# Manager's Corner for January 2015

Jeff Hahn, LCAM, Property Manager

---

- If you are using a money order for your monthly rent or assessment, it is very important that at a minimum, your lot number is included. We have received numerous payments that do not identify to which home it is to be posted.
- The Park Office is still attempting to update everyone's files and is asking for updated phone numbers, contact information and also a copy of the title(s) to your home. Please stop by or email the office with this information. Your cooperation in this matter is greatly appreciated!
- Just a reminder to all Serendipity shareholders, the Annual Membership Meeting is scheduled for Tuesday, January 13th in the East Clubhouse at 7:00PM. Please attend if at all possible. If not please remit the proxy that was sent to you in December as part of Annual Meeting packet.
- There are also a few Shareholders who have yet to return their Voting Certificate, so we have also included those in your packet with instructions as to how and who needs to sign off on these. Please keep in mind if they are not completed properly, you will not be able to vote in this year's election. Call or email me with any questions you have regarding this form.
- A list of Serendipity's Rules and Regulations are posted on the bulletin boards in each of the clubhouses. We can also make you a copy of them if you so desire.

**MANAGER**

## Here are just a few of them:

- Rules # 19 states in part that "automobiles must be parked in the driveway of your lot and are not allowed to park on the roads overnight, or ON LAWNS AT ANY TIME."
- Rule # 28 states that "Mobile Home Owners may not cross occupied lots without the mobile homeowners of that lot having given permission."
- Rule # 30 states in part that "All subletting residents must sublet for a minimum of three (3) months. Additionally, all new residents...must meet the same standards and requirements for entry into the Park."
- Your cooperation in adhering to these and all the Rules and Regulations of the Community is very important in maintaining the quality of living in this Park.
- No new major projects are on the horizon, just a continuation of trying to maintain and upgrade the Park where needed.
- Thank all of you who contribute so much of your time and effort to keep Serendipity the high quality Park that it is, and I wish to extend to everyone a joyous, wonderful 2015. Happy New Year!

# Social Association

Jo-An Eades

---

Hello everyone. Your social committee has been busy arranging upcoming events for your enjoyment. Sure hope you will come out and have a good time with us. For those of you that had the pleasure of attending the Cahal Dunne concert last season, we have the pleasure of bringing him back on JANUARY 19th. Cahal is known world-wide and is ranked as one of the greatest IRISH showman in the business. He has been on TV numerous times.

Don't miss this great event. Tickets will be on sale on January 10th at 10:00 a.m. in the West or small clubhouse. Last year was a sell out so come early. On JANUARY 25th there will be a Spaghetti dinner and Country Western Dance. Tickets will be on sale January 17th at 10:00 a.m. in the West or small clubhouse. Please watch the bulletin board for events and information regarding social. We do spend a lot of time trying to bring you the best that we think you will enjoy. We would love to have YOUR ideas and input, so come out to our social meeting and share with us. Hope to see all of you real soon. Cheers!!!

## January

Barbara Clark, 303-0171

---

January is named after Janus, the god of the doorway. The name comes from Roman mythology, the door to the year. Janus has two faces which allowed him to look both backwards into the old year and forwards into the new one at the same time. Originally, the Roman calendar ran only from March to December. January and February were added later. During the beginning of the sixteenth century, European countries began officially making January 1 the start of the New Year. The New Year in Britain officially began in January only after the calendar reform of 1752. Before that, it was celebrated on March 25.

- January is the coldest month of the year within most of the Northern Hemisphere and the warmest month of the year within most of the Southern Hemisphere.
- Apart from leap years, January always begins on the same day as October. In leap years, January always begins on the same day as April and July.
- January is the only month when the North Pole is on average colder than the South Pole.
- The birthstone for January is the garnet, which represents constancy.
- The birth flower is the cottage pink dianthus. The traditional English birth month flower is the carnation.
- The zodiac signs for January are Capricorn (until January 19) and Acquarius (January 20 onwards).

## Winter Quiz

**W**hat is El Nino? El Nino refers to a warming of the Pacific Equatorial waters and a slackening of the Trade Winds over those waters. Fisherman in Peru noticed that once every several years, the waters would warm; the upwelling of cold water that brought nutrients to the fish would stop; the fish that fed on the nutrients would leave; and the birds that fed on the fish would leave. The bird guano was a major source of fertilizer. This had a great impact on the local economy. They named it "El Nino" after the child, Jesus Christ, giving it a religious connotation because it seemed to occur around Christmas time.

What is La Nina? La Nina is the opposite of El Nino. The Pacific Equatorial waters "cool" and the Trade Winds increase over those waters. The La Nina pattern is expected to continue through this winter.

1. Which of the following is not affected by wind chill?  
a. *Person*      b. *dog*      c. *car radiator*      d. *bird*
2. What is the coldest temperature ever recorded in Washington, DC?  
a. *-10°F*      b. *-7°F*      c. *0°F*      d. *-15°F*
3. What is the difference between sleet, hail and freezing rain?
4. True or False. It must be 32°F or colder for it to snow.
5. On the average, one inch of rain is equivalent to how many inches of snow?  
a. *10 inches*      b. *1 inch*      c. *5 inches*      d. *1 foot*
6. Which of the following impacts can Maryland and Virginia expect from a "Great Nor'easter"?  
a. *Heavy snow*      b. *High winds*      c. *Coastal flooding*      d. *Blizzard*  
e. *All of the above*      f. *None of the above*
7. What three months bring Washington its heaviest snow storms?
8. What is the greatest 24 hour snowfall in Washington, DC?  
a. *21 inches*      b. *15 inches*      c. *26 inches*      d. *18 inches*
9. Can it snow from clear skies?
10. What is more hazardous to trees and power lines?  
a. *One inch of wet snow*      b. *One inch of ice*

## Winter in Florida

---

Many of you come to Florida to get away from the cold, snowy winters of the northern areas of the U.S. and Canada. Most winter temperatures we experience here in Florida are very mild and the coldest spells don't last that long. Comparatively speaking, even our coldest winters can't compare to those of the north (40°F doesn't seem that bad compared to freezing temperatures or lower). And, there is no snow to shovel! We usually warm up within a few days. Most of the time the sun is shining and that makes it better!

According to the weather experts, this winter will be colder and rainier than normal. The coldest temperatures will occur in early January, with other cool periods in mid- and late January. April and May will be hotter than normal, with above-normal rainfall.

As we inch closer to the winter we see all signs pointing to an El Nino in Central Florida and this can often mean wild weather in the form of severe thunderstorms, tornadoes and flooding rain. It's not a guarantee but most of the winter forecast will ride on the power of El Nino and how far south the Southern Jet decides to set up shop in Tampa-St. Pete.

Past El Nino's have been a hit or miss with areas to the north getting the bulk of the rain and wild weather. We feel Central Florida will get its fair share of wild weather, especially in later December and January when we expect to see El Nino in full force.

## Golf

Linda Taylor, 418-4288

---

We are playing golf at the Lansbrook Golf Club with a shotgun start time of 8:15 a.m. Anyone interested in playing with the league on Monday mornings, give me a call or e-mail me at [lindataylor661@hotmail.com](mailto:lindataylor661@hotmail.com). Just a note, you do not have to be a resident of Serendipity to play with the league so if you have any friends interested in playing they can contact me for information. For those of you who played last year, the league rates are in line with what we paid last year.

## Krafty Korner Friendship Club

Come and join our craft club. We will meet every Friday from 10:00 a.m. until 3:00 p.m. in the West clubhouse. Everyone is welcome. Come join us as we all work on our individual crafts. Call Brenda or Kathy for more information.

# New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

## Line Dancing

Leslie Bellinger, 729-5039

---

**H**appy New Year everyone! Line Dancing continues on Tuesday mornings at 10:00 a.m. at the East Clubhouse. This month we will dance on January 6th, 20th and 27th. Pick your favorite dance when you come in and put it on the board. Also we will work on the Polka Line Dance and Happy! See you on the dance floor!

## Fun League Shuffleboard

Rich Hill, 609-389-5440

---

**F**un League shuffle will start this month. It is never too late to join the fun league. The team lists and schedule should be on the Shuffle Bulletin Board across from the West Clubhouse. If you have any questions, give me a call. 1-609-389-5440 or Lot 53.

## Shuffleboard

John Barrett, 786-8638

---

Because the Fun League is just getting started, I will make one more appeal to new residents and others who have not shuffled before to join us. The fun league plays on Tuesdays and Thursdays (and Fridays if we get a lot of new members). The game is a lot of fun and not difficult to learn – any club member can get you started.

The “A” and “B” teams are both doing well in the Big Ten League and the Stirling League began play on December 3rd.

The club has been looking into options for curtains around our new roof over. The only thing we feel certain about at this point is that they will be expensive. If you have any ideas for fund raising, I will listen!

The banquet this season will be Sunday, March 22, 2015. I hear that some folks would a change of menu and that maybe we could have some entertainment. I hope that ALL members will attend meetings to provide direction on these (and other) questions. The meetings are always on the first Tuesday of the month at 3:30 (following the fun league game) in the West Clubhouse. I will see you there at the courts.

## Winter Quiz Answers

1. c. Wind chill is the combination of wind and temperature and is based on the rate of heat loss from exposed skin. As the wind increases, heat is carried away from the body at an accelerated rate, driving the body temperature down. Wind chill has no effect on cars or other objects.
2. After a snowstorm left a foot of snow over the city on February 8, 1899, a record cold wave struck. On February 11, the temperature dipped to -15°F in the District. It was followed by a second great storm called "The Great Valentines Day Blizzard" which dumped another 20.5 inches of snow. That year DC saw a record 54 inches of snow.
3. Hail is a chunk or stone of ice dropped from a thunderstorm. Sleet is frozen rain. Freezing rain is liquid rain that freezes to a surface such as the road or a tree.
4. False. It has been known to snow with temperatures in the mid 40's. Temperatures are below 32°F up in the clouds where the snow is forming.
5. a. 10 inches of snow melts down to about an inch of liquid rain.
6. Nor'easters cause high winds and flooding along the coast and heavy snow and sometimes blizzard conditions inland over the Greater Metropolitan Washington area. Nor'easters are responsible for the areas's most hazardous winter weather.
7. January, February, and March. It is the latter half of the winter in the Washington area that brings the nor'easters that dump the majority of our snow.
8. The January 27-28, 1922 storm dumped 21 inches of snow in DC in 24 hours and had a storm total of 28 inches. It is known as the "Knickerbocker Storm" because the heavy snow caused the collapse of the Knickerbocker theater during a performance. One hundred people died inside.
9. Yes. Ice crystals sometimes fall from clear skies when temperatures are in the single digits or colder.
10. An inch of ice is heavier than wet snow and is hazardous enough to cause power lines and trees to come down.

### Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

14,492 manufactured home residents have won over \$124,374 since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or [mail your paid receipt](#) to us at Monthly Media • PO Box 1023 • Venice, FL 34284. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
