletin boards in both of the Park clubhouses.
- Some of the major projects completed (or near completion) for 2015 include the following:
  1. Fencing placed between Serendipity and Riviera to the north.
  2. Renovation of your West Clubhouse.
  3. Increasing the storage areas in the Park Office and also in the East Clubhouse.
  4. Resealing and painting of the roof at the East Clubhouse along with painting of the pump room and the outside bathrooms at the East pool (both interior and exterior of the doors).
  5. An electronic bulletin board placed on the median on Royal Blvd.
  6. Completion of the state funded tie-down program for all those who signed up for this project and whose homes reached the mandated eligibility requirements.
- Don't know at this point what, if any, major projects will be scheduled for 2016, but you will be up-dated if something is on the horizon.
- Take care, have fun everyone and let us know if we in the Park Office can help you in any way. Thanks!

**T**hank you for all the nice compliments for last month's newsletter. I am hopeful that things can only improve with time!

I have added a few monthly articles for everyone to submit to.

1. **Meet your neighbor!** With your permission, I will highlight a member of our community. Whether a new move-in or a seasoned veteran, we would like to know your name and a little about you.
2. **Serendipity Cookbook!** Drop off your favorite recipe with your name at my home (#163) or email it to my address above and I will enter one each month in the newsletter.
3. **Community Articles!** If you wish to submit an article that may be interesting to our residents, feel free to email or drop it to me at #163 for editing and submission for publication. Be sure to add your name and phone number.

There is a wooden box on my patio that says "NEWSLETTER" to leave any articles, recipes, or notices. You can also email me at nanci.j.dorau@gmail.com. Remember, my deadline will be at least 4 days before the publisher's deadline for the next month's publication. (Example: My deadline for the February 2016 publication is January 13, 2016. Please have your paperwork to me by January 9, 2016 earlier if possible. Please be sure to put your name and your phone number on your entry. Additions to the birthday and anniversary lists can also be sent to me either by drop off, or email.

There is a copy of the deadlines for the rest of 2016 posted on the bulletin board in the East Clubhouse. Have a great February!

## Photos of Serendipity MHP

Bob Boudreau, (727)240-0311

---

I have created a special Photo Group to display and share images of events in Serendipity MHP by residents of the park.

To view the images you may go to this address:

<https://www.flickr.com/groups/serendipitymhp/>

This is a publicly viewable site that anyone can visit, but in order to upload and share images of Serendipity events it is **Private** and you have to be a member of the group.

Instructions on joining the group are included on the Flickr Group account.

You don't need to be a member of Flickr to see the images, but if you decide to join Flickr you can share (upload) your images of Serendipity on the group pool once your **Private** membership is OK'ed by the administrator.

I sincerely hope you will take the time to visit this new photo sharing site and that you enjoy the images you find.

For questions regarding the site you may contact me:

## Valentine's Day

Nanci Dorau

---

Valentine's Day is February 14. It is a day to share love, tenderness and caring. St. Valentine was a 5th century Christian martyr. He was imprisoned by the pagan Romans when he would perform marriages for soldiers which was outlawed. When the Roman emperor tried to convert him to paganism, St. Valentine instead tried to convert him to Christianity. For this he was executed. It is believed that he left a note for his beloved signed: "Your Valentine".

I chose this explanation of Valentine's Day from a few different ones that I found. Hmm... somewhat romantic?

February: February's name is believed to come from the Latin word Februare which means to purify. Like a breath of fresh air after the busy holidays and the promise of spring on the horizon.

## Meet Your Neighbor!

---

**B**ob Vachon was born in Quebec City, Canada on November 18, 1944. He moved to Manchester, New Hampshire in April 1945. The middle child of 5 siblings was raised in Bedford, New Hampshire. Bob worked as a truck driver, served in the US Air Force, was a motion picture theatre manager, restaurant and lounge manager, and was a supervisor for Tru Value Hardware Distribution. He also spent 10 years in Oahu, Hawaii working for the Goodwill of Hawaii as a project manager at Pearl Harbor, loading all the food on ships and submarines for the US Navy.

Bob is retired as of 2010 and lives in Manchester, New Hampshire with his sister during the summer months and comes to Florida from September through May. He first came to Serendipity in February of 2011. He left our park in September 2015. In November 2015, he returned to Serendipity and purchased lot # 48, and is very happy with his new home here in the South.

Welcome back home, Bob!

## Jamming Sessions

*Dave Verstrepen, 727-784-1968*

---

**C**ountry Music Jamming will be held every 1st and 3rd Sunday of the month! Bring your instruments to play, sing or just come to enjoy the music! See you there from 1:00 p.m. to 4:00 p.m. at the East Clubhouse. Call Dave with any questions.

## Trash & Treasure Sale

*Joyce & Val Pietrkiewicz, 727-784-5569*

---

**T**rash and Treasure will be held on February 6, 2016. If you have anything you want to donate or need picked up please call VAL at 781-7580. Thank you all.

Plan on stopping by and have a cup of coffee or lunch and do a little shopping! Come and enjoy yourselves!

This being our last year we need a volunteer to take over Trash & Treasure. The money from this sale helps to keep prices down for our dances. It also helps buy things we need for the park. So give it a little thought!

Thanks for all your help! VAL & Joyce

                                  Dan Davis            253-4316

Starting in January we will play on Tuesday and Thursday at 1:30PM. You will be matched up with someone of your skill level.

## Shuffleboard

*John Barrett, (727)786-8638*

---

**A**t this point, both the “A” and “B” teams are working hard to get closer to the top of the heap. The year started out with an unusually large number of away games. Now that the East Club House is finished (?) we can play home games at home and hopefully, have a greater number of wins.

It important that you attend the meeting on Tuesday, February 2, 2016. There are at least three decisions that need to be made:

- a. What do you want to do for our banquet meal?
- b. Do you want to break with the long held tradition of having a tournament? (I don't!)
- c. There will be a motion written to present to the Big Ten Executive Board and I would like to be able to say that it has the (unanimous) backing of the Serendipity Club.

I was at the courts in early January and was pleased to see that everyone stayed seated until the last game was completed. The etiquette and courtesy that shuffleboard is known for goes a long way towards making the game enjoyable. We don't teach etiquette in any formal way, but it seems to be getting out there one way or another.

Let's hope the temperature stays in the high sixties and seventies all month, at least on Monday through Thursday!

Keep shuffling and have fun. See you at the courts!

## February Is...

---

**American Heart Month.** Heart disease kills an estimated 630,000 Americans each year. February has been celebrated as American Heart Month since 1963 as part of the effort to urge Americans to join the battle against heart disease. Learn how to reduce your risk through lifestyle changes and, in some cases, medication.

**Black History Month.** An annual observance in the United States, Canada, and the United Kingdom to commemorate the history and contributions of black people. Black History Month was officially recognized by the U.S. government in 1976, with President Gerald R. Ford urging Americans to “seize the opportunity to honor the too-often neglected accomplishments of black Americans in every area of endeavor throughout our history.”

**Grapefruit Month.** Rediscover the naturally invigorating grapefruit. Loaded with vitamin C, grapefruit helps boost the immune system during these winter months when colds and flu are at their peak. Whether you enjoy it fresh from its golden skin or straight from a glass, there’s nothing quite like the bold taste and healthy goodness of grapefruit.

**Library Lovers’ Month.** Library Lovers’ Month is a month-long celebration of school, public, and private libraries of all types. This is a time for everyone, especially library support groups, to recognize the value of libraries and to work to assure that the nation’s libraries will continue to serve.

## Valentine's Day, love, and money

---

**M**oney may not buy you love, but on Valentine's Day it can buy a lot of flowers, candy, and jewelry. Americans last year spent \$18.9 billion on Valentine's Day, with the average person paying \$142.93—\$96.63 on their spouse or significant other, and the rest going to gifts for family members, co-workers, teachers, and others.

Men spent more than women—an average of \$190.53, compared to \$96.58. Almost 52 percent of men bought candy for their partners, 61 percent went for flowers, and 21 percent splurged on jewelry.

The gift giving wasn't limited to people, either—21.2 percent bought something for their pets.

## Up all night? Fight insomnia with this information

---

**A**pproximately 6 percent of people in the U.S. suffer from insomnia and the negative effects it can have on health. If you can't fall asleep at night, these facts from the Live Science website may help:

- Keep a consistent schedule. If you can't get to sleep after a weekend, the reason may be that you've stayed up later for a couple of days. Stick to a consistent routine so you're rested on Monday morning.

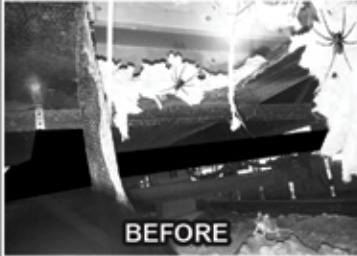

- Sleeping pills aren't the answer. Specialists caution that medications don't cure insomnia and may increase other health problems.
- Hormones may play a role. Women are twice as likely to struggle with insomnia than men, studies show. Sleepless nights may be associated with women's menstrual cycles, as well as pregnancy, menopause, and other hormonal changes.

Nobody wants to fall into a safety net, because it means the structure in which they've been living is in a state of collapse and they have no choice but to tumble downwards. However, it beats the alternative.

## Cold weather dangers to watch for.

**W**inter is far from over, and that means staying safe in cold weather is still important. Remember these tips for getting by until spring:

- **Frostbite.** Frostbite can occur in a short amount of time, especially with children. They can lose body heat quickly, sometimes in as little as 20 minutes. Dress kids warmly, but don't over bundle them, which can cause sweating and speed the loss of body heat. Also, discourage kids from eating snow, since it lowers body temperature, which can decrease resistance to frostbite.
- **Carbon monoxide.** Check your furnace and other heating appliances to make sure they aren't creating a danger to your co-workers or family. Carbon monoxide poisoning is often mistaken for the flu. The symptoms include achiness, headache, and nausea. Carbon monoxide is odorless and colorless, and it can affect children before it affects adults.
- **Vehicles.** We all know to walk carefully on icy roads and sidewalks during winter. But injuries can also stem from sliding and skidding vehicles that may not be able to stop before hitting someone. Be sure to walk in bright or reflective clothing, and be careful when walking near snow piles and drifts that may obscure your view or the view of a driver.
